XXXI SALE

SATURDAY  
OCTOBER 11, 2025  
MADILL, OK

SURE-CHAMP

WHERE CHAMPIONS ARE A TRADITION!

# WELCOME

Welcome to our 31st Annual Fall Premier Sale!

It seems like the years have flown by, what a fun and rewarding ride it has been. We feel so blessed to make a living in the cattle business and to work daily with people we truly enjoy. The beef industry is breaking record highs, and it looks like this momentum is here to stay. My best advice: now is the time to invest in the good ones. Quality will always hold its value and generate returns in every market.

We are as excited about this offering as any we've ever put together. Some years are just special, and this is one of them. This group features several offspring out of young sires in both breeds that really clicked, and they are backed by proven cow families that consistently produce while maintaining the look we all strive for.

Over the years, we've been fortunate to see our program make steady progress and build momentum, but none of it would be possible without an incredible crew. A big thank you to Davey Young, Diego Dow, Isaac Grimaldo, Mike Bagley, Seth Buckley, and Ethan Moore, these guys give it 110% each day and truly keep the wheels on the bus.

I am very confident in this set of cattle. Within these pages are future champions and donor females that will move programs forward. Buy with confidence! Study the catalog, watch the videos, and, most importantly, come see them in person. We've built our program on customer service, and that begins on sale day. We're blessed with outstanding customers who work hard and like to win, and we would love for you to join our team.

Don't forget our judging contest Saturday morning, with registration beginning at 9:00 a.m. Divisions will include 4-H/FFA, Junior College, and Senior College. We'll take questions only, no reasons, and awards will be presented prior to the sale. A huge thank-you to Anipro/Xtraformance Feeds for sponsoring this event. Lunch will be provided, with a meal sponsored by Martindale Feeds and desserts by First United Bank.

We hope you'll be with us on sale day. If you can't make it in person, join us live online at CCI.live beginning at 1:00 p.m. Either way, don't miss this opportunity to evaluate one of the deepest offerings we've ever had.

We look forward to seeing you!

Jirl

Each sale we sell several cattle to buyers that cannot attend the sale. If you are unable to attend please contact us to discuss the cattle and we will have a representative handle your bidding confidentially.

## WATCH & BID ONLINE

Register and bid online at [www.cci.live](http://www.cci.live)

**VIDEOS of SALE CATTLE will be POSTED at [www.buckcattle.com](http://www.buckcattle.com) and [cci.live](http://cci.live) the week prior to the sale.**

LOT 1

- A special one, stunning look, super deep and soft, with bone, power, and substance. Flawless on her feet, impressive in motion, and built for speed.
- This female is the product of Promise Keeper x 3015, the combination of a rising sire and a breed legend. It worked, and the result is an exciting, high-potential female ready for the ring or donor pen.

MATERNAL SIB TO LOTS 1 & 2 /  
Grand Champion Maine-Anjou Female,  
2023 NJMAS, shown by McKay Gensini

MATERNAL SIB TO LOTS 1 & 2 /  
Supreme Champion Female, 2023 Illinois  
State Fair, shown by McKay Gensini

LOT 2

- Something special here, flawless look, extra bone, power, and substance. Extremely flexible on the move, built for both the show ring and production.
- Her dam, 3015, has been a cornerstone of the Moore program, producing national champions, top sellers, and elite donors, including Gensini's 2023 Junior National Grand Champion Maine female. Sadly, we lost her this past year. This sale will be her final calves, these daughters may be the best we've ever offered.
- Promise Keeper has quickly become a popular sire. Though we didn't have many, his calves are impressive, and he clicked perfectly on the 3015 donor female.

BK UTOO 872 /  
Dam to Lot 9

- Here is a female that catches your eye, rock star look through her front one-third, expressive center body, great hip and leg, and incredible on the move.
- Sired by All Mighty, a Maine-Anjou bull commanding attention nationwide, producing state fair champions, two top five females at Junior Nationals, and high sellers across the country, both bulls and females.
- For 17 years, the 872 donor has delivered champions and top producers. Consistently reliable in the show ring and in production, her offspring are built to perform and generate a profit.

