Welcome to the Sale

Going Forward

Thank you for joining us!

Troy and VeaBea Thomas at one of the many bull and female sales held on the ranch.

Dear Cattle Friends,

We would like to thank you for taking the time to look at our cattle and catalog and to personally invite you to join us for two days of selling cattle, frozen genetics, and without a doubt surely sharing many stories and memories of Troy. The cattle and genetics in this sale truly represent a **Lifetime of Production**.

As many of you know, Troy, VeaBea, and Cally had been talking about having a cow sale to get our cow numbers more in line with available grazing acres for about three or four years now. The plan was to be able to spend more time with the two little Blessings that Clint and Cally provided us with, **Tee and Tyler**.

Troy and VeaBea's 40th anniversary was celebrated on August 10, 2025. Troy talked about how if we were going to pull off this sale, this was the perfect timing as we have the people here who could get it done. With that said, I want to say a huge and heartfelt Thank You to; Mardy, Laura, Bill, Andy, and JW. These people have been here with us through this most difficult time. We could not be putting on this sale today without each of their devoted help. There are numerous others who have helped us navigate this journey and keep things going at the ranch; to each of you we are so grateful.

Many of the best people in this cattle industry have worked together to help us pull this sale off. People who are like a part of our family. People who have put tears and sweat into making this catalog. People who offered up suggestions, ideas and their creative gifts. Please know your kindness and offerings have not gone unnoticed.

With all the changes at home, sale preparation started later than ideal. **When you view the cattle, please keep in mind that as of mid-October all these females were still out to summer grass.** In a two-week time frame, they were preg checked, clipped, and pictured – so they come to you in their working clothes which should serve them well going forward into their new homes.

One of VeaBea's favorite sayings is; If you want to make God laugh, tell Him your plans for the next five years. Troy and VeaBea's plans were to start spending a little more time enjoying this God given life. He was teaching Tee and Tyler to enjoy fishing and "Pink Skies." As you can see from some of the pictures in this catalog, they are doing just that. **As far as the plans for the Thomas Ranch - VeaBea, Cally, and Clint, along with the guidance of Harry and Kay, plan to continue the legacy that has been so many years in the making. We hope that you will be able to be a part of our 54th Annual Bull Sale on April 14th, 2026.**

So, this offering is about happy endings. This is an opportunity for all to get a piece of TR's lifetime of production and for VeaBea to have more time with Tee and Tyler. And as for Troy, he gets the ultimate Prize, he's in Heaven, **"the goal"** if we believe that Jesus Christ is our Lord and Savior. Once we get through this sale, we will begin to focus on some kind of a memorial established in Troy's memory, we simply haven't had time to work on that yet.

Joshua 1:9, "Have I not commanded you? Be strong and courageous. Do not be frightened and do not be dismayed for the Lord your God is with you wherever you go."

God Bless VeaBea Thomas - Clint, Cally, Tee, and Tyler Kindred - Harry and Kay Thomas

Maternal Granddam of the \$40,000 TR Statesman 4041M that sold in the 2025 Bull Sale.

TR MR Payweight 7115E is the \$46,000 valuation son of Basin Payweight 1682 owned with RBM Livestock. He is out of a daughter of Upward 15X who was excellent in production and lost too soon. 7115 daughters have been outstanding in production and the limited outside use he has seen in other programs has resulted in high sellers and impactful sires. Truly a product of the program and his impact is felt throughout the offering.

- Dam of the \$52,000 KR Twist 2405.
- Princess 7682 is the recently purchased donor from the Krebs Ranch Female Sale who commanded \$20,000. She was handpicked by Troy after first acquiring her son, KR Twist 2405, the high selling bull for Krebs Ranch in 2023. Twist was a heavyweight bull, picked as a prime candidate to add pounds and maintain quality. In 7682's short tenure at the Thomas Ranch she has already produced two top heifer calves including a \$9,250 daughter by KR Inspiration.

The commercial cowherd has been built with a strong Angus influence and emphasis being placed on basic production traits and a focus on longevity through feet, legs, udders and disposition. By following this selection criteria, our commercial cowherd has evolved an impressive set of production cows. These females are bred to be tough and are required to survive and thrive through our cold, South Dakota winters. They were AI bred to the \$47,000, calving ease specialist, Schiefelbein Unreal 242 and pasture exposed to two Thomas Ranch raised Patriarch sons.

