FULL BROTHER TO THE DONOR PROSPECTS SELLING
\$24,000 C-4 Afterglow 1049M

Without a doubt this is one of the most intriguing Red Angus donor prospect opportunities to sell this year! This lot gives the winning bidder the choice and privilege to sort three full sisters to Helen Orr's popular, many time champion female C-4 She's A Fox 1188M!

C-4 She's A Fox 1188M, the full sister to the trio of donor prospects selling, has been one of the most admired Red Angus females on the show road over the last year. The Orr family have campaigned She's A fox 1188M to Reserve Grand Champion Red Angus Female at the 2025 NAJRAE Fuzion Show, Grand Champion Red Angus and 4th Overall Supreme Female at the 2025 Tulsa State Fair, Grand Champion Red Angus Female at the 2025 American Royal and most recently Grand Champion Red Angus Female 2025 NAILE Jr Show. This past spring in the 2025 C-4 Bull Sale a full brother to the females selling named C-4 Afterglow 1049M was a \$24,000 sale feature! This is one of the most elite opportunities of the year!

SELDOM REST CASSANDRA 101N

SIRE: SCC SCH 24 KARAT 838 X DAM: SELDOM REST CASSANDRA 9060 – REG AAA # 21394863 – DOB 6/15/2025

**OPEN HEIFER SELLING-SELDOM REST CASSANDRA 101N**

There have been few programs that have impacted the Angus breed such as Seldom Rest Farms. Their ability to raise females that not only compete but win on a national stage year after year is astonishing. When we asked Andrew for a special live lot to highlight the 2025 sale, he did not hesitate to offer one up that not only is elite in every sense of the word phenotypically, but she packs a major punch from a pedigree standpoint as well!

Seldom Rest Cassandra 101N is a beautifully constructed June born daughter of Seldom Rest Cassandra 9060. If you follow the pedigree on the dam side, you will see that the granddam of this live lot is Seldom Rest Sandy 5086 and the great granddam is Silveira's S Sis Sandy 2354. What else needs to be said?

Seldom Rest Cassandra 101N is a maternal sister to the Clark families Reserve Grand Champion Owned Female at the 2025 NJAS. This female was a \$150,000 sale feature in the 2024 Seldom Rest production sale. Fast forward to the fall of 2025 and a pair of full sisters to Cassandra 101N topped the Foster's production sale at \$250,000 and \$210,000. Take advantage and acquire the younger sister to these impressive females as we believe that she will write her own page in history!

The embryo packages being offered were hard to get and probably won't be offered again anytime soon. The embryos by SCC SCH 24 Karat 838 will be full sibs to the \$250,000 and \$210,000 sale toppers in the 2025 Seldom Rest production sale that we mentioned above as well as full sibs to Seldom Rest Cassandra 101N, the female selling within this lot. The embryos sired by Paisley will result in full sibs to the lot 1 female in the Seldom Rest fall sale that commanded \$100,000! Study your lesson here and you'll see that the dam of the heifer and embryos selling was the 2020 American Royal ROV Reserve Champion Female for the Coleman family. Without a doubt, Seldom Rest Cassandra is one of the hottest donors in the battery!

OPEN HEIFER SELLING-GERA LANA BLOCKANNA 4639

An intriguing November born female that stems back to the popular DDAD Lana Blockanna! The dam of this female was an extremely successful show heifer for Morely Griffith during the 2018-2019 show season. It's unfortunate that she ran second most of the year but considering the other female on the Griffith show string was Damar Barcelona E067, we will cut her a little slack.

GERA Lana Blockanna 4639 has been successfully shown this past season by Helen Orr and found much success along the way. Lana Blockanna was named Reserve Calf Champion at the NAJRAE Fuzion Show this summer as well as Calf Champion at the 2025 Tulsa State Fair.

GERA Lana Blockanna 4639 is a true foundation female to build a program around. 4639 is a well-balanced, eye appealing donor prospect. She packs plenty of power and shape without giving up those feminine attributes and over all soundness we all look for in an elite female. Make an investment in the future of your program and add Lana Blockanna 4639 to your lineup!

SILVEIRAS SARAS DREAM 1339

SIRE: SILVEIRAS STYLE 9303 X DAM: EXG SARAS DREAM S609 – REG AAA # 16987763

FULL/MATERNAL SIB TO EMBRYOS SELLING-MANY TIME CHAMPION FOR BRODY LEO

Rare, unbelievable, unprecedented. Whatever you call it, that's what I thought when I received the call that we were going to feature Silveira's Saras Dream 1339 embryos in the Angus Elite Sale! For nearly 14 years Saras Dream 1339 has been producing cattle that are the right kind, that win and produce. She has evolved with the trends and never been left behind. Most notably, Saras Dream 1339 is the dam of Nowatzke's 5116 donor as well as the breed icon Colburn Primo 5153.

Most recently, Brody Leo campaigned Colburn Saras Dream 3190 to Supreme Champion honors at the 2025 Western Bonanza while just a few years earlier in 2023 Cambria Cook led Colburn Saras Dream 2393 to Supreme Champion Female at the Western Bonanza. In 2018 the Ferree family won Supreme Champion Female at the Indiana State Fair with Colburn Sara's Dream 7407. The Welch family claimed Reserve Supreme honors at the Western Bonanza in 2018 with Colburn Saras Dream 7070. The interesting thing about all these females and sires we have mentioned above is that they have all been elite level producer. Truly, POWER IN THE BLOOD!

For years, the only way to acquire 1339 offspring was to saddle up and pay the high market price that her offspring commanded. Today, and only today, you can get in at a fraction of the cost and create your own Saras Dream cow family that will carry your herd prefix!

FULL SIB TO EMBRYOS SELLING-RES. NAT'L CHAMPION RED ANGUS HEIFER '25 CATTLEMEN'S CONGRESS

TC Reds and Duch Cattle Company opened the vault in terms of offering a knockout proven mating. The embryos being offered are full sibs to the most recent 2025 Cattlemen's Congress Reserve Grand Champion Red Angus Female DUCH TC Miss Eagle 308L. This impressive female claimed Reserve honors in both the Jr and Open shows! What a great opportunity to make full sibs to the \$110,000 valued daughter of Damar Peanutty C038.

Just a few months ago another full sister to the embryos selling, DUCH TC Miss Eagle 501N, was a sale feature in the TC Reds "Vision in Red" sale at \$10,000. The potency of this mating has already proven itself on the biggest stage and secured the fact that a mating of this caliber can maintain the high phenotypic expectations of our business. The guesswork is done, and the equation has been checked. Now it's your turn to reap the benefits.

CCC Saras Dream 5116 is among the elite in the Angus breed. It takes a special kind of female to continuously raise record high sellers and winners year after year on a consistent basis. Did we mention 5116 does this on both the female and male sides equally as well?