LOT 10

JABR ALL MIGHTY 250K /  
Sire to Lots 9 & 10

- Striking, powerful, and built to impress, a female that will shine in the ring and has the pedigree to make an elite donor.
- Sired by All Mighty and backed by an Epic daughter, this female combines proven genetics with look, power, and performance. A lot of future ahead of her.

LOT 13

S/N FESTIVE 280K ET /  
Dam of Lots 13 & 14.

- The younger of two very special full sisters. Striking look, exceptional structure, and added power and dimension.
- Her dam, Festive, was purchased from Luke Doris in the Dakota Classic Sale and later sold part interest to Benji Gustafson in Canada. In her first year, she produced an outstanding bull, and these two heifers are her first offspring to sell here. We believe Festive's future is just beginning, and these daughters are destined to be special.

KABG TEST OF TIME 50L ET /  
Sire of Lots 12 - 19.

LOT 14

- Built as well as any in the sale, long and extended through the front one-third, big center body, muscular, powerful, and structurally sound. Hair was slow coming at picture time, but we don't see it as a problem.
- Her dam is a jaw-dropping female with perfect size, body, and feet and legs. Hairy and high quality throughout.
- We're excited about these Test of Time offspring, attractive design, extra body, bone, and substance, all in a sound, functional package.

LOT 15

MAINE ANGUS  
HEIFER

- Long necked, square built, and ideal on the ground, this female combines eye appeal and functionality. She is a standout for the show ring and a powerhouse for production.
- Maternal power runs deep here. Her dam 9009G, an Epic daughter out of the proven 1010 donor from the Morton Program, brings exceptional value and elite donor potential.

LOT 16

- Here's one of the most eye-catching, freaky-built females in the entire offering. She's incredible through her front end, with a wild neck, yet still carries impressive body and rib. Extremely correct on her feet and legs, she has the potential for a long-term, successful show career and also stands out as a unique, high-quality breeding piece.
- Her dam is an exciting Epic daughter out of the legendary 1010 Morton donor, a former Junior National Grand Champion for the Morton family. 9009 has now entered the ET program at Moore Cattle Company, and she has already proven her ability to produce outstanding, high quality offspring. This female carries the genetics and potential to continue that legacy of excellence in both the show ring and in production.

DUP JEALOUSY 199J /  
Dam of Lot 18 and Reserve Grand  
Champion Maine-Anjou Female,  
2023 Cattleman's Congress Junior Show,  
shown by Madison Shout

- A high-quality female that's wild necked, square hipped, and sound at the ground, she will turn heads.
- Sired by Test of Time, the young herd sire making waves nationwide for stamping his calves with body, look, and structure.
- Her donor dam combines the maternal power of Epic with one of the very best cows we've ever raised, a foundation female for Dupree Cattle Co.

LOT 19

- We rarely offer red females, but these two are exceptional. Built to be competitive in the show ring and breed changing donors, they rank among the most elite in the offering, study them closely and buy with confidence.

- Beautiful from every angle, stunning up front, deep-bodied, square-hipped, and impressive on the move, with a pedigree that makes her truly special.
- Her dam, 956G, purchased by Moores in our 2023 cow sale from Morton Farms, is a full sister to the great Cold Chills donor. Sired by Safety First, a young sire producing champions while offering calving ease, a proven pedigree built for the next generation.

# MAINE ANGUS HEIFERS

LOT 26

**MATERNAL SIB / Grand Champion Prospect Heifer, Cattlemen's Congress, shown by Tripp Yocham**

- This female is without question a sale feature. Elegant in her design, sound in her structure, and powerful in her build. She has the look, width, and dimension to compete at any level.
- Her dam, MTF Cold Chills, was a dominant champion, claiming titles at Junior Nationals, Louisville, Denver, and Fort Worth. Since then, she has become one of the most powerful donors in the Moore program. Her influence is already proven. One that sold in last year's Fall Premier Sale for the Yocham family went on to be named Grand Champion Prospect at the 2025 Cattlemen's Congress and Grand Champion Commercial Female at the 2025 OYE.
- Pay attention here!!

