It is time again for the National Finals Angus Sale held in Las Vegas, Nevada. We are back at the Nugget again in the Pebble Beach II and III rooms. As always, this is one of the greatest offerings of Angus genetics ever assembled in one event. This tremendous set of cattle has some of the most dominant EPD profiles, cow families, and genetic combinations consigned by some of the most progressive cattlemen and women in the world. It is truly exciting to see this deep offering assembled in one place, in one book, and offered at one time. We start the sale off with the Number 1 \$C dam in the breed sired by Breakthrough that offers the most balanced EPD profile in the breed. We have 27 head more than +420 \$C (with an average \$C of +410), several flushes, and pregnancies out of some of America's most influential dams, elite embryo packages and pregnancies that are earth shattering in the form of performance, genomics and phenotype. The fall borns are from some of the most prestigious cows and sires in the breed and are second to none. The weaned heifers are the top cut from every consignor, and the embryos are some of the best in the business. This sale should go down in the history books again like the last three years have done. Please join us for a fun afternoon at the Golden Nugget Hotel for appetizers and drinks before the sale. If we can do anything to help you, feel free to call me at 254-413-2420 or Matt White at 530-552-0650. We will be happy to assist you with anything you need.

Sincerely,

A handwritten signature in black ink that reads "Parker Friedrich".

PATHWAYS
CONSULTING & MARKETING

It's with great enthusiasm to be a part of one of the biggest events of the year in the Angus breed. The National Finals Angus Sale is truly an event not to miss, we have come together to showcase some of the greatest females from some of the finest herds across the country. The cattle in this sale are backed by some of the most prestigious cow families in our great breed. The cows that will highlight this sale are none other than the multi-million dollar producing RB Lady Denver 167-453 and DBA Rita 1034 another genomic and highlight specialist. There is something here to fit any needs that you may have to enhance the future of your herd. Each Lot has a unique set of EPD traits to catch any cattleman's eye, as you go through the book you will find an elite set of donors and an outstanding set of bred and open heifer calves, along with a tremendous set of embryo and semen lots.

Please join us again this year at the Golden Nugget Hotel in Las Vegas and come early for hors d'oeuvres and drinks prior to the sale. If you have any questions, feel free to contact me at 219-776-7584.

Sincerely,

Genetic Pathways

Glenn and Brooke Davis

You can travel the country in search of the great ones and will not find one any sweeter than this beautifully made, sweet uddered, sound made, elegant fronted, massive hiped, great footed, big topped female. When you run a very simple sort in the entire database with her combination of CED, Marb and \$M, she smokes the list as the Number 1 \$C dam in the breed by over +40 for \$C.

This awesome Breakthrough female is a direct daughter of the legendary \$7 million producer, Lady 453, whose progeny have topped sales across the country for several years and whose sons are continuing to impact the breed today. She sells open ready to flush.

Winning bidder has the option of purchasing up to 50% interest in the Number 2 \$C non-parent bull in the breed sired by the legendary RSA True Balance. Folks, when you run a simple sort in the entire database with his combination of CED, YW, Marb, PAP and \$M, he is the only bull in the breed that shows up. Talk about some serious opportunity for some serious return on investment. He is anchored on the maternal side by the beautifully designed, elegantly made, massive hiped, sweet uddered Breakthrough daughter that is a direct daughter of the legendary deceased Lady 453. Folks, this unique genetic combination is loaded with industry legends.

A flush to the bull of buyers choice in a full sister to the \$150,000 valued Linz Prohibition. Talk about some serious performance and phenotype, this is going to be one of the top phenotype and genotype progeny in the offering, stemming from the family that has 11 Grand or Reserve Grand Champion PGS females at 11 national events. The donor dam is a direct daughter of the multimillion dollar producing RB Lady Denver 167-453. 1074 will command your attention as she struts through the pen. She is a fancy profiling female with a long clean front with tremendous neck extension and herd bull producing ability. 1074 is a maternal sister to the \$265,000 Ingram Heisman and the \$245,000 BNWZ Validity along with being a maternal sister to the \$165,000 BNWZ Bougie, while being a full sister flushmate to Linz Prohibition. Brothers to 1074 have gone on to produce many sale toppers over the last year, and their legendary status only seems to go up. 1074 has an outstanding CED and birth weight combination, top 10% HP, balanced foot scores with breed leading \$B and \$C. A guarantee of 6 transferable embryos.