By our count, and there is a good chance we are missing a few, CCC Saras Dream 5116 has had 18 daughters that have sold for over \$40,000 in the last 8 years. 8 of them have been north of \$100,000. 5116 daughters have won banners at the biggest shows including BNWZ Saras Dream 3658 who was Grand Champion Angus Female at the 2025 Cattleman's Congress for the Oakley Family and BNWZ Saras Dream 4796 who was just named Grand Champion Angus Female in the ROV show for Josie Phillips. On the female side we could go on and on. High sellers at \$360,000, \$300,000, \$215,000, \$180,000, \$155,000, \$150,000, \$140,000, \$120,000 and plenty more on down the line.

The Saras Dream 5116 sons have left their mark as well. Her sons include BNWZ Executive Decision 2219, BNWZ Paisley 2143, BNWZ Dignity 8017 & BOY Noble 300L. This is an exciting opportunity to purchase the proven and potent embryos by 24 Karat or step out and swing for the fence with the exciting new mating by King Pin!

Here is a tremendous opportunity to access the heart of the JK Angus herd and run an IVF cycle on their proven producer, JK Margo 1617E. Margo herself saw her fair share of backdrops during her show career. JK Margo 1617E was named Junior Calf Champion at the 2017 NAILE and then Claimed Champion at the NAILE Junior Show in 2018. Margo was also named Supreme Champion Female at the 2018 North Star Classic in North Dakota.

Margo has been a steadfast producer for JK Angus with daughters topping sales and winning shows. Most recently a daughter named JK Legacy was crowned Grand Champion Red Angus at the 2025 National Western for Big Blue B Cattle. In the 2024 JK Angus annual sale a % Red Angus daughter by Bet on Red sold for \$13,500.

Margo daughters have been big time producers as well with one popular Margo daughter named “Helga” raising a \$31,000 daughter in 2024 going to Sandridge as well as the Reserve Grand Champion Red Angus Bull at the 2025 National Western, JK Lowdown. We appreciate the folks at JK Angus for unlocking the vault to their very best!

Terms of IVF Cycle: The buyer will receive a minimum of 6 transferrable embryos guaranteeing two 60-day pregnancies. On all embryos produced above 12, the buyer receives the odd numbered embryos, and the seller receives the even numbered embryos. The buyer pays all costs associated with the flush including the cost of semen. The seller pays of freezing cost on any embryos they receive. The donor is available to flush approximately May 2026. FULL/MATERNAL SIB TO EMBRYOS SELLING—RES. SUPREME JUNIOR FEMALE CATTLEMEN'S CONGRESS

There are some cows that are just unrelentless in their ability to continuously generate high quality females that not only compete in the ring but also make their own names down the line in the donor pen. BCII Sandy 0215 or better known as "Roxi" is one of those females.

Over the past several years "Roxi" has maintained a poll position at the backdrop for numerous elite angus operations and has been able to grab some major titles along the way! Roxi herself was named the Reserve Champion Angus Heifer at the 2017 NWSS. Since entering production Roxi has been nearly automatic. One of her most notable daughters was the 2025 Reserve Supreme Female at the Cattleman's Congress for Josie Phillips. Let's not forget about the Bartlow family's multiple time division champion daughter!

The true test of an elite female is if their own daughters can continue their storied legacy. In this case there is no doubt. A past daughter of Roxi that is sired by 24 Karat owned by CK3 and Hawk raised the high selling Angus heifer by Dignity in the 2023 Divas and Donors sale and went on to be named the 2024 Reserve Grand Champion Junior Angus at the NAILE! There's no doubt the 0215 lineage has been dominant, and that kind of long term success is one that needs to be studied and used to propel other programs.

During her show career DDAD Young Cowgirl F850 was named Reserve Grand Champion Red Angus Female at the 2021 Cattlemen's Congress and Grand Champion Red Angus Female at the 2020 American Royal. She was admired by many in the show ring, but we all knew her true value would be in the donor pen and boy were we right!

Over the last year a daughter of DDAD Young Cowgirl F850 that is sired by T Bar S Night Moves 107H has been on a roll for Helen Orr. This heifer was named 4th Overall Bred & Owned Female at the 2025 NAJRAE Fuzion show and just last month she was a division champion at the American Royal as well as reserve division at the NAILE. On the other side of the ring, a son sired by L83 2Strong 13F has been cutting a wide swath including Reserve Grand Champion Bred & Owned Bull at the 2025 NAJRAE Fuzion show and Grand Champion Red Angus Bull at the 2025 Tulsa State Fair. UDE ELLIE 9230 (CLONE)

SIRE: EXAR BLUE CHIP 1877B X DAM: SLL ELLIE 2201 – REG AAA # 19503790

DAM OF EMBRYOS SELLING- UDE ELLIE 9230

UDE Ellie 9230 has become the mark of excellence in the ultra-deep Sullivan Angus donor battery. UDE Ellie 9230 had a historic show career where she was named the Grand Champion Owned Female at the 2020 NJAS and eventually named Grand Champion Angus Female at the prestigious 2020 NAILE Jr Show for Sara Sullivan.

The 2025 sale season was a breakout year for UDE Ellie 9230 as her daughters were some of the most sought after in the country. A New Heights X Ellie 9230 sold for \$210,500 in the Maternal Legends sale and her full sister sold for \$111,000 in the Recknor Cattle sale. There was also a New Heights X Ellie 9230 at \$64,000 and a KR Casino at \$50,000. These females have sold well but also done well when hitting the show ring. Max Fredrickson was named Reserve Supreme Female at the 2025 MN State Fair with his Primo X Ellie and Josie Phillips led SULL Ellie 3655L to division VI champion at the 2025 American Royal just this October!

In the fall of 2024, her daughters highlighted the Sullivan Farms online sale where a full sib to the "B" lot embryos sired by Primo sold for \$40,000. A second daughter by Primo sold for \$13,000 while a daughter by KR Casino sold for \$14,500. Over the last three years UDE Ellie 9230 has had several other daughters by KR Casino at \$50,000, \$45,000, \$28,000 and \$27,000 as well as a \$25,000 daughter by Dignity. It took some begging to get these for the sale. Don't let the opportunity slip by!

WD LADY DRIVEN 450

SIRE: MANN PINNACLE 712 X DAM: DRST EMILY 726E – REG RAAA # 4963796

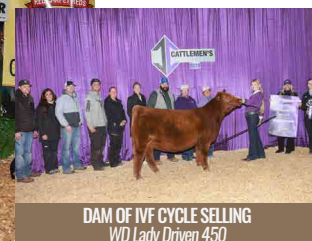

DAM OF IVF CYCLE SELLING-WD LADY DRIVEN 450

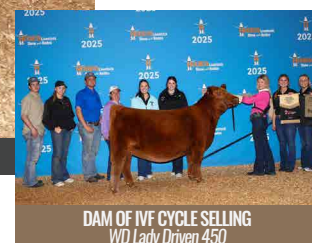

Starting with the inaugural Angus Elite Sale in 2022, the team at Trademark Genetics have always made it a point to bring their very best to Las Vegas and this year is no exception! We are proud to introduce WD Lady Driven 450 to this tremendous genetic offering and offer her very first genetics to the public.

