

THE ADVANTAGE PRODUCTION SALE

OCTOBER 14, 2023 | 6:00 PM | SIOUX CITY, IA

UDELL
Cattle Co.

Welcome.....

We are excited to welcome you to Udell Cattle Company for our 7th annual production sale. We have sorted, sifted, and handpicked 60 of our very best open females, and couldn't be more pleased with this group selling on October 14th. Whether you are shopping for your first-year showman, final year, or simply looking for your next donor cow, we are confident you will find high quality females, out of our very best genetics, that will make an impact on your breeding program down the road.

A sincere THANK YOU to our customers. It is truly humbling that so many families put their trust in our program, and we appreciate each and every one of you. The memories made, and friendships formed have been priceless, and remain one of the greatest things about this industry. One of the years highlights was celebrating the wedding of Maddy and Chris. We felt incredibly blessed to be able to spend that weekend with so many of the friends that we have met throughout the years of showing, and now selling, cattle.

Anyone that shows or sells cattle knows there is absolutely no way to make it possible without a great crew. Our "farm crew" continues to be second to none, and we couldn't do this without each and every one of them. From making breeding decisions, calving, weaning, working cows, running the show barn, breaking calves, washing, clipping, and everything in-between, it is all hands on deck all year long.

We appreciate your interest in our program, and welcome you to come see this set in person anytime between now and Saturday, October 14th. Please do not hesitate in contacting anyone here at Udell Cattle Co. or one of our sales consultants if you have any questions. We would be honored for you to be a part of our team this upcoming year!

THE UDELL CATTLE COMPANY FAMILY AND CREW

Welcome to the seventh edition of The Advantage Production Sale, hosted by Udell Cattle Company. There is no secret that this sale produces champions at every level of competition and the depth of quality that runs through this year's offering is exceptional to say the very least. The Udell family and their talented staff members have bred an elite offering of open heifer calves that are backed by one of the most dominant donor pens in the business. Many of those females are past National Champions themselves and have proven themselves as producers and contributors to the future of the Udell Cattle Company breeding program.

Diversity is key to the success of any operation in any business, and there is no question this offering has something for everyone! A strong Angus line-up will highlight the 2023 event, and there will be several high quality females that will represent the Simmental, SimAngus, Chianina, Hereford, and Red Angus sectors of the Udell breeding program. Regardless of which breed you are after, rest assured that the cow family behind them represents the most proven and prolific pedigrees in North America!

Customer service is what sets this program apart and there is no question that the dedication and passion that the Udell Cattle Company team offers to their customers is second to none. We encourage you to visit with them about the cattle with the goal of finding the right project for you or your junior exhibitor. We welcome you to view this powerful offering at your convenience before the sale and invite you to join us on October 14, 2023 at 6 PM for The Advantage Production Sale. CCI.Live will provide a live broadcast if you are unable to attend the sale in person. If you have questions it is encouraged to contact any of the Udell Cattle Company team members or sale staff.

UDE Smokette 245G was selected in 2020 for **\$7,800** in “The Advantage”. She was successfully campaigned by Saylor Jauer to several victories, but her most notable win was at the 2021 IA State Fair when she was slapped Reserve Grand Champion Charolais Heifer in the 4-H Breeding Heifer Show, one of the most competitive State Fair junior heifer shows in the country. Congratulations Saylor!

Lot 31 from “The Advantage” 2021 Production Sale was purchased by Sarah Armitage of Oklahoma for less than **\$5,000**. Sarah and her family identified the quality, remained patient, and put in tremendous time and effort to this Angus heifer. She was a many times breed champion in the state, and was selected as the 2022 Stillwater Showdown Grand Champion Angus and Reserve Grand Champion Heifer Overall. Congratulations to Sarah!

The Gensini family of Illinois are no strangers to success in the showing, and it's evident that the investments they have made over the years are certainly paying off! They have purchased two females sired by Silveiras Style 9303 and out of the legendary JSUL Red Thunder 9051W donor from Udell Cattle Company. Those females have endured a tremendous amount of success in the showing, and now in production. This past month in the Wilson Cattle Company Online Steer Sale, a son of UDE Stylin' 28F, the 2019 NWSS Grand Champion Prospect Heifer, sired by In God We Trust commanded **\$62,000!** Congratulations to the Gensini and Wilson families!

Jeff Jackson and the Hunt family of Texas purchased UDE Keymura Katy 1054 last year for **\$6,000!** This daughter of “5009” was a bit greener at sale time last year but was made right. Jeff saw the future in this female and took a chance on the quality build and style that she possessed. Fast forward to February of 2022, she was selected as the Reserve Calf Champion at the San Antonio Livestock Exposition Junior Breeding Heifer Show, one of the largest breeding heifer shows in the country with over 1,000 head shown annually! This female was also selected Grand Champion Angus and Supreme Overall at the 2022 Texas Youth Expo. Congratulations Nolan!

Lot 16 from “The Advantage” 2021 Production Sale was selected by the Johnson family of Chestnut Angus Farm in Minnesota. This female is a full sister to the 2020 IN State Fair Reserve Supreme Champion Heifer. UDE Phyllis 1143 was purchased for **\$9,300** last year. She was selected as the 2022 MN State Junior Angus Association Reserve Grand Champion for Dawson Johnson. She was also a class winner in a tough March class at the 2022 NJAS this summer in Kansas City. Congratulations Dawson!

