## GENERAL SALE INFORMATION

**American Shorthorn Association Genetic Condition Disclaimer:** Unless an animal is listed on the American Shorthorn Association "genetic condition status list", the American Shorthorn Association makes no representation of any kind as to whether or not the animal has a genetic condition.

**Terms And Conditions:** Terms of the sale are cash payable to the clerk following the sale and before the cattle are removed from the premises.

**Billed Accounts:** All billed accounts are due within 10 days following the date of the sale.

**Health:** Each animal selling will be accompanied with a state approved health certificate from its state of origin. Buyers should make themselves aware of the health requirements for their respective states.

**Breeding Guarantee:** The Suggested Breeding Guarantee as endorsed by the American Shorthorn Association will be followed.

**Registration And Transfer:** All animals sell with completed pedigrees or applications for registration in the hands of the sale manager.

**Announcements** made from the auction block take precedence over all printed material in this catalog.

**Insurance** will be available for your purchases at the sale. Contact the clerk at the time of settlement for your insurance needs.

**Liability:** Each animal selling will be at the buyer's risk as soon as sold. Neither the owners, employees, auctioneer, sale consultants, sale manager, National Western, American Shorthorn Association or other affiliated personnel can be held responsible for any accidents, but will make every effort to provide for the safety and comfort of those attending.

**Mailed Bids:** We hope you will be able to attend. If you cannot attend, you may mail or telephone bids to the sale manager or representatives.

100% of proceeds of Lots A-D go to the Shorthorn Youth Development Fund Foundation to support the National Junior Shorthorn Show.

fund

## VIP PARKING AT THE 2026 NJSS IN ABILENE

Donated by the SYDF

Save your steps and park in the spot of your choice! We will only offer LIMITED VIP parking. When you arrive at junior national, stop by the office to get your VIP parking pass. We will have a special area for our VIP parking near the barns! *Valid for ONE vehicle only.*

## OFFERING CHOICE FROM TWO CUSTOM-MADE SWEETWATER TRADING COMPANY PILLOWS

Donated by the SYDF

Enrich Your Home with Sweetwater Pillows  
Featuring ASA's 150th Anniversary "America's First" work of art by C.J. Brown Uncompromising quality. Handcrafted luxury. Beautiful imagery. Made in USA. Small family business. These traits have defined Sweetwater Trading Company™ artistic luxury leather pillows for decades. Handcrafted and made-to-order using only superior quality leather and faux leather fabrics, original artwork from the painting "America's First" is printed on genuine chamois leather giving the image a warm and beautifully aged appearance. A thin border of cognac brown faux suede leather surrounds the artwork while bold, hickory brown genuine leather frames the showpiece. Cognac brown faux suede leather comprises the welt and the back of the Sweetwater Pillows.

(A) "AMERICA'S FIRST" CUSTOM PILLOW, 17X15" HORIZONTAL

(B) "AMERICA'S FIRST" CUSTOM PILLOW, 15X17" VERTICAL

Venmo. The promotion has already started and there's gonna be a handful of calves born across the country this spring. But we can do better and we'd like a partner. I do not care what type and kind you like, he's likely a fit. Sound, good looking, big bodied, Homo polled, excellent footed. He's the real deal. His dam has a history that we are super proud of; such as being named a Performance Dam in 2022. He did run on heifers/cows for 60 days this summer and still looks great. If your a numbers person top 5% \$CEZ and top 3% for both \$BMI and \$CPI.

This moderate Boardwalk son out of a flashy Hot Commodity cow comes to you with the potential for any type of cattlemen in mind. Bold through his shoulder and rib, big hiped and big boned, coupled with a level topline makes this bull neat from nose to tail, not to mention there's enough hair there to make a show steer turn his head; this versatile bull can be used in any program and never bat an eye. Don't snooze on those papers either, this well rounded bull lands in the top 25% of the breed for numerous traits all the way from maternal to carcass, great for the next generation of replacement heifers, especially with that top 2% STAY EPD at 21, or for steers yielding high on the rail with a top 10% YG EPD. And the cherry on top, he's Homo Polled. Use this bull with confidence for a flashy look and for a bang for your bucks for EPDs.