WD Lady Driven 450 was Madison Fischer's \$49,500 selection from the 2024 Lafrentz Cattle Online Sale from WD Cattle Co. female sale. Lady Driven 450 found success early and often as she was selected division champion at the 2025 Cattlemen's Congress. A few months later, Lady Driven 450 was named Grand Champion Red Angus Female at the 2025 Houston Livestock Show & Rodeo. After a successful spring, the focus would shift to the Red Angus Youth Expo where Madison Fischer would eventually guide Lady Driven 450 to 4th Overall Owned Female honors. If you are a betting person, I'd wager that WD Lady Driven 450 will find the backdrop a time or two more before she ends her show career. This tremendous direct daughter of DRST Emily 726E will be one of the bright young stars in the deep Trademark donor battery!

Terms of IVF Cycle: The buyer will receive a minimum of 6 transferrable embryos guaranteeing two 60-day pregnancies with NO CAP. The guarantee is void if SEXED semen is used. The buyer pays all costs associated with the flush including the cost of semen. The donor is available to flush mid-April 2026, and the flush must take place before May 31, 2026. Please contact the seller for further details.

SIRE: PVF BLACKLIST 7077 X DAM: PVF PROVEN QUEEN 2106 – REG AAA # 19524005

DAM OF EMBRYOS SELLING-PVF PROVEN QUEEN 9119

Each year we have come to rely on the great folks at Prairie View Farm to send their absolute best genetics for the Angus Elite sale and once again they have come through in a huge way! PVF Proven Queen 9119 has been a steadfast producer of high selling progeny that have excelled in the showing. Most recently, a daughter by BLC/MLA Omega 2258 was a \$40,000 sale feature that would go on to be named 3rd Overall Female at the 2025 NJAS for Ashton Dillow. This phenomenal female is a full sib to the “A” lot embryos being offered.

PVF Proven Queen 9119 has proven to click with multiple sires and do it well. In this years PVF production sale a STAG Good Times X 9119 heifer calf sold for \$30,000 while a Vegas X 9119 daughter highlighted the bred female offering selling for \$27,500! PVF Proven Queen 9119 was a popular champion herself for Amelia claiming Grand Champion Bred & Owned female for Amelia Miller at the Eastern Regional Angus Show. The three matings each offer exciting possibilities. We’ve mentioned the “A” lot embryos above, but the other two options may be even better including the red-hot New Heights who has sired multiple six figure offspring this fall or the popular Capone from the heart of the PVF sire battery!

SIRE: PZC TMAS FIRESTORM 1800 X DAM: MF MARILYN 0165 – REG RAAA # 4457237

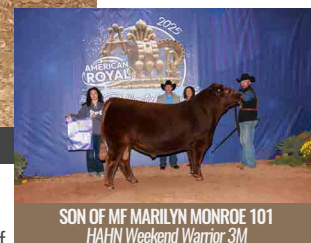

DAM OF IVF CYCLE SELLING-MF MARILYN MONROE 101

MF Marilyn Monroe 101 is a new face to the Angus Elite sale, but she's earned her spot in the lineup. This young rockstar has only had three natural calves to date and they have all been home runs. Her very first calf was a \$24,000 heifer by Night Moves and was a sale feature at the Stockyard City Reds sale in 2023 that sold to Aces Wild Ranch. Her second calf was HAHN Weekend Warrior 3M. Weekend Warrior 3M has been on a roll claiming Grand Champion Red Angus honors at the Kansas and Nebraska State Fairs before ultimately being named Reserve Grand Champion Red Angus Bull at the 2025 American Royal. Her third calf was the female at side during the RAYE show this summer. We believe she will write her own story over the next year!

This is a huge opportunity to acquire the very first flush ever offered from MF Marilyn Monroe 101. You could make full sibs to the very popular Reserve Champion bull in Kansas City or explore new avenues with one of the breeds elite sires. The sky is the limit!

Terms of IVF Cycle: The buyer will receive a minimum of 6 transferrable embryos guaranteeing two 60-day pregnancies with NO CAP. The buyer pays all costs associated with the flush including the cost of semen. The donor is available to flush approximately April 15, 2026. Please contact the seller for further details.

BCII BMF SANDY 2118

SIRE: EXAR CLASSEN 1422B X DAM: BCII SANDY 1315 – REG AAA # 19242686

DAM OF EMBRYOS SELLING-BCII BMF SANDY 2118 "BIRDIE"

BCII BMF Sandy 2118 or better known as "Birdie" continues to build an elite legacy year in and year out. It isn't easy to consistently generate cattle to meet the ever changing phenotypic demands of our industry but a wise man once said "Trends may change but quality is timeless".

BCII BMF Sandy 2118 never ceases to impress with her calf crop from year to year. Just this fall the seemingly "automatic" donor crossed the threshold of \$1 million dollars in lifetime revenue which only speaks volumes to her progeny's value. High sellers over the years include valuations \$100,000, \$82,000, \$74,000, \$72,000, \$60,000, \$50,000, \$42,000 and many more. Some of those numbers listed prior are results of frozen genetic purchases from this very sale! "Birdie" progeny have gone on to grab banners across the states and recently in Canada. Her most notable being the 2023 Champion Open and Junior Angus Heifer for Josie Phillips, Circle M Farms, and Wallace Cattle. As well as, the recent 2025 Supreme Champion at the 2025 American Angus Breeders Futurity.

Regardless, whether it's backdrop pictures you're after or high selling show heifers, the time to get in is now. The homework is done and the ROI is there for the taking. However, if you've got a bull to promote or would like to mate her in a different way I'd suggest throwing your chips down on the flush option and holding on because this table is hot!

SIRE: COLBURN PRIMO 5153 X DAM: PLUM CREEK ANNIE LU 4472 – REG AAA # 19233484

FULL/MATERNAL SIB TO EMBRYOS SELLING-\$88,000 COLBURN ANNIE LU 4710 BY 24 KARAT

The Annie Lu legacy rolls on! Colburn Annie Lu 8079 is a direct daughter of the famous Plum Creek Annie Lu 4472 who has been so productive raising multiple champions and high sellers for Mark & Deb Core/Plum Creek Angus through the years. Colburn Annie Lu 8079 was the \$140,000 selection by the Ferree family and went on to win several shows including Reserve Champion Heifer at the 2018 Hoosier Beef Congress.

This summer an \$88,000 daughter by 24 Karat named Colburn Annie Lu 4710 won the Supreme Champion Female title at the Iowa State Fair for Kinnick Paulsen. This same female would go on to be named 4th Overall Female at the 2025 World Beef Expo Open Show. Earlier this year out on the west coast, a daughter by Walk the Line was named Supreme Champion Commercial Female at the Western Bonanza for Baylee Dutra. The west has been a hotbed for Annie Lu success as another daughter by 24 Karat was named Supreme Champion Female in both rings at the Sierra Winter Classic. Finally, another daughter by 24 Karat was named Champion Angus and Champion Overall Jr Heifer at the 2025 Arizona National for Ava Glaser.

