SALE CAN BE FOUND  
BY SCANNING  
THIS CODE OR AT  
**GRIMMIUSBULLS.COM**

## **SALE INFORMATION**

This sale features our high-demand bulls where supply has not met the inquiries for availability. To make it fair buying environment for our customers, we will be auctioning off the semen units on these sires listed in the following pages.

- Each sire has his TOTAL semen availability (at this time) listed.
- Bidding will be PER UNIT/STRAW during the auction.
- Winning bidder will have the choice option on quantity they desire. The winning bidder can take any amount within the quantity available (one straw or more).
- Purchase Price will be the (winning bid amount x quantity selected). For example, if the winning bid was \$250.00 and the buyer selects five (5) units – the invoice will be for \$1,250.00 (\$250 x 5).

## **CCI.LIVE**

### **HOW IT WORKS**

- As a buyer, you DO NOT need to login to watch the sale but you must have a validated account to bid.

**TO BID ONLINE** go to [www.CCI.live](http://www.CCI.live) in your Chrome, Firefox, Safari or other modern browser:

1. Click on the sale schedule page.
  2. Click on the sale of interest.
  3. Click on Bid Online- Register and then Get Buyer Number
- After you are logged in, you must proceed to the sale page for your auction and click Bid Online - Register, then "Get Buyer Number." Some auctions require valid credit card number on file to obtain a buyer number to bid.
  - CCI.live will operate with ease on a modern cellular device, laptop, desktop or tablet.
  - A current browser is important and will always make your experience better.
  - Support line open during all sales. TEXT 405-400

Donor dam of these embryos was our selection out of the 2025 Southern Synergy Sale, and one of the more universal donors in our lineup. She is a level hip, square made female with tremendous internal dimension and lower one-third. Her angles and skeletal integrity are excellent, and when you factor in her genetic merit – this is one female that can work across a variety of matings and breeding goals.

These embryos sired by Draft Pick will be full sibs in blood to the \$585,000 4 Sons Blue Chip 506L, one of the most talked about bulls from the marketing season this past fall. He has a dominant EPD profile with excellent birth to yearling spread, top 2% Scrotal, top 10% Heifer Preg, top 20% Docility, Claw and Angus rankings inside the top 15%, and over (+2.00) for Marbling. This balance provides indexes of (+116) for \$M and (+455) for \$C. He will be one to watch for as he is marketed this spring, but here is a chance to make siblings in your own program.

4 Sons/Leegan Lottery Pick // \$585,000 full brother-in-blood to Lot 1

### Multi-trait Excellence Free of Deficiency.

Dominion is an elite calving-ease prospect that can not only improve nearly every economically-relevant trait, but he also provides a universal set of genetics with no major production weaknesses to breed around.

- \$C: +434 (Top 1%) and the #1 son of Basin Jameson in the breed
- Top 1% for both \$M and \$B
- Inside Top 5% — CED, Growth, Teat Length, Udder Structure, Foot Angle, Carcass Weight, Marbling, Ribeye
- Top 10% — Heifer Pregnancy, CEM, Claw Shape
- Top 20% — Docility, Hair Shed
- Top 35% — Residual ADG, Scrotal

As good as Dominion is on paper, he is equally impressive in person where he excels at the ground with tremendous foot quality and skeletal design. He is a long-sided, level-made, tight-sheathed individual that tracks out wide and square. His dam is a massively-made, high-capacity female with an impeccable udder structure and ideal teat design.

We feel this young sire has as much potential on the seedstock side as any bull in our lineup.

### Balanced Combination of Elite Performance and Quality Design.

WESSON is a true spread bull that offers calving-ease with a rapid growth pattern that includes top 10% breed ranks for WW and YW with downward pressure on mature size. He also features:

- \$C: +430 (Top 1%)
- Top 5% — Claw Shape
- Top 10% — Calving-ease Maternal, Foot Angle
- Top 15% — Calving-ease Direct

These traits also elevate WESSON into the top 4% for his \$Maternal Weaned Calf Value (\$M), and when combined with a \$EN in the better third of the breed, his daughters should be profitable with more quality pounds weaned and less input cost.

In the flesh, this sire excels in phenotypic balance with distinct advantages in length, structural integrity, and internal dimension. He has an attractive pattern yet still maintains the masculine look of a herd bull.

### The Complete Outlier in Angus Genetics.

Warrior is the only bull in the Angus evaluation to combine elite rankings for \$Combined, docility, growth, foot angle, claw shape, and teat and udder structure — a true genetic standout with no compromises.

- \$C: +451 (Top 1%)
- Top 10% — Growth, Ribeye, Foot Angle
- Top 15% — Docility, Claw Shape, Udder Structure
- Top 20% — Teat Length
- Top 25% — Hair Shed

Warrior also ranks in the top 1% for 8 traits:

- Marbling
- Carcass Weight
- Six \$Value Indexes

This bull delivers next-level maternal function with industry-leading carcass traits — a rare opportunity for breeders seeking to advance both phenotype and profitability.

### Tremendous Upside out of an Elite Donor.

Here's a young prospect that can excel in many scenarios with double-digit calving-ease, top-end growth, and breed-leading carcass merit. His genetic profile also favors replacement females with strong rankings across both foot and udder quality. His individual ranks include:

- \$C: +432 (Top 1%)
- Top 5% — Carcass Weight
- Top 10% — Calving-ease Direct, Heifer Pregnancy, Ribeye
- Top 15% — Teat Length, Udder Structure, Hair Shed, Foot Angle
- Top 20% — Growth, Residual ADG, Claw Shape

WORTHY is also a trait leader for Marbling with a +2.10 EPD. His notable dam remains at the top of proven females in the breed for \$Combined Value and is rapidly becoming one of the highest revenue generating females in the breed – not only for her inherit genetic levels, but also a high level of phenotypic power and quality in her offspring.

### Unmatched Power and Stoutness in the Heifer Bull Division.

LANDMAN is a negative BW bull with double-digit calving-ease that still maintains top-end growth with a 5% breed rank for YW EPD. He should also add value to his progeny with:

- Top 10% — Docility, Udder Structure, Marbling
- Top 15% — Calving-ease Direct, Birth Weight
- Top 20% — Heifer Pregnancy, Hair Shed
- Top 30% — Teat Length

LANDMAN is a stout-made, square-hipped individual with tremendous where he charted individual ratios of 98 for birth, 121 at weaning, and 116 for yearling. His dam is a beautiful 4 year-old that is very correct and level made with an attractive front end design.

### Elite Genetics. Unmatched Demand. Balanced Brilliance.

INCOGNITO has quickly become the most sought-after sire in the Grimmus lineup, leading semen sales over the past year. After pasture service at Deer Valley, his semen inventory is now significantly depleted — a true testament to his widespread appeal and proven value.

What makes Incognito stand out?

Backed by a powerhouse pedigree filled with some of the most dominant and fault-free individuals in Angus history, INCOGNITO has produced modest birth weights and calving ease, followed by rapid early growth with a top 20% WW EPD. His EPD profile is unmatched with 28 traits above breed average and 11 in the Top 10% or better. He is trait leader for:

- Claw Set & Foot Angle
- Hair Shed
- Carcass Weight
- Marbling
- Ribeye Area

Across-the-board \$Value dominance:

- \$Maternal: +94 (Top 4%)
- \$Beef: +230 (Top 2%)
- \$Combined: +392 (Top 1%)

INCOGNITO offers the total package — elite phenotype, breed-leading balance, and economic value that puts him in a league of his own.

Baldrige Isabel E048 // Dam of INCOGNITO
