Terms and Conditions

Horses will sell in catalog order. Please pay close attention to announcements, which take precedence over printed material. ALL ACCOUNTS must be paid immediately following sale. All Payments shall be in U.S. Currency and on U.S. banks only. Payment shall be Cash, Cashier's Check, Personal Check, Credit Card or Traveler's Checks. NO BANK DRAFTS. All registration papers will be withheld until payments clear the bank. Cash buyers may pick up papers the day of sale. All returned checks will be immediately turned over to the County District Attorney's office and charges will be filed! THIS SALE IS CONDUCTED IN ACCORDANCE WITH, AND ALL ACTS OF INTERESTED PARTIES AND/OR CLAIMS BY THEM SHALL BE GOVERNED BY, THE FOLLOWING CONDITIONS OF SALE:

FIRST - APPLICABLE LAW: All horses in this sale are offered according to the laws of the state of Texas.

SECOND - THERE IS NO WARRANTY EXPRESS OR IMPLIED BY THE AUCTIONEER, SPONSORS, OWNER OR CONSIGNOR, AS TO THE PERFORMING SOUNDNESS, MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OF ANY HORSE OFFERED IN THIS SALE. ALL HORSES ARE SOLD "AS IS" WITH ALL EXISTING CONDITIONS AND DEFECTS EXCEPT AS SET FORTH IN CONDITIONS EIGHTH, NINTH, TENTH AND ELEVENTH BELOW. BUYERS SHOULD EXAMINE HORSES PRIOR TO PURCHASING.

THIRD – BIDDING PROCEDURE: The person making the highest bid recognized by auctioneer shall be the buyer. Buyer shall be immediately presented with a document entitled Acknowledgement of Purchase for signature. Should such presentation not be made prior to commencement of bidding on the next lot offered, the buyer shall forthwith identify himself or herself to auctioneer as buyer and sign the Acknowledgement of Purchase. In the event that a person other than the recognized buyer signs Acknowledgement of Purchase, such action shall not give such other person any right or title to the horse; and as soon as erroneous signing of Acknowledgement of Purchase becomes known to the auctioneer, he shall cause the Acknowledgement of Purchase to be presented to the recognized buyer for signature. If the highest bidder fails to immediately execute the Acknowledgement of Purchase or otherwise fails to comply with the Conditions of Sale, or in the event of a mistake by the auctioneer, Shawnee Horse Sales LLC reserves the option to re-sell the animal and such resale shall terminate all obligations of Shawnee Horse Sales LLC and the consignor to honor any prior bid. Consignors have the right to bid on their own horse.

FOURTH – BIDDING DISPUTES: Should any dispute arise between or among two or more bidders, the auctioneer shall forthwith adjudicate the dispute, and his decision shall be absolute, final and binding on all parties. Bids received by personnel employed by the undersigned have the same stature as bids received by auctioneer. In case of dispute, the bidding shall be reopened for advance bids, and if there be no advance bid, the horse is sold to the person from whom auctioneer recognized the last bid. Advance bidding shall be restricted to the disputing parties, unless the bid be reduced below the level of the recognized bid at commencement of dispute, in which case bidding is reopened to all. The auctioneer reserves the right to reject any or all bids.

FIFTH – TITLE AND DELIVERY: Title passes to buyer at fall of the hammer. All risk of injury to the horse becomes buyer's risk at passing of title. Horse will be held for buyer by consignor until buyer makes settlement as provided in CONDITION SIXTH below. Buyer shall immediately present himself or herself to make settlement if requested by auctioneer, but in any case shall so present himself or herself within thirty minutes of conclusion of the sales session in which the horse was purchased. Upon settlement by buyer, horse will be delivered pursuant to a "stable release" provided by undersigned to buyer or his or her representative. Buyer or his or her representative shall present "stable release" to designee of undersigned to remove horse from sales premises after taking possession, but in any case taking possession of the horse by buyer or his or her representative shall constitute delivery. Upon delivery, buyer shall cause horse to be removed promptly from the sales premises, or shall be subject to stable charges as determined by undersigned. In addition, should purchaser fail to cause horse to be removed promptly, undersigned may cause horse to be removed from sales premises at buyer's risk and expense.