The mating to Style has yielded high sellers of \$88,000, \$75,000, \$24,500 and \$21,500. Let's not forget a \$28,500 daughter by the popular PVF Kingpin. This Annie Lu cow family has been as potent as any and continues to stamp out winners and high sellers. There may not be a hotter deal going!

J6 Guinevere 106G is undoubtedly one of the cornerstone females from the Twin Willow Farms program and one that we are thrilled to have in the prestigious Angus Elite lineup! Year after year, Guinevere 106G simply gets it done with her daughters being some of the most sought after in the Twin Willow Farms sales.

In this year's edition of the TWF "Right on Red" sale, Guinevere daughters were a true highlight with a full sib female to the embryos selling by TWG Red Eye Special 301F topping the sale at \$22,500! A slew of other Guinevere daughters by various sires sold for \$9,250, \$8,500 and \$6,250. Simply put, they were in demand! In the 2024 Right on Red Sale a Guinevere X Gravity heifer sold for \$10,500 while previous editions of the sale saw Guinevere daughters ring the bell at \$29,500 and \$17,000.

Guinevere daughters don't just sell well, they have shown well also. At the 2023 American Royal a Red Box daughter was named Grand Champion Red Angus while her full sister was Reserve Early Junior Heifer Calf at that same show. This female has worked to a wide range of sires and we think these 2 packages will reap big rewards!

FULL/MATERNAL SIB TO EMBRYOS SELLING-\$81,500 DAUGHTER BY MAHOGANY PRIME

It is always exciting to welcome a newcomer to the Angus Elite after they have had a breakout sale season and that is exactly what we have here with Core 419 Dignity 287K! This impressive female was a decorated champion for the LeVan family and capped off her career being named Grand Champion Angus and 4th Overall Supreme at the 2023 Ohio State Fair. Her success is no surprise when you consider she is a direct daughter of the famous Proven Queen 419. Purple banners and green dollars are what comes to mind when you think Proven Queen 419 cow family!

This fall 287K had several daughters by different sires sell for big dollars. In the Watson Family Show Cattle sale, a daughter by Mahogany Prime and Full sister to the "A" lot embryos selling rang the bell at \$81,500 and a daughter by Style sold for \$37,500. All in all, 3 287K daughters in the Watson sale averaged \$42,000. One month later there were two daughters by Mahogany Prime featured in the Boyert-Core sale that sold for an impressive \$28,500 and \$11,501. With a resume like this one, we had to make sure that JK Legacy was included in the 2025 edition of the Angus Elite Sale! Legacy is a direct daughter of JK Margo 1617E, who is also featured within the pages of this book.

An unprecedented opportunity presents itself to acquire the right to flush the reigning Grand Champion Red Angus Female from the Junior and Open shows at the 2025 National Western. Before her accolades at the NWSS, Legacy was named Grand Champion Red Angus Female at the State Fair of Texas Open Show, Reserve Grand Champion Red Angus at the Houston Livestock Show & Rodeo, as well as Division Champion at the Fort Worth Stock Show. Let's not forget Grand Champion Red Angus and 4th Overall Female at the North Dakota State Fair. As a matter of fact, sibs to JK Legacy have been Champion Red Angus at the North Dakota State Fair each year from 2019 to 2024! We are excited to see who wins the bid and uses JK Legacy to propel their program steps ahead!

Terms of IVF Cycle: The buyer will receive a minimum of 6 transferrable embryos guaranteeing two 60-day pregnancies. On all embryos produced above 12, the buyer receives the odd numbered embryos, and the seller receives the even numbered embryos. The buyer pays all costs associated with the flush including the cost of semen. The seller pays of freezing cost on any embryos they receive. The donor is available to flush approximately June 2026. BNWZ Saras Dream 3658 may be a new face to the Angus Elite sale, but we assure you her reputation proceeds her. This incredible direct daughter of the famous CCC Saras Dream 5116 was the \$300,000 selection by the Oakley family at the 2023 Nowatzke Cattle production sale. This impressive female would go on to win her fair share of shows including Reserve Grand Champion Female at the 2024 Atlantic National, Grand Champion Female Tennessee State Fair, Grand Champion Angus Female and Supreme Overall Female at the 2024 Keystone International and Grand Champion Angus Female at the 2025 Cattleman's Congress. To top it all off, BNWZ Saras Dream 3658 was named Reserve ROV Show Heifer of the year!

BNWZ Saras Dream 3658 is a full sister to numerous high sellers from the Nowatzke program such as the \$360,000 BNWZ Saras Dream 3184 and the recent Grand Champion Angus Female in Kansas City for Josie Phillips. Maternal brother to 3658 include BNWZ Executive Decision 2219, BNWZ Dignity 8017 by PVF Insight 0129 and BNWZ Paisley 2143 by PVF Insight 0129. This family tree is incredible!

SIRE: DAMERON FIRST IMPRESSION X DAM: COPPER CRK LADY LUT 1120 – REG AAA # 18405802

DAM OF EMBRYOS SELLING-SSF LADY IMPRESSION 0265

When you open the Sunrise Sunset Farms "Star Search" sale catalog you will find an entire page dedicated to the success of SSF Lady Impression 0265 over the last few years. Her daughters have been in high demand as they annually are among the highest sellers in their production sale and routinely hang purple banners and win divisions at majors across the country.

This past August a pair of 24 Karat X 0265 daughters sold for \$47,500 and \$27,500 through the Star Search sale. A full sister was the \$90,000 selection by the Haag family the previous year that would go on to be named Division Champion at the 2024 NAILE and Division Champion at the Atlantic National.

What makes SSF Lady Impression truly elite is her ability to work to a wide range of sires. Her most notable daughter is SSF Lady 5030 who was shown by Houston Ferree. This female was Grand Champion Female in both the Jr & Open shows at the 2021 Atlantic Nationals, Grand Champion Angus Female 2021 American Royal Jr. Show, Reserve Grand Champion Angus Female at the 2021 NAILE Jr & Open Show, Grand Champion Angus Female at the 2022 Cattlemen's Congress and Grand Champion Angus Female at the 2022 Ft Worth Stock Show. Other daughters of note include SSF DS Lady 2262 who was Grand Champion Female at the 2023 Atlantic National and SSF Lady 4191 who was Reserve Champion Angus at the 2024 Ohio State Fair for Samantha VanVorhis.

You simply can't go wrong here. Fresh mating or proven, you stand to excel your program leaps and bounds!

FULL SIB TO EMBRYOS SELLING-\$190,000 CONLEY BK MULBEN PRIDE 4890

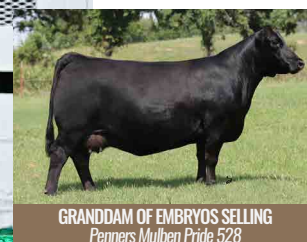

Come back to the auction boys and dig in! Here is your very first and quite possibly only chance to buy full sib embryos to the \$190,000 sale topper at the 2025 Conley spring sale that went to the Moore family in Oklahoma. Conley BK Mulben Pride 4890 made her debut this fall at the NAILE where she was Division Champion in both the Jr and Open shows!

