Welcome

WELCOME to the biggest event of our year, the 15th Annual Fall Production Sale at Conley Cattle! This is undeniably the deepest and most unique set of cattle that we have ever offered. We look forward to this event every year, as it brings back our customers and friends from all over the country. We also look forward to the opportunity to meet many new friends and the chance to earn your business!

There is absolutely no way possible that we could do what we do without a tremendous level of talent, and I feel that we are extremely fortunate to have the crew that we do. I would truly like to say "thank you" to Cole Atkinson, Adam Erickson, and Remi Gardner for the hours that they have logged in the preparation for this sale. We have a great team at Conley Cattle that works tirelessly day in and day out. We couldn't do it without each of them, and for that I am thankful.

I firmly believe that the females represented between the covers of this sale catalog have the credentials to find success at any level. Again in 2025, we will feature an incredible offering of daughters sired by the record selling, Conley Lead The Way 0738. We lost his dam last summer, and this will be the one of the last times that we ever offer daughters from the iconic EXAR Princess 1637. Additionally, daughters of Conley Bristow 2317, Conley A 1, Conley DS Clear Cut 0510, and the \$1.4 million valued LT Marquee 169L will highlight the sale. Our very best cow families saturate the entire offering. We are proud of the genuine cow power that supports the females that will sell on September 20th! Many full and maternal sisters to past high sellers, champions, AI sires, and influential individuals in the Angus breed will highlight the event. There is truly something for everyone!

The sale heifers are supported by cow families of significance within our breeding program. Daughters of Conley Sandy 8934, Silveiras S Sis Sandy 2355, S Sis Sandy 104, Collison Proven Queen 875, G&J Erica 914, EXAR Princess 1637, Schelske MSF Maddie 8229, and many more will be featured in this year's sale. The maternal power behind this set of females is something we are very proud of!

The proven donor cow division of the sale is as loaded as it has ever been. We are cutting loose of some of our most profitable and predictable females. We will be offering Collison Proven Queen 875, the dam of the 2022-2023 ROV Show Heifer of the Year, as well as Conley Mulben Pride 8901, the dam of the \$190,000 Conley BK Mulben Pride 4890. These females are in the prime of their lives and are ready to go to work for your program!

The bred heifer division is also packed with quality throughout. Many of the females are full and maternal sisters to past high sellers and show ring champions. A special sale feature in this year's sale is LVVF Blackbird 4158, the ONLY female in the AAA database that offers her elite combination of ALL \$ Values, including Angus x Dairy, HP (Heifer Pregnancy), and FL (Functional Longevity). This is a set of bred heifers worth paying attention to!

Again, this year we will be offering semen from the NEW, the PROVEN, and the RARE that collectively make up the herd sire battery at Conley Cattle! We will also be offering select embryos from the most prolific and highest dollar generating females in our breeding program. The embryos selling are sired by some of our hottest AI sires to ensure optimum success for you! This is an unprecedented chance to add herd building genetics to your breeding program.

I would like to personally invite each of you to Sulphur, Oklahoma for our 15th Annual Fall Production Sale! A special thank you to our loyal customers and partners for the role they have played. Your success is what drives us each and every day. I look forward to seeing each of you on sale day in Sulphur on September 20th!

Please call with any questions about the offering.

LIABILITY

All persons who attend the sale do so at their own risk, legal or otherwise, for their safety or for behavior of the animals. The owners, sale management firm, and the sale stall assume no liability for property loss or any accident that may occur

SUPPLEMENTAL INFORMATION

A supplemental sheet will be available sale day with complete and up to date calving information. Announcements from the auction block regarding the cattle selling in this sale take precedence over information listed in the catalog. Up-to-date genetic recessive status can be viewed online at www.angus.org. Retained embryo interests and/or future genetics from specific lots selling will be noted on the supplement sheet.

SALE PHOTOS

Advertisement photos were taken the first week of July and the sale catalog photos and videos were taken the first week of August.

HERD HEALTH

All cattle will be accompanied by proper health certificated for immediate shipment. Canadian buyers, all Canadian health work will be done at Hill Top Animal Health, by Dr. Cade Copenbarger, 580-622-4088.

BREEDING GUARANTEE

All females are sold as sound breeders. However, if we feel that a heifer has been fed to an extreme level of obesity, we will hold the feeder responsible for any reproductive problems. Seller reserves the right to take possession of any animal(s) that presents difficulty conceiving before a sale credit will be issued. Seller guarantees each female to produce a live calf or transferrable embryos.

EMBRYOS/SEMEN + SHIPPING

Each package of 3 embryos will sell with a guarantee of 1-60 day pregnancy if implanted by a certified embryologist. The shipping costs associated with all frozen genetics will be the responsibility of the buyer. For assistance scheduling shipping from Trans Ova Genetics please contact Savannah Dei at 712-441-7427.

TRUCKING

Truckers believed to be reliable will be available to assist in shipping your purchases.

LIVESTOCK MORTALITY INSURANCE

To properly insure your investments, James F. Bessler, Inc 815-762-2641.

EMBRYO INTEREST

Conley Cattle will be retaining an embryo interest in several females in the offering, please call to discuss details or check the update sheet on sale day.

Fellow Producers

It is with great pleasure that we welcome you to the 15th Annual Fall Production Sale at Conley Cattle. The team at Conley Cattle has logged countless hours in preparation for this year's sale. Kyle and his team have pulled out all the stops to bring you the deepest and most dynamic offering the history of Conley Cattle!

The marketplace has certainly surged and maintained a pace and price point to rewrite the history of the American cattle market. The need for the absolute best protein source, safe for human consumption is certainly in demand not only domestically, but abroad as well. There is no better time to invest in the future of your breeding program than now!

Kyle is a generational cattleman with generational success in the seedstock business. Like those before him, he maintains a disciplined course with flawless execution. This year's sale offering is a result of precise mating decisions, unparalleled management practices, and the desire to make the next generation better!

The cattle and genetics that are between the covers of this sale catalog are saturated with quality, consistency, and earning potential like never before. Conley Cattle has set a standard in the cattle industry when it comes to producing elite Angus seedstock. Each lot is a representation of the highly proven donor pen and herd sire battery that call home to Sulphur, Oklahoma.

Conley Cattle is an operation that is driven by customer success, whether it be in the show ring, pasture, or sale ring - these cattle have the genetic consistency to accelerate progress within your breeding program. The customer service that comes all-inclusive with your purchase is simply unrivaled!

Consider this your personal invitation to join us on Saturday, September 20, 2025, in Sulphur, Oklahoma for the 15th Annual Conley Cattle Fall Production Sale! The cattle are available for viewing any time prior to the sale, and we encourage you to schedule a time with Kyle or Cole. Make plans to bring your whole family, as the hospitality is second to none. If you are unable to attend the sale in person, a live broadcast will be provided by CCI.Live. We can't wait to see you on sale day!

WELL DONE IS BETTER THAN WELL SAID

"BEHIND every show heifer prospect, proven donor, or bred heifer in this sale catalog you can count on the fact that they are supported by a strong maternal foundation that is multiple generations deep.