LOT 30

GTWY REBECCA F025 / Dam of Lot 30  
and Reserve Champion Angus Female,  
Tulsa State Fair, shown by Devin Morton

- A female you'll fall in love with, show ring look combined with the power, body, and rib of a great cow. Structurally correct and built with extreme quality.
- Top pick from Carter Cattle Company, a standout show heifer and a donor in the making. Sired by BKMT Horizon, an Epic son, out of the 3022 donor. On the dam side, FO25, a Reserve Grand Champion Angus at the Tulsa State Fair, brings proven production and elite cow family strength.

LOT 31

FULL SIB TO SIRE OF LOTS 30 & 31 /  
Grand Champion Maine-Anjou Female,  
2021 Cattleman's Congress Junior Show,  
shown by Devin Morton

- We're extremely excited about this maternal-built female. Open-ribbed, bold-bodied, level-hipped and great on the move. She's the kind that will show well, but her true value will shine in production.
- Power in the blood, sired by BKMT Horizon, a full sib to Morton's many-time champion, and backed by a No Limits Angus female. Registrable as a Maine Angus and built to be a foundation breeding piece.

LOT 38

- This is the only high-percentage Chianina female in the offering, and she is truly something special. Elegant in her design, she blends a long, feminine front with impressive depth of body and rib shape. Sound in her structure and extremely flexible on the move, she will be a player her entire show career.
- She is sired by the ever popular Crossover, with extremely limited semen access he is leaving his mark. Her dam was no stranger to the backdrop either, being named Reserve Champion at the 2018 Chianina Junior National for Macie McCollum and later going on to be crowned Reserve Supreme Champion Female in San Antonio. This pedigree stacks proven champions on both sides, setting this female up for success not only in the show ring but also as a future cornerstone donor.
- The McCollum family have been longtime customers and great friends, and their program has always been known for quality. When Doug called to say he had a special Chianina female, there was no doubt she would be something unique. From the moment she arrived, she lived up to every expectation.

LOT 39

TOLD YA SO /  
Sire of Lot 39.

- This female has been popular around the ranch from day one, a striking look and presence, always shaggy-haired, with added bone and power.
- Her dam is an outstanding young Chianina female, sired by the popular 1 Oak.
- This outstanding heifer will be fun in the show ring and versatile in production, excelling in both club calf and breeding programs.

KAGB CLOSING TIME /  
Sire of Lot 40.

- We don't have many Angus females, but the ones we do have are truly special. Over the past three to four years, the Moore program has been building a small, elite group of Angus females, and this is the first set of offspring from those premier cows. We're excited to offer them in our sale and look forward to watching these outstanding Angus females shape the future of the program.
- Her dam, 3006, was Ethan's selection from the Udell Cattle Company sale in 2023. She is a full sister to the third overall Grand Champion at the 2024 Angus Junior Nationals, highlighting the exceptional quality and proven genetics in this pedigree.

LOT 41

FULL SIB TO DAM OF LOT 41 / Third  
Overall Champion Female, 2024 NJAS

- Here's a really impressive Angus female with a standout maternal look. She offers extra body and rib, is level and square out of her hip, and combines muscle, bone, and excellent feet and legs. Where she really shines is in motion—when you see her move, her flexibility, balance, and athleticism are undeniable. An outstanding female in every way.
- Moores purchased her dam from the Udells in Iowa. She is sired by the great Casino and out of Forever Lady 7153, combining exceptional maternal genetics with a championship pedigree. Bred in a proven program, she offers both quality and potential for performance and production.