# SINGLE PICK OF THE PEN SHORTHORN HEIFERS

The pen of JSF Palermo 172H ET heifers are so similar in type and kind yet each offers their own twist. **19N** is certainly the one that catches your eye. Probably because her dam goes back to Byland Flash. **24N** is the most unique in terms of genotype tracing back to the Royalla Marcia H257 cow we flushed a few years back on a Nic Job offering. **43N** is the 'bull maker' of the group as Dan Donnelly would say. Oh, and she has some pretty well known females in her pedigree that being 85C now at Paint Valley Farms and great grandam being the world famous Gold Rose 451 at JSF. Truly any one of these females is going to add value to your herd. I hope Hector Mario Eyherabide would agree. The legacy of ARG Hector 1777 ET continues.

Awesome show heifer and cow prospect here! I could write a book on how much I love this heifers cow family. Her dam, Steck Cherri C 401, is a granddaughter of the original Cherri 205! She is a maternal sib to multiple Division Champions and Reserves at Jr Nationals, Cattlemens Congress, and Denver. Another maternal sib was also Reserve Supreme Heifer at the Minnesota State Fair and her full sister was Champion Division 3 Purebred in the Jr Show at American Royal. Aside from her elite pedigree, she is awesome in her front third, huge footed, and sound as a cat. We think she has a bright future not only in the show ring but as a cow afterwards too. Don't miss out on this elite female!

# PICK OF THE JSF 2026 ET HEIFER CALVES

## Who do you want?

Mantle or Reincarnation x SULL Crystal's Lady (Dam of CF Payweight).  
The immortal Jake's Proud Jazz x Lovemore 52G.  
Last year's top seller, McCartney x the omnipresent Bella Thorne.  
An oldie but a goodie in Leveldale Javelin x a true Bull Maker, Abbey Road 5F.  
Reincarnation x Nita 50B (Dam of the Proven Calving Ease AI Sire, Dow Jones).  
Old School Cool x Adelaide.

Lastly, but certainly not least, Springsteen or Reincarnation x one of the most productive cows in Canada, Bell M Princess Charlotte 35C.

The list goes on...the opportunity is real and hasn't been offered for 5 years.

Various due dates, with all calves due by 4-5-26. Pick to be made by 9-5-26 and delivered free of charge to the new owners.

BSG Liberty Lassie 2362 of 25J ET

Waukaru Lassie 2024

Selling the right to one IVF cycle flush to take place Spring/Summer 2026.  
Guaranteed a minimum of 6 transferable embryos. Buyer responsible for all flush costs.

We will provide the following semen if buyer wishes: Slurpie (AUS), Solitaire (CAN/AUS), Look Ahead (Sexed Heifer) Basin (CAN), Ronan (Sexed Heifer/Bull, CAN/AUS), Index, Board Room and others.

As the \$34,000-valued Lot 1 feature in the 2025 "Profit by Design" Sale, visitors who saw Liberty Lassie 2362 at the Open House have said that she is one of the best Shorthorn females they have laid eyes on. A daughter of the immortal Waukaru Lassie 2024, she carries her same unmistakable presence of Boldness and Power, but with super feminine front end extras, plus she adds layers of modernization with her added moderation & form efficiency, and a genetic resume that balances traits like few females in this breed can. Backed by elite \$indexes values across the board and anchored in one of the most globally relevant cow families of our time, Liberty Lassie 2362 is the kind of female that moves the needle for both seedstock progress and breed identity. Smart money will be paying attention here.

Flush to take place on or prior to 6-1-26.  
Buyer to pay all Flush costs. Seller guarantees 6 transferrable embryos.

I've never had a more consistent cow in terms of transmitting her phenotype. Excellent Egg Producer. Dam of White Noise, Solitaire, Kendra 337M, and a litter of incredible 2025 ET's by Slurpie. One daughter is our FB cover photo and sold to Steel Hill Ranch on Durham Nation 2025. Check out our Denver Pen and find 311N...Melbourne is his name and being great is his game...Luke Beckler's pick of the bulls and for good reason...he's a dude. 3 more brothers right there with him that will no doubt ring the bell the last Saturday in January.