SIXTH – TERMS FOR SETTLEMENT: Buyer shall make settlement with cashier of the undersigned. Payments to others, including consignors or their representatives, do not constitute settlement. Buyer shall present himself to make settlement as provided in CONDITION FIFTH above for the full purchase price, such settlement to be in U.S. currency or equivalent acceptable to cashier. Acknowledgement of Purchase is not transferable without the approval of Shawnee Horse Sales LLC, and the copy of the Acknowledgement of Purchase retained by the buyer must be presented by the buyer at the time of settlement.

SEVENTH – DEFAULTERS: SHOULD BUYER FAIL TO COMPLY IN ANY RESPECT WITH CONDITIONS FIFTH AND SIXTH ABOVE, THE UNDERSIGNED MAY, IN ITS ABSOLUTE DISCRETION, PURSUE ANY REMEDY AVAILABLE AGAINST THE DEFAULTING BUYER, INCLUDING, BUT NOT LIMITED TO, TAKING POSSESSION OF THE HORSE, RE-SALE OF THE HORSE AT PUBLIC AUCTION OR BY PRIVATE TREATY FOR ACCOUNT OF DEFAULTER. In any such case defaulter shall be liable for any deficit in his account after charging to his account all costs of maintenance and resale, including, but not limited to, service charges, attorneys fees, costs of litigation, and damages available to undersigned.

EIGHTH – WARRANTIES AS TO DESCRIPTION: UNLESS OTHERWISE ANNOUNCED THERE IS NO REPRESENTATION

continued on next page

Terms and Conditions, continued from previous page

OR WARRANTY AS TO THE BREEDING QUALITIES OF ANY HORSE DESCRIBED AT TIME OF SALE.

1. Each broodmare selling as "bred to" a stallion will have been palpated within 10 days of sale, and reported at sale as "in foal," "open/barren," or "bred" (meaning an insufficient amount of time has passed to determine pregnancy). ANY PURCHASER OF A BROODMARE SOLD IN THIS SALE MAY HAVE THE MARE EXAMINED WITHIN 24 HOURS AFTER THE FALL OF THE HAMMER, AND PRIOR TO REMOVAL FROM SALES PREMISES, by a veterinarian acceptable to the undersigned. Any broodmare so examined whose pregnancy or breeding soundness status is found not to be as represented at the time of sale may be returned to consignor as unsold, and consignor shall pay veterinarian's fee for examination.

2. Any contractual agreements between owners of broodmares in this sale and owners of stallions to which these mares may have been bred do not follow the mares unless so indicated at time of sale. The possible return to any stallion or possible refund of any stud fees does not go with any broodmare unless so indicated at time of sale.

NINTH – WARRANTIES AS TO SOUNDNESS: UNLESS EXPRESSLY ANNOUNCED FROM THE AUCTION STAND, OR BY OFFICIAL PUBLICATION OF THE UNDERSIGNED, OR AS HEREINAFTER PROVIDED, THERE IS NO WARRANTY OR GUARANTEE OF ANY KIND AS TO THE SOUNDNESS OR CONDITION OR OTHER QUALITY OF ANY HORSE SOLD IN THIS SALE.

TENTH – LIMITED WARRANTIES. Horses which are unsound in eyes or mouth, are "cribbers," "wind suckers," or "crypt orchids" must be so announced. Veterinary services are available to bidders; each bidder is encouraged to conduct such inspection and examination of each animal prior to bidding. Except as otherwise announced by the auctioneer at the time of sale, the consignor of each animal represents and warrants to the buyer and Shawnee Horse Sales LLC title to the animal free from all adverse claims to ownership, use or possession. Except for the foregoing limited warranty each animal is sold by the consignor WITHOUT WARRANTY AND WITH ALL FAULTS. In the event that any animal is not as represented in the Sale Catalog or on breach of the foregoing limited warranty (as the Sale Catalog or limited warranty might be modified by announcement at the time of sale) the buyers shall file with Shawnee Horse Sales LLC a written notice of rejection of the animal with such supporting certificates as Shawnee Horse Sales LLC might require within forty-eight (48) hours after the close of the Sale session in which the animal was purchased. If the buyer rightfully rejects the animal in the manner and within the time provided, the animal will be returned by the buyer to the consignor and the consignor will refund to the buyer full purchase price of the animal together with all reasonable expenses incurred by the buyer in connection with the animal from the time of sale until the return to the consignor.