2024 Kansas City**

- This female is well structured with an attractive profile, a deep body and rib, plenty of muscle, and excellent feet and legs. She has the look and quality to excel as a long term show heifer and develop into a premier donor cow. This female is a full sister to Curtin's multiple-time champion, who earned Reserve Grand at the 2024 Angus Junior Nationals and Supreme Champion Female at the 2024 Iowa Beef Expo, highlighting the elite genetics and proven show ring success in this pedigree.
- Moores purchased embryos from Plum Creek Annie Lu 9271 because of her proven track record of producing champions. With her genetics, this female has exceptional potential for both the show ring and long term production, backed by a donor with a history of excellence.

**LOT 43**

**CORE ANNIE LU 24K 231K / Dam of Lot 43.**

- Here's a very striking Angus female. She is correct through her topline, with an excellent hip and back leg, combined with great body shape. Very complete in her structure, she has the potential to be both a standout show female and an exceptional donor in the future.
- Moores purchased her dam as a heifer calf from the Boyert/Core program in Iowa to enhance their Angus program. She was a stunning prospect and earned Reserve Supreme honors at the OSU AGR Winter Bonanza for Cutter Scasta, highlighting her exceptional quality and show ring potential. She developed into an impressive female in production, with great looks, added power, and perfect udder.

# HEREFORD HEIFERS

LOT 50

- Here is one of the most impressive females we've produced in quite some time. She combines elegant looks, depth of side, added width and dimension, and structural integrity. With all these qualities backed by a perfect pedigree, she truly has all the extras.
- Her dam, Kool-Aid Points, has been a true blessing to our program, helping elevate it to the position it holds today. She has produced numerous national champion bulls and females, and her daughters, as showcased in this offering, are absolute rock stars in production.
- This is the first offspring to sell from our popular young herd sire, Proud. It's clear that Proud is destined to leave a lasting mark on the Hereford breed. His progeny combine show ring potential with exceptional maternal value, performance, and overall quality. Proud was bred in the renowned Ned and Jan Ward program in Wyoming, a program respected nationwide for elite maternal genetics. Through our partnership with Hoffman Herefords and Hurricane Hefty Ranch, we were fortunate to obtain part ownership of this outstanding sire.
- Selling half interest.

- There are two daughters of Proud x Kool-Aid Points in this offering, and both are exceptional. They combine flawless structural correctness with ideal balance and style, making them outstanding prospects for both breeding and the show ring. These females possess the depth, power, and flexibility that breeders look for in foundation females, while also carrying the eye appeal and presence that make them competitive at the highest levels. Their pedigree and quality give them the potential to excel as herd building females and as show stopping individuals.
- Kool-Aid was a two-time national champion herself and has gone on to make an extraordinary impact on our program. She has produced ten national champions and numerous other champions across the country, consistently passing on her exceptional genetics, structure, and style. Her influence is clearly seen not only in her daughters and granddaughters, who have become cornerstone females in herds nationwide, but also in her sons, many of whom have developed into highly sought after herd sires. As you study this catalog, it becomes evident how profoundly Kool-Aid has shaped our breeding program, elevating both the quality and consistency of the cattle we offer. Her legacy continues through multiple generations, ensuring that her remarkable traits, structural correctness, balance, depth, and show ring presence, remain a defining feature of our herd.

# HEREFORD HEIFERS

LOT 52

- Here is a true big time show heifer and future donor female that brings it all together. She is incredibly high quality, blending refinement through her head and neck with a deep, soft, square-built body. Her structural integrity is excellent, giving her both the look to stand out in the show ring and the design to excel in production for years to come.
- You simply cannot go wrong investing in a Kool-Aid daughter, they are proven, consistent, and add tremendous value to any program. This Marksman daughter out of Kool-Aid is the only one in the offering, making her truly special and one of the highlights of the sale. We sold a full sister to her two years ago in our Spring Edition Sale to the Harris family in Texas, where she was shown very successfully. She was the kind of female that was destined to capture big banners multiple times in her career. While the breaks didn't always go her way in the ring, it never took away from her exceptional quality. This one carries that same elite look, pedigree, and potential, and we believe she has the ability to rise to the top both in the show ring and later in production.