What an opportunity here to buy the top DBA Authority female in the breed. DBA Authority was the \$130,000 top-selling bull at the 2024 Cattlemen's Congress sale in Oklahoma City. His first calf crop has been beyond sensational with daughters topping sales across the country. They have the phenotype of the great Whitney cow family to go along with the mighty power of Ingram Heisman, and it's been a very balanced display of power and phenotype. The first daughter to sell publicly was the top selling female at \$120,000 at this past September Gutwein sale. The second female to sell at public auction was the \$95,000 high selling spring calf of this past September's Double Barrel Angus sale. 2524 has been a standout since birth. She was the natural calf from her two-year-old donor, and I promise she will not disappoint. She has the phenotype and genotype to win the National PGS show and will truly be a contender. 2524 has outstanding scrotal, top 1% HP, top of the breed teat and udder scores, tremendous fluid longevity, whopping +112 \$M, along with an amazing top 1% \$C.

This is the sire you've been waiting for! With outstanding earning potential, flawless phenotype, and a perfectly balanced EPD profile, he is built for success in any program and any geographic region in this country. His dam is a full sister to EWA Teamwork working in the Select Sires stud. She has already produced a \$50,000 daughter selling to Circle F Ranch of Georgia and another \$70,000 daughter selling to Rockin L Ranch, as the top selling open female at the Simply Southern sale this past October. Crouch Congress has dominated the industry for the past three seasons. He is the first sire to produce a Triple Crown winner in the PGS National Junior Angus show, with Grand Champion or Reserve Champion at all three national events in the same year. Congress has produced a \$420,000 son Schiefelbein Executive in 2023 and recently has produced a \$290,000 half-interest daughter at the past 4 Sons Production sale, selling to DBA Angus and Guess Angus. This young sire's dam is recently deceased, making this young sire even more valuable. M952 has a double digit CED with a negative birth weight, excellent teat and udder scores, very controlled mature height and mature weight, excellent foot scores, top 4% PAP, outstanding carcass values with a tremendous \$M and \$C combination.

RCA CATTLE LOOSE ARROW & LINZ HERITAGE

Owned by RCA Cattle

When you walk into the pasture, 434 immediately jumps out at you with her outstanding balance and overall power. She is definitely the front pasture kind and her dam, 1761, is one of the true power cows in the RCA program with an absolutely perfect frame and dimension. The dam of 1761 is a flushmate to the multimillion-dollar producing RB Lady Denver 167-453, the cow that has rewritten the history books when it comes to power, phenotype and an outstanding set of numbers. Daughters of 453 have led the industry for the past 3 to 5 years, and sons of 453 have averaged higher than any other sire group in the country for gross sales. 434 has extremely high earning potential. 434 has top 4% growth, excellent scrotal and HP combination, top 15% docility, top 1% Marbling with 3% CW and very balanced dollar values.

A flush to the bull of buyer's choice in the \$185,000 full sister to the \$110,000 Double Barrel herd sire, Nobility, whose semen has been in hot commodity in recent sales. Talk about an opportunity to acquire some rare genetics, and you get to pick the sire. What an opportunity! 1804 has been the top donor in the program for the past two or three years, and she has had a full sister recently sell for a \$220,000 evaluation for Brumfield Angus and Gutwein Angus, with another maternal sister selling recently in the Katie Collin sale for \$200,000 to Smith Valley Angus. Brothers to 1804 include the \$265,000 Ingram Heisman and the \$245,000 BNWZ Validity, along with the incredible \$165,000 BNWZ Bougie, making this the top family of herd bull producing sires. The value of this flush is off the charts.

