2:00 PM – Pen Bulls and Herd Bull prospects on display

4:30 PM – Dinner & Pre-Sale Hospitality

6:00 PM SALE BEGINS

FROM HARTMAN CATTLE COMPANY

We are pleased to bring you what we feel is one of the strongest and most dynamic sets of females that we have ever offered in the 29-year history of this event! We have always placed great selection pressure on the cattle in this sale, and this year is no exception. It is in our interest that every single animal can contribute to breed improvements. The offering is diverse in genetics but rich in maternal excellence and generating potential! The first daughters from the \$700,000 world record selling FRKG Alpha 311L will highlight the event, along with daughters of the \$620,000 STCC Tecumseh 058J, the \$530,000 SO Remedy 7F, the \$510,000 GPG Cornerstone 1K, the \$300,000 OMF Doc Lynn L92, the \$250,000 TL Ledger, the \$210,000 FRKG Classic 948K, the \$210,000 FRKG Victory 78J, the \$200,000 EC Rebel 156F, the \$150,000 Insurrection and many more!

We believe each one of these heifers offer the phenotype necessary to impact future generations of their respective breed. There are countless success stories in this business that are formed around cattle from past editions of this sale. You will note while studying this catalog that many heifers selling are supported by dams or granddams that have sold through this sale. This speaks volumes for the productivity and profitability of cattle sold in the Hartman Cattle Company Customer Appreciation Sale.

We are always proud of the quality job that the junior exhibitors and their families do with the cattle that they purchase at Hartman Cattle Company and for what they have accomplished. Over the last several years, females raised or marketed by Hartman Cattle Company were selected as the 2024 Cattlemen's Congress Reserve Supreme Champion Breeding Heifer, 2024 NWSS Grand Champion Purebred Simmental Heifer, 2024 American Royal Reserve Grand Champion Purebred Simmental Heifer of the Junior Show, and 2024 American Royal Reserve Grand Champion Purebred Simmental of the Open Show, 2025 FWSS Grand Champion Purebred Simmental Heifer, 2025 HLSR Grand Champion Purebred Simmental Heifer, and the 2025 IN State Fair Grand Champion Purebred Simmental Heifer. It is gratifying to see these females show successfully, but improving future generations is what this is truly all about. The females between the covers of this book have the credentials to show, but they will be profitable additions to any breeding program at the end of the day!

Quality cattle will sell in all price ranges at Hartman Cattle Company. We place strong emphasis on structural soundness, fleshing ability, and phenotypic eye appeal. These components will outlive any trend. This year's offering is comprised of 29 Purebred Simmentals, 4 Percentage Simmentals, and 1 Maine Angus that share the common ground of being supported by pedigrees that have and will continue to stand the test of time. With that in mind we wholeheartedly recommend this sale offering!

As always, we invite your inspection of the cattle. If we can be of assistance, please give us a call. We look forward to seeing each of you on Saturday, December 13, 2025, as we celebrate our 29th Anniversary Customer Appreciation Female Sale.

Respectfully,

Mike Hartman

AN EXTRAORDINARY GROUP OF OPEN SHOW HEIFER/DONOR PROSPECTS
29 PUREBRED SIMMENTAL HEIFERS | 4 PERCENTAGE SIMMENTAL HEIFERS
1 MAINE ANGUS/LOW CHI HEIFER

It's with great pleasure to welcome you to the 29th Anniversary Customer Appreciation Sale at Hartman Cattle Company. Mike and Dalton have assembled an elite set of open females for your viewing pleasure and appraisal. It has been told by the early visitors that this is the very best set the HCC brand has ever offered and we would have to agree!

Mike and Dalton continue to search the countryside for top prospects carrying the influence of the dominant HCC sire lineup. What they increasingly find are cattle sired not only by the bulls that once called HCC home but also, more often, daughters of those bulls who are dominating the pastures in production. Loyalty does not go unnoticed, and the quality of the cattle he invites to the annual Customer Appreciation Event clearly reflects that commitment!

This year's offering will feature many females raised within the barbed wire of the pastures owned under the Hartman name. Each year, Mike sells an elite group of open females to one interested party; these females are aspirated as virgins with the resulting embryos transferred fresh. Over time, certain cows from those acquisitions prove their worth through production, becoming the elite donors for that particular investor's investment. We find this to be a very appealing concept because it allows the offering to showcase both what's proven and what will be cutting edge and fresh in the years ahead.

In today's show heifer game, people tend to favor those with exceptional customer service. Parents or grandparents seek help with show day preparation and breeding, but what sets this program apart is the focus on making your animal successful in production so that the resulting progeny are of high quality and can return to Tecumseh, Nebraska to help with investment recovery. The "experience" you invest in includes the family and the entire program, which has been around for nearly five decades and continues to remain extremely relevant in today's fast paced marketing game.

The importance of the Hartman program is recognized throughout the ASA database within the pedigree lines. AI sires such as MR HOC Broker, Profit, STCC Tecumseh 058J, and SO Remedy 7F continue to hold a strong presence on the tan bark, as their service, daughters, and sons leave a lasting impact, often draped in purple. You'll notice that some new sires of future influence are featured in this sale book, and rest assured, they remain a key part of the big plan for the years ahead.