**FULL SIB TO LOT 52 /  
Division III Champion Horned  
Hereford, '25 FWSS, shown  
by Callie Harris**

- This female is the complete package of elegance and power. She is beautifully refined through her front one-third with a smooth, attractive shoulder design that blends seamlessly into a bold, expansive rib cage. From there, she transitions into an extra stout hip with plenty of width and pin spread, giving her both strength and functionality. Her hind leg is ideally designed, with the perfect set and angle, allowing her to move with exceptional flexibility and comfort. A true balance of eye appeal, structural integrity, and power, this female has all the tools to be highly competitive in the show ring and tremendously valuable in production.
- This striking female is the only daughter of the legendary Kool-Aid Points sired by the exciting young herd sire, Gunsmoke, making her a rare and valuable breeding piece in this offering. She is backed by one of the most proven and influential cow families in the breed, while being powered by one of the most talked about sires of recent years. We offered a full sib to her this past March in our Spring Edition Sale, where she was selected by our friends, the Brumleys of Nevada, to elevate their progressive breeding program. This female combines eye-catching design, structural quality, and the pedigree strength to not only dominate in the show ring and collect banners at every level, but also to go on and generate the next generation of champions. She is the kind that can truly take a program to the next level.

Cattlemen's Congress Junior Show,  
shown by Fallon Gohr**

- Here's a female who has been extremely popular with early visitors. She is beautifully patterned (she has a big red patch on her face) and combines extra body and power with excellent structure and flexibility.
- Her dam, BK Kool Talk, was purchased by Victoria Chapman Strate in our 2022 Fall Premier Sale. She is a remarkable female, sired by Profit and out of Kool-Aid Points, making her a full sister to multiple champions and the outstanding herd sire Red River.
- Stinger has quickly become one of the cornerstone herd sires in our program. He consistently stamps his offspring with an outstanding combination of power, substance, and body, all wrapped in a structurally sound and correct package. His calves are not only impressive in terms of eye appeal and muscling, but they also exhibit flexibility, balance, and correctness that make them exceptional in both the show ring and the pasture. Stinger's influence continues to elevate the quality and consistency of our herd.
- Victoria & Jarred have raised some special ones, this one will add to that list of champions.

LOT 55

**MCM H BK STINGER K12 /  
Sire of Lots 54 & 55.**

- This female has been a favorite since the day she arrived from the ET herd. She is very attractive in her front one-third, deep and soft through the middle, structurally sound, and very flexible on the move.
- Her dam is a full sister to BK Enchanting Points 7522, the 2019 Junior National Hereford Expo Grand Champion Horned Female for Victoria Chapman Strate. She is sired by the great 5280 and out of the legendary Kool-Aid Points donor, combining proven genetics with champion bloodlines.

- We believe this offering is packed with unique females capable of competing at the highest levels. Here's another standout, super attractive with depth, power, and substance, all wrapped in an extremely well structured, balanced design. She has the presence and quality to excel both in the show ring and as a foundation female.
- Her dam was a former champion and has proven to be an exceptionally consistent producer. She is also the dam of Hurricane Hefty's 2024 Fort Worth Stock Show Grand Champion Female, highlighting her ability to pass on both quality and performance to her offspring.

LOT 57

MATERNAL SIB TO LOT 57 /  
Division 15 Polled Champion,  
2025 JNHE shown by Grady Carter

- This special female is the epitome of refinement and balance. She is elegant and refined through her head, neck, and front, yet she carries a robust, deep-centered body. Level and square through her hip, structurally sound, and exceptionally complete in her design, she combines style, substance, and correctness in a truly impressive package.
- Her dam is one of the many champions produced from the legendary Kool-Aid Points and is sired by the ever popular Full Throttle. Even several generations removed, the influence and stamp of Kool-Aid Points are clearly evident in her offspring, passing on quality, style, and proven genetics.