GENSTART, BRUMLEVE CATTLE & CHESSIE CREEK

Owned By GenStart Angus

A flush to the bull of buyer's choice with a guaranteed six transferable embryos with no cap. What an amazing opportunity to choose from any sire you want to the electrifying 1897, the outstanding Magnitude granddaughter of the multimillion-dollar producing and legendary 453. 1897 has absolutely stunning power and phenotype, and she was the \$40,000 all-time high selling female to ever sell at Wisconsin Futurity. The dam of 1897 is widely known as the most powerful complete daughter ever produced out of the legendary 453, and she had an absolutely stunning power and phenotype combination. The Magnitude combination with 453 has been truly magical. Two daughters have sold in excess of \$200,000 at public auction. This may be the best mating to the legendary 453. Magnitude semen has recently sold for over \$2000 a unit at public auction. This is a sire that truly earned his right in the industry with his low birth weight and high CED and has become legendary in his daughters and sons.

CCF LADY 3099 – DAM OF LOT 17E PREGNANCY

Owned by Brumleve Cattle & Chessie Creek

Selling a heifer calf pregnancy out of the incredible Division 4 PGS Reserve Champion at the 2025 National Junior Angus show. 3099 traces to an extremely unique branch of the Lady cow family. You will see no RB Lady Standard 890 along with no RB Lady Denver 453, giving you the ability to mate this young female to the sons of the multimillion-dollar producing 453. 3099 is from the second generation highlight of the Chessie Creek Lady Standard family, sired by the proven multi-trait superstar Beal Breakthrough. 3099 has a double digit CED with a negative BW, excellent docility, negative PAP, top 1% CW, top 3% Marbling and ribeye to go along with a top 1% +430 \$C. Wilks Warrior, the sire of this pregnancy, is probably one of the hottest Heisman sons in the country. He, of course, hails from the top \$C dam in the breed, DBA Rita 1034. His semen alone has brought close to \$3500 a unit over the past six months. This one will be in high demand.

The excitement that this pregnancy brings to any herd is the kind of stuff that keeps us going year after year after year. The dam, DBA Henrietta 3156, was a past \$85,000 high seller from the first Double Barrel Angus sale selling to Nowatzke Angus, Maple Lane Angus and Gutwein Angus, and she was selected for the very same reason, absolutely stunning phenotype with breed leading genotype. 3156 produced a \$55,000 high seller to Spruce Mountain Angus in last September's Gutwein Angus sale, being the first progeny ever offered out of this young donor. BNWZ Nobility, the sire of this heifer pregnancy, needs no introduction to the Angus world. He was the past \$110,000 high selling bull of Cattlemen's Congress in 2022, and he's had two sisters go on at public auction. One sold for \$220,000 while the other garnered \$195,000. Make no mistake, this is a high-income pregnancy we are looking at, by the combination of the great Henrietta Pride cow family and the legendary multimillion-dollar producing RB Lady Denver 167-453.

What an exciting opportunity. Here's a flush sister to the \$90,000 4 Son's Logical, the new and very popular young sire at ABS. While yet another full sister sold to Rimrock Angus for \$45,000. This young female has a moderate frame with outstanding dimension and excellent foot structure. The dam has a near perfect udder and is a Confidence Plus daughter back to the herd sire producing Y69. This one has a unique pedigree combination with excellent mating flexibility, outstanding performance, and top-end indexes across the board. The Isabel females can do it all — calving ease, explosive growth, elite efficiency, great foot scores, elite carcass merit and dollar values. Take your program to the elite level with the influence of the Isabel cow family. 3500 has outstanding top 10% growth, very good HP, excellent teat and udder scores, top 1% claw and angle, and top 4% RE with incredibly balanced dollar values. She sells due to calve 7/2026 to Schiefelbein Executive.