If you have never visited the state-of-the-art facility outside of Tecumseh, Nebraska, we invite you to attend this year's event. The food and hospitality will be excellent, and the other attendees will be a pleasure to meet and converse with. Don't hesitate to contact Mike or Dalton to schedule a pre-sale visit. If you need further assistance with selection or information, feel free to reach out to any member of the Innovation AgMarketing team at any time.

Enjoy the cattle,

Graham Blagg Jared Shipman Tim Anderson

Information

TERMS & CONDITIONS

All lots sell in accordance with the suggested guidelines of the American Simmental Association or their respective breed association. For updated EPD's and information please visit www.simmental.org. Announcements made sale day from the block during the sale take precedence over printed material in this catalog. Payment will be accepted in the form of cash, cashier's check, or check. All cattle must be paid for prior to release. All funds are to be paid to Hartman Cattle Company in U.S. currency. No cattle will be transferred, delivered, or released without full payment. In the event you need expedited registration paper transfers please make plans to pay in full on sale day. All sales are final.

BREEDING GUARANTEE

All females are sold as sound breeders. However, if we feel that a heifer has been fed to an extreme level of obesity, we will hold the feeder responsible for any reproductive problems. Seller reserves the right to take possession of any animal(s) that presents difficulty conceiving before a sale credit will be issued. Hartman Cattle Company guarantees each female to produce a live calf or transferrable embryos.

INSPECTION

Sale cattle will be available for inspection at the sale site all day on Friday and up to sale time on Saturday. For early inspections please contact Mike at (402) 440-6825 or Dalton at (402) 440-6469 to schedule a visit.

LOT NUMBERS

Ear tags in the sale cattle will correspond to their lot numbers in the catalog.

LIABILITY

Hartman Cattle Company, Innovation AgMarketing, LLC, and authorized sale personnel assume NO liability for injury, accident, or damage to persons or personal property. All persons who attend the sale do so at their own risk.

INSURANCE

James F. Bessler, Inc. will be on site and available at the settlement desk to insure your purchase(s). We strongly recommend the option to insure your investment. James can also be contacted at (815) 762-2641.

The 29th Anniversary
CUSTOMER APPRECIATION SALE

Lot
1

FRKG COUNTESS OF 948 1N

- We proudly initiate the 29th Anniversary Customer Appreciation Female Sale at Hartman Cattle Company with a trio of direct daughters from the legendary “948” matron that is a member of the illustrious donor battery at Freking Cattle Company. “948” is without question the highest dollar generating female for Brad and Meg Freking, having exceeded the \$3 million mark in progeny sales over the last four sets of ET calves.
- 1N is the first of three ET flushmate sisters sired by the \$620,000 STCC Tecumseh 058J, a sire that has changed the trajectory of the business. This trio of future program building females are FULL SISTERS to the \$700,000 half-interest world record selling FRKG Alpha 311L!
- FRKG Countess of 948 1N sets the standard when it comes to skeletal quality, flexibility, body shape, and overall presence. We love the way her neck ties so high and neatly at the top of her blade, while transitioning into a bold forerib and center body shape. She is long and square from hooks to pins, with a textbook set to her hip and hind leg design.
- A truly breathtaking female that is supported by one of the truly elite young females in the Simmental breed that has produced countess AI sires, National Champions, and individuals of significant influence within the breed.
- On December 13, 2025, the opportunity to select one of three direct daughters from the prolific “948” will present itself. . . the hardest decision you’ll have to make is which female best fits your program!

FRKG COUNTESS OF 948 2N

- FRKG Countess of 948 2N is the second daughter of from the STCC Tecumseh 058J sired flush that is supported by the immortal "948" matriarch! A powerful March born female that is massive in terms of her foot size, with added stoutness of bone and true base width. "948" is the dam of the \$700,000 FRKG Alpha 311L, the \$640,000 FRKG Marvel 271M, and the \$210,000 FRKG Classic 948K. She is also the dam of FRKG Countess of 948 11K, the 2024 NWSS Grand Champion Purebred Simmental Heifer that was campaigned by Kenidey Effling of South Dakota.
- 2N is an extremely long bodied female that is bold in the shape of her rib cage, deep sided, and offers a superior look of quality and style from the side that is hard to mirror. She is a stout made female that offers the extra "bells and whistles" necessary to follow in the footsteps of her dominant donor dam.
- A truly unique genetic opportunity to acquire one of three direct daughters from the legendary "948" ... make sure you are in Tecumseh, Nebraska this December!

FRKG COUNTESS OF 948 3N

- The third and final daughter of "948" in this year's Hartman Cattle Company Customer Appreciation Female Sale is FRKG Countess of 948 3M. Much like her ET flushmates, this female is built with true accuracy at the surface. She is big footed, stout boned, square based and offers true skeletal quality.
- We love the productive brood cow look that FRKG Countess of 948 3M offers from every angle of evaluation. She is so soft bodied, robust in the shape of her rib cage, and flexible when set into motion.
- 3M is a FULL SISTER to the \$700,000 FRKG Alpha 311L and a maternal sister to the \$640,000 FRKG Marvel 271M and the \$210,000 FRKG Classic 948K. The maternal granddam of this band of sisters is the impressive BIZ Countess 174Y, a half-blood daughter by the late WAGR Driver 706T that is arguably one of his greatest daughters ever produced. 174Y is still in production at 14 years of age... talk about longevity and true maternal excellence!
- There is no doubt that the dam of these three females, HCCO Countess of 174F "948" will forever remain one of the most influential females ever produced at Hartman Cattle Company. This is your chance to own a piece of history!