LOT 58

- Cocky-built Hereford female with a sharp front, square hip, big bone, and stout features. She's been a rock star from day one.
- Her dam, Hot Points, is sired by 88X and out of Kool Aid Points. She is an incredible female with an outstanding pedigree. The three heifer calves selling out of her will be very popular, and you can expect to see more of this mating in the future.
- Frisco checks every box, elite look, maternal power, genomic strength, and a pedigree to match. A true standout in our herd bull battery.

LOT 59

- Impressive horned female with a stunning front, powerful hip and hind leg, added bone, great body, and excellent structure.
- The 88X Kool-Aid Points daughters have been standouts in our program for years. Hot Points 045H is now getting her chance to shine in production, and she has certainly delivered. These are her first embryo calves, and she clicked big time with the exciting young sire Frisco.

LOT 60

- Here's the darker colored of the three full sisters. She carries the same stunning look, with added body and a very maternal presence.
- From day one, these three full sisters have turned heads. They're stamped alike with that cocky look, show heifer style, and the extra bone, body, and power to back it up.
- With very limited use, Frisco has quickly risen to the forefront of our young herd sires. He combines an incredible look with extra body, flawless pedigree, and outstanding structure. We are confident he will be one of the most heavily used bulls in our program for years to come. We look forward to showcasing him this fall and winter, giving breeders the chance to see and appreciate his true quality.

LOT 67

BK RED RIVER H18 ET / Sire of Lot 67.

- Here's one of the younger females in the offering, and she is truly exceptional. Perhaps one of the most uniquely designed and eye-catching individuals in the sale, she combines freaky style with softness, smoothness, a wide base, and outstanding structural correctness.
- Unfortunately, we lost her incredible dam last year at an early age, but fortunately, she had produced these embryos, leaving us with some outstanding offspring. With this mating to Red River, we pushed the limits a bit with line breeding, and it paid off beautifully. This female is exceptional, she's going to be exciting to watch mature and has all the potential to become a champion.

LOT 68

- This female is truly a powerhouse. She combines a stellar look with exceptional mass, depth of body, and rib. She carries monster bone, big feet, and outstanding structural correctness, all wrapped in an eye-catching color pattern. Backed by a bullet proof pedigree, she is built to perform both in the show ring and production.
- Her dam, Jungle Girl, was a featured female in our 2021 Fall Premier Sale, purchased by Sarah Sullivan of Iowa. She enjoyed a highly successful show career, earning Reserve Grand Champion Junior Show Female at the 2023 Cattleman's Congress and Reserve Grand Champion Female at the 2023 Fort Worth Stock Show.
- Her granddam, BK Distinctive Points, has consistently excelled when mated to H The Profit, making it a natural choice to flush Jungle Girl that way. The flush was very successful, and we believe these two females will be exceptional throughout their lives, both in the show ring and as donors.

LOT 69

- These three full siblings share many similarities but also have their differences. This one, perhaps longer-necked and cleaner through the front one-third, still possesses excellent body shape, added power, and moves exceptionally well, making her a standout female in the offering.

**BK CMCC JUNGLE GIRL 147J ET /**  
Dam of Lots 68 - 70 and Reserve

LOT 70

- I'm as excited about this female as any in the offering. She is a bonafide, top-tier show female with unlimited donor cow potential. She boasts a stunning look, perfect balance, exceptional structural correctness, big bone, and stout design. She is truly one of the elite females in the entire sale offering.
- This flush of females is about as consistent and impressive as you could hope to produce. All three are exceptionally well made, combining balance, structural correctness, and eye-catching design. Each one shows remarkable depth of body, muscling, and flexibility, indicating strong potential both in the show ring and as foundation females in a breeding program. Beyond their phenotype, they carry pedigrees stacked with proven genetics, giving them not only immediate appeal but also long term value for producing elite offspring. These females are poised for bright futures and represent some of the best quality we have to offer.

LOT 75

KJ TWJ 907E LIBERTY 159H ET /  
Sire of Lot 75.