ELEVENTH – CONSIGNEE STATUS: Shawnee Horse Sales LLC is operating as an independent contractor engaged in the business of conducting a consignment sale. Shawnee Horse Sales LLC has compiled the Sale Catalog from information provided by the designated consignor. All announcements by the auctioneer at the time of sale are made on behalf of the designated consignor and will take precedence over the printed provisions of the Sale Catalog. In the event of any dispute between the buyer and the consignor, Shawnee Horse Sales LLC will occupy the position of agent for a disclosed principal and stake holder and will be discharged from all obligations owing to the consignor or the buyer on delivery of any property or funds held by Shawnee Horse Sales LLC to the Court having jurisdiction of such dispute. Shawnee Horse Sales LLC makes NO REPRESENTATION OR WARRANTY with respect to any animal and the buyer must look solely to the individual consignor for recovery of damage by reason of failure of any representation or limited warranty.

TWELFTH – ARBITRATION:

1. Any controversy arising out of a claim arising under WARRANTIES shall be settled by arbitration between the buyer and consignor pursuant to the following procedure: Upon the Sale Management's determination that a claim under such CONDITIONS OF SALE has been timely and properly presented by the buyer pursuant to these CONDITIONS OF SALE, and upon notice from the Sale Management, the buyer and the consignor shall each select a licensed veterinarian acceptable to the Sale Management. If such veterinarians fail to agree promptly as to the validity of the claim, they or the buyer and the consignor involved in the controversy, shall agree upon a third licensed veterinarian. If such two veterinarians, or the buyer and the consignor, are unable to agree promptly upon the third veterinarian, the Sale Management shall appoint the third veterinarian. The third veterinarian's fee, expenses and costs shall be paid by the party whose property the horse is determined to be. The panel of three veterinarians shall conduct any tests, investigation, or examinations which they deem necessary, and may, in their discretion, conduct a hearing by notifying the Sale Management to arrange for the hearing, and shall, by majority vote, determine the validity of the claim. The Sale Management shall determine the amount of reimbursement due to a buyer whose claim is found to be valid and may, in its sole discretion, conduct a hearing to aid in making such a determination, and such determination shall be incorporated in the award.

2. Arbitration above shall take place in a location designated by the Sale manager. Judgment upon any award rendered by the arbitrator(s) may be entered by any party and any court having jurisdiction thereof. The Sale Management will be entitled to reimbursement from the party whose property the horse is determined to be for attorney's fees and other costs incurred, and any related court proceedings.

How to Bid Online

Tips and Tricks to Master Online Bidding

STEP 1. Use Chrome or Safari, a newer browser or download the CCI.live app at Google Play or Apple App store.

STEP 2. Open your app or go to the address of www.CCI.live in your browser. CCI.live can be used on a cell phone, tablet, laptop or desktop. Some older models may not be compatible and will show a yellow caution symbol if so.

STEP 3. Create an account and then request bidding credentials through CCI.live. Use the bank information listed on your check. Please use a correct phone and email address.

STEP 4. Once you are accepted for bidding credentials you will receive a text message and/or email notification. Proceed to "Get Buyer Number" on the actual sale page of your interest. Some sales may also require a passcode to obtain a buyer number. On these auctions, you will obtain passcodes from the sale office phone number for the specific auction you are interested in. Please closely read the terms!