FRKG DGDC COUNTESS 4N

- The next female is a derivative of the legendary "948" donor dam that works for Freking Cattle Company via a first calf heifer dam that is owned with Dave Delaney of Iowa. Dave invested in a key group of elite open heifer calves 2 years ago, and that initial investment has proven to be HUGE for his operation.
- FRKG DGDC Countess 4N offers not one, but two shots of the iconic "948" in her pedigree! The sire of 4N is the \$210,000 FRKG Classic 948K and her dam is FRKG Countess of 948 1115L, both direct progeny of "948". Aligning her strong maternal influence has proven to be nothing short of a homerun!
- It is hard to deny the genuine power, length of body, structural correctness, and overall eye appeal that this dynamic January born show heifer/donor prospect possesses. She ties her neck high at the top of her blade and opens up into a very three-dimensional rib cage that offers an optimum progression of depth from her chest back into her rear rib and flank.
- A FULL BROTHER to the dam of 4N, FRKG Sterling 0312L, was the \$20,000 selection of Jason Parker in the 2025 Hartman Cattle Company Simmental Bull Sale.
- It's hard to deny the genetic consistency of the "948" cow family that sells all-inclusive with FRKG DGDC Countess 4N... bid to own!

FRKG COUNTESS OF 924 5N

- Arguably one of the greatest matings ever created at Freking Cattle Company is the EC Rebel 156F x HCCO Countess 924G genetic combination! This mating is responsible for countless high sellers, AI sires, and show ring champions.
- FRKG Countess of 924 5N is sired by the \$200,000 EC Rebel 156F and supported by the everlasting influence of "924", another vital member of the donor pen that calls home to Freking Cattle Company. 5N is a FULL SISTER to the \$225,000 record selling FRKG Countess 924J that was selected by Herbster Angus Farm. She is also a FULL SISTER to the \$160,000 FRKG New Fashion 75J, one of the resident herd sires that walks the pastures of Bowling Cattle Company of Greencastle, Indiana. Other full sisters have sold for \$105,000 and \$60,000 over the last two years.
- A stunning blaze faced show heifer/donor prospect that is massive in the shape of her rib cage, sound footed and offers a look of balance from the side that is mesmerizing.
- The guesswork is removed, and the quality is unparalleled. Invest with confidence!

DSFF COUNTESS OF 619 7N

- Pedigree, pedigree, pedigree! It is with great excitement that we introduce an intriguing young female that is supported by some of the most influential females in the Hartman Cattle Company breeding program.
- DSFF Countess of 619 7N is a maternal sister to DSFF Countess 357D "283", the dam of the \$200,000 EC Rebel 156F, the \$120,000 Renegade, and the \$50,000 EC Reba 6H.
- The sire of HCCO Countess 119B is the Triple Crown winning MR HOC Broker, one of the most iconic breeding bulls that the Simmental breed has EVER known!
- It's hard to deny the extra stoutness, mass, and overall volume that DSFF Countess of 619 7N brings to the equation. She is so long fronted yet offers tremendous spring and depth to her rib cage with a near perfect progression of depth through her rear rib and flank. A very well-balanced female that is supported by a cow family that simply never misses.
- If consistent generating power is important to you, then pull up a seat!

- An exquisite daughter by the \$200,000 EC Rebel 156F that is supported by the strong maternal influence of DSFF Countess 611F "943", a direct daughter of the \$400,000 TJ High Calibre 556B.
- FRKG Countess of 943 9N is an extremely attractive profiling female that ties her long and extended neck high at the top of her blade. She is so smooth and angular about her front third yet offers an abundance of shape and dimension throughout. This white flanked beauty is built with a very futuristic look of quality and style.
- A maternal sister to both 9N and 10N, Angel's Envy 2H, commanded a \$35,000 hammer price and was selected by the Crowe Brothers firm from Gilbert Plains, Manitoba, Canada.
- This duo of ET flushmate sisters are supported by true maternal excellence. A maternal sister to their dam, CAG Ms Satana 278F, was selected by Moore Land & Cattle and went on to be slapped Grand Champion Purebred Simmental Heifer and Reserve Supreme Overall Breeds at the 2019 NE State Fair.

FRKG COUNTESS OF 943 10N

- This March born daughter of DSFF Countess 611F "943" is simply incredible from every angle of evaluation! FRKG Countess of 943 10N is sired by the \$200,000 EC Rebel 156F and is supported by the influence of the \$400,000 TJ High Calibre 556B on the maternal side of her pedigree.
- An ET flushmate sister to FRKG Countess of 943 9N, this dynamic pair of full sisters are built for the long haul. 10N is laid back in the angle of her shoulder and knee, bold in the shape of her forerib and center body and sets to the surface with extreme confidence off all four corners.
- The dam of 9N and 10N is a maternal sister to CAG Ms Satana 278F, the 2019 NE State Fair Grand Champion Purebred Simmental Heifer and Reserve Supreme Champion Overall Breeds for Moore Land & Cattle of Illinois.
- We love this female's ability to combine so much form with function. Her ability to offer so much power, volume and shape yet remain so attractive and elegant about her front third makes her a true anomaly!
- A must see on sale day if you are serious about finding a heifer that can compete at the highest level in the show ring and then become an anchor in your donor pen.