- Here's a female built as solid as they come. She is exceptionally elite through her front end, with a long, level square hip and an extremely deep, soft center body. She sets down well to the ground and moves with outstanding athleticism, combining power, flexibility, and structural correctness in a truly impressive package.

GRAND CHAMPION POLLED  
HEREFORD FEMALE, 2025 JNHE /  
Bred by Ella Weldon and sold in our 2024  
Fall Sale. Shown by Maryln Pecha

- This female has been a standout from day one. Zach reached out early, noting just how special she is. She combines a jaw-dropping look with added dimension, power, and substance, making her both an exceptional show prospect and a top-tier donor female in the making.
- BK CMCC Kalamazoo 245K was a standout show female, earning Supreme Champion Female honors at the 2023 Tulsa State Fair for Ella Weldon, and also winning her division at Junior Nationals, Cattlemen's Congress, and Fort Worth. Now in production, she is quickly proving herself as an elite donor, capable of producing top-tier offspring. She is backed by the famous Distinctive Points, continuing the legacy of her dam, Kool-Aid Points, and carrying forward a proven line of champions.

LOT 77

BK RED RIVER H18 ET / Sire of Lot 78.

- This sharp built female is sure to be a standout both in the show ring and in the pasture. She is extremely well-balanced, attractive, structurally correct, and stout-featured, combining style with substance.
- We sold a full sister to this female in our spring sale this past March. She was our top-selling Hereford female and a highly competitive show heifer for Grady Carter, winning her class at Junior Nationals and earning Reserve Division Champion honors. This heifer possesses that same exceptional quality, combined with outstanding style and added power.
- Her sire, Red River, has quickly become one of the hottest young sires in the breed, consistently stamping his offspring with exceptional look, added bone, and power. A full brother to the 2025 Junior National Grand Champion Horned Female, Red River also sired the Supreme Champion Bull at the 2025 Cattlemen's Congress. Sired by Profit and out of the Kool-Aid Points donor, he truly is a genetic masterpiece.

LOT 78

- This premier female is sure to grab your attention. Beyond her distinctive color pattern, she is exceptionally made, featuring a chiseled neck, massive center body, outstanding structural correctness, and perfect balance—truly a standout in both look and design.
- Her dam, 0046, was a featured lot in our 2021 Spring Edition Sale and was selected by Moore Cattle Company to join their breeding program. She is sired by Cracker Jack and out of one of our cornerstone females, Blacktop Vicky, a multiple-time champion who has produced numerous champions and top-selling offspring over the years.

LOT 79

**EXR HIGH CLASS KAT 2253 ET / Dam of Lot 79.**

- This horned female is truly a standout. She is impressive from every angle, combining added width and dimension with strong bone, muscle, and power. With her striking presence and balanced design, she's not to be overlooked she's a true player!
- Her dam came from Express Ranches and was purchased by Miss Ella Weldon. Ella campaigned her successfully, earning Reserve Grand Champion Horned Female at the '24 Cattlemen's Congress.
- Ella Weldon's young breeding program is already making its mark, quickly proving the ability to produce elite cattle. She raised Marlee Pecha's Grand Champion Polled Female at the 2025 Junior National Hereford Expo, a major accomplishment that highlights the strength and potential of her program. With results like this early on, there's no doubt her program will continue to generate champions and build a lasting reputation in the breed.

LOT 80

**KJ TWJ 907E LIBERTY 159H ET / Sire of Lots 78 - 80.**

- This impressive female combines an exceptional look with an ideal blend of body, power, and substance. She exhibits strong structural correctness, depth of rib, and a square, giving her both the presence and performance needed to excel in the show ring. Her balance, flexibility, and overall athleticism make her a standout among her contemporaries, while her pedigree provides a proven foundation for future breeding success. Whether in competition or as a cornerstone female, she has the quality, style, and durability to perform at the highest levels and make a lasting impact.
- Her dam has been a top producer for Moore Cattle Company for the past decade, including a high-selling female last fall that has shown great success with the Irwin family.
- Her sire, Liberty, was highly successful in the show ring and has quickly become a popular production sire. He adds strong maternal traits to this female's pedigree while contributing excellent look, power, and substance.