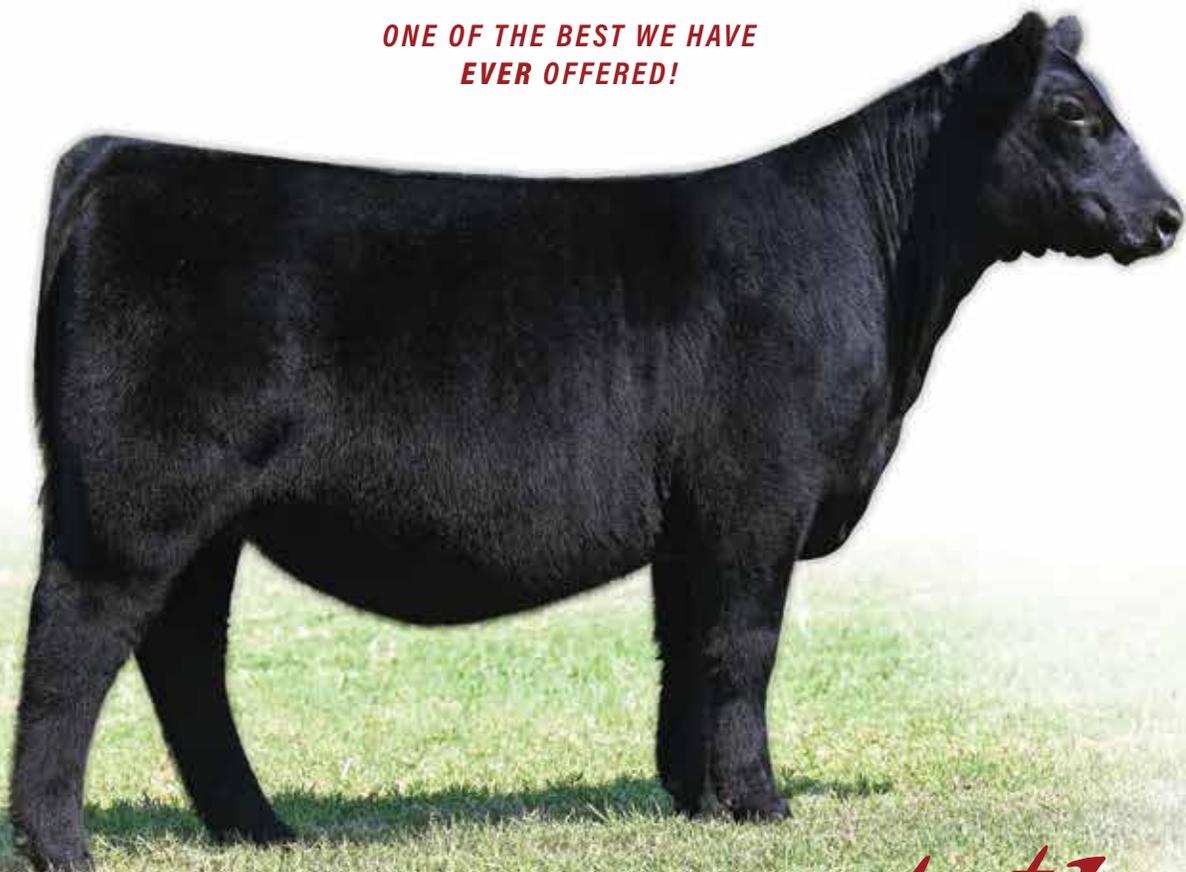

At Conley Cattle we strive to produce championship genetics that you can count on! At the end of the day, it is our goal to maintain the tradition of the Angus breed by producing cattle that thrive in any situation that they are exposed to. Embracing the fundamentals that built the Angus breed is essential to forward progression."

- Kyle Conley

- We initiate the Conley Cattle 2025 Fall Production Sale with the influence of the up-and-coming super star donor dam, G&J Erica 914. There is no denying the impact of the highest dollar generating cow families that call home to Conley Cattle, however we firmly believe that G&J Erica 914 is quickly securing her spot as one of the premier donors in the program when it comes to producing elite phenotype Angus show cattle.
- Conley Erica 5195 is a breathtaking March born female that is sired by the \$150,000 Conley Bristow 2317, one of the greatest sons of the \$920,000 Conley Lead The Way 0738 in existence.
- Since day one, 5195 has been a standout. She is huge footed, stout boned, square built, and offers a unique look of quality and style from the side that is hard to refute.
- In addition, this incredibly sound built female is equipped with more than enough mass, power, and substance, therefore solidifying her spot as one of the premier show heifer/donor prospects ever produced at Conley Cattle.
- A true sale feature that is more than deserving of the coveted lot 1 designation!

- Another daughter of the impressive G&J Erica 914 that has the "extras" necessary to stop you in your tracks! Conley Erica 5849 is a March born daughter of the prolific G&J Erica 914 that is sired by the \$150,000 Conley Bristow 2317.
- 5849 is an unbelievably beautiful profiling female that is so feminine and refined about her head and neck, while maintaining a bold and robust shape to her forerib and center body. She is long and level in her hip design, offering genuine stoutness and pin width from behind.
- We love the angularity and substance that this female possesses, while providing a balanced and symmetrical look from the side. These ET flushmate sisters from the 914 donor cow have also been blessed with extreme hair quality as an added bonus.
- Pick your poison on September 20, 2025... we are confident that these sisters will find many friends on sale day!

- Conley Erica 5089 is the third and final daughter of the dynamic G&J Erica 914 donor dam in this year's sale offering. This captivating May born daughter of 914 is sired by the \$100,000 Conley A 1, the popular stud that stands at ST Genetics.
- 5089 is simply incredible from the side. She is so long and refined about her front third, chiseled about her jawline, and neat chested. Additionally, she transitions into a bold forerib and center body shape, while maintaining a flawless set to her hip and hind leg.
- Some may say that this daughter of G&J Erica 914 offers as much future as any female in the sale, and we certainly wouldn't argue!

- What an incredible individual to lead off a trio of daughters from the famed EXAR Princess 1637 cow family. Conley Princess 5942 is truly one of the most unique individuals ever bred in the Conley Cattle breeding program. A daughter of HA Relevant 6022, the sire of the multi-million dollar producing Conley Sandy 8934!
- Conley Princess 5942 is a maternal sister to the \$920,000 Conley Lead The Way 0738, one of the greatest breeding achievements in the history of Conley Cattle.
- Her late dam, EXAR Princess 1637, has left a substantial impact on the breeding program at Conley Cattle. Her influence will be noticed for generations to come! Maternal sisters to 5942 have sold for \$140,000, \$130,000, \$75,000, and \$30,000 to date.
- Conley Princess 5942 is simply stunning from every angle of evaluation. She ties her long and refined neck high at the top of her neatly laid in shoulder, is clean chested, and offers tremendous progression of depth back into her rear rib and flank. 5942 is supported by an incredible skeletal build to further solidify her position as one of the premier show heifer prospects in the entire sale.
- A big league show heifer that will be an absolute force in production... you can count on it!

- Conley Princess 5792 is a three-quarter sister in blood to the \$920,000 valued Conley Lead The Way 0738, the high selling Live Lot from the 17th Annual Embryos on Snow that was selected by Hawes Cattle Company of Texas.
- 5792 is a massive bodied, big topped, wide pinned female that is so bold and robust in the shape of her rib cage. We love the extra stoutness, mass, and dimension that she possesses, while maintaining a very feminine and lady like look from the side.
- Her sire, Conley A 1, is the \$100,000 son of EXAR Princess 6741, a daughter of the \$2.8 million producing donor, EXAR Princess 5391, a matron of influence that can be identified on both sides of her pedigree!
- The famed daughter of EXAR Princess 5391, EXAR Princess 6792, produced the 2023-2024 and 2024-2025 ROV Show Heifer of the Year, EXAR Princess 2717 and EXAR Princess 3691. 5391 is also the dam of EXAR Princess 6680, affectionally known as "Pebbles," the maternal granddam of Cealy Bedwell's 2025 NJAS Grand Champion Bred & Owned Heifer.
- A royal pedigree that aligns some of the highest dollar generating matriarchs in the Angus breed!

- Conley Princess 5146 is a February born daughter of the now deceased EXAR Princess 1637 that is sired by Colburn Primo 5153. She is an extra heavy duty built female that is big footed, stout boned, and bold in the shape of her rib cage.
- The cow families that stand behind her are represented by some of the highest dollar generating matrons in the history of the Angus breed.
- Several females throughout her pedigree have crossed the \$1 million lifetime earnings threshold.
- A standout show heifer/donor prospect that has a very bright future ahead.

- A rare and unique opportunity to acquire the 2025 NJAS Reserve Grand Champion Bred & Owned Heifer will present itself in the Conley Cattle 2025 Fall Production Sale!
- Conley Sandy 2461 leads off the famed "Sandy" tribe, a cow family that has served as an integral building block in the evolution of Conley Cattle since its inception.
- 2461 is a direct daughter of the \$180,000 Conley Sandy 2300, the Conley Lead The Way 0738 sired daughter of Silveiras S Sis Sandy 2355. Conley Sandy 2300 was shown to countless victories by the Ferree family, including being selected as the 2023 IN State Fair Grand Champion Commercial Heifer. The sire of 2461, Ferree Fitz Black Label 2229, was the 2023 and 2024 Cattlemen's Congress ROV Grand Champion Angus Bull. He is the first born son of the SSF Lady 5030, the many times National Champion that was selected as the 2021-2022 ROV Show Heifer of the Year!
- The dam of 2461 is also a maternal sister to the \$85,000 Conley Sandy 3712, Jack Conley's 2024 NJAS 4th Overall Bred & Owned Heifer. 3712 was later selected as the 2025 OYE Grand Champion Angus and Bronze Medallion Purebred Breeding Heifer for Finley Yocham. 3712 will serve as a foundation breeding piece in the Jon-Ern Farms, Ltd. program of Blenheim, Ontario, Canada.
- Conley Sandy 2461, Case Conley's dominant champion is a true genetic masterpiece!
- **Terms announced sale day.**