FRKG DGDC COUNTESS 111N

- FRKG DGDC Countess 111N is the first of two ET flushmate sisters that are supported by a young first calf heifer dam that was aspirated as an open heifer. The dam of 111N is FRKG Countess of 923 1100L, a direct daughter of HCCO Countess 923G that is sired by the \$620,000 STCC Tecumseh 058J.
- The maternal granddam of 111N, HCCO Countess 923G, is a staple in the donor pen at Freking Cattle Company. She is the dam of the \$40,000 FRKG Countess of 923 148M that was selected by Landgraf Cattle of Oklahoma in last year's sale. 923G is also the dam of the \$30,000 FRKG Justice 113J stud that now works for Wayne and Barb Ohlrichs of Nebraska.
- 111N is so sound structured, bold in the shape of her rib cage, and offers a look of balance and style from the side that is simply impeccable. This March born show heifer/donor prospect is ready to find the backdrop early and often!

- The influence of "923" does it again! FRKG DGDC Countess 112N is an ET flushmate sister to 111N that is sired by the \$210,000 FRKG Classic 948K, one of the greatest sons of "948" in existence. The pedigree that stands behind this duo aligns the influence of two of the most dominant and highest dollar generating cow families that work for Freking Cattle Company.
- It'd be difficult to draw a better outline than what 112N possesses from the side. She is so neat featured about her head and neck, offering superior balance and eye appeal. It's impossible to deny the sheer mass and dimension that she offers from a rear three-quarter view as a bonus.
- The dam of 111N and 112N are supported by a dynamic flush of cattle that have all been marketed at Hartman Cattle Company. 1100L is an ET flushmate sister to the \$16,000 FRKG Melbourne 189M, the \$11,000 FRKG Madrid 10M, and the \$11,000 FRKG Montreal 308M. Consistency is the key to success!

FRKG Countess of 904 13N is the first of two ET flushmate daughters of EC Countess 904G, a daughter of the \$400,000 Profit that is further influenced by MR CCF Vision and WS Pilgrim H182U, two of the greatest maternal bulls ever utilized at Hartman Cattle Company!
- 13N is sired by the \$150,000 Insurrection, a son of W/C Style 69E "Family Tradition" that is backed by the legendary SHCO Foxy 385F "Roxi" donor that has evolved as one of the highest dollar generating females in the Simmental breed. Insurrection is a FULL BROTHER to the \$400,000 Roxi's Kut Throat. SCHO Foxy 385F also produced the 2023 and 2024 AJSA National Classic Grand Champion Purebred Simmental Heifers.
- 904G also produced a pair of daughters that sold for \$28,000 and \$25,500 in the Summer Gala to David Kim and Peter Brown.
- An extremely eye appealing female that is built with tremendous skeletal quality. She is so elegant about her front third yet transitions into a robust rib cage, stout hip design, and flawless basic build.
- Her outcross genetics on the paternal side of her pedigree will allow for extreme mating flexibility and enhanced possibility for larger returns!

- FRKG Countess of 904 14N is another top shelf daughter of EC Countess 904G, a highly proven donor in the Freking Cattle Company donor arsenal. This elegant designed April born daughter of 904G is sired by the \$620,000 STCC Tecumseh 058J, one of the most consistent breeding bulls we have EVER used at Hartman Cattle Company.
- 14N is a big footed female that is square built at the surface, bold in her upper rib cage, and offers a look of balance from the side that is hard to deny. We have always appreciated the extra power and dimension that she offers throughout.
- 904G also produced a pair of daughters that sold for \$28,000 and \$25,500 in the Summer Gala to David Kim and Peter Brown.
- The dam of 13N and 14N, EC Countess 904G, is a full sister to several influential individuals that are working for Dalton Mattox, Kevin Fisher, Kane Cattle, and Jake Estvold.
- An ultra-complete, fault free female that is supported by a pedigree that you can hang your hat on!

FRKG COUNTESS OF 914 16N

- It is with tremendous excitement that we introduce FRKG Countess of 914 16N, a FULL SISTER to the \$70,000 BOWJ Medallion 914M, one of the hottest young sires to surface in the last few years. BOWJ Medallion 914M is sired by the late \$210,000 FRKG Victory 79J and is supported by the influential VCL Miss 914G donor dam, a daughter of the \$250,000 TL Ledger that is backed by the legendary 3C Melody M668 BZ three times on the bottom side of her lineage!
- Another maternal brother to 14N is FRKG Journey 71J, a son of the \$435,000 Ruby's Currency 7134E that was selected by Steinbronn Farms in 2022. Another maternal sister to 14N, FRKG Countess of 914 1118L is working for Dave Delaney of Iowa.
- 16N is an incredibly impressive individual that offers a look of balance and symmetry from the side that is simply undeniable. She is massive in terms of her foot and bone, offering a durable and long-lasting build. In addition, she is uniquely powerful despite her eye appealing profile and balanced silhouette.
- 16N is a female that we believe has the credentials to be extremely competitive at the highest level in the showing and leave a legacy behind in production!

