SALE MANAGEMENT

Aegerter Marketing Services, Inc.
Jeff Aegerter (402) 641-4696
jeff.aegerter@gmail.com

GENERAL INFORMATION

TERMS AND CONDITIONS: Terms of the sale are cash or check and made payable to Aegerter Marketing Services, Inc., immediately following the sale and before cattle are removed from the premises.

BILLED ACCOUNTS: All billed accounts are due within 10 days following the date of the sale. At 10 days, a two percent service charge will be added to the unpaid balance and an additional two percent will be added every 30 days thereafter unless previous owners arrangements have been made with the owners.

LIABILITY: Each animal will be at the buyer's risk as soon as sold, but will be cared for by the sellers for a reasonable amount of time. Neither the owners, employees, auctioneer, sale manager nor other affiliated personnel can be responsible for any accidents, but for the safety and comfort of those attending they will make every effort to provide for the safety and comfort of those attending.

TRUCKING: Transportation available to all points in the continental United States. Every effort will be made to provide reliable and affordable transportation for animals purchased.

BREEDING INFORMATION: All animals sell under the terms and conditions of the suggested American Shorthorn Association Standard Breeding Guarantee. Bred females have been pregnancy examined safe in calf by a licensed veterinarian. Any updated breeding information will be made available on sale day.

HEALTH: Each animal will be represented by a state approved health certificate for interstate shipment. Buyers should make themselves aware of the health requirements for their respective states. All cattle have been vaccinated, de-wormed, and calf hood vaccinated.

GENETIC CONDITIONS: All animals selling will be free of any known Genetic Conditions unless stated otherwise. All potential carriers will be tested with updates available on sale day.

INSURANCE will be available at the settlement desk upon conclusion of the sale. Announcements made from the auction block take precedence over all printed material in this catalog.

Dear Shorthorn Cattle Enthusiasts,

Welcome to the 10th Annual Maternal Event.

Ten years ago, this sale was built around a simple belief — that maternal power and functional efficiency still matter in the American cow herd. Today, that belief is not only alive — it is gaining momentum. Demand for cattle that breed, raise calves, and stay in production is rising. Those are the kind of females we're offering again this year.

This event is not just another sale — it is about generational progress and future direction. The heifers represented here come from the heart of our programs. They represent proven cow families, proven mating decisions, and a clear focus on cattle that work in the real world — fertility first, structural integrity always, and enough performance to matter.

We invite you to study them. Think forward. Consider what your herd needs to look like five and ten years from now — and choose genetics that get you there.

We appreciate your interest in these females and in the direction of the maternal Shorthorn product. Your involvement — whether in person, online, or through your continued support of the breed — is what keeps progress moving.

We look forward to connecting with you and serving you in whatever capacity you choose to participate.

Sincerely,

The Byers, Beckler & Miller Families

She ranks in the top 25% of the breed for all four breed indexes—elite, balanced, and built for ROI. Her dam 91H may be the best Soggy Dog daughter in production here, and her sire Park Avenue is just getting started—you're going to hear a lot more from him here in The Valley. Donor quality. Foundation female potential. The kind you can build a cowherd around.

The Adelaide cow family is rapidly rising to the top for productivity, and with this much rib shape and natural flesh, she mirrors her donor dam extremely well. Ranking in the top 5% of the breed for both \$BMI and \$CPI, this Conviction daughter reads like a true maternal beef cow—efficient, long-lasting, and built to flat out work.

Exposed to JSF PALERMO 172H ET, Due 3/22/26.

This is a maternal sister to Swagger, the lead herd sire for Becklers. She's big bodied, broody, and reads like the kind that will last. Her dam, 41A, is one of the most productive females to ever walk The Valley—and this will be the last daughter of 41A to ever sell. This is an opportunity to own a piece of a foundation cow line.

Consigned by Paint Valley Farms

PVF SWAGGER 102J - Maternal Sib to Lot 4

Lot 05

AI'd to JSF LENNON 195M ET,
Due 1/28/26.

As a natural calf of 56Z, this will be the last maternal sister to 1872 that we will ever offer in this sale. She has the pedigree, and the potential to generate a serious return.

Consigned by Paint Valley Farms

Lot 06

Exposed to JSF PALERMO 172H ET,
Due 2/22/26.