# PICK OF THE HERD FLUSH

A rare opportunity from The Valley. For the first time in Paint Valley Farms history, we are offering the public the right to flush **any female** in our inventory. The Valley is home to generations of proven maternal power rooted in function, females that stand behind influential sires such as Swagger, Eighteen Seventy Two, and Free Country. Depth, consistency, and production run through this cow herd, and this offering gives you direct access to the genetics that built it.

**Flush to be completed prior to May 1, 2026.**  
**Buyer responsible for all flush costs.**

**CONSIGNED BY: PAINT VALLEY FARMS,  
LEE MILLER: 330-231-6834**

*JSF Gold Rose 85C*

*PVF Adelaide 3J*

*PVF Shadow 65F*

*SBR Fallyn 863F*

The first ever opportunity to flush any cow in the famous and highly productive Deerhorn Program located in Barnesville, Minnesota. Take your pick from over 40 prolific females and flush to any of the Deerhorn Herd Bull Battery or use the bull of your choice.

**Ready to flush in May 2026.**  
**Flush to take place at Bovagen in Brittons, South Dakota. Guarantee of 6 transferable embryos.**  
**Buyer pays flush costs.**

Buyers Choice - CF Payweight, CF In Demand, or SULL Red Knight

Offering three Grade 1, sexed female embryos out of a maternal sister to Wickards 2025 Louisville and American Royal Grand Champion Chelsie Heifer.

Our Chelsie's show career was unfortunately cut short due to a freak accident, but her first calves are now on the ground, and we could not be more excited about them. This is a rare opportunity to add national winning genetics to your herd.

Payweight and Red Knight have been two of the most dominant and sought-after sires in recent years, producing elite females that have excelled both in the show ring and the pasture.

Guarantee: Three Grade 1 embryos. One confirmed 90-day pregnancy guaranteed if implanted by a certified embryologist within one year of sale date. Embryo Location: Transova, MD.

Offering three Grade 1, sexed female embryos sired by your choice of CF In Demand or SULL Red Knight. Neither sire needs an introduction. SULL Red Knight daughters have been topping auctions and winning major shows across the United States. His offspring have quickly become some of the most competitive and sought-after Red & White females in the breed. CF In Demand represents one of the most exciting young sires to surface in recent years. His semen is not yet available to the public, and when it does, demand will be intense. This is an exceptional opportunity to have calves on the ground early while others are just making embryos. Mona Lisa 2117 was 5th Overall as a calf at the 2023 Iowa Junior Nationals and was a true crowd favorite throughout the show. She has since entered our donor program, and we could not be more excited to have some of her first calves on the ground this year. Guarantee: Grade 1 embryos. One confirmed 90-day pregnancy guaranteed if implanted by a certified embryologist within one year of sale date. Embryo Location: Transova, MD.

Kilkee Rising Sun F02 is a dynamic imported sire celebrated for his versatility and balance, a true bull for any cow type. In addition to his exceptional growth performance, Rising Sun recorded an impressive 13.64 inch ribeye area at just 12 months of age. His progeny are sound, round and hit the ground running, adding pounds to your fall calves while producing high-quality bulls and replacement females that elevate any herd. Semen Location: Origen Beef, MT