STEP 5. You are ready to go! Make sure you understand, once you are logged in, have a buyer number and are watching the sale that you are on a highly sensitive web page. **Be careful when scrolling that you do not accidentally hit the bid button and watch children closely as they tend to grab cell phones and accidentally bid.**

TIPS FOR SUCCESSFUL BIDDING

- Make sure you have good service. Bidding and driving is not recommended. You should have two - three bars on your cellular devices. At home you should have an **UPLOAD** speed of 2 mg or more UP. Use this site to test your internet: www.speedtest.net.

REFRESH YOUR SCREEN AT SALE TIME

If you have logged in over an hour prior to sale time, you may need to login again. **DO NOT** let the computer set idle and then return and try to bid, the website may have logged you out.

CCI.live does not accept payment, you will pay the sale management, farm or ranch direct.

NOTES: You don't find one like this everyday! This mare is by Cadescat, 3x WRCA Finals Top Horse. If you want one that the whole family can enjoy, this is it. She was started as a 2 year old and used on the ranch to ride through cattle, doctor off of, and used during shipping. This year our 7 year old son used her during shipping season. She has been hauled around to local shows and used as a turnback horse in the cutting pen at those shows. In the arena she has taken cattle down the fence and worked on the flag. She is one that could go any direction and be used by the whole family - do not miss out on this one!

NOTES: Here is a big, soggy, double good looking gelding that has EVERYTHING done off of him on the ranch. Gatto has had wild mavericks drug out of the canyons on him, doctored countless yearlings outside, drug more calves to the fire than most people see in a lifetime, and stripped thousands of pairs. If he could bridle himself, we are fairly confident Gatto could go do the job with no rider. He has been used at multiple ranch rodeos, and shagged out cattle at the WRCA finals every year for 10+ years. Gatto stands 14.3 and weighs a full 1350 lbs. NOTES: We have owned Capt. since he was a two years old. Stands at 14.2 hands. He has been an outstanding stallion producing really nice babies with amazing minds. Easy breeder, pasture or in hand. In the show pen; he took home three buckles in the cutting pen at the Clearwater Cutters in Idaho. Been to several local shows as well. He has been all over the Rocky Mountains. He is no stranger to hard trails. He has nice gallop, great slide stop and good spins. We also have competed at sortings, team pennings and trail classes. He has started several two year olds for me by roping and getting them good on the halter. Capt. is our go to horse for any work that needs to be done. He has lots of feel and goes to work for you. He would be outstanding in ranch versatility shows. Non pro could ride him easy. Babysitter kid safe. He is the same no matter how much time he has had off. This horse is the real deal. He has color, conformation, mind, and soundness. He has X-rays on file as well.

This year she has been used lightly on the ranch and a few times during shipping season. She is quick, catty, and wants to have a job. She comes out each day ready for a full days work. In the arena, she has been started on tracking cattle, and has seen the flag a few times. When turned out in the round pen with a heifer, she moved it all around without a rider. NOTES: "Ned" was trained in the cutting by Roy Carter, and is a finished cutting horse. He has been shown in the sorting from the open level all the way down to the youth. He is by Dual Rey, the #3 All-Time Leading sire of cutting horses with progeny earnings in excess of \$52,910,000! His Dam, Kaboomsmall is the earner of over \$54,000 NCHA. She has produced earners in excess of \$429,910, including a full brother to Ned, Reyboomsml who has earned in excess of \$111,250 NCHA. We have left him off for a month or two at a time and saddled him up and rode off. Has never offered to buck. We have used him in our cattle operation from Florida to Texas to gather tough cattle out of rough country and he is good to ranch on. Has been lightly started roping the hot heels and he went right to it as well. He truly is an all around using horse. Stays fat on oxygen and is easy to catch. What an opportunity to own as versatile a son of Dual Rey as you'll have an chance to buy at public auction!