Out of the same Beauty Queen cow family, she comes with extra power and style—and she's always been a personal favorite. There's quality, predictability, and look built in here... the right kind.

Lot 17

AI'd to JSF LENNON 195M ET,
Due 1/26/26.

This is an elite performance female that ranks in the top 1% of the breed for WW, YW, \$BMI, and \$F. Her dam is a reliable, easy-fleshing Lauer cow that calves on time every year.

Consigned by Paint Valley Farms

Lot 18

AI'd to JSF LENNON 195M ET,
Due 1/22/26.

It's a shame she didn't take a better photo — jump onto CCI and watch her video and you'll see exactly what I mean. She ranks in the top 1% of the breed for REA, Marbling, \$BMI, and \$F. A power female with real substance behind her.

Due 2/3/26 to JSF Lennon 195M ET.

We picked Lennon for his calving ease, eye appeal, and impeccable structure. This female is a special breeding piece — long-necked and super fronted. She is a performance machine, ranking number 2 and number 3 for weaning weight and yearling weight out of a contemporary group of 60 heifers. She ranks in the top 2% and 3% of the breed for \$BMI and \$CPI, and the top 10% for \$F.

Consigned by Byland Farms

JSF LENNON 195M ET - Service Sire

Lot 36

Due 2/3/26 to Byland Eclipse 3M77. This massive, deep-made, fleshy Elite daughter has a set of EPDs that are all well above breed average. She ranks in the top 2% and 3% for \$BMI and \$CPI. The bull she is bred to — Eclipse — is siring calves with calving ease, growth, length of body, and eye appeal.

Consigned by Byland Farms

Lot 37

Due 2/2/26 to Byland Eclipse 3M77. Another special breeding piece. Her dam has raised 12 natural calves — five of which are herd bulls across America: Range Officer, Denali, Revenge, Noble, and Lincoln. This heifer ranks in the top 2% of the breed for \$CPI, the top 3% for \$CEZ, and the top 10% for \$BMI. Check out her CED value of 17. I'd bet she can raise a super calving-ease bull calf by Eclipse.

Due 1/28/26 to Byland Iconic 4EL16.

Here is an opportunity to acquire a deep-made, deep-quality Flash daughter. Her maternal granddam produced Byland Top Dog 0SD40. This heifer ranks in the top 3% for \$BMI and the top 15% for \$CPI.

Consigned by Byland Farms

BYLAND ICONIC 4EL16 - Service Sire

Lot 57

Due 2/9/26 to Byland Iconic 4EL16. Big volume, stylish, and quiet disposition. Her sire is an ASA Performance Sire and her dam is an ASA Performance Dam. This heifer ranks in the top 1% of the breed for \$BMI and the top 4% for \$CPI. Her mating is "Iconic."

Consigned by Byland Farms

Lot 58

Due 3/3/26 to JSF McCoy 39Z. A stunning, beautiful, attractive female. Infra Red is a Flash x Soggy Dog. Her dam is a Universal and her granddam is by Bonanza — and she's still in the herd. She ranks in the top 1% of the breed for both \$BMI and \$CPI. Cow power.

Lot 75

Due 2/5/26 to JSF Lennon 195M ET.
A beautiful roan female to lead off our Maternal Event 2025 offering. Beckler Rosewood 5M is smooth, feminine, and high quality from end to end. The PVF Swagger 102J progeny are some of our favorites in the program for good reason. It's hard to beat the influence of the Lauer program on the bottom side of our pedigrees. 5M was a standout for IMF on scan day at 5.8 and carries a carcass and performance minded set of EPDs. Top 1% REA, top 4% MARB, top 10% MILK, \$F, top 20% \$BMI, top 25% YW, top 30% WW, STAY.

Consigned by Beckler Farms LLC

Lot 76

Due 2/15/26 to JSF Lennon 195M ET.
You will appreciate this square made, level topped cow prospect when you see her in December. She carries herself with plenty of mass and shape. The cross of Swagger on Flash daughters is one we are excited to show you and will be a big piece of the future of our herd. She carries a balanced genetic profile that hits the mark for a lot of traits. Here's a chance to be on the front end with one of the first JSF Lennon 195M calves born next year. Top 4% STAY, top 10% \$BMI, top 15% WW, CEM, REA, top 20% \$CPI, top 25% MILK, top 30% \$F.