FRKG DGDC DUCHESS 17N

- **ELITE.** This is a word that is often thrown around carelessly, however we mean it when we begin to describe FRKG DGDC Duchess 17N, a daughter of the now deceased \$300,000 OMF Doc Lynn L92. A truly breathtaking female that is destined for greatness!
- 17N is supported by one of the most consistent and reliable cow families in the breed as you begin to deep dive into her lineage. The dam of 17N is a tremendous first calf heifer that is sired by the \$530,000 SO Remedy 7F and is from the impressive LKCC Miss Duchess 908G, the 2020 AJSA National Classic 5th Overall Purebred Heifer. 908G is a direct daughter of the iconic BF Miss Crysteel Tango, the dam of countless National Champions, high sellers, AI sires, and individuals of influence within the Simmental breed! The dam of 17N, FRKG Duchess of 908 1106L, is a three-quarter sister in blood to Morgan Jackson's dominant champion, LKCC Miss Crysteel's Remedy 44J!
- The sire of 17N is the late OMF Doc Lynn L92, a maternal brother to OMF Epic E27, one of the most popular and heavily utilized sires in the Simmental breed.
- In terms of skeletal quality and style, 17N sets the bar! We love the angularity and femininity that this female possesses. She is so long and extended about her front third, chiseled about her neck and jaw line, high in her neck attachment and then opens up into a robust and capacious rib cage. 17N is big pinned and offers a textbook set to her hip and hind leg design.
- Without question one of the most dynamic females to ever sell at Hartman Cattle Company!

NXT CHRYSTAL N526

- NXT Chrystal N526 is a stunning daughter of the very popular Revelation 2K, the sire of the 2025 American Royal Supreme Champion Open Breeding Heifer for Breckyn Bloomberg and the 2025 American Royal Supreme Champion Junior Heifer for Chloe Clark.
- A wildly popular show heifer/donor prospect among early visitors to Hartman Cattle Company that appreciate cattle that are built with the “bells and whistles” necessary to compete at the highest level.
- The dam of N526 is NXT Chrystal, a daughter of W/C Relentless 32C that traces to NXT Redemption E701. E701 was selected as the 2017 NAILE Spring Heifer Calf Champion for Ty and Ellie Drach of Illinois. The maternal side of her pedigree aligns the influence of Shawnee Miss 770P and JM BF H25, two of the greatest herd sire producing donors that the Simmental breed has ever known!
- N526 is as unique in her proportions as any female in this year's offering when it comes to her elevation of front end, stoutness of foot and bone work, and overall mass and capacity throughout! An April born show heifer/donor prospect that is so flexible in motion, loose spined, and offers a very futuristic look of quality and style.
- There is no doubt that N526 will be a force on the tan bark!

JCC/LJR MISS NOVA 4199N

- JCC/LJR Miss Nova 4199N is a direct daughter of the \$620,000 STCC Tecumseh 058J that is supported by Bailey's Miss Harley Quinn, a leading donor dam in the Jackson Cattle Company multi-breed seedstock operation located at Walnut Springs, Texas.
- The maternal side of her pedigree traces to the influence of Bailey's Miley, a daughter of W/C Loaded Up 1119Y that is from the impressive YR Miss Cut Above 701A. The dam of 4199N was bred in the storied Bailey's Livestock breeding program of Towner, North Dakota. The Bailey prefix is synonymous with high quality, nationally competitive cattle that leave a lasting impression in production!
- 4119N sets the standard when it comes to skeletal quality and fundamental correctness. She is so elegant and refined about her front third, clean chested, smooth shouldered and transitions seamlessly from end to end. In addition, she offers exceptional stoutness from hooks to pins and a textbook set to her hind leg design.
- A must see on sale day if you're serious about finding your program's next foundation breeding piece!

BAILEY'S LEAPING LEGACY 511N

- WHOA... sometimes they just give you that "look" that stops you in your tracks!
- Bailey's Leaping Legacy 511N is a daughter of the \$620,000 STCC Tecumseh 058J and is further influenced by one of the most decorated cow families in the history of the Simmental breed. The dam of 511N is Bailey's Leap Of Dream 020H, a daughter of the late HPF Quantum Leap Z952 and from the immortal Bailey's Ms Dreamy 946W matron, a female that has far exceeded the \$1 million mark in progeny sales!
- Bailey's Ms Dreamy 946W is the dam of the \$195,000 Bailey's Profit's Dream, the 2018 AJSA National Classic Grand Champion Purebred Simmental Heifer that was campaigned by Sara Sullivan. 946W is also the dam of the \$135,000 Bailey's Dream Girl, the dam of the \$230,000 KTE FRKG Reset 825H ET stud that was purchased by King Cattle Company of Indiana.
- Over the last decade the influence that Bailey's Ms Dreamy 946W has had on the Simmental breed is nothing short of remarkable. She has produced countless daughters that have commanded between \$20,000 and \$195,000 regularly!
- An extremely eye appealing female that we believe will write her own chapter in the history books... bid with confidence!