CONSIGNED BY: THE RISING SUN SYNDICATE  
(CREEKSIDE SHORTHORNS, KILKEE SHORTHORNS, COINTREAU CATTLE CO),

## ASA Disclosure of Genetic Conditions and Performance Data

1. The seller is responsible for disclosure of all known Genetic Conditions at the time of sale. The seller should display in the catalog all Genetic Conditions known to the breed at the time of cataloging. For each animal Genetic Conditions should be displayed in the same format as on the original registration paper or disclosed in a separate box or prominent place for buyers to be notified of the results (both free or carrier status) from testing for Genetic Conditions.
2. The buyer assumes all risk associated with the purchase of known and unknown Genetic Conditions of carrier animals. (Provided the seller has disclosed all Shorthorn Genetic Conditions known to the seller and /or to the Shorthorn breed at the time of sale)
3. The Seller is not responsible for any new Genetic Conditions that may be determined or discovered by the ASA after the time of sale for any animal or genetic material.
4. The seller should print in the catalog all EPDs and accuracies for each EPD trait and all breed indexes on each animal selling. This information should be presented in a standardized manner as seen in sire summaries or breed EPD information released by ASA. This performance information should be the latest and most accurate data at the time the catalog is printed, providing the animal qualifies to have EPDs attached to their registered pedigree. Any other pertinent performance data such as BW, WW, YW or Carcass Data that is available should be added to the performance listing in the catalog at the seller's discretion.
3. Special logos with letter terminologies will be given to breeder's sales and / or individual lots in a sale that make it a priority to test and disclose all Genetic Conditions.
  - a. **DSF PHAF THF** (Genetic Condition Free) – The green genetic condition with an "F" listed means it has been tested and confirmed FREE of that Genetic Condition.
  - b. **DSC PHAC THC** (Genetic Condition Carrier) – The red genetic condition with an "C" listed means it has been tested and confirmed CARRIER of that Genetic Condition.
  - c. **DSP PHAP THP** (Genetic Condition Potential) – The yellow genetic condition with an "P" Listed means the animal has NOT been tested but animal is a POTENTIAL CARRIER of that Genetic Condition. This animal has a tested carrier in its immediate 3-generation pedigree and is considered a potential carrier.
  - d. **DSH PHAH THH** (Genetic Condition Potential) – The purple genetic condition with an "H" Listed means the animal has been tested and is a homozygous for this Genetic Condition.
4. Any donor dam and AI sire that does not have all the required tests that makes them Donor Dam Qualified and/or AI Sire Qualified; the resulting progeny will need to be tested for those tests missing in order to be eligible for registration at the American Shorthorn Association.

Dear SYDF Supporter,

Welcome to the pages of Both Summit National Sales, OKC and Denver. It is truly exciting that the Shorthorn Breed can support two National Sales with unbelievable quality offerings in both events! Thank you to everyone who contributes to the success of these sales.

It is amazing to me of what the Shorthorn Youth Development Fund (SYDF) has accomplished in the last five years with the single goal of supporting the National Junior Shorthorn Show and our Shorthorn Youth. None of this would be possible with you supporting the SYDF efforts that a very dedicated Board of Directors continues to organize and orchestrate throughout the course of the year. I am honored to serve on this Board with Julie McMahon-French, Nancy Grathwohl-Heter, Jerry Nickel, Kevin Wendt, Mark Gordon and Montie Soules. I would also be remiss if I didn't thank Shelby Diehm, the entire American Shorthorn Association Staff, and the American Junior Shorthorn Association Board of Directors for all the hard work they put in on behalf of Shorthorns and SYDF.

Please take some time to review the SYDF lots selling both in OKC and Denver to work toward continuing our mission to support the Shorthorn Youth of America.

As always, if I can be of assistance please reach out.

Sincerely,  
Jeff K. Aegerter

The Shorthorn Youth Development Fund was established in 2020 to provide financial support to develop Shorthorn Youth as cattle producers and responsible, productive citizens. The fund is dedicated to enriching the lives of youth interested in agriculture, through support of the educational & leadership activities of the American Junior Shorthorn Association.

The SYDF is a non-profit organization and resource that allows you to directly invest in the future of the breed that is your business, your lifestyle and your passion. This platform streamlines the donation process to make contributing to youth more accessible to everyone, especially those whose business directly benefits from junior and family customers.

There are many ways to donate. You can donate a lot in your sale to become part of the Royal Society Club or make an annual pledge to the Shorthorn Red, White and Roan Club. Membership level for each club is based on the actual monetary value of your donation. Club members receive recognition in many forms.

The fund accepts checks, cash and credit cards. You can even set up your contribution to be billed directly to your DigitalBeef Registry Account. No contribution is too small, and every dollar counts!

By making the commitment to pay it forward through your pledge to the SYDF, today's breeders accept responsibility of seeing to it that our youth have the opportunities they need to be the breeders of tomorrow!  
Contact [shelby@shorthorn.org](mailto:shelby@shorthorn.org) if you have any questions or would like to donate.