Willie Weis and the Lashmett family purchased UDE Queen Ruth 9088 in the 2019 edition of “The Advantage” Production Sale for **\$13,000**. This stunning daughter of 502 was certainly a popular female on sale day, and Willie saw the potential in not only her phenotype but also her pedigree. 9088 was a division winner at the 2020 NWSS for Millie Lashmett, and has become a cornerstone donor in the program. Her first set of ET heifer calves yielded tremendous results with a \$28,000 heifer calf that went on to be selected as the 2022 IA Beef Expo Reserve Supreme Champion for Sloane Curtin. Congratulations to the folks involved this powerful young donor dam!

Two years ago, the Beeson and Langford families partnered on UDE Black Thunder 5H in The Advantage Production Sale. UDE Black Thunder 5H was successfully campaigned by Jade to countless victories across the country. However, her greatest accomplishment came during her rookie year in production where she raised a heifer calf that recently commanded **\$101,500** on the Powell Cattle Company Online Sale. Congratulations to everyone involved! Full sisters to UDE Black Thunder 5H sell as lots 58-60 in this year's sale!

UDE Thunder Girl 93J ET was a **\$9,000** selection in last year's sale. She was a bit greener than her sister by Silveiras Style 9303, but the influence of JSUL Red Thunder 9051W is certainly powerful, especially if you're patient with them as they mature. This daughter of SA V Bismarck 5682 has matured into a show stopping female for Tessa Ellensohn! She was the Grand Champion Chianina and 3rd Overall Female at the 2022 Plymouth County Cattle Battle. Congratulations Tessa!

- 502 does it again! There is no denying the consistency and generating power that the KR Casino 6243 x KDJ Queen Ruth 502 mating possesses. 502 is the high income producing female in the Udell Cattle Company donor pen, producing countless high sellers and show ring champions for those that have invested in the genetics.
- UDE Queen Ruth 2003 topped the sale in last year's sale at \$500,000 to Sara Sullivan. She was recently selected as the 2023 NJAS Third Overall Owned Heifer in Grand Island, Nebraska.
- Another full sister, UDE Queen Ruth 2004, the \$135,000 sale feature from last year's sale was selected by Kaylee Langford. She was the 2023 Western National Angus Futurity Grand Champion Heifer of the Junior and Open Show. She was also selected as the 2023 FWSS Grand Champion Junior Angus Heifer.
- UDE Queen Ruth 3002 is much like the full sisters who have come before her in terms of stoutness of feature, volume and capacity, and overall maternal excellence.
- The opportunity to acquire a direct daughter of the great 502 will present itself again on October 14 in Sioux City, Iowa. Don't miss out on the chance to add these genetics to your program!

- One of the most popular full sisters is UDE Queen Ruth 0204, the 2021 American Royal and 2021 NAILE ROV Grand Champion Angus Heifer for Rance Wheeler. She continued her winning ways in 2022 when she was selected as the Cattlemen's Congress ROV Reserve Grand Champion Angus Heifer. A flush commanded \$40,000 in the Embryos on Snow sale following her dominant show career!
- 3003 is a stout made, bold ribbed, ultra-complete female that is certain to be a generator like her full sisters that have come before her!

•Another full sister is UDE Queen Ruth 9088, commonly known as “Becky” by Weis Cattle and Lashmett Cattle. She is the dam of the \$100,000 high selling female in last year’s Weis Cattle Online Sale. “Becky” also produced the 2022 IA Beef Expo Reserve Supreme Champion Heifer for the Curtin family that sold for \$27,500.

•This female reminds us of 9088 at this stage of the game! A competitive show heifer option with HUGE return on investment potential once she is in production. This one will produce!

- We initiate the Simmental division of this year's sale offering with a sensational set of daughters from the incredible KDP Miss Hoya Hayleigh, a female that we believe is one of the most unique animals that has ever set foot at Udell Cattle Company!

- She was selected as the 2019 Kansas Beef Expo Reserve Supreme Champion Female at her first outing. She continued her winning ways through the summer and fall before being selected as the 2020 American Royal Grand Champion, 2020 NAILE Grand Champion, and 2021 Cattlemen's Congress Grand Champion!

- This pair of ET flushmate sisters are sired by the \$530,000 SO Remedy 7F, making them FULL SISTERS to the two females that topped the Simmental division in The Advantage Production Sale last year at \$75,000 and \$35,000! On the northern side of the border, the crew at Black Gold Simmentals merchandised their first litter of Hayleigh daughters with astonishing success, the HPF Quantum Leap Z952 daughters stole the show at \$73,000 & \$35,000 and the trio of EC Rebel 156F daughters commanded \$30,000, \$29,000 & \$16,000.

- 188L has been blessed with an elite structural build with an abundance of quality and eye appeal. While she has a bit of extra chrome, that certainly doesn't take away from the elite presence and quality that she possesses. Pay attention here, this female has been a favorite since day one!

- The full sisters that sold in last year's sale have experienced tremendous success for Brody Wenell and Brady Edge over the past year.
- UDE Hayleigh 5K was selected as the 2023 FWSS Grand Champion Purebred Simmental Heifer for Brady Edge. She was also selected as the 2023 AJSA National Classic 5th Overall Purebred Simmental Heifer. Most recently she returned to Des Moines, Iowa where she was the dominating Grand Champion Purebred Simmental Heifer of the IA State Fair Open Show.
- There is no denying the quality that this set of ET sisters from the great KDP Miss Hoya Hayleigh possess from a structural integrity standpoint. They offer extra eye appeal with added volume and capacity.