- Conley Honey Bear 5256 is an incredibly unique female that is supported by one of the most consistent and highest dollar generating matings in the history of Conley Cattle. 5256 is a direct daughter of the \$920,000 Conley Lead The Way 0738 and backed by the late Conley Sandy 8934, the \$540,000 valued donor dam that was owned with Cook Land & Livestock.
- 5256 is a full sister to the \$215,000 Conley Honey Bear 3762, the 2024 Atlantic National ROV Grand Champion Angus Heifer for Rob Oakley. Other full sibs would include Conley Honey Bear 2147, the \$190,000 high selling heifer in the 2022 Fall Production Sale that was selected by Houston Ferree. Another full sister, Conley Honey Bear 2147, sold to Circle M Farms and Josie Phillips for \$180,000 in the 2023 Spring Production Sale. She is also a full sister to Conley Honey Bear 3638, the \$135,000 sale feature from the 2023 Fall Production Sale and Conley Honey Bear 3150, the \$85,000 high selling female that sold to Carrol Cattle Company. Conley Honey Bear 4277 is another full sister that sold for \$50,000 in last year's sale to Cambria Cook. Let's not forget about Conley Honey Bear 3953, the 2025 OYE Reserve Supreme Champion Commercial Breeding Heifer.
- Unique, special, one of a kind... she's one of the best **EVER** from this tried and true mating!

- Conley Honey Bear 5746 is another daughter of the late Conley Sandy 8934 that is sired by the \$100,000 Conley A 1. This late February born show heifer prospect offers an elite look of quality and style from the side. She is an extremely long necked female that is angular about her front third and transitions into a bold and very three-dimensional rib cage. She is big topped, stout hipped, and loaded with dimension from end to end.
- The Conley A 1 progeny continue to surface due to their extreme skeletal quality, natural dimension, and unwavering eye appeal.
- 5746 is a three-quarter sister to Conley Honey Bear 3214, the 2024 NJAS Division I Reserve Champion for Hudson DeBerry of Texas.
- A true standout that deserves serious consideration!

- Undeniable in terms of skeletal quality, presence, and eye appeal! There is no doubt that Conley Honey Bear 5219 is one of the most unique daughters of the late Conley Sandy 8934 to ever be born.
- 5219 is sired by the \$150,000 Conley Bristow 2317, a bull that is quickly securing his place as one of the most consistent sires of elite show cattle in the industry. With extremely limited use due to a scarce semen inventory, Conley Bristow 2317 has sired as many high sellers as any.
- She sells equipped with the extra "bells and whistles" needed to compete at any level of competition, while being supported by elite cow families on both side of her pedigree. She is destined to be a generator, just like her famous dam!

- Here is the lone daughter of the late Conley Sandy 8934 that is sired by the \$1.4 million valued LT Marquee 169L! Conley Honey Bear 5160 is a truly remarkable specimen and is one that offers an outcross pedigree with a modern day look of quality and style that is necessary to follow in the footsteps of her \$1 million+ producing donor dam!
- This female is the only daughter from a very successful fresh semen IVF aspiration from Conley Sandy 8934. Her flushmate brothers are absolutely incredible and will make-up the Conley Cattle 2026 National Western Stock Show Pen of Three Bulls.
- Elite, proven, time-tested, and productive matrons line her pedigree from top to bottom. Her true value will come once she enters production, and we are confident that 5160 may very well be the daughter that carries the "Honey Bear" torch into the future!

- Conley DT Sandy 5345 is the first of two daughters from the iconic S Sis Sandy 104, the first born daughter of the legendary 2009 American Royal ROV Grand Champion Angus Heifer, K N C Cabin Creek Sandy 804. S Sis Sandy 104 has produced countless high sellers, National Champions, and individuals of influence over the last 15 years!
- 5345 is a maternal sister to the \$1 million+ producing Conley Sandy 5104, the 2016-2017 ROV Show Heifer of the Year for David Smith. Conley Sandy 5104 is the dam of Conley DS Clear Cut 0510, the 2021-2022 ROV Show Bull of the Year. She is also the dam of the \$150,000 Conley Sandy 9743 and Conley Sandy 8510, the 2019 NWSS Reserve Grand Champion Junior Angus Heifer.
- 104 is a maternal sister to Silveiras S Sis Sandy 2355, the dam of the popular Conley No Limit and countless other high sellers and champions!
- S Sis Sandy 104 is also the dam of Conley Sandy 8104, the \$75,000 donor that was featured in the Coney Cattle 2022 Fall Production Sale. 8104 is the dam of the 2022-2023 ROV Show Bull of the Year, Conley Ransom 1810.
- 5345 is so elegant in terms of her balance and symmetry, while offering an abundance of mass, power, and substance. She is a three-quarter sister in blood to the widely popular Conley Sandy 5104, one of the truly great show heifers turned producers that the Angus business has ever seen!

DUE TO CALVE 1/2/26 TO CONLEY NO LIMIT (AAA: 19290775).

- Collison Proven Queen 875 is a truly unique donor female that has amassed a resume that few can mimic. 875 is a daughter of the great C&C Priority 1428B EXAR that is supported by the famed "Proven Queen" tribe, which traces to the iconic Dameron PVF Proven Queen 010 matron.
- The most well-known daughter of Collison Proven Queen 875 is without question Conley FRKG Queen Meg 1085, the \$95,000 second high selling heifer calf from the 2021 Fall Production Sale. 1085 was admired by the most critical evaluators for her genuine quality and skeletal integrity. She will forever be recognized as one of the most dominant show ring champions that the Angus breed has ever seen!
- Conley FRKG Queen Meg 1085 was selected as the 2022 NJAS Third Overall Owned Heifer, 2022 IN State Fair Supreme Champion Overall Junior Breeding Heifer, 2022 American Royal ROV Grand Champion Angus Heifer, 2022 Atlantic National ROV Grand Champion Angus Heifer, 2023 Cattlemen's Congress ROV Grand Champion Angus Heifer and Supreme Champion Overall Open Heifer!
- Ultimately, Conley FRKG Queen Meg 1085 was selected as the 2022-2023 ROV Show Heifer of the Year for Houston Ferree.
- Other daughters of 875 would include Hadley Hartman's \$59,000 heifer sired by Conley DS Clear Cut 0510, along with several other females that have commanded between \$10,000 and \$30,000.
- 875 is safe in calf to Conley No Limit, a mating that should provide the winning bidder with the opportunity for BIG returns!
- **Terms announced sale day.**

- It is with great excitement that we introduce the first of five ET flushmate sisters that are supported by the dynamic Collison Proven Queen 875 donor dam, a female that has paved the way for future generations!
- 5744 is a full sister to the \$59,000 Conley FRKG Queen Meg 3000 that was campaigned by Hadley Hartman of Nebraska. She was recently selected as the 2025 NE State Fair Grand Champion Angus and Reserve Supreme Champion 4-H Breeding Heifer!
- The most notable maternal sister to this group of ET flushmate sisters would be Conley FRKG Queen Meg 1085, the dominant champion that was shown by Houston Ferree of Indiana. 1085 was selected as the 2022-2023 ROV Show Heifer of the Year.
- A truly elegant designed female that offers a look of quality and style from the side that is simply undeniable. We love the skeletal integrity, dimension, and shear power that this female possesses.
- 5744 is a definite sale feature that is supported by a pedigree that is lined in purple!

- They just keep coming... cow family significance, genuine quality, and unmatched earning potential all wrapped into one!
- Allow us to introduce you to four ET flushmate sisters that are direct daughters of the late Conley DT Georgina 1076, the 2023 NJAS Grand Champion Owned Heifer for the Collum family!
- Conley DT Georgina 1076 commanded an \$85,000 hammer price in the 2022 Spring Production Sale. 1076 was later selected as the 2023 Cattlemen's Congress ROV Reserve Grand Champion Angus Heifer behind Conley FRKG Queen Meg 1085. Unfortunately, once her decorated career came to an end, 1076 met an untimely demise. These four ET flushmate sisters represent the first and only daughters of 1076 to sell.
- Conley C-4 Georgina 5478 leads off an impressive quartet of ET flushmate sisters sired by the \$920,000 Conley Lead The Way 0738. From the ground up she is flawless in terms of her skeletal design, square built, bold ribbed, big topped, and stout hiped. What is even more impressive is her ability to tie together effortlessly from end to end.
- A truly unique genetic opportunity to acquire a direct daughter of one of the most widely admired National Junior Angus Show Grand Champions of the last decade!

