D&H CATTLE \$200,000 ADDED INCENTIVE FUTURITY SERIES #1 & ABBI BIG BUCKS, QUALIFIER #2

Welcome to the 2025 Bred to Buck Fall Female Sale

We're proud to welcome you to one of the most exciting events we host each year, the Bred to Buck Fall Female Sale. The track record this sale holds for producing elite females that go on to become cornerstone producers across the bucking bull industry is simply incredible. In fact, the number of superstars purchased in the bellies of these elite females is a remarkable achievement in itself.

At D&H Cattle Company, we take great pride in producing superior genetics that perform for our customers. For over 40 years, we've been dedicated to breeding bucking bulls, and we've proven time and again that the key ingredient is the cow families. This offering represents the very best of those elite cow families, bred to what we believe are our most exceptional sires.

We were blessed to have our best yearling bull sale ever during the Finals in November — and this group represents the sisters to that outstanding set of bulls.

We'd like to extend our heartfelt thanks to our friends, family, and hardworking employees who give their all every day to make D&H Cattle Company what it is today.

Join us for supper before the sale, and if you can't attend in person, you can register and bid live online at CCI.live. Take the time to study the catalog, research the pedigrees, and buy with confidence.

Thank you,

D&H Cattle Company
