Welcome to the 7th Annual Cowboy Kind Sale! I want to take this time to thank everyone who has taken the time to look at these cattle, be it personally or online. We started this sale with one goal in mind—the success of our customers. We continue to hear Cowboy Kind Success Stories from around the country; I can assure you, that is what drives us all. We will help you any way we can, whether marketing them through our sales or helping you with your sales!

These cattle represent not only our hard work but the hard work of many consignors and their families as well. This set is, without a doubt, the best we have offered. In my opinion, by a very large margin. I don't mean that taking away from our past offerings, but I feel we have tightened the selection pressure, upped our embryo program, and then were fortunate enough to have some of the best consignors and partners we could ever ask for. There is no way we can thank everybody and not forget someone. We are lucky enough to be in the best industry with the best people in it, and for that we will be forever grateful.

We are all aware that we are living in great times for beef industry prices. One thing rings true through all up and down markets, and that is your investment in top quality genetics always pays off. Never has the bred cow and feeder calf market been this strong. We encourage you to take advantage of your ability to market your aged, open and late-calving cows. You will replace them for less new money invested with fresh, young genetics that will advance your program for years to come.

We hope you can join us for lunch and our sale the 6th. Please make note we have moved the sale up to 2 p.m. this year. We hope this helps if you have evening or travel plans. If not, we encourage you to stick around for some great food and drink, and conversation.

— Tim Burke and Family

DUE DATE 2/27/26

We decided to mix things up this year and start the bred offering with two very unique and high quality females. Rockin Rita is an absolute unit! She has generations of successful programs behind her. The Hoblyn Family bought her mother from Stoltz Exotics, and she has followed up her show career with raising multiple high sellers.

We were lucky enough to find this Lot 1 heifer for the Schmidt Family last year, who successfully campaigned her to multiple champion banners. Monster bodied and boned, wide made, cool necked, level hipped and shaggy haired. Talk about future donor potential! We think she will raise both steers and heifers. She's clubby bred but has a maternal look, awesome running gear, and a flashy color pattern. If you're serious about a future donor, whip and spur on this one!

DUE DATE 3/14/26

Ben found another absolute powerhouse future donor! Her pedigree screams "steer momma." Maternal Made has proven to be an elite sire in championship caliber show steer and heifer matings, and Wynne in Doubts have hung their fair share of banners too. She's huge backed and really stout made, yet still functional in her design and correct in her skeleton. Big bodied, big haired, and big potential down the road raising them. There's No Doubt she's going to make a lasting impact in whomever's program she lands. Bid with confidence!

View Unly! View the videos online prior to sale day!

We invite you to join us for a great lunch before the sale.

After the sale, we look forward to visiting and having some drinks with friends new and old!

1/24/26 DUE DATE

Cowboys, come a runnin, cause this one's Rollin! We have full faith and confidence that this female alone is worth the drive to Genoa. Check out her massive rib cage, and notice how well she ties together high in her shoulder and neck juncture, and then she rolls out on a great running gear. Her dam hails from the Blind Badger Ranch, a name synonymous with raising champions. Make a plan and get ready, this isn't your ordinary set of bred females!

DUE DATE 3/3/26

Harkers Unleashed is gone, and his semen is next to impossible to get. There's a reason it's worth a lot of money when it sells, and it's because of females like this! It's worth mentioning that her dam is out of Miley Cottontail, a cow that has been a cornerstone in the Simmental breed. When you see this heifer in person, you will stop and look. She has all the right pieces, and she has the intangible "Look" that is so sought after. When you analyze the potential of this mating to our new "Night Light" bull, we think you will agree the opportunity is unlimited right off the bat!

SNOWBALL! Here's a really cool young steer maker with a world of future. Hair like a bear, and she has a huge hip and great rib shape. You can't help but love this one. She'll be fun for years to come! Imagine the possibilities. She's bred to the Griswold Red Angus bull Detour. The resulting calf will paper Foundation Red Angus. That alone could pay for her.

CONLEY C-4 BLACKCAP 9113

EXAR BLACKCAP 1703 (DAMERON FIRST CLASS)

Leading off the open heifers is a killer Angus from our long-time friends the Hoblyn Family, who are no strangers to quality show cattle. This one's mother was their pick in Conley's sale a few years ago. With PVF The Natural semen being hard to come by, they jumped at the chance. Sired by the popular Conley Express, her dam hails from the famous Blackcap cow family. This heifer does a great job of combining structure, look, and power in such a neat package.

We saved a great one for last! Her body shape, structural correctness, and awesome look from the side exemplify qualities from both sides of her pedigree. We are on to something here with the Simmi outcross on the staple Ain't Bluffin x "Bobbie" mating. New Twist reads with great potential in the show ring and has unlimited options in the donor pen when she's through hanging banners.

SALE TERMS AND CONDITIONS

All animals will sell to the highest bidder. Any disputes or challenges regarding bidding will be settled by the auctioneer, and his decision will be final. Announcements made sale day from the auction block will take precedence over printed statements. Terms of the sale are cash or good check, payable immediately upon the conclusion of the sale and before the animals will be moved. Seller will reserve the right to require a certified check as settlement before releasing any cattle. Any and all credit or refunds on cattle purchases must be approved with individual owners prior to the sale and are only to be used on cattle owned by that specific individual consignor. Credit not previously approved will result in a no-sale on that animal(s).

The above terms and conditions of the sale shall constitute a contract between buyer and seller and shall be equally binding on both. Animals that are resold following purchase in the sale shall constitute a separate transaction, and the rights and obligations of the two parties connected thereto are not covered by these terms and conditions. All sales are final.

Bred females have been satisfactorily examined for pregnancy. They are guaranteed bred at sale time and are assumed to breeders without further guarantee. Due dates listed for bred females are the result of examination and/or known breeding dates and are intended to be used as estimates of actual calving dates. No guarantee, expressed or implied, is made to a female's ability to produce transferable embryos with the exception of those selling as "open and ready to flush."

FLUSH RIGHTS

The seller reserves the rights to two (2) successful flushes of no less than six (6) eggs per flush on all females selling. Flushing will be done at the seller's expense and the buyer's convenience.

LIABILITY

All animals and merchandise will be at the buyer's risk at the fall of the hammer. However, the seller will provide for the safety of each animal for a reasonable amount of time following the sale. The Cowboy Kind and authorized sale personnel assume NO liability for injury, accident, or damage to persons or personal property. All persons who attend the sale do so at their own risk.