- Conley Lady 5710 is a powerfully constructed female that offers a superior build and skeletal design. She is without a doubt one of the most complete heifers in the entire sale offering!
- The dam of 5710 is the impressive Dieckmann Lady 1117, the Conley No Limit daughter that is backed by the iconic Chapman Lady 4128 donor that has produced countless champions and high sellers. 1117 was a many times champion for the Yocham family of Oklahoma. She is a maternal sister to C-4 Lead Lady 2K, the 2023 NJAS Third Overall Bred & Owned Heifer for Ty Collum. 2K was also selected as the 2024 OYE Supreme Champion Junior Breeding Heifer.
- The dam of 5710 is also a maternal sister to the \$69,000 C-4 Lady Extension 1K female that is now working in the Stagemeyer breeding program in Nebraska.
- 5710 is the first of two ET flushmate sisters sired by the \$100,000 Conley A 1 and from the impressive 1117 donor dam. A maternal sister to this duo commanded a \$90,000 hammer price in the 2024 Fall Production Sale and will be campaigned by Remi Gardner this fall and winter show season.

- Conley DT Sandy 502N ET is the lone Maine Angus heifer in this year's sale offering. This ultra-feminine daughter of the iconic Silveiras S Sis Sandy 2355 is sired by the widely popular Maine-Anjou AI sire, Walsh On The Brink.
- 502N is a maternal sister to countless high sellers, National Champions, and individuals of significant influence across the industry. A late April born show heifer prospect that is a maternal sister to the very popular Conley No Limit.
- This unique female is also a maternal sister to the \$540,000 Conley Sandy 8934, \$180,000 Conley Sandy 2300, \$130,000 Conley Sandy 8522, \$105,000 Conley Sandy 7305, \$100,000 Conley Sandy 9893, and countless other daughters that have sold from \$30,000 to \$90,000 over the years!
- Conley DT Sandy 502N ET is also a maternal sister to the \$85,000 Conley Sandy 3712, Jack Conley's 2024 NJAS 4th Overall Bred & Owned Heifer. 3712 was later selected as the 2025 OYE Grand Champion Angus and Bronze Medallion Purebred Breeding Heifer for Finley Yocham. 3712 will serve as a foundation breeding piece in the Jon-Ern Farms, Ltd. program of Blenheim, Ontario, Canada.
- A truly unique female that is destined to make her mark in the show ring and in production!

- The next donor is the incredibly powerful EXAR Queen 8679, the dam of the Alta Genetics housed Conley Step Ahead!
- 8679 is a picture perfect Angus brood cow that is flawless from the ground up. She is big footed, stout boned, wide based, and offers an overwhelming turn and shape to her center body. We love the natural power, stoutness, and overall dimension that she offers from every angle of evaluation. 8679 is a performance driven female that offers an incredibly balanced number profile to accompany her eye appeal and fundamentally correct build.
- A daughter by EXAR Cinch 8706B works in the Pollard Farms program of Oklahoma. Her most notable son is the \$27,000 stud known as Conley Step Ahead, the elite phenotype and calving ease specialist that is a member of the Alta Genetics herd sire battery. She has produced several other sons that are working in top commercial operations across the Southwestern part of the United States.
- She ranks top 1% \$W; top 2% \$M; top 4% WW, CEM; top 5% YW; top 10% CW, MILK, TEAT; top 15% \$B; top 20% CLAW, FL; top 25% RADG; top 30% CED, \$B; top 35% REA.
- One of the most phenotypically impressive daughters of the iconic Basin Payweight 1682 that we have ever seen!

- Conley Sandy 2157 is a direct daughter of the \$1 million+ producing Conley Sandy 5104, the 2016-2017 ROV Show Heifer of the Year for David Smith. Conley Sandy 5104 is the dam of Conley DS Clear Cut 0510, the 2021-2022 ROV Show Bull of the Year. She is also the dam of the \$150,000 Conley Sandy 9743 and Conley Sandy 8510, the 2019 NWSS Reserve Grand Champion Junior Angus Heifer.
- 5104 was the 2016 American Royal ROV Grand Champion Angus Heifer, 2016 NAILE ROV Reserve Grand Champion Heifer, and the 2017 FWSS ROV Grand Champion Angus Heifer.
- 5104 is a maternal sister to Conley Sandy 8104, the \$75,000 donor that was featured in the Coney Cattle 2022 Fall Production Sale. 8104 is the dam of the 2022-2023 ROV Show Bull of the Year, Conley Ransom 1810.
- The sire of 2157 is the International Champion, Conley South Point 8362! Conley South Point 8362 was the 2019 Canadian Western Agribition Grand Champion Angus Bull and 2020 NWSS ROV Grand Champion Angus Bull. His dam, P R Lady 909 4200-587, was a vital member of the donor pen at Conley Cattle.
- 2157 is a stunning young and very productive female that offers a picture perfect look of quality and style from the profile. Her pedigree aligns the most influential maternal icons that have ever called home to Conley Cattle!
- *Conley Sandy 2157 sells with 1 Reverse Sort Female IVF Embryo sired by the \$150,000 Conley Bristow 2317.*

- Conley DT Georgina 1061 is a FULL SISTER in blood to the 2023 NJAS Grand Champion Owned Heifer, Conley DT Georgina 1076. This daughter of Colburn Primo 5153 is supported on the maternal side of her pedigree by Champion Hill Georgina 8154, the \$200,000 high selling female in the historic Champion Hill Dispersal.
- A full sister to the dam of 1061, Champion Hill Georgina 8577, was the 2016 American Royal, NAILE, and World Beef Expo Grand Champion Cow-Calf. She was also selected as the 2016 NJAS Reserve Grand Champion Cow-Calf.
- The third generation dam of 1061, Champion Hill Georgina 6959, sold for \$100,000 for half embryo interest. She went on to become a many times champion and individual of significant influence within the Angus breed.
- 1061 is a powerful, bold ribbed, easy fleshing female that offers a strong maternal look. We love the genuine dimension and true skeletal quality that she possesses. There is no doubt that she will leave her mark in production, just like the many females that have come before her!

- There is no question that LVVF Blackbird 4158 is one of the most impressive females in the offering phenotypically, however it is what she is able to offer from a genomic standpoint that catapults her to a whole other level! Sired by the \$500,000 Connealy Craftsman and backed by a tremendous daughter of Basin Rainmaker 4404, this female is supported by a pedigree that combines the most relevant and sought after performance genetics in the industry.
- 4158 was Kyle's selection from the Lau's Valley View Farm Annual Production Sale this past spring due to her premium blend of phenotype, maternal functionality, carcass merit, and genomic data. In addition, she jumped through ever hoop along the way! 4158 recorded a WW Ratio at 103, YW Ratio at 101, IMF Ratio at 143, REA Ratio at 114, and a BF Ratio at 96. She scanned with an incredible 9.78% adjusted IMF and a 14.8 inch adjusted ribeye area, an unheard of combination!
- The dam of 4158 is a picture perfect female that offers superior udder and foot quality, fleshing ease, and maternal functionality.
- She ranks top 1% HP, MILK, \$M, \$C; top 4% FL, \$W; top 5% CLAW, \$AxH; top 10% DMI, MARB, \$AxJ, \$F, \$G, \$B; top 20% \$EN; top 25% BW, UDDR, ANGLE, RE.
- 4158 is the ONLY female in the AAA database that offers this elite combination of ALL \$ Values, including Angus x Dairy, HP (Heifer Pregnancy), and FL (Functional Longevity).
- A blue chip investment opportunity!

DUE TO CALVE 2/10/26 TO STEVENSON TURNING POINT (AAA: 18434747).

- It is with great excitement that we introduce you to Conley Maddie 4911, the breathtaking full sister to Conley Maddie 3157, the \$220,000 high selling female from the 2023 Fall Production Sale that went on to be selected as the 2023 Hoosier Beef Congress 4th Overall Breeding Heifer for Mercedes Ferree.
- 4911 is also a full sister to Conley Maddie 3424, the \$40,000 high selling bred heifer that was selected by Glover's Delaware Creek Ranch in the 2024 Fall Production Sale.
- Her dam, Schelske MSF Maddie 8229, is a daughter of BCII MLA Next Man Up 015 that traces to the influence of the FULL SISTER to the iconic Plainview Lutton E102, more commonly known across the industry as "Lut".
- 4911 is sired by Conley DS Clear Cut 0510, the 2021-2022 ROV Show Bull of the Year. She is also a full sister to a highly successful flush of fall born ET heifers that sold in the 2024 Spring Production Sale with an impressive \$15,650 average on 10 head with a high of \$40,000.
- Genetics don't cost, they only pay!