Draft Pick is one of the hottest young sires on the planet, and this young female is the only non-parent female in the breed with her combination of CW, Marb, RE, \$M and \$C. This amazing Draft Pick heifer has nine traits in the top 1% of the breed. Her granddam Veracious 6273 was the \$60,000 valued donor in the partnership with FB, now a donor in the great Circle F in Georgia. 6273 is a big hipped, long spined female, and this incredible daughter is a long powerful calf that tracks perfectly. A full brother to Captain 2304 sold for \$21,000 in the 2025 Worthington bull sale on November 1. 44 Ruby 327F is a famous donor of the FB program, going back to 44 Ruby 2357 the \$500,000 selection by High Roller in the 2016 44 Sale. Make no mistake, this one will need some FSH in the future.

What an incredible chance to buy a heifer pregnancy by the Division 1 Western Regionals PGS champion, who also happens to be a graduate of this very sale, garnering \$22,500 to Lone Oaks Cattle Company of Wisconsin. The dam of 3224 was the \$48,000 highlight from the 2022 Brumfield Angus sale where she was the high selling female. 3224 has a maternal sister, Marda Premier Lady 457, who was the Lot 1 and \$24,000 high seller to Bullington Cattle Company of Tennessee. If you look closely, you will see the granddam RB Lady Tombstone 5509 who is a cornerstone donor for the Brumfield herd and is also a maternal sister to the \$10 million producing RB Lady Denver 453, the cow who has changed the industry. 3224 has an incredible top 1% YW, top 1% foot scores, top 1% CW and all eight dollar values in the top 15% of the breed. The sire of these embryos, Executive, was the incredible \$420,000 high selling sire of the 2024 sale season.

Offering a heifer pregnancy by the maternal sister of the \$400,000 valued Erica of Ellington T220, the dam of the widely used super popular Bold Ruler, the \$200,000 valued Erica 001, and the \$250,000 valued Erica of Seneca H4. Not many opportunities come around with the potential to raise siblings to some of the hottest cattle in the industry. 2205 has a double digit CED with an incredible top 2% YW, excellent scrotal and HP combination, outstanding teat and udder scores, outstanding functional longevity, top 4% docility, top 1% hair shed, and all 4 carcass traits in the top 10% of the breed with a very balanced set of dollar values. The sire of this pregnancy is none other than Wilks Crick, one of the absolute hottest bulls in the industry. He is a son of the top \$C cow in the breed for the past four years and very seldom is there a brother or sister that sells for less than \$100,000. It truly is one of the top cow families in the industry today.

Owned by Teasdale Angus

Selling 1/2 interest

Teasdale Initiative is an elite multi-trait bull prospect by the \$120,000 top-selling female in the 2020 Pollard Farm sale selected by Spruce Mountain Ranch, Chloe 9058, sired by the \$235,000 record-breaking sire of Spruce Mountain Ranch, Riverbend Ranch, Nowatzke Cattle Company, Express Ranches, and Pollard Farms roster, Ambitious. Initiative is currently the only bull in the breed with its combination of CED, YW, Marb, \$M and \$C, with an explosive growth spread from double digit CED, low birth weight to top 1% YW, and elite genomics categorically across the board. He carries 15 EPDs in the top 5% and 24 EPDs in the top 25%. He is heavily muscled, massively ribbed and a monster on the hoof with excellent feet, extra long spine, and a super sound structure from front shoulder to hip all in a moderately framed package. Chloe 9058 is a direct daughter of the \$200,000 headliner of the Lylester Ranch donor program, Chloe 5769, sired by the \$730,000 Rooney Ranch and Vintage Angus sire Power-Play. Maternal sisters include Chloe 9071, the \$140,000 half interest selection by Audley farms in the 2020 Spruce Mountain sale, and Chloe 939 the \$60,000 second selling female in the 2021 Lylester Ranch sale. Chloe 4537, the full sister to Initiative, sold for \$150,000 for half interest in the 2025 Spruce Mountain sale to Express Ranch.
