VOLUME V

Welcome,

...to the 5th Annual From the Ground Up Sale!

It is with great honor and privilege that we welcome you back to this special event. What a tremendous year it has been to be in the cattle business, with the livestock market leading the charts and opportunities stronger than ever. To better serve everyone across the agricultural industry, we have adjusted our sale date to accommodate all involved.

This year's offer is designed to meet the needs of every sector of the cattle industry. Within these pages you'll find, top notch donors, future donor prospects, real-world breds, elite open females, and the most advanced Angus division of our program.

Our open females bring diversity and consistency, reflecting the strength Bramlet Simmentals have long been known for. As a buyer, you'll find options tailored to every end goal, whether building a foundation cow family, advancing your donor program, or adding reliable breds to your herd. Each female is backed by proven genetics that form the backbone of our operation.

We encourage you to take your time with the catalog, but we also emphasize that these cattle must be seen in person. We are confident you will not be disappointed when you make the trip.

Over the past five years, it has been humbling to grow alongside you as breeders, customers, and partners in the breed. Your success is our success, and we take great pride in seeing cattle from our program thrive across the nation.

Finally, we warmly invite you and your family to join us in Southern Illinois for an afternoon of quality cattle viewing, hospitality, and fellowship.

Thank you for your continued trust and support we look forward to building the future of this breed together.

Bramlet

*"Isaac planted crops in that land and the same year reaped a hundredfold, because the LORD blessed him."
Genesis 26:12*

846F has been the cornerstone of our Angus division for the past several years, consistently producing high sellers year after year. Her track record speaks for itself, with her standout daughter commanding \$42,000. A true testament to her genetic value and consistency. Cows that produce like this don't come around often. We believe her 2025 heifer calf offering speaks volumes about what this female is capable of. Backed by proven performance and elite maternal power, 846F continues to raise the bar.

509N/518N/533N- Talk about a trio of Angus females that'll get the hairs on your neck standing up. These ladies are flat-out exciting. These females bring the kind of consistency, style, and power that make breeding decisions exciting. Each one offers a unique twist, yet they all carry the same elite look and genetic punch. Whether you're chasing banners or building a program, this is a group that demands attention. Packed with proven genetics and loaded with upside, this group offers power, presence, and pedigree. With variance in age, you've got options to fit your program, but no matter which way you go, you're choosing from an awesome set. These females are the kind that make decisions tough in the best way possible.

One of the most intriguing purebred females to date at Bramlet Simmentals!!!! Elegance meets authenticity in her overall build, with a design that's as true as it is captivating. She's the kind you naturally gravitate toward. Her structure and balance are second to none. A big-time baller in a youngster's package, N532 stems from the immortal A317 female, a cornerstone donor who's produced multiple high sellers and banner collectors across the country. A must see sale feature!!

When we think of what Bramlets /DBLG Emmy G930 has accomplished, this female has the same potential. Huge-ribbed and beautifully designed, offers countless options for both the show ring and the pasture. She carries the integrity of her cow family with pride. Her granddam was a featured lot and past high seller in our first sale, making waves north of the border with our friends at Canadian Donors. This one is built to continue that momentum.

Here's your chance to tie into fresh, elite genetics from the up-and-coming donor Bramlet's Sensation J125 "Roxie", proudly co-owned with the Hale family. Roxie is no stranger to producing sale toppers. Her daughter was our high-selling bred female last year commanding \$10,000.00. Now, we're offering a heifer calf pregnancy by Revelation 2K, the sire who's taken the ring by storm and consistently puts them in the backdrop. This is a rare opportunity to invest in. Here's a chance to add proven performance and progressive genetics that can move your program forward in a big way. Recip is a 4 yr old black baldy due 12-25-25.

Big! Stout! Ground pounder! This deep red _ Red Angus bull brings the kind of power and presence that turns heads. His build is flat-out awesome—wide-based, bold-ribbed, and packed with muscle—yet he still comes with a killer look and structural design that's hard to fault. If you're looking for a herd sire that checks all the boxes, this one's ready to go to work. A direct son of Bramlets Sensation J125.