DUE TO CALVE 1/26/26 TO CONLEY NO LIMIT (AAA: 19290775) SEXED FEMALE SEMEN.

- Conley Maddie 4986 is an elite daughter of the prolific Schelske MSF Maddie 8229 donor dam that is sired by the \$150,000 Conley Bristow 2317.
- 4986 is a FULL SISTER to the \$50,000 Conley Claymore 4005, the young and exciting promotional AI sire that is owned with the Loudon family of Iowa.
- Four full sisters to 4986 will highlight the open heifer division of this year's offering as lots 40 through 43. Much like her younger sisters, Conley Maddie 4986 is built with extreme skeletal quality and offers unsurpassed eye appeal from the side.
- Genetic consistency is the key to success!

- 1724M is an incredible profiling daughter of the \$920,000 valued Conley Lead The Way 0738! From the ground up she is built with tremendous stoutness, squareness, and genuine width. This dynamic featured beauty is so elevated about her front third, clean chested, sleek throated, and feminine about her head and neck. She transitions into a bold and very robust rib cage and remains perfectly level from hooks to pins. We love the angularity and skeletal quality that this female possesses.
- The maternal granddam of 1724M is Patricia 92 KN, the third generation dam of Madilyn Norvell's 2022 OYE Supreme Champion Breeding Heifer, Conley Patricia 110.
- A surefire candidate to produce elite Angus females that command big premiums!

PACKAGE 101 - MATED TO CONLEY A 1
3 Sexed Female IVF Embryos

- We initiate the embryo division of this year's Fall Production Sale with a package of sexed female IVF embryos from the prolific G&J Erica 914 donor dam. Three daughters of 914 are featured as lots 1 through 3 in the open heifer division of the sale catalog.
- There is no denying the impact of the highest dollar generating cow families that call home to Conley Cattle, however we firmly believe that G&J Erica 914 is quickly securing her spot as one of the premier donors in the program when it comes to producing elite phenotype Angus show cattle. A pair of maternal sisters to the embryos selling commanded \$24,000 and \$16,000 this past March in the Spring Production Sale.
- The embryos selling are sired by the \$100,000 Conley A 1, therefore making them full sisters to lot 3, Conley Erica 5089! 5089 is an incredible show heifer prospect that offers unparalleled skeletal quality and style.
- This mating represents the hottest and freshest genetics from the heart of the Conley Cattle breeding.

PACKAGE 102 - MATED TO EXAR BLUE CHIP 1877B
3 Sexed Female IVF Embryos

- **RARE GENETIC OPPORTUNITY.**
- It is with great excitement and a bit of hesitation that we offer a package of sexed female embryos of this magnitude! The winning bidder will have the opportunity to own full sisters to the \$1 million+ producing Conley Sandy 5104, the 2016-2017 ROV Show Heifer the Year for David Smith!
- Conley Sandy 5104 is the dam of Conley DS Clear Cut 0510, the 2021-2022 ROV Show Bull of the Year. She is also the dam of the \$150,000 Conley Sandy 9743 and Conley Sandy 8510, the 2019 NWSS Reserve Grand Champion Junior Angus Heifer.
- S Sis Sandy 104 is also the dam of Conley Sandy 8104, the \$75,000 donor that was featured in the Coney Cattle 2022 Fall Production Sale. 8104 is the dam of the 2022-2023 ROV Show Bull of the Year, Conley Ransom 1810.
- S Sis Sandy 104 is also a maternal sister to Silveiras S Sis Sandy 2355, the dam of the popular Conley No Limit and countless other high sellers and champions!
- EXAR Blue Chip 1877B has secured his place as one of the greatest sons of Dameron First Class to ever surface. This is a surefire mating that has the potential to elevate any breeding program to the top of the game.
- Proven, time tested, and profitable genetics are within reach!

3 Sexed Female IVF Embryos

- We are pleased to offer three packages of embryos from the impressive Conley Sandy 9893, the \$200,000 valued high selling donor in the 2024 Conley Cattle Fall Production Sale that was selected by Glover's Delaware Creek Ranch of Oklahoma.
- Conley Sandy 9893 is without a doubt one of the most impressive daughters of BC Robust 0807 that we have ever laid eyes on! Her basic build, body shape, and overall dimension is simply unmatched. Conley Sandy 9893 is the dam of the \$100,000 Conley Willard 3319, the high selling yearling bull from the 2024 Conley Cattle Bull Sale. Conley Willard 3319 was selected by Jon-Ern Farms Ltd. and Clarke Family Farms of Blenheim, Ontario, Canada. Conley Willard 3319 is an elite performance sire that ranks among the elite in the breed for growth and maternal traits. Conley Willard 3319 made his way to Toronto last fall where he was slapped as the 2024 Royal Winter Fair Grand Champion Angus Bull.
- 9893 is also the dam of Conley Sandy 4789, the 2025 NJAS Division I Champion Bred & Owned Heifer for Jack Conley. 4789 is sired by the \$100,000 Conley A 1.
- The lot A embryos are sired by the \$150,000 Conley Bristow 2317, one of the most consistent sires of elite quality that we have ever utilized at Conley Cattle. Conley Bristow 2317 continues to sire high sellers across the country with extremely limited use due to a scarce semen inventory. Semen has commanded upwards of \$2,000 per unit when offered on special occasions!
- The lot B embryos are sired by the \$1.4 million valued LT Marquee 169L, one of the most exciting young bulls in the entire industry! This mating aligns two of the hottest and most elite individuals in the entire Conley Cattle breeding program... bid with confidence!
- The lot C embryos are sired by one of the NEWEST and most EXCITING young bulls to come out of the Conley Cattle breeding program! Conley Claymore 4005 is the Conley Bristow 2317 sired son from the incredible Schelske MSF Maddie 8229, the dam of the \$220,000 Conley Maddie 3157. She was the 2023 Hoosier Beef Congress 4th Overall Breeding Heifer for the Ferree-Fitzgerald firm.
- Three very exciting matings from the incredible Conley Sandy 9893 donor dam.
- **Owned with Glover's Delaware Creek Ranch.**

3 Sexed Female IVF Embryos

- Conley Sandy 2421 is the impressive daughter of KR Cadillac Ranch that is backed by the \$130,000 Conley Sandy 8522 female that was selected as the 2018 NAILE Spring Heifer Calf Champion for the Bell family. 8522 is now a member of the donor battery at Moore Land & Cattle in Jerseyville, Illinois.
- 2421 was campaigned by Case Conley with great success in the Bred & Owned division. Her natural stoutness, shape, and genuine quality is unmatched! She is one of the stoutest featured, biggest footed, and most captivating females that we have raised to date. She is a female that we have put tremendous faith in moving forward and look forward to watching her make an impact on our breeding program!
- The embryos selling are sired by the \$100,000 Conley A 1, a sire that continues to exceed our expectations! His progeny are big footed, stout boned, and bold in their body style. The Conley A 1 progeny have the skeletal quality, density, and overall eye-appeal essential to compete at the highest level!

PACKAGE 106 - MATED TO CONLEY A1
3 Sexed Female IVF Embryos

- The next set of sexed female embryos by the \$100,000 Conley A 1 will result in full sisters to the impressive trio of females that are featured as lots 19 through 21 in the open heifer division of this year's sale.
- The dam of this powerful embryo mating is Conley DS Sandy 0213, a daughter of the \$400,000 Conley Express 7211 that is supported by the 2016-2017 ROV Show Heifer of the Year, Conley Sandy 5104.
- 0213 is a three quarter sister in blood to Conley Sandy 8510, the 2019 NWSS Reserve Grand Champion Junior Angus Heifer that was shown by Kynlee Dailey. She is a maternal sister to Conley DS Clear Cut 0510, the 2021-2022 ROV Show Bull of the Year.
- 0213 is a very unique built female that is loaded with quality, eye appeal, and unmatched stoutness. The maternal side of her pedigree is saturated with maternal excellence.
- If you're looking for an embryo mating that has the potential to yield your next high seller or individual of influence within your breeding program, then focus your attention here!