The dam of the embryos selling has cow power running deep in her veins. Her dam is the great Penners Mulben Pride 528 and her granddam is the famous P R Lady 4200-587. That pedigree packs a punch! This same pedigree would have yielded the Nowatzke family's 2014 American Royal Champion, and \$114,500 female P R 3921 BF-909 and Conley South Point 8362.

Aside from everything that we have already talked about in the footnote above, we need to mention that the sire of the embryos selling is Conley Bristow 2317. If you've been paying attention, you've noticed that his semen is off the market and virtually impossible to get. Smart money pay attention here!

DAM OF EMBRYOS SELLING-TW SHANIA 260K

TW Shania 260K represents a fresh new class of promising donor females at Twin Willow Farms. This eye-catching beauty was the Grand Champion Red Angus Female at the 2023 American Royal as a calf and returned a year later to be named division champion at the Royal in a very tough red show.

TW Shania 260K is a direct daughter of the well-known J6 Guinevere 106G who has easily earned her spot in the history books. Not only is Shania 260K backed by a proven dam but she herself is one of the most eye appealing cows at Twin Willow Farms. The matings being offered are intriguing to say the least. FULL/MATERNAL SIB TO EMBRYOS SELLING-CLF PIN UP GAL 40M BY 24 KARAT

There is no doubt that the Pin Up Gal family is known for producing quality however, what is truly impressive is their ability to continue to outproduce themselves into the next generation. Pin Up Gal 8105 is a direct daughter of Seldom Rest BRMF Pin Up Gal that has generated notable champions for Rob Oakley and Georgia Bezner that have gone on to be champions and powerful donors for those operations. It is apparent that Seldom Rest Pin Up Gal 8105 is one of the premier daughters of that family!

The Bayer family has been a constant at the backdrop in recent years at all levels with bred and owned stock campaigned by Tucker Bayer. Some of those big wins have been made possible by 8105 in just 3 short calf crops. A Pin Up Gal 8105 son by SAV Stardom was Grand Champion B&O Bull at the 2024 NJAS.

A full sister to the "A" lot embryos named CLF Pin Up Gal 40M has had a monster show season being named Grand Champion bred and owned and the Supreme Female at Atlantic Nationals, 5th overall Bred and owned at the recent Jr. Nationals in Tulsa, Reserve Champion Angus Heifer at the American Royal and most recently Reserve Grand Champion Angus Female at the 2025 NAILE. Let's not forget the \$66,000 valuation daughter of casino in their most recent sale. The proof is in the pictures, and the quality is hard to miss.

MATERNAL SIB TO EMBRYOS SELLING-FHSU MS WIDE LOAD 022K

MANN MS Wide Load 800 355 has put herself on the map over the last two years with the success of her offspring. Add in the fact that she is a full sister to the popular MANN Red Box 55C and you'll see why her genetics have been in high demand. In 2023 a TMAS Preacher 902G X MANN MS Wide Load 800 355 topped Neal Thompson's Revolution sale going to the Orr family. Once in their capable hands, MS Wide Load 022K would go on a major winning streak being named Reserve Grand Champion Red Angus at the 2023 Tulsa State Fair, Reserve Grand Champion Red Angus at the 2024 Oklahoma Youth Expo and finally, 3rd Overall Red Angus Female at the 2024 Junior National.

MANN MS Wide Load 800 355 offspring have traditionally been sale toppers. In 2022 her calves averaged \$16,000 and \$12,000 in 2023. The crew at Prime Genetics have brought you fresh and versatile matings that will be exciting no matter the sex of the final product!

SIRE: SCC SCH 24 KARAT 838 X DAM: PLUM CREEK ANNIE LU 4472 – REG AAA # 20443107

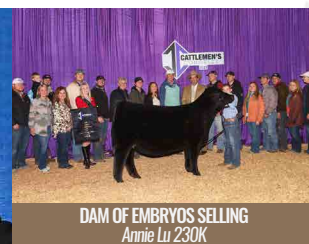

DAM OF EMBRYOS SELLING-ANNIE LU 230K

When you think Angus, one of the first names that should come to mind is Annie Lu! This impressive female is a direct daughter of Mark & Deb Core's famous Plum Creek Annie Lu 4472 donor that has consistently lit the world on fire the last decade! Braylen Schaeffer had an incredible show career with Annie Lu 230K leading her to 4th Overall Female at the 2023 North American Jr Show, Reserve Grand Champion Angus at the 2023 Cattlemen's Congress as well as Grand Champion Female at the 2022 Hoosier Beef Congress!

The fall of 2025 was the initial offering of Core Annie Lu 24K 230K offspring and they were well received to say the least! The prestigious lot 1 at the Schaeffer/Tice fall bid-off was a \$47,500 Encore X 230K that would go on to be Calf Champion at the NAILE for Cambria Cook while a second daughter by Encore sold for \$15,000. A pair of Blacklist X 230K daughters sold for \$40,000 by way of May Cattle Company and the other sold for \$30,333 in the Sullivan Farms Maternal Legends Sale.

The embryos selling are intriguing to say the least. KR Casino has left a long trail of high sellers and winners across the country. We believe this may be Core Annie Lu 24K 230K's very best mating to date. A truly exciting genetic package!

DAM OF EMBRYOS SELLING-UDE PEARLE 224K

This is an incredible opportunity to tap into the famed Pearle cow family that has had so much success over the last few years. UDE Pearle 224K was a previous \$18,750 high seller from the Udell program before she went on a hot streak in the show ring. Her extensive resume includes Reserve Grand Champion Red Angus Female at the 2023 National Western, Grand Champion Red Angus Female at the 2023 Iowa Beef Expo, Reserve Grand Champion Female at the 2023 Iowa State Fair Open & Jr Show. UDE Pearle 224K was also a many time breed champion at several jackpot shows as well as several division titles at the NWSS and American Royal.

Maternal sisters to UDE Pearle 224K include EDG Finley 3121 who was a many time champion for Hadley Hartman including Supreme Champion Jr Female at the 2020 American Royal, Grand Champion in both shows at the North American, Grand Champion in both shows in Denver and Grand Champion Owned Female at the 2019 NAJRAE. Another sister by 4MC King of the Cowboys 706 was a \$30,000 high seller in a past Udell bred female sale to Hidden Oaks Cattle. CIRCLE M CHOICE FLUSH LOT

It's not often that the opportunity to flush a national champion comes around. Let alone the ability to take your pick out of a string of dominant females across multiple show seasons that represent some of the most elite cow families in the business. Circle M Farms and their partners have made waves since jumping into the Angus breed in the fall of 2021 and for good reason. They select cattle that can win on the biggest stages and generate at the next level throughout their progeny.

The Circle M crew has a storied lineup of females that they have acquired over the past few years from some of the top firms in the country. We felt it was only right to offer the best of the best being the six females that have made it to the once in a lifetime backdrops. The homework is done for you here and the only thing left to do is decide which champion is your favorite.