- Here is a very sharp featured blaze faced daughter of VCL Foresight, the sire of the \$620,000 STCC Tecumseh 058J that is supported by the steadfast maternal influence of CHEZ STCC Miley 5034C, one of the great MR HOC Broker daughters in existence.
- The dam of 25N has worked for a plethora of the nation's top SimGenetic seedstock breeding programs, ultimately finding her way into the illustrious donor pen at Bowling Cattle Company of Greencastle, Indiana. 5034C has produced countless high sellers, National Champions, and individuals of influence over the years, and we believe that BOWJ Miley 25N might be one of her very best to date!
- We love the genuine power, natural stoutness, and true dimension that this female offers from end to end. She is flawless in her basic build, offering superior foot quality and skeletal integrity. Her look of balance and symmetry from the profile is undeniable.
- A captivating brood cow prospect that has the credentials to follow in the footsteps of her dominant dam in production!

BF INSURRECTION MISS 101N

- A stunning daughter of the \$150,000 Insurrection that is backed by the \$50,000 KS1 Nimby, a sale highlight from the 26th Anniversary Customer Appreciation Female Sale that was selected by our good friend and longtime Simmental breeder, Bill Fulton.
- BF Black Simmentals has produced some of the industry's most influential females over the last several decades that have written their own chapters in the history books. One of the most notable females to ever carry the BF prefix is the legendary BF Miss Crysteel Tango, a female that has produced countless National Champions, high sellers, and individuals of influence spanning more than a decade.
- The sire of 101N is the late Insurrection, a bull that is backed by the multi-million producing SHCO Foxy 385F "Roxi", a female that has produced countless high sellers, multiple National Champions, and individuals of influence that are working in the nation's top breeding programs. "Roxi" is the dam of the 2023 and 2024 AJSA National Classic Grand Champion Purebred Simmental Heifers, both shown by the Drach family of Illinois! "Roxi" is also the dam of the \$400,000 record setting Roxi's Kut Throat, an up-and-coming donor at Sullivan Farms!
- BF Insurrection Miss 101N is an ultra-complete, big footed, stout boned, bold bodied female that is built with precision from the ground up. She has been blessed with extreme hair quality as a bonus!
- A very unique Purebred Simmental female that is destined to leave her mark in the showing and in production!

SJF CHARLIE JOE

- The next female comes from our good friend in Illinois, Shannon Frankenreider. Shannon and his family run one of the most impressive working cowherds in the nation, putting extreme selection pressure on foot quality, fleshing ease, eye appeal, and overall longevity. When we began our venture into the Simmental breed, we worked hand in hand with Frankenreider Cattle Company to create an elite set of half-blood Simmental females sired by the iconic WAGR Driver 706T. Those females served as the foundation of Hartman Cattle Company's Simmental breeding program.
- SJF Charlie Joe is arguably one of the best females EVER bred in Annawan, Illinois. She is sired by the \$620,000 STCC Tecumseh 058J and is backed by SJF Charlie Jo, a daughter of LLSF Pays To Believe ZU194 that is a leading donor in the program. The maternal side of her pedigree is lined by some of the industry's most influential individuals, as she aligns Profit, MR HOC Broker, and S A V 8180 Traveler 004.
- The dam of SJF Charlie Joe is a maternal brother to the widely popular red baldy AI sire known as SJF SMJ Payroll.
- A uniquely stout, powerfully designed female that is backed by generations of proven, predictable, and profitable cow families!

EVERHARTS VIXEN

- Back by popular demand! It is with great excitement that we present to you another direct daughter from the timeless Everharts Foxy donor dam, one of the premier Simmental matriarchs in the business! Adam Everhart and his family own and operate a diversified farming operation in western Indiana that focuses on producing elite livestock, regardless of the species at hand.
- Everharts Foxy has been a staple in the annual marketing events at Hartman Cattle Company over the last several years. In 2021, a pair of Everharts Foxy daughters sold for \$45,000 to Michael Harrell and \$29,000 to Jim Bowling. In 2023, Morgan Jackson selected Everharts Brandy for \$60,000. Last year, Brenna Bartlow purchased Everharts Mandy for \$19,000. In addition, another daughter commanded \$67,500 and was selected by the Hendrickson Family of Indiana that was selected as the 2021 Hoosier Beef Congress Reserve Grand Champion Purebred Simmental Heifer and the 2021 IN State Fair Grand Champion Purebred Simmental Heifer.
- Everharts Brandy was a dominant champion for Morgan Jackson during the 2024-2025 show season. She was selected as the 2024 Dixie National Reserve Grand Champion Purebred Simmental Heifer, 2024 HLSR Grand Champion Purebred Simmental Heifer, 2024 American Royal Reserve Grand Champion Purebred Simmental Heifer, 2025 FWSS Grand Champion Purebred Simmental Heifer, 2025 Dixie National Grand Champion Purebred Simmental Heifer, and 2025 HLSR Grand Champion Purebred Simmental Heifer! Everharts Brandy concluded her dominant show career as the 2024-2025 PTP Ring of Champions Purebred Simmental Show Heifer of the Year!
- A timeless cow family that offers tremendous profit earning potential... dig your heels in here!