- SULL Lucy 2101K is one of the newest members in the donor pen at Conley Cattle. She is a female that we have admired since the first time we saw her at the North American as a heifer calf. SULL Lucy 2101K is the most recognizable daughter of W A Lucy 640, the leading Angus donor at Sullivan Farms.
- SULL Lucy 2101K was the 2023 KY Beef Expo Reserve Supreme Champion Heifer and then the 2023 KY State Fair Reserve Supreme Champion Heifer for Wyatt Phillips.
- 2101K concluded her successful show career when she was selected as the 2024 OYE Supreme Champion Commercial Heifer for Jack Conley. Her basic build, rib design, and look of quality from the side is absolutely unparalleled. We firmly believe that this female has the credentials to be a big league generator and could not be more excited to have her in the donor pen in Sulphur, Oklahoma!
- The lot A embryos are sired by the \$160,000 half interest stud that was the high selling bull in the 2024 Conley Cattle Bull Sale, Rosewood Bellagio 090. This powerful son of KR Casino 6243 is supported by the famed "Georgina" cow family.
- The lot B embryos are sired by the \$100,000 Conley Willard 3319, a bull that was selected by Jon-Ern Farms Ltd. and Clarke Family Farms of Blenheim, Ontario, Canada. Conley Willard 3319 is an elite performance sire that ranks among the elite in the breed for growth and maternal traits. Conley Willard 3319 made his way to Toronto last fall where he was slapped as the 2024 Royal Winter Fair Grand Champion Angus Bull!
- Regardless of which mating you prefer, rest assured that SULL Lucy 2101K is destined to make her mark on the Angus breed!
- **Owned by Jack Conley, Wyatt Phillips, and Circle M Farms.**

PACKAGE 108A - MATED TO LT MARQUEE 169L

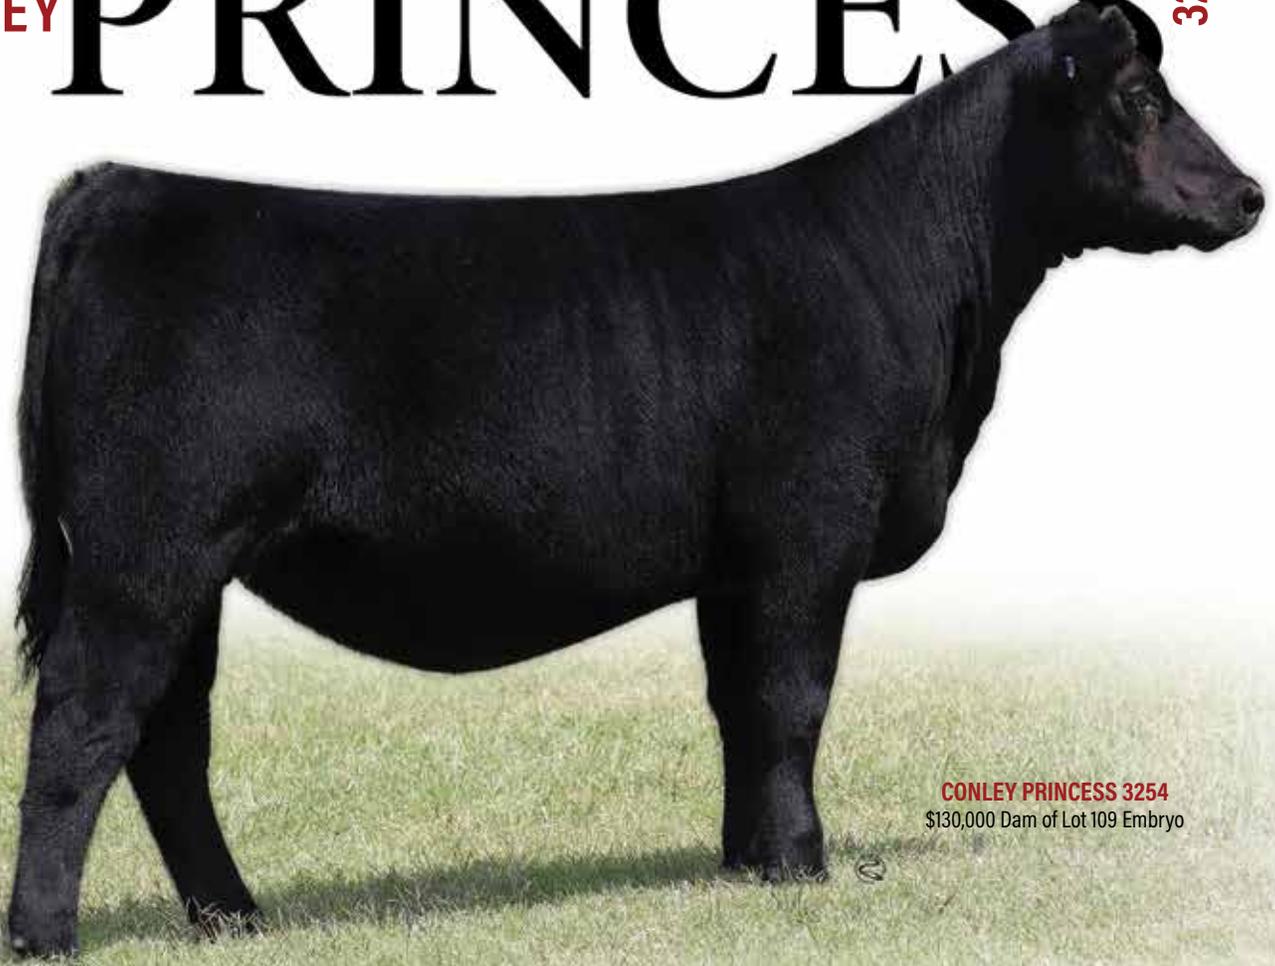

3 Sexed Female IVF Embryos

PACKAGE 108B - MATED TO CONLEY LEAD THE WAY 0738

3 Sexed Female IVF Embryos

- Dieckmann Lady 1117 is the Conley No Limit daughter that is backed by the iconic Chapman Lady 4128 donor that has produced countless champions and high sellers! Dieckmann Lady 1117 was the 2022 NJAS Reserve Champion Junior Yearling Division VI Owned Heifer. She was then selected as the 2022 American Royal Reserve Grand Champion Junior Angus Heifer for the Yocham family, 1117 finished her career as the 2023 Cattlemen's Congress Reserve Champion Junior Yearling Division II Angus Heifer. Dieckmann Lady 1117 is a maternal sister to C-4 Lead Lady 2K, the 2024 OYE Supreme Champion Breeding Heifer that was campaigned by Ty Collum.
- Her many accolades will not go unnoticed, but we firmly believe that she has found her true calling in production. Last September a daughter sired by the \$150,000 Conley Bristow 2317 commanded a \$90,000 price tag in the Conley Cattle 2024 Fall Production Sale. The embryos selling will result in maternal sibs to this impressive high seller that will be campaigned by Remi Gardner this fall and winter show season.
- The lot A embryos are sired by the \$1.4 million valued LT Marquee 169L, one of the most exciting young bulls in the entire industry that is now owned with Glover's Delaware Creek Ranch. This mating is certain to yield elite phenotype show heifer/donor prospects that are supported by an outcross pedigree to the mainstream show cattle sires of the Angus breed.
- The lot B embryos are sired by the \$920,000 Conley Lead The Way 0738, the high selling Live Lot from the 17th Annual Embryos on Snow to Hawes Cattle Company of Texas. Conley Lead The Way 0738 has sired countless high sellers and champions over the last several years. This mating will result in three-quarter sisters to C-4 Lead Lady 2K, the 2024 OYE Supreme Champion Breeding Heifer.
- 1117 is destined to leave her mark on the business, this is your one way ticket to success!