KC MISS IMPRESSED 5145 - 2007 National Western Grand Champion

BRCHE TR DORY 6501

Granddaughter of KC Miss Impressed 5145

TR MS KAYCEE 7787

Full Sister to Lots 301 and 302

KC Miss Impressed 5145 was the 2007 National Western Grand Champion and just like many of the important cow families at the Thomas Ranch her influence is still felt heavily today. 5145 won Denver while carrying her first pregnancy by TR Mr Fire Water 5792. The resulting pregnancy was TR Ms Kaycee 7787 who went onto to be named Grand Champion at the American Royal and be crowned the National Champion Female at Fort Worth Stock Show in 2009 – an impressive start to 5145's production history! Perhaps her most famous daughter is TR Ms Kay 30A who commanded \$115,000 on Hartman's sale selling to Andrew Hodges. She hung countless banners and went on to be named Show Female of the year. Even more notable has been Ms Kay's impact as a producer with sons and daughters alike leaving their mark within the breed. In 2015, another 5145 daughter sold as a highlight on the Thomas Ranch Sale as a bred heifer. She was in calf to Outsider and the result was BRCHE TR Dory 6501 who has her own place in the history book. Dory was 3rd Overall Female at Junior Nationals, Reserve Supreme at the SD Spotlight, Champion Charolais at the NAILE, and National Champion in Denver, furthermore she has produced industry notables like WIA Backwater Jack, GHC Jello Shot, CAG Bubbles, and TR Ms Helen 0704 who leads off the Charolais offering! This is very likely the last chance to purchase a daughter of 5145 anywhere and for certain from the Thomas program.

One of the most influential females of all time in the Charolais breed.

TR MS KAY 30A ET - Grand Champion Female at the North American

TR Ms Kay 30A was the record setting \$115,000 female sold in the Hartman sale in 2013. She went on to be named the 2014-2015 AICA Show Heifer of the Year, with championships at both the North American International Livestock Exposition and National Western Stock Show. In production, Ms Kay has followed in the footsteps of her dam, KC Miss Impressed 5145. Ms Kay's first embryo calf was TR Ms Danika 6718D ET who was picked from the pasture sale by Mark Hoge as a show heifer and building piece to their young Charolais program. Danika found plenty of success in the show ring, but her story really began as a producer. She is the dam of an AIJCA Grand Champion Bred & Owned Female, a \$45,500 heifer calf and of the prominent Boyert-Core Sire Boy Cajun 010, and she has become a highlight on Embryos on Snow. Adding to her family's rich history of National Champions, Ms Kay produced the 54th National Champion Bull, TR Legacy 1707J ET. He is the \$30,000 half interest son, owned and used extensively in the Thomas Ranch, Bradley Cattle, and Aces Wild herds. 30A is also the dam of the stunning TR Ms Outsider 0776, the \$20,000 Grand Champion Charolais at the BHSS that sold to Gary Danley of Pennsylvania. Most recently 3 Mayfield daughters highlighted the 2024 Christmas Classic Sale and went on to capture the title of Champion Pen of 3 Heifers at the 2025 National Western Stock Show. Out of that pen came 4760, the 2025 Tennessee State Fair Champion for Andy and Kate Higgins adding to the lengthy list of Ms Kay progeny that have found their way to the backdrop. Ms Kay is one of the most well remembered females in the breed, as she was an outlier in many phenotypic categories. She consistently produces cattle with the same added look that she is remembered so well for.

**Daughters and Granddaughters
Sell as Lots Lots 305-320**

The 5604R cow family is one for the record books, not only at Thomas Ranch she has been synonymous for Champions across the breed and in many supreme drives. 5604R appears in many successful and leading bull and female pedigrees today. 5604R was the dam of herd sire TR Diablo 2584, purchased and used heavily by the Schaffers, TR Montella (2013 National Champion Female), TR Wrangle Up, TR Madonna and countless more important individuals. Most recently 5604's daughter, TR Fame 8712F, owned by Josi Schrader and Schrader Ranch is making her mark. TR Ms Fame is the dam of Schraders Guardian 477M that was the Reserve Supreme Bull at the recent 2025 Kansas State Fair and the 2025 Junior National Grand Champion Bull. Guardian was the high seller from the Schrader Ranch Bull Sale purchased by Thomas Ranch and Bradley Cattle and will see heavy use in these programs.