Terms of IVF cycle: The buyer is purchasing the right to one IVF aspiration for choice of the females listed above. The buyer will receive a minimum of 6 transferrable embryos guaranteeing two 60-day pregnancies. On all embryos produced above 10, the buyer receives the odd numbered embryos, and the seller receives the even numbered embryos. The buyer pays all costs associated with the flush including the cost of semen. The seller will pay freezing cost on any embryos they collect. The donors will remain under the care and management of the seller, who will coordinate all IVF scheduling. Should the selected donor fail to produce a minimum of six (6) transferable embryos, the buyer will be entitled to one additional aspiration on the female of choice. Please contact Chan Phillips for further details.

SIRE: SAV PRESIDENT 6847 X DAM: CHAMPION HILL BLACKBIRD 8411 – REG AAA # 20139959

FULL SIB TO EMBRYOS SELLING-\$91,000 DAUGHTER BY NEW HEIGHTS

We are pleased to introduce one of the young superstars in the Angus breed and cornerstones of the Boyert donor battery, Conley DT Blackbird 1067. Blackbird 1067 was the Boyert brothers pick from the Conley sale a few years ago. Her exceptional quality and outcross pedigree made her an easy choice to bring back to Pleasantville. 1067 was only shown once and she won her class at the highly competitive National Junior Angus Show.

This October a select few sisters headlined the Boyert-Core sale where they would be received extremely well by the public. A trio of daughters sired by UDE New Heights Sold for an amazing \$91,000, \$17,000 and \$8,250. Just a short month earlier a New Heights X 1067 daughter sold for \$9,250 in the Boyert-Core pasture sale. In addition to the females mentioned above, there have been a limited amount of fall born heifers sold out of 1067 and one of them was a multiple time jackpot show winner for the Stump family in Kansas. This proven mating is as close to a sure thing as you'll find!

DAM OF EMBRYOS SELLING-T/R NFF PRINCESS E307

T/R NFF Princess E307 has stood the test of time and proven herself time and again through her elite daughters. E307 was a decorated champion herself being named Grand Champion Angus Female at the 2019 NWSS. Her daughters have followed in her footsteps topping sales and winning shows across the country.

This fall, T/R NFF Princess E307 has a big year with several daughters fetching big prices in prominent sales. A Hill Valley Reckoning X E307 daughter commanded \$47,500 at the Nowatzke sale while a maternal sister by 24 Karat sold for \$22,500. In the Campbellco sale this September a Casino X E307 sold for \$17,000 while a 24 Karat X E307 sold for \$13,000.

During the 2022/2023 show season a E307 daughter by Dignity sold for \$25,000 to the Jones family and placed top 5 at numerous jackpot shows and eventually was named Grand Champion Angus Female at the 2023 Ohio State Fair.

Other daughters by Dignity include a \$65,000 female sold to Sara Sullivan, a \$50,000 female that sold through the 2021 Nowatzke production sale and a \$15,000 female sold through the 2023 Nowatzke production sale. E307 has worked when mated to multiple bulls as a daughter by Regulate sold last fall for \$19,000, a daughter by Syndicate sold a few years ago for \$15,000 and a Casino sold for \$20,500. TC ADELLE F2

SIRE: RED RAINBOW TRANSCENDENCE 29B X DAM: BIEBER ADELLE 311Y – REG RAAA # 4305109

DAM OF EMBRYOS SELLING-TC ADELLE F2

Rimpel Show Cattle have meticulously grown their Red Angus donor battery by selecting proven females such as TC Adelle F2 over the last few years. The Adelle cow family have had major impact in various herds including the TC Reds program where Adelle F2 hails from. The dam of Adelle F2 is Bieber Adelle 311Y, a female that needs no introduction in the Red world and who is responsible for multiple daughters of influence including TC Adelle F4, a full sister to Adelle F2 and previous sale feature in TC Reds September sale.

TC HOC Lone Star 22K, A popular son of Adelle F2 and maternal sib to the embryos selling was the \$37,000 selection for Hidden Oaks Cattle of Texas. With limited use Adelle F2 has knocked it out of the park. The embryos being offered in the Angus Elite could likely result in a highly marketable show heifer or the next breed leading donor candidate. This mating is the perfect blend of phenotype and pedigree!

S SIS SANDY 104

SIRE: GCC TOTAL RECALL 806T X DAM: K N C CABIN CREEK SANDY 804 – REG AAA # 16742581

MATERNAL SIB TO EMBRYOS SELLING-CONLEY SANDY 5104

The Sandy cow family carries the stamp of excellence. It's that simple. There are very few, if any cow families that have the number of daughters that have produced at the level of the Sandy derivatives. S Sis Sandy 104 is a direct daughter of the famous K N C Cabin Creek Sandy 804 and has been a big-time producer for the Conley program for many years and is still going strong.

Most recently in the 2025 Conley Cattle production sale a daughter by Primo commanded \$17,500 through the ring. Before this fall, daughters of Sandy 104 have won on the highest levels including Conley Sandy 5104 who was the 2016-2017 ROV Show Heifer of the Year and now is a \$1 Million + producer. Another 104 daughter of note would be Conley Sandy 8104, the \$75,000 sale feature in 2022 that was purchased by K&M Cattle.

We could continue and tell you what each of these daughters have produced and the countless AI sires that stem from this line but there just aren't enough pages in this book. Usually that's just a cliché saying, but in this case it's the truth!

SIRE: C&C INTUITION 7104 X DAM: EXAR WINNIE 9790 – REG AAA # 20119746

DAM OF EMBRYOS SELLING-EXAR WINNIE 1544

We would like to thank Caprock Cattle and Brooke Polzin for bringing this young rockstar to the bright lights of Las Vegas! EXAR Winnie 1544 was the \$125,000 open heifer purchased by the Allison family in a past Express sale. After a successful show career, it was time for Winnie 1544 to hit the donor pen and boy, did she make her presence known!

In the 2025 Express Ranches “Big Event” sale the first four Winnie daughters sold at auction. To say they were well received would be an understatement. The four daughters averaged \$58,250. The high seller of the bunch was EXAR Winnie 5677, the \$120,000 daughter by STAG Good Times 201 and full sib to the “A” lot embryos being offered. The other three daughters include EXAR Winnie 5673 at \$45,000, EXAR Winnie 5611 at \$42,000 and EXAR Winnie 5731 at \$26,000.

The “A” lot by STAG Good Times 201 gives you the option to replicate the \$120,000 “Big Event” high seller or swing for the fences with the “B” lot embryos by the how new sire UDE New Heights 62/87.

SIRE: SILVEIRAS STYLE 9303 X DAM: SCC HARA ERICA 4102 – REG AAA # 20189762

DAM OF EMBRYOS SELLING-SCC HEART N SOLE 153

Even with a limited number of daughters born to date, SCC Heart N Sole 153 has quickly staked her claim as one of the top Angus donor females in the Jones family arsenal. SCC Heart N Sole was the 2023 National Western Champion Angus Female as well as Reserve at the 2022 Atlantic National and Reserve Supreme at the Ohio Beef Expo. Other placements of note include Grand Champion Cow Calf Pair at the 2023 NJAS and a Division Championship at the 2022 North American.