NOTES: Gummy Bear is really pretty little buckskin pony. Stands at 42". We had her since she was a yearling and has been a lot of fun for our children. In the arena she rides around really nice and has a nice slow lope. She has also been ridden outside around the farm a lot. Has been ridden along highways, on trail rides, and through creeks and obstacles. She is a willing pony and will pretty much go wherever you point her. She is still young so she still has a lot years of fun for someone's little boy or girl. American Shetland Pony.

NOTES: Wait til you drag your eyes across this big, beautiful guy! Tick is a been there, done that ranch hoss. He has been used on a large yearling operation in Hereford, Tx the last 7 years. Doctoring cattle outside, sorting, or shipping yearlings? Tick is the one you catch. Not only is he a veteran to use on the ranch, Tick has also been hauled and entered in the barrels and head side. He's a solid 2D horse in tough West Texas competition with limited hauling. He's been won off of on the head side as well. He's got a big, strong move, handles cattle with ease, and is good in the box. There's not a doubt in my mind that this horse could compete at a pro rodeo level in either discipline. He's got all the run, talent, and structure to take it. Tick is 110% sound in every way. Stands 15.3 and weighs 1375 lbs and gentle year round. Never offered to buck.

NOTES: I can't say enough say enough about this really nice buckskin gelding that we raised. I have two full brothers to this horse that are high end ranch and rope horses. Sky is the limit for what the future holds for this gelding. He's done everything on the ranch including roping, doctoring, and dragging calves to the fire. Cajun has been used in big country. He is gentle every time you catch him. Cajun is the keeper kind, really broke in the bridle with plenty run and cow. If you are looking for an A1 ranch horse, trail horse, or rope horse prospect don't miss Cajun. 100% sound and gentle. Guaranteed in every way!!

NOTES: Camelot by Midnight AKA monster is a 3 year old Friesian/Percheron/national show horse cross. He has all the basic training: lead, load, unload, bathe, brush, lunge, and has been saddled. Monster is not broke to ride, but has been saddled and lunged numerous times. He is in your pocket type and has been handled since birth. He is easy to trim or shoe and stands like a gentlemen. Very easy to catch, in fact he practically catches you! Monster had his first show last year at the draft horse show at the state fair and handled it all like a champ, and took home numerous ribbons. He spent the entire weekend on the show grounds and was an absolute gentleman. Don't pass up on this amazing prospect! American Sport Horse registered.

NOTES: "Bubba," is a super nice, honest, well broke gelding, 14.2 hands and well built. He's been my main ride for the last 5 years. I've used him working cattle, pasture roping. He side passes and works gates, ponied colts and used for outriding for teams in parades. He's been trail ridden in multiple states and on overnight camping trips. I rode and shot off him in the performances of the stagecoach holdup reenactments during the "Days of 76" PRCA rodeos in Deadwood S.D. numerous years. He loves people, is easy to catch, shoe, clip, load and haul. Always well cared for, healthy and sound. Current on 5 way, west nile, and worming.

NOTES: Todd is a 9 year old that has had every aspect of ranch work done on him. He will go anywhere you point him, up or down hills, through water it doesn't matter. This horse has zero buck or funny business to him. My 9 and 5 year old girls ride him. He will ride without a bridle and will spin, stop, back up without it. Todd is started in the heading and heeling. He has mainly been headed off of. He is coming along nice on the head side. Can run, strong to the horn and really wants to face. He does not mind a rope around his butt, I have never found anything that bothers him. I believe someone could also put him on the barrels and he would do good or just take him and trail ride, not having to worry about anything. I don't get to rope much anymore and that's the only reason this horse is even for sale.

NOTES: This is one for all the little ranchy cowboys and cowgirls out there! Beau has been used on the ranch riding through cattle on the lead and off, been used during shipping season, and at play-day rodeos. He keeps up with the big horses and will go all day. Beau is NOT for those looking for a first pony, he can get quick when wanting to keep up, but has never offered to run away. His ideal job is a handy little cowboy or cowgirl who is ready to learn the ropes of ranching. We were told when we bought him 4 years ago that he had been roped off of. If you are looking for something as a step 'Up' off of the older horse for your kid to use on the ranch, he is your boy.