- The youngest Purebred Simmental heifer in this year's offering is one that is bred to the nines! R/C Nexus 517N is stunning May born daughter of the \$250,000 TL Ledger that is supported by the very impressive SFI Love Me Later A9X donor dam that is a staple in the Reitzenstein Cattle breeding program of Colorado. A9X was a many times champion during her tenure on the show circuit. One of her most notable victories was when she was selected as the 2014 KS Beef Expo 4th Overall Breeding Heifer for Kyndal Reitzenstein. A9X was also the 2014 AJSA National Classic 7th Overall Purebred Simmental Heifer and the 2014 Simmentals Breeders Sweepstakes 4th Overall Purebred Simmental Heifer.
- R/C Nexus 517N is a maternal sister to the very impressive R/C SFI Creedence 417J, the 2023 Cattlemen's Congress Grand Champion Purebred Simmental Bull that has emerged as one of the top sons of the late JSUL Something About Mary 8421 in existence! R/C SFI Creedence 417J was also selected as the 2024 NWSS Reserve Grand Champion Purebred Simmental Bull.
- R/C Nexus 517N is a uniquely big footed, stout boned, square-built female that has been blessed with extreme hair quality as a bonus. The cow family that supports this show heifer/donor prospect has stood the test of time and continues to produce at a very high level.
- Invest in the future of your breeding program with a female that is supported by true genetic consistency!

OAKP RJ LIZZO 5109N

- Ryan Johnson has assembled one of the most versatile donor batteries in the business. We initiate the SimGenetic portion of this elite offering with a dynamic quadrant of SimAngus females that are supported by some of the most proven and profitable Angus matrons in the business . . . plain and simple!
- Over the last few years K&J Proven Queen 259 "Lizzo" has proven her versatility and ability to generate at a very high level regardless of sire selection or breed affiliation.
- One of the most well-known sisters to OAKP RJ Lizzo 5109N is OAKP RJ Lizzo K56, the \$69,500 half interest female that was selected in the 2022 RJ Cattle Co. Commitment to Excellence Sale by Sara Sullivan. Fast forward to the summer of 2023, Sara Sullivan led OAKP RJ Lizzo K56 into the coliseum at the Iowa State Fairgrounds where she would later be selected as the 2023 AJSA National Classic Grand Champion Percentage Simmental Heifer. OAKP RJ Lizzo K56 was the 2023 American Royal Supreme Champion Junior Breeding Heifer and the 2023 NAILE Supreme Champion Open Breeding Heifer!
- Another maternal sister to 5109N is POAK Lizzo 39L ET, the 2024 Aksarben Supreme Champion Breeding Heifer and the 2024 American Royal Grand Champion Open and Junior Maine Angus Heifer for Creighton Werning. OAKP RJ Lizzo 422M is another maternal sister to 5109N that is sired by W/C Bankroll 811D. She was recently selected as the 2025 Aksarben Supreme Champion Breeding Heifer for Creighton Werning!
- Cody and Shayne Lafrentz sold a maternal sister to 5109N, Lafrentz Lizzo 507, sired by the popular BNWZ Dignity 8017 for \$215,000 for half embryo interest in the Lafrentz Cattle Elite Female Sale this past October!
- She is a true donor cow in the making that we believe has the credentials to compete at a high level, however her true value will come in production. Invest with confidence!

OAKP RJ QUEEN 5110N

- OAKP RJ Queen 5110N is another dynamic SimAngus female that is supported by one of the absolute hottest cow families in the business! A direct daughter of the \$205,000 W/C Bankroll 811D that is backed by the iconic CF Proven Queen 138J, a female that has endured an extreme amount of success in a very short amount of time. Unfortunately, 138J met an untimely demise, therefore there will be limited opportunities to add her genetic potency to your program moving forward.
- 138J was a maternal sister to the industry leading SCC SCH 24 Karat 838, one of the most utilized and popular Angus AI sires in the business. The dam of 138J, FCF Proven Queen 419, is arguably one of the greatest Angus females to ever grace the green chips of Freedom Hall! She was the 2015 NAILE ROV Grand Champion Angus Heifer and the 2016 NWSS ROV Grand Champion Angus Heifer.
- 5110N is a truly elite half-blood female that offers superior skeletal quality, body mass, and real-world functionality with extreme eye appeal from the side. Maternal sisters to 5110N have been a hot commodity over the course of the last 12 months, and there is no denying the level of success that those females have found at the largest and most competitive shows in North America!
- OAKP Queen M532 is the very impressive Silveiras Style 9303 daughter of 138J that was selected as the 2024 Hoosier Beef Congress Supreme Champion Breeding Heifer for Braylen Schaeffer. M532 was also selected as the 2025 NJAS Division IX Champion Owned Heifer this past summer in Tulsa, Oklahoma. Most recently, M532 was selected as the 2025 KILE ROV Reserve Grand Champion Angus Heifer.
- OAKP Queen 412M is another very popular maternal sister to 5110N. She is a daughter of KR Casino 6243 that was selected as the 2024 KS Beef Expo Grand Champion Heifer in Ring A and Reserve Grand Champion Heifer in Ring B. 412M was the 2025 Jackrabbit Memorial Jackpot Show Supreme Champion Heifer in Rings A and B. She was also selected as the 2025 SD State Fair Grand Champion Angus and Reserve Supreme Champion 4-H Breeding Heifer. 412M is slated to carry on the 138J tradition of excellence in Mitchell, South Dakota. Another maternal sister sired by BBR Memphis Mafia 3E ET was selected as the 2025 Cattlemen's Congress Grand Champion Maine Angus Heifer for Cater Kornegay! 138J also produced the \$165,500 SimAngus heifer sired by TJSC Coping With Destiny 9K that sold at Tice Show Cattle this fall.
- A royal pedigree supports this program building genetic gem. She is the kind of female that will elevate you to the next tax bracket once she enters production!