The very first Heart N Sole 153 daughter to sell at auction went through the ring at the 2024 High Standards Female Sale commanding \$122,000 to Express, Callahan & Nowatzke. TJSC Heart N Sole 136M hit the ground running claiming accolades such as Grand Champion Angus Female in both rings at the Ohio BEST 2025 Saddle & Sirloin, Ring A Reserve Champion Heifer Overall at the 2025 OSU Scarlet and Gray and 4th Overall at the 2025 Clark County Cattle Battle. Look for this female to be campaigned at the majors this fall.

The 2025 High Standards Female Sale featured two Heart N Sole 153 daughters that gathered great interest. The first female, TJSC Heart N Sole 310N commanded \$30,000 selling to Canada and is a full sib to the embryos selling by BNWZ Dignity 8017. The second female, TJSC Heart N Sole 122M headlined the bred heifer division and sold for \$13,000. This female is a full sib to the embryos sired by SCC SCH 24 Karat 838. A proven and popular mating from the stout Jones Show Cattle Angus donor battery!

SIRE: DAMERON FIRST CLASS X DAM: EXAR FRONTIER GAL 7816 – REG AAA # 19967647

DAM OF EMBRYOS SELLING-EXAR FRONTIER GAL 5261

We are excited to welcome Express Ranches back to Las Vegas and WOW; did they bring the heat! The embryos and pregnancy being offered are some of the very first from the 2021 "Big Event" \$125,000 sale feature EXAR Frontier Gal 5261. This incredible female was a past show heifer for Sydney Johnson where she was named Reserve Division Champion several times at majors through her career.

The 2025 "Big Event" sale was a true coming out party for EXAR Frontier Gal 5261 as a pair of daughters sired by BNWZ Paisley 2143 we featured as lots 103 & 104 in the offering. The lot 103 was purchased for \$20,000 in partnership by Dameron Angus & Bloomberg Cattle. The lot 104 female commanded \$9,000. These sisters by Paisley showed us that Frontier Gal 5261 will be the next big thing at Express Ranches!

The pregnancy being offered is exciting to say the least! The sire of the pregnancy is C&C Intuition 7104, the 2019 ROV Show Bull of the year. Adding to his accolades, C&C Intuition 7104 is the sire of Ella Weldon's 2024-2025 Show Heifer of the Year EXAR Princess 3691. The embryos being offered are equally exciting as we expect big things when mated to the popular BNWZ Dignity 8017. Either of these genetic opportunities could result in a major jackpot!

DAM OF EMBRYOS SELLING-CCC DS SARAS DREAM 0389

New donor alert from Sullivan Farms! She may be new, but her pedigree is as proven as you can ask for. CCC DS Saras Dream 0389 was part of Sara Sullivan's 2021 show string where she was selected calf champion at the Cattlemen's Congress as well as Reserve Division at the National Junior Angus Show.

If you follow her pedigree, you will notice that Saras Dream 0389 is a full sister to industry greats such as Nowatzke's CCC Saras Dream 5116 and Colburn Primo 5153. After visiting with Josh Elder, it's clear that 0389 is one of the young rising stars at Sullivan Farms and the foundation to their future! DAM OF EMBRYOS SELLING-SILVEIRAS PHYLLIS 1330

Silveiras Phyllis 1330 has been commonly referred to as a “unicorn” or a “freak show” but no matter what you call her, she’s just good stock! Before entering the donor pen, 1330 had a tremendous show career being named Supreme Female at the Kansas State Fair as well as Reserve Supreme Female at AkSarBen.

In her very short career as a producer, 1330 has had 6 different daughters by 4 different sires that have sold between \$8,000 and \$17,500. 1330 combines some enamoring pieces in an incredibly smooth, and attractive package with a wicked neck attachment and presence, she’s set back in her knee and square all the way to the ground. The comfortability and flex to her spine and hind leg is impeccable, all while packing an admirable degree of pin width and power. There is no doubt that the two matings being offered are her most intriguing to date!

SIRE: KR CASINO 6243 X DAM: KDJ QUEEN RUTH 502 – REG AAA # 20423098

DAM OF EMBRYOS SELLING- UDE QUEEN RUTH 2003

The Queen Ruth cow family that hails from the Udell program has been responsible for as many high sellers and champions across the country in the last few years as any. The dam of this lot was a \$500,000 sale feature in the 2022 "The Advantage" sale who went on to a highly successful show career including 3rd Overall Owned Female at the 2023 NJAS! In this year's Udell production sale, two separate full sisters to UDE Queen Ruth 2003 produced the high sellers with UDE Queen Ruth 5036 at \$500,000 and UDE LGFD Queen Ruth 5019 at \$207,000.

There have been many elite full sisters to the dam of the embryos selling such as the 2021 NAILE Champion Angus Female shown by the Wheeler family and the 2022 Fort Worth Grand Champion Angus Female in the Junior Show campaigned by the Langford family. Other full and maternal sisters to UDE Queen Ruth 2003 have sold at auction for \$135,000, \$110,000, \$90,000, \$87,000, \$80,000 and \$52,000 just to name a few. The list goes on, and the legacy only grows.

This year in the 2025 Sullivan Farms Maternal Legends Sale we saw the very first daughter of UDE Queen Ruth 2003 to sell at auction and it did not disappoint. SULL Queen Ruth 5655N was a favorite of many that visited the sale runs in Dunlap, and her \$40,500 price tag reflected that. When you are building your Angus program it never hurts to have a little “419” and we think Proven Queen 2135 is one of the best direct daughters there is out of that cow. This young donor was Grand Champion Angus Female at the 2022 Keystone as well as Reserve Division at the very competitive Atlantic Nationals.

Over the last year there have been several 2135 daughters that have caused quite the stir. The Schaeffer/Tice team has had two Dignity daughters sell for \$30,000 and \$25,000 and a Blacklist at \$15,000. In the spring of 2025 Pembroke Cattle Company sold a Primo X 2135 for \$30,000. In the 2024 Schaeffer/Tice pasture sale a pair of Casino daughters sold for \$15,000 each. Tim states that this female is one of his top Angus donors that he has a lot of faith in. DAM OF EMBRYOS SELLING-BNWZ SARA'S DREAM 1168

BNWZ Sara's Dream 1168 has surfaced as the top Angus donor for Minnaert Show Cattle and with a pedigree like this, it's easy to see why. Sara's Dream 1168 was a past \$150,000 sale topper in the Nowatzke production sale that was campaigned by Sara Sullivan.