PACKAGE 109 - MATED TO LT MARQUEE 169L
3 Sexed Female IVF Embryos

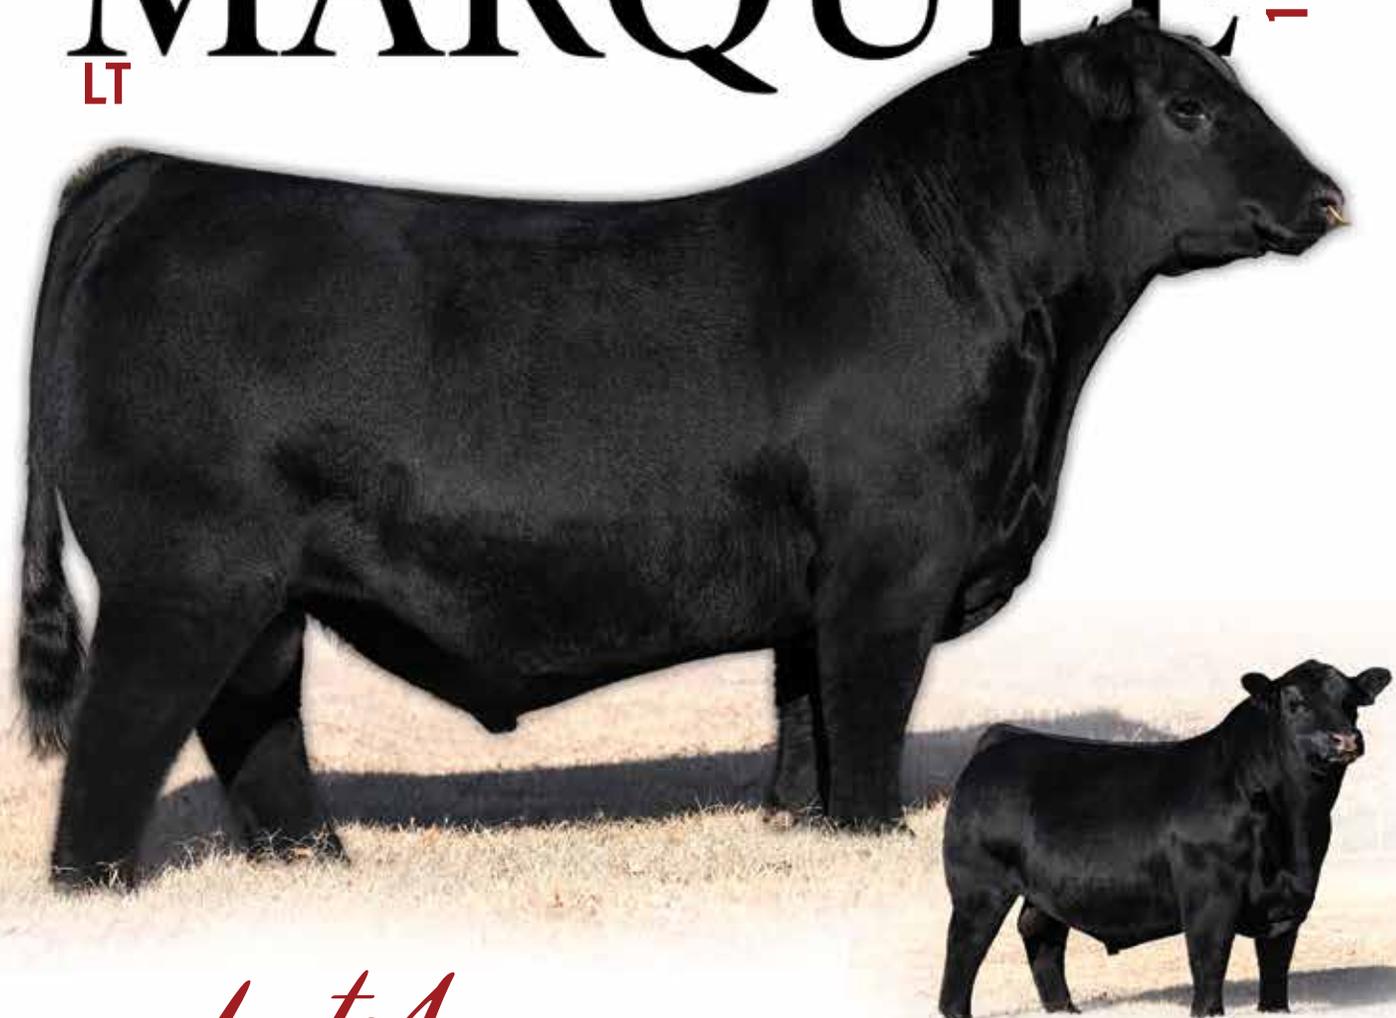

- Conley Princess 3254 is the \$130,000 FULL SISTER to the \$920,000 valued Conley Lead The Way 0738! A dynamic female that was selected by the Hartill family of California in the 2023 Conley Cattle Fall Production Sale.
- Her late dam, EXAR Princess 1637, has left a substantial impact on the breeding program at Conley Cattle. Her influence will be noticed for generations to come! Maternal sisters to 3245 have sold for \$140,000, \$75,000, and \$30,000 to date. Three maternal sisters to Conley Princess 3254 sell as lots 4 through 6 in this year's Fall Production Sale.
- The embryos selling are sired by the \$1.4 million valued LT Marquee 169L, one of the most exciting young bulls in the entire industry. There is no doubt that this mating has the potential to create your next high seller, show ring champion, or foundation building donor dam.
- We firmly believe that Conley Princess 3254 has the credentials to follow in the footsteps of her prolific donor dam!
- **Owned by Payton Hartill.**

