General Notes

- All Bred Heifers received their first Bovilis® Guardian® shot when they were Preg Checked on 9/2/2025.
- Charolais Bred Heifers – If there is not an AI sire listed, they were called pasture exposed. Pasture exposure bulls were TR Badge1538 4605M (AICA# M1003686) & TMAS Lexus 402M (RAAA# 4931304).
- Full Payment for cattle and genetics is required before loadout or release, this is to occur before **JANUARY 1ST, 2026.**