Sara's Dream 1168 herself is a maternal sib to the \$360,000 and \$300,000 high sellers in Nowatzke's 2023 sale, one of which was Supreme Champion Female for Rob Oakley at the Keystone and eventually Grand Champion Angus Female at the 2025 Cattlemen's Congress. In this year's most recent Nowatzke sale, a daughter by 24 Karat sold for \$215,000! 1168 has several popular maternal brothers of note including the Denver Champion BNWZ Executive Decision, The KC Champion BNWZ Paisley and the Fort Worth Champion BNWZ Dignity. Plum Creek Annie Lu 4472

One word that describes the Annie Lu line of genetics. Timeless! This fall saw numerous derivatives of the Annie Lu cow family top sales and win shows across the country including Kinnick Paulsen's Champion Angus and 4th Overall Female at the 2025 Iowa State Fair! Braylen Schaeffer was named 4th Overall Breeding Heifer at the 2023 NAILE as well as Supreme Female at the KILE in Pennsylvania with his Annie Lu 6087 granddaughter. Earlier in the year this same female was Reserve Angus at the prestigious Cattlemen's Congress as well. In 2022 another Annie Lu granddaughter was Supreme Female at the Hoosier Beef Congress. Let's not forget about the 3rd Overall Angus Female 2 years ago at the Iowa State Fair for the Rodgers family. That female was sired by KR Casino. The list of accomplishments is far too long to list but we do want to note that Annie Lu 6087 is the dam of Annie Lu 4472, the high-powered donor for Core & Anderson as well as popular sires such as Plum Creek Paradox and Plum Creek Refresh.

The embryo selections on offer cover all the bases. The "A" lot embryos are sired by the rising star Cloney Bristow who in his inaugural calf crop sired a \$150,000 heifer for Conley and a \$83,000 heifer for Oakley, just to name a few. The "B" lot embryos are sired by the proven maker of champions BNWZ Dignity 8017. True genetic greatness awaits!

KDJ QUEEN RUTH 608

SIRE: PVF INSIGHT 0129 X DAM: K D J RUTH – REG AAA # 18599918

DAM OF EMBRYOS SELLING-KDJ QUEEN RUTH 608

KDJ Queen Ruth 608 is a full sister to Udell's popular Queen Ruth 502 donor that has repeatedly had daughters top their "The Advantage" sale as well as daughters of 502 now doing the same. Both embryo packages selling here will result in full sibs in blood to all the Udell family's high sellers over the last several years.

Through the years the Udell family sold two maternal sisters in blood to the embryos being offered at \$500,000 and \$135,000. Additional daughters of 502 and full or maternal sibs in blood to the embryos selling include \$110,000, \$90,000, \$87,000, \$80,000, \$67,000, \$52,000, \$50,000, \$42,000, \$40,000, \$37,000, \$33,000, \$33,000, \$27,000, \$25,000, \$22,000, \$20,000, \$20,000 and many, many more!

Queen Ruth 608 had 3 Blue Chip daughters sell for \$29,000 - \$25,000 and \$19,000 while a fourth daughter was added to Sara Sullivan's show string and retained in herd. The Schaeffer/Tice program also sold a 608 daughter for \$22,000. Sullivan Farms are just starting to utilize Queen Ruth 608 heavily and we expect big things soon!

CLAIR LANE 74A ERICA 2302

SIRE: HUMMEL PALERMO SA X DAM: BAR-E-L ERICA 74A – REG AAA # 20728967

DAM OF EMBRYOS SELLING-CLAIR LANE 74A ERICA 2302

We hear the phrase “Royally bred pedigree” a lot but if you ever wanted a true definition, it is Clair Lane 74A Erica 2302! When you dive into this pedigree you will see the prolific Bar-E-L Erica 74A who has raised countless high sellers and winner across Canada and the United States and Hummel Palermo SA whose semen is off the market and commanded as much as \$12,000 per unit at times. Full sibs to Clair Lane 74A Erica 2302 have sold as high as \$118,000 in recent years. The best thing about this cow family is that the bulls and females are equally valuable and sought after!

Clair Lane 74A Erica 2302 is the impressive new donor for the Sinclair family that reads like a true producer. Clair Lane 74A Erica 2302 is feminine, angular, moderate and milks like a dream. Clair Lane 74A Erica 2302 has been flushed 9 times and averages 11 transferable embryos per flush!

The “A lot embryo package is sired by the 2023 NWSS Reserve Champion Angus Bull Riverstone Vegas 49H. In a short period of time, Vegas has sired high sellers for Rosebud, Coor, Six Mile and Griswold Cattle. The “B” lot package is sired by G A R Wallace, the newest rising star at Gardiner Angus Ranch. Wallace is a numerical standout but maintains the “look” it takes to raise high selling cattle. This is a true sale feature from Clair Lane!

BHA Lady 300 has been a cornerstone donor for Burns Angus and Holmes Livestock where she has produced upper-level cattle year after year. In the footnote below we will highlight her purebred Angus matings however, she's been just as potent with her Sim and Maine crosses through the years and a whole other chapter could be written there!

In the spring a pair of 300 daughters sold through Charlie Wilson's online sale as featured Angus lots and were well received. Last November a pair of Lady 300 daughters sold through the Hunter Angus sale with a daughter by PVF Blacklist selling for \$21,000 and a daughter by KR Casino trading hands at \$15,000. Earlier that fall the Burns Angus crew marketed their fall female offering by way of private treaty where a Conley Lead the Way sold for \$20,000, a pair of Blacklist's brought \$20,000 and \$15,000, a 24 Karat daughter sold for \$17,500 and a KR Casino daughter sold for \$15,000. Now that's an impressive fall with multiple sires working well on Lady 300!

Other 300 daughters that have sold in recent years include \$45,000, \$40,000 and \$30,000 for half interest. BHA Lady 300 has been featured in all 4 of the Angus Elite offerings to date and when you read her resume above, you can see why!

DONATION RED NORTHLINE KF PROMISE

We are proud to offer this IVF Cycle from Red Northline KF Promise as a donation lot to the Junior Red Angus Association! This incredible lot was generously donated by Hawes Cattle Company and 100% of the proceeds go to benefit the JRA.

Red Northline KF Promise was a highly decorated show heifer before entering the donor pen at Hawes Cattle company. Her list of accomplishments includes Reserve Grand Champion Female at the 2020 San Antonio Stock Show, 3rd Overall Female at the 2020 Texas Junior State Show, Reserve Grand Champion Female at the 2021 Cowgirls in Cowtown, Division Champion at the 2022 Cattlemen's Congress, Division Champion at the 2022 Fort Worth Stock Show, Grand Champion Female at the 2022 Houston Livestock Show & Rodeo.

Red Northline KF Promise hit the ground running once entering production. Her very first calf was Grand Champion Bull at the 2022 Houston Livestock Show & Rodeo as well as Division Champion at the 2022 NAJRA. This is a great opportunity to advance your program and help a great cause, all that the same time!

Terms of IVF Cycle: The buyer will receive a minimum of 6 transferrable embryos with NO cap guaranteeing two 60-day pregnancies. The buyer pays all costs associated with the flush including the cost of semen. The donor will be available to flush immediately. Please contact the seller for further details.