CONLEY HONEY BEAR 5160
The First Daughter of LT Marquee 169L

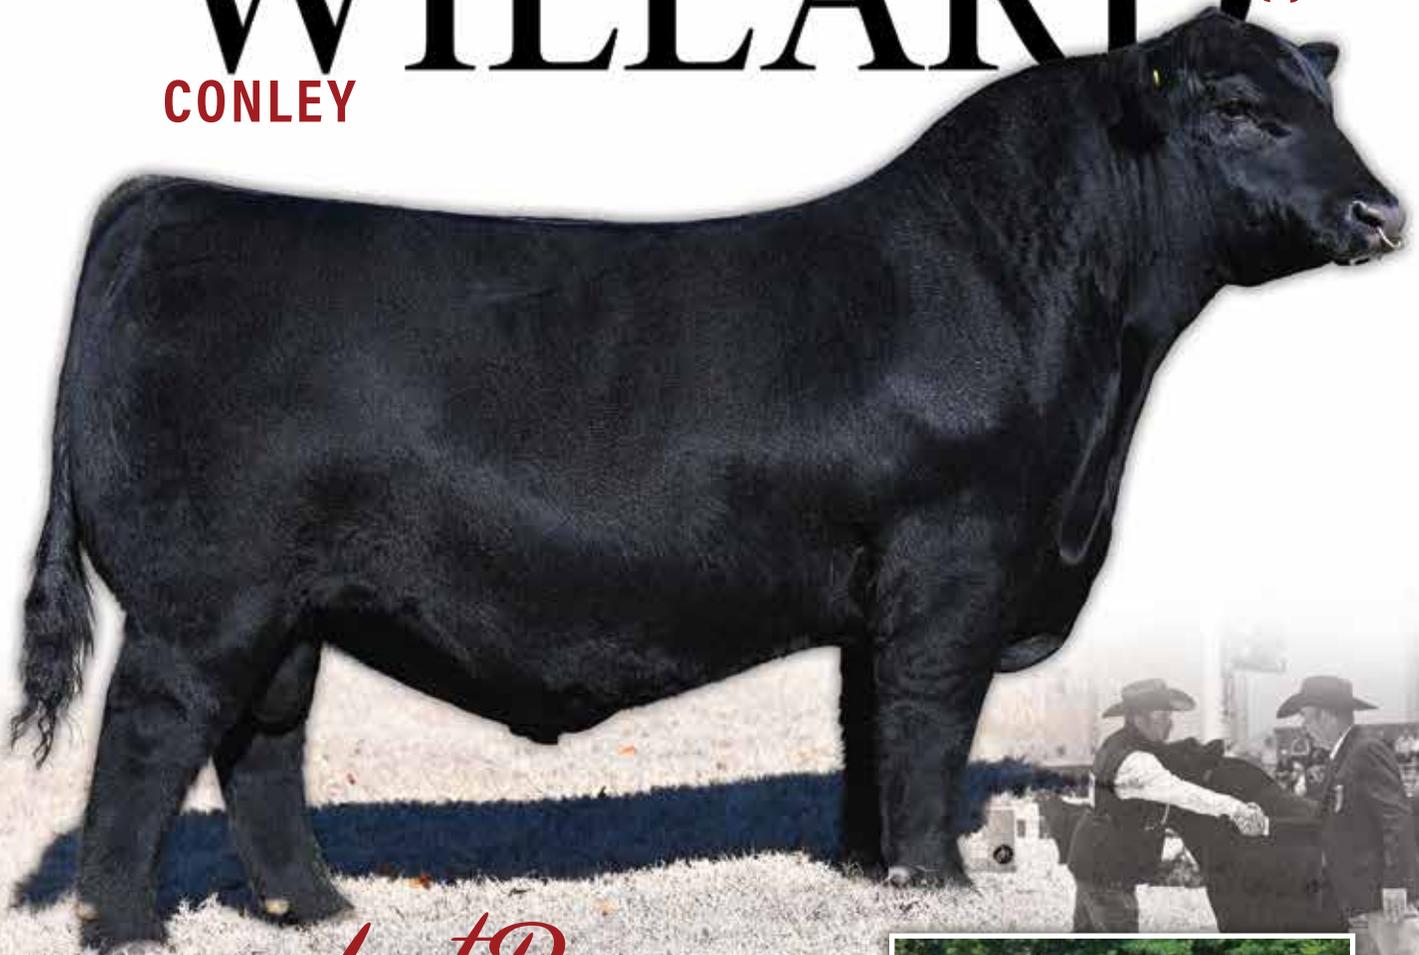

BAR-E-L DUCHESS 76G
Maternal Granddam of LT Marquee 169L

- We are proud to re-introduce the \$1.4 million valued LT Marquee 169L, one of the most widely admired and talked about Angus bulls the industry has EVER seen! History was made in Oklahoma City, Oklahoma when Glover's Delaware Creek Ranch won the fierce bidding war at a record setting \$700,000 to acquire 50% semen interest in LT Marquee 169L! This will be the only offering of sexed female semen in the fall of 2025 on LT Marquee 169L.
- LT Marquee 169L is supported by much more than a pedigree of significance, as his quality is defined by the history and tradition that makes up his prominent lineage.
- The famed "Duchess" cow family that stands behind LT Marquee 169L has yielded productive, efficient, low input cattle with eye appeal and natural stoutness. David Longshore has spent much of his lifetime dedicated to breeding Angus cattle with superior udder quality, functionality, and maternal prowess!
- The dam of LT Marquee 169L was an impressive first calf heifer that is derived from the same tribe that produced the legendary BAR-E-L Natural Law 52Y, a sire that has experienced tremendous use and success across both sides of the border. The maternal grandam of BAR-E-L Natural Law 52Y is the famed Double Four Duchess 12G, a pivotal member of the donor pen in Stettler, Alberta. The dam of 52Y, BAR-E-L Magnolia 143K, was also a cornerstone matriarch in the storied BAR-E-L breeding program. Based solely on facts, we firmly believe that LT Marquee 169L will sire Angus cattle that excel fundamentally, offering the intangible assets that combined will put any breeding program in the "bright lights"!
- There has never been a time better than now to utilize a legitimate "outcross" Angus AI sire that offers so much versatility and utility within the beef cattle industry. LT Marquee 169L has the credentials to headline any breeding program in the industry!
- *Owned with Glover's Delaware Creek Ranch.*

- When we selected J Trademark 1037 with Coleman Angus for \$165,000 this is exactly the type and kind of Angus breeding bull that we had a goal of creating. Conley Willard 3319 is the \$100,000 high selling yearling bull from the 2024 Conley Cattle Bull Sale that was purchased by two very progressive outfits from Ontario, Canada.
- A member of the 2024 NWSS Reserve Grand Champion Pen of Three, Conley Willard 3319 is a bull that sets the standard for skeletal quality, eye appeal, and functionality. He does this without sacrificing carcass merit or genetic value, in fact he blends one of the most elite sets of scan data and genomic figures with a captivating phenotype! Conley Willard 3319 scanned with an impressive 17+ inch REA and over a 7% IMF at the National Western Stock Show!
- His dam is one of the most impressive young females on the ranch. She is sired by the widely used and very popular BC Robust 0807 and backed by the everlasting influence of Silveiras S Sis Sandy 2355, the dam of Conley No Limit.
- Elite phenotype, elite cow family, elite number profile, and elite scan data... Conley Willard 3319 leave no stone unturned. He checks every box!

LOTS 1-10 - 5 CONVENTIONAL UNITS PER PACKAGE

- Conley Lead The Way 0738 is the most exciting Angus bull in the industry! In January of 2023 at the 17th Annual Embryos on Snow, held in conjunction with the Cattlemen's Congress, Conley Lead The Way 0738 commanded a \$460,000 hammer price for 50% US semen interest that was purchased by Hawes Cattle Company of Texas. His rookie calf crop exceeded even the wildest of expectations, with the first 10 heifer calves averaging \$57,000 at Conley Cattle in September of 2022, while a full sister to Conley Lead The Way 0738 commanded a \$75,000 hammer price the same day. In the spring of 2023, a son of Conley Lead The Way 0738, Conley Bell Bristow 2317 commanded \$150,000. Daughters sold for an impressive \$180,000, \$40,000, and \$39,000 the same day!
- Fast forward to the fall of 2023, the second set of Conley Lead The Way 0738 daughters set a record of their own, where 24 daughters averaged \$28,520! The high selling females from the sire group included prices of \$215,000, \$135,000, \$85,000, and several more from \$20,000 to \$50,000. A pair of full sisters to Conley Lead The Way 0738 averaged \$80,000 the same day!
- In the spring of 2024, 14 daughters averaged \$26,492. In the fall of 2024, 38 daughters by Conley Lead The Way 0738 averaged an impressive \$12,500 at Conley Cattle, while a maternal sister topped the sale at \$140,000! The high selling females from the sire group included prices of \$215,000, \$190,000, \$180,000, \$170,000, \$140,000, \$135,000, \$85,000, and several more from \$20,000 to \$50,000!
- Conley Lead The Way 0738 is the sire of the 2024 American Royal Reserve Grand Champion Angus Heifer, Conley DT Miss Lucy 3701! She continued her winning ways at the North American in Louisville, Kentucky for the Cook family where she was selected as the 2024 NAILE Grand Champion Angus Heifer and 5th Overall Junior Breeding Heifer!
- This past March in the 2025 Conley Cattle Spring Production Sale the daughters of Conley Lead The Way 0738 were in high demand as 10 daughters averaged \$21,890!
- A must use sire if you're looking to produce elite show heifer prospects that have a chance to sell high and win BIG!

- One of the NEWEST and most exciting young bulls to surface from the Conley Cattle breeding program is Conley Claymore 4005, a son of the \$150,000 Conley Bristow 2317 and backed by the prolific Schelske MSF Maddie 8229 matriarch, one of the most exciting young females in the donor pen at Conley Cattle.
- Schelske MSF Maddie 8229 has produced countless high sellers and champions over the last two years, including the \$220,000 Conley Maddie 3157, a daughter of Conley DS Clear Cut 0510 that was purchased by Ferree-Fitzgerald. 3157 was selected as the 2023 Hoosier Beef Congress 4th Overall Breeding Heifer for Mercedes Ferree.
- Conley Claymore 4005 sets the standard for skeletal quality, eye appeal, and balance from the side. He does this with a shot more power and substance than his popular sire, while incorporating the influence of the legendary 8229 donor dam.
- Four full sisters to Conley Claymore 4005 will sell in the 2025 Conley Cattle Fall Production Sale as lots 40 through 43.
- We are excited to utilize his service and know that he will sire cattle with an elite look of quality, stoutness, and expect him to transmit incredible hair quality as an added bonus!

- Another unique opportunity to acquire semen from the \$160,000 high selling bull from the 2024 Conley Cattle Bull Sale! We are pleased to re-introduce the iconic Rosewood Bellagio 090, arguably the most impressive son of the great KR Casino 6243 in existence!
- It is no secret that KR Casino 6243 has made a substantial impact on the Angus breed in a short amount of time with extremely limited semen available. We have searched near and far to find an alternative to KR Casino 6243, and in our opinion we have found a better option that brings even more cow power to the table!
- Rosewood Bellagio 090 is supported by the famed Champion Hill Georgina cow family that produced the iconic Conley DT Georgina 1076, the 2023 NJAS Grand Champion Owned Heifer for the Collum family of Oklahoma. 1076 was also selected as the 2023 Cattleman's Congress ROV Reserve Grand Champion Angus Heifer.
- Rosewood Bellagio 090 is a MUST USE sire to add power, substance, skeletal integrity, and eye appeal! The same stoutness and power the KR Casino 6243 offers, with more length and extension in a smoother made package.
- Don't let this special occasion pass you by!

LOTS 1-10 - 3 SEXED FEMALE UNITS PER PACKAGE

- Conley Ransom 1810 is one of the most impressive individuals ever produced in the Conley Cattle breeding program! This powerhouse was the 2022-2023 ROV Show Bull of the Year after.
- The dam of this powerful individual is the impressive Conley Sandy 8104, a daughter of the legendary S Sis Sandy 104, backed by the immortal K N C Cabin Creek Sandy 804.
- A must use sire to generate substance, shape, and natural dimension without sacrificing maternal excellence or skeletal quality!
- *Owned with K&M Cattle, Carroll Cattle Company, & Black Knight Cattle Company.*

LOTS 1-10 - 2 SEXED FEMALE UNITS PER PACKAGE

- The appropriately named, Conley No Limit has become one of the leading options for breeders when it comes to breeding both high caliber Angus seedstock and perhaps even more potently as an Angus sire for creating composite show heifers that muster extreme added value. Conley No Limit consistently sires cattle that have been featured on the high sellers lists for a wide range of operations, and the collection of wins is simply too long to list!
- *Owned with Schaeffer-Tice Show Cattle.*