- OAKP RJ Cardi 517N is another top-shelf daughter of the \$205,000 W/C Bankroll 811D that is destined to be on several sale day short lists! A uniquely stout featured SimAngus female that has true presence and maternal function. She ties her neck high at the top of her neatly laid in shoulder, is clean chested, and offers true volume and capacity through her forerib and center body with exceptional progression of depth back into her rear rib and flank.
- The dam of 517N is the very impressive SHER Rosebud 006H donor, a daughter of Chestnut Knock Out 204 that is making big waves in Mitchell, South Dakota! The dam of 006H is the immortal Sherwood Rosebud 83U donor, a female that has reserved her place in the Hall of Fame. 006H produced the 2024 SD State Fair 3rd Overall 4-H Breeding Heifer for Kenzy Beare, which would be a FULL SISTER to OAKP RJ Cardi 517N.
- A maternal sister to 517N that was sired by the \$280,000 UDE New Heights 62/87 sold for \$36,000 in the Boyert-Core Online Heifer Sale. Another full sister was a highlight in the 2025 Fitz Genetics Phone Bid-Off that sold to Hank Hanza of Oklahoma.
- A major league competitor that is built with the long haul in mind. We love the skeletal integrity and futuristic look that 517N possesses.
- A true sale feature that will be a force when it truly counts in the show ring and has the maternal strength supporting her to make a difference in production!

- An absolute unit! Ladies and gentlemen, we proudly present the first of two direct daughters of AC Miss Style 802F "F1199", one of the up-and-coming donors that resides in the illustrious donor pen at RJ Cattle Co.
- RJ RBM Rosemary 563N is sired by the very impressive RP/BCR Eminence H005, the FULL BROTHER to the 2021 NAILE Grand Champion Purebred Simmental Bull and 2022 FWSS Grand Champion Purebred Simmental Bull. RP/BCR Eminence H005 is a direct son of the incredible RP/MP Built To Love A021, one of the most impressive females ever bred in the Rocking P Livestock breeding program.
- Several maternal sisters have highlighted sales across the country this past fall. We love the genuine mass and dimension that she possesses through her forerib and center body. She is extra stout in terms of her hip and hind leg design, therefore allowing her to set to surface with extreme confidence.
- The balance and symmetry that this SimAngus female offers from the side is simply "picture perfect" to say the very least.
- A maternal sister to RJ RBM Rosemary 563N, RJ Mackenzie M207, is the many times champion heifer that is being campaigned by Keagan Steck of Minnesota. M207 was selected as the 2024 Badger Brawl 3rd Overall Heifer in Ring B. She was also selected as the 2025 MN Beef Fall Classic Supreme Champion Heifer in Rings A and B.
- One of the premier show heifer prospects in this year's offering that we firmly believe has the credentials to shine at the highest level!

RJC RBM ROSEMARY N372 ET

- The aged old saying that “it only takes one” has never been more applicable than now! It is with tremendous excitement that we present the lone Maine Angus heifer in this offering. A truly breathtaking female that has been a standout since the moment we first laid eyes on her!
- RJC RBM Rosemary N372 ET is a daughter of AC Miss Style 802F “F1199” that is sired by the \$150,000 TLAC Hits Different 1409L ET, one of the most exciting young sires in the industry! N372 is a maternal sister to RJ RMB Rosemary 563N, the stunning SimAngus female that sells as lot 34 in this offering.
- TLAC Hits Different 1409L ET took the business by storm when on display at the 2024 Cattlemen’s Congress prior to selling in the 18th Annual Embryos on Snow. TLAC Hits Different 1409L is living up to the hype that he created as a yearling with his Freshman crop of progeny. To date, over 30 direct daughters of TLAC Hits Different 1409L have commanded an average of more than \$36,000 per head! Some of the highlights would include daughters selling for \$165,000, \$127,000, \$65,500, \$54,500, \$45,500, \$42,500, and countless other daughters that have sold between \$20,000 and \$30,000 across the continent! The dam of TLAC Hits Different 1409L ET, BOE Miss Fitzy ET, is one of the most dominant Maine-Anjou females of the last decade that has produced several National Champions, high sellers, and promotional AI sires!
- A maternal sister to N372, RJ Mackenzie M207, is the many times champion heifer that is being campaigned by Keagan Steck of Minnesota. M207 was selected as the 2024 Badger Brawl 3rd Overall Heifer in Ring B. She was also selected as the 2025 MN Beef Fall Classic Supreme Champion Heifer in Rings A and B.
- Whether you are a lifelong Maine-Anjou breeder or not, we can all agree that this Maine Angus heifer possesses that fundamentals necessary to positively impact the breed. A top shelf show heifer prospect that is destined for the bright lights... come join the team and let’s make memories that will last a lifetime!