LOT 81

STELLPFLUG ALL THAT 3569 /  
Sire of Lot 81.

- Here is one of our favorite females in the offering. This dark red, horned female combines striking looks with added body, a square hip, and excellent structural correctness.
- Her dam is sired by the outstanding maternal sire Standout and out of a daughter of former National Champion Time Traveler, combining proven maternal strength with champion genetics.
- We are extremely excited about her sire, All That. He is one of the most uniquely built herd bulls we've seen in years. This is his first calf crop, and they are impressive despite limited numbers. We look forward to showing him this winter and using him heavily in our breeding program.

LOT 82

- This eye-catching female comes to us from our good friends Blakelee and Clayton Hayes and represents the kind of quality their program is built around. She is sired by the ever popular High Roller and out of the impressive 9051G female, which the Hayes family purchased from our 2020 Spring Edition Sale. The combination of these genetics has resulted in a horned female that is as well-balanced and complete as you could ask for, attractive through her front one-third, deep and bold in her rib shape, square out of her hip, and excellent in her structure. She is not only built for success in the show ring but also has the pedigree strength and maternal foundation to excel in production for years to come. Backed by proven cow families stacked throughout her lineage, this is one with unlimited potential to impact any program she enters.

LOT 83

- This female is exceptionally complete in her design, combining flawless structural correctness with balance, depth, and style, making her a standout in both the show ring and production.
- Her striking dam is sired by Perfecto, a leading sire for several years known for passing on maternal strength and quality to his offspring. Her granddam traces back to the former National Champion, Sweet Annie, giving her deep, proven maternal genetics. With this foundation, she has a very bright future ahead, combining both performance and breeding potential.
- Darren Rudd and Audra Johnson purchased her and her dam in our 2025 cow sale to enhance their young Hereford breeding program. We're fortunate they allowed us to bring back this outstanding heifer calf to feature in this offering, showcasing her exceptional quality and potential.

LOT 84

- This red-eyed female is the kind that stops you in your tracks, deep, soft, sound, and bred with maternal quality throughout.
- Her dam, BK Hold the Stars 0052H, is sired by former National Champion Deberard and out of the proven donor Starburst 4029. This mating combines the influence of two of the breed's most prominent programs: Colyer Herefords of Idaho and Hoffman Herefords of Nebraska.
- We could talk all day about her sire, H The Profit. Profit has been a cornerstone of our program for several years, siring multiple national champions, including the 2025 Junior National Hereford Expo Grand Champion Horned Female. His daughters have not only excelled in the show ring but have also proven themselves as outstanding producers and exceptional mothers.

LOT 85

**JSC ELDORADO 3636 /**  
Sire of Lots 85 & 86.

- This attractive female offers extra body and rib, excellent structure, and an eye-catching look on the move.
- Sired by our young herd sire Eldorado and out of 1128, a Profit daughter of the 462B donor, this female carries a stacked pedigree. 462B was Reserve Grand Champion Horned Female at Junior Nationals for Bailey, and the maternal strength runs deep with proven champions and consistent production.
- This female was purchased alongside her dam in our 2025 Sharing the Tradition Cow Sale, and we're thrilled to have the opportunity to bring her back as a feature in this Fall Premier Sale. She represents the kind of quality we strive to produce, and we thank Darren and Audra for allowing us to showcase her here.

LOT 86

- This Eldorado daughter is one of the most exciting prospects in the sale. She combines extra power, bone, and substance with a striking look, style, and balance that will catch anyone's eye. Originally purchased at the side of her dam in our 2025 Sharing the Tradition Cow Sale, we're fortunate to have the chance to bring her back and showcase her here. With her pedigree, she not only has the potential to excel in the show ring, but she is also built to be a long term asset in any breeding program.
- This final lot in the catalog is definitely a sale feature!