Another daughter of Fame 8712F was the Grand Champion P&G Female at this year's Charolais Jr National Show for Josi Schrader. Full sisters to TR Ms Fame 8712 sell as Lots 310-314.

Daughters of 5604R sell as Lots 310-317 and 342. 5604R led the historic Thomas dispersion exactly ten years ago this month and her progeny are still leaving their mark. All things considered, 5604R may be the longest and most prolific of many, many breed leading Thomas cows.

Perhaps the most recognized daughter of 5604R was TR Ms Montella 1572Y, herself a National Champion and potent, prolific donor. Daughters of Montella are today some of the most sought after in the breed and continue to generate high selling progeny and National Champions. Most notably TR Ms Berkly 4711B ET, a daughter of Montella, raised the 2021 National Jr Show Grand Champion and the Supreme Champion Female at Agribition in 2021. Berkly also produced White Bear that was Show Bull of the Year in 2020, winning Champion or Reserve titles at NAILE, Denver and Fort Worth. She also produced BOY Outlier, many time Champion and one of the current and leading Charolais sires in the breed. Berkly, has generated multiple progeny over the \$40,000 mark for both WGB Cattle and Thomas Ranch. Two daughters of Berkly lead off the fall pair offering as Lots 340 and 341.

Featuring Two Daughters of TR Ms Berkly 4711

TR MS BERKLY 4711B ET

One of the Most Current and Prevalent Families from the Thomas Ranch Program

TR Ms Berkly 4711 was a NWSS Champion herself who has raised as many champions and high sellers as any in the breed. Truly even more impressive is what her daughters are doing in production for operations across the States and Canada. This resume includes; Prairie Cove's Berkly Ann – the Canadian Agribition Supreme Champion Female, PGC Cattle and AC Cattle's - Febe 8882, Will Blanker's - Berkly 029, the Clift family's – Berkly Marie, and more. You would be hard pressed to find another set of sisters that could rival the consistency and revenue generating ability that Berkly daughters have proved to possess.

TR MS JOSIE 1957J ET - Maternal Sister to Lot 401

① TR Redemption 4743M ET is one of the first to stem from the combination of the breed leaders, CCC WC Redemption 7143 PLD ET and HF Mustang Sally 904. Mustang Sally had a very successful show career and then went on to become an influential donor dam who quickly found her way onto Embryos On Snow as a live lot feature where half interest commanded \$65,000 selling to Reimann and Schnoor. Over the last decade Sally has produced countless high sellers and champions. The Sally influence is prominent throughout the industry, and both sons and daughters lead programs of the most progressive stockmen.

① We are excited about the fact that this herdsire prospect comes in a PA FREE package, opening the door wide open to another selection of females you can breed too comfortably.

① We think he offers a lot of good to the Outsider lineage and his derivatives, offering an awesome look of quality from the side, adding a shot of power and stoutness, and looking to be the kind that would find acceptance from both stockmen in the real world, and breeders with showing aspirations.

① Semen tested and ready for service.

Selling Choice Within Group

The Semen Tanks of Thomas Ranch

We will sell "choice of sire" within each group, **1000, 1100, 1200, 1300, 2000, 2100, 3000, 4000, 5000 and 6000**. The buyer must take the quantity indicated of that sire unless otherwise stated. At the point that no other choices are selected, within that lot, the sires and their quantities remaining will **ALL** sell for **ONE** money.

The semen must be settled and shipping instructions must be designated prior to May 1st. No exceptions! The shipping cost and instructions are the responsibility of the buyer. All large quantities of semen are stored at Western Sire Service, with the remaining small quantities at Trans Ova Genetics in Onida, SD. The semen will be released in the buyers name upon payment and stored until May 1st, no later.

The semen sells without guarantee but all semen is believed to be viable and has been properly stored.