Lot 77

Due 2/5/26 to JSF Lennon 195M ET. A deep bodied, stout made Swagger daughter that should turn into an easy doing, productive cow. Combine her pedigree with the mating to Lennon, and you are stacking top Shorthorn cow families on the top and bottom side of that calf's pedigree. Added growth and longevity highlight her EPD profile. This is a female with power cow potential when you get her into production. Top 20% WW, top 25% YW, top 30% MILK, STAY, REA.

Consigned by Beckler Farms LLC

Lot 78

Due 2/10/26 to JSF Lennon 195M ET. A well balanced, powerfully built Swagger daughter from the Rosewood cow family that might be our most prominent female line. 78L is a female with plenty of growth and substance. Her body type and high growth EPD profile should be well complemented by the presence and calving ease abilities of Lennon. Top 5% REA, top 10% WW, YW, top 20% STAY, \$F.

Lot 79

Due 4/20/26 to JSF Lennon 195M ET. Here is a white female with loads of middle shape. An own daughter of Byland Flash 9U106, 21M is a full sister to Beckler Peace Keeper 13K, a Bull Sale feature now working for the storied Moore Shorthorns herd in Illinois. The dam is a female who has maintained her udder quality throughout her productive life. A big-numbered female that has phenotypic quality to back it up. She ranks highly for all four ASA indexes. Top 1% \$BMI, CEM, top 2% \$CPI, top 4% STAY, top 10% CED, top 15% REA, \$CEZ, top 25% MARB, \$F, top 30% WW, YW.

Consigned by Beckler Farms LLC

Lot 80

Due 3/10/26 to JSF Lennon 195M ET. Beckler Suzy 69M is attractive fronted with plenty of depth of body. Flash females are known for their appeal and quality, and she fits that mold. Her dam was a Durham Nation purchase from the Stangl program as a bred heifer. Her growth EPDs are some of the best in our offering. She should mate very well with Lennon and have a future as a nice working cow. Top 2% CEM, top 4% WW, YW, top 10% STAY, top 15% \$CPI, top 20% \$BMI, \$F, top 30% MILK.

Lot 81

Due 3/1/26 to JSF Lennon 195M ET. The photo of 50M demonstrates the appeal she carries herself with. She has a nice look that should catch your attention. Her dam was fortunate enough to put a daughter into last year's Maternal Event sale. This heifer is a pretty unique genetic package as well when you study her EPD profile and all the traits she ranks highly for. Top 2% \$BMI, top 3% CEM, REA, top 4% WW, STAY, top 10% \$CPI, YW, MILK, top 20% \$F.

Consigned by Beckler Farms LLC

Lot 82

Due 2/5/26 to JSF Lennon 195M ET. 19M is deep bodied and correct made in her structure. She's moderate framed but still performs well for her individual weights and scan data. Her dam is a very productive Lauer cow that has never missed in her calving cycle. Between her pedigree and her data sheet, 19M is a very intriguing maternal prospect for many Shorthorn breeders. Top 1% \$CPI, CED, MILK, STAY, top 2% \$CEZ, top 3% \$BMI, BW, CEM, top 4% MARB. DS Carrier

Due 2/10/26 to JSF Lennon 195M ET.
A dark red female that is solid in her phenotypic build. She is a maternal sister to a past popular Bull Sale lot, Beckler Lightning 21K, as well as past Maternal Event features. The dam of 26M keeps our Rosebud cow lines going strong, calving on time every year and still here at 9 years old. To top it off, she is bred to the exciting JSF Lennon 195M for an early calf. A cool heifer to study here. Top 1% REA, top 2% MILK, top 4% STAY, top 10% \$BMI, top 15% \$CPI, CEM, top 20% CED, top 25% \$CEZ.

Consigned by Beckler Farms LLC

Lot 84

Due 2/15/26 to JSF Lennon 195M ET.
Another deep bodied, moderate framed brood cow prospect in this year's offering. Her pedigree ties together maternal favorites like Hector, Gauge, and Taylor Made on top and bottom side, adding to her value as a future cow. Genetically, you can inject calving ease, marbling, and cow productivity by adding a heifer like 68M to your herd. She has a neat EPD profile. Top 2% \$CPI, CED, top 3% \$CEZ, CEM, top 10% \$BMI, BW, MILK, STAY, top 20% MARB.
