GENERAL INFORMATION

Once the buyer has made payment, the sale staff will notify the seller to release the purchased items. Please note that it is the responsibility of the BUYER to contact the seller and make arrangements for your purchases. If you are not prepared to take possession of your purchases, then the BUYER must contact the storage facility and have the items stored under your name. With that being said, it is also the sole responsibility of the SELLER to notify the storage facility of new ownership once the items have been paid for. In some cases, the newly purchased items will be stored at the farm or ranch of the seller. In this case the BUYER will contact the seller and make pickup or shipping arrangements. All transfer of embryos/semen is between the buyer and seller. PLEASE NOTE THAT THE BUYER IS RESPONSIBLE FOR ALL SHIPPING COSTS OR INSURANCE COSTS ON ITEMS PURCHASED.

EMBRYO GUARANTEE

All the embryos being offered on this sale are either grade 1 or 2 and are guaranteed alike. All embryos selling are either ET or IVF Direct Thaw. Furthermore, the embryos selling have all been collected by a reputable facility. Unless it is otherwise stated in this sale book, the sellers of embryo lots will guarantee (1) 60-day pregnancy if:

- 1) Transfers must take place in one calendar year of the sale date
- 2) Transfers are performed by a licensed embryologist
- 3) If you do not establish at least one 60-day pregnancy you will be given additional embryo(s) from the seller of the same mating or an agreed upon suitable replacement of similar value.

FLUSH OR IVF CYCLE

Specific terms for any right to flush or IVF cycle lots will be listed as such on those individual sale book pages.

REFERENCES TO CLONED DONORS AND CLONED SEMEN -

All embryos out of a cloned donor dam or sired by semen from a cloned sire will be referred to in this catalog by the original name of the donor/sire.

Please note that the sale management acts only as an agent between the buyer and seller. Humphrey Agri Marketing Solutions, LLC and its representatives are not to be held liable, financially or otherwise for any livestock, merchandise or accidents. The sale book was prepared with information provided by the seller and is assumed to be correct. ALL warranties on cattle or merchandise sold is the sole responsibility of the seller.

LOT A - SELLING 100% INTEREST & POSSESSION

LOT AA - FULL SIB EMBRYOS TO CRFT TURN THE PAGE 550N ET
 1 PACKAGE OF 3 EMBRYOS SIRED BY JABR ALL MIGHTY 250K

Over the years the Maine Exchange sale has been fortunate to market many sires that have went on to make an impact on the breed. We do not say this lightly when we tell you that CRFT Turn the Page 550N ET may hold as much potential and upside as any that have come before. This young sire's pedigree is stacked both top and bottom with high sellers, winners and producers. The dam of Turn the Page has produced numerous females that have won majors or their daughters have raised major champions. The sire of Turn the Page is none other than JABR All Mighty 250K. In his first two calf crops he has sired many high sellers and a handful of major show winners including the Gabriel/VanVorhis 5th Overall Supreme Female at this year's North American.

Turn the Page is an absolute specimen. A sire that can carry this much body, hip and huge bone work yet maintain the ability to stride and flex with ease is hard to come by. He not only carry's the performance that it takes to excel but he does not give up on eye appeal and big shag! This is the purebred Maine-Anjou sire you've been searching for!

Selling 100% possession & interest. The seller retains 50 units of semen per year for in herd use.

DAM OF IVF CYCLE SELLING - BCII SCM ESNT MAYA 21M

LOT 1 - 1 IVF CYCLE - BC II SCM ESNT MAYA 21M

BC II SCM ESNT Maya 21M has been one of the most talked about Maine-Anjou females in the breed so it only seemed fitting that we offer her very first IVF cycle for public auction right here at the Maine Exchange!

Maya 21M is the reigning North American Grand Champion Maine-Anjou Female. This impressive beast has only shown a total of four times. At the NAILE like we just mentioned, Champion Maine Female at the OSU AGR and ultimately 3rd Overall and 4th Overall in each ring. Maya was Reserve Grand Champion Commercial Female at the 2024 KS Beef Expo, and she was Grand Champion Breeding Prospect Heifer at the 2025 National Western.

This past fall there were 4 maternal siblings to Maya that sold and they all commanded a premium. \$120,500 by One for All, \$88,000 by Apex, \$45,000 by One for All and \$20,000 by One for All. Without a doubt, this is one of the more exciting opportunities to surface this season. Thank you to the Arthur family for allowing us to market this rare IVF cycle!

TERMS OF IVF CYCLE: The buyer will receive a minimum of 6 transferrable embryos guaranteeing two 60-day pregnancies. On all embryos produced above 12, the buyer receives the odd numbered embryos, and the seller receives the even numbered embryos. The buyer pays all costs associated with the flush including the cost of semen. The seller will pay freezing cost on any embryos they collect. The donor will be available to flush approx. May 15, 2026. Please contact the seller for further details.

LOT 2 B - 1 PACKAGE OF 3 EMBRYOS SIRED BY BBR MADE MAN 15K

Year after year we get the distinct privilege to feature the very best of the frozen inventory from Blind Badger Ranch. This year they have pulled out all the stops and given you access to the best of the best!

The "A" lot embryos selling are full sibs to the \$172,500 high seller from the Diva's & Donors sale that would eventually go on to be named Grand Champion Maine at the 2025 AkSarBen and Reserve Chi Female at the 2025 NAILE for the Dunklau family

BBR Zena 298Z is the dam of Kelton Arthurs heavily decorated All Me daughter that was 3rd Overall Supreme at the 2022 North American, Grand Champion Maine-Anjou at Cattlemen's Congress, Grand Champion Maine-Anjou at Kansas City and Grand Champion Maine-Anjou at Junior Nationals.

There have been a pair of Broker sired maternal sisters to the embryos selling that gathered a lot of attention. Kelton Arthur campaigned one of them to Grand Champion Maintainer at Junior Nationals as well as Reserve Grand Champion % Simmental Female at the AJSA Classic. The other mentioned Broker daughter was successfully shown by Tyson Fox where she was Supreme Champion Female at the Cheyenne Livestock Expo and 5th Overall at Maine Junior Nationals.

The embryos by All Me are proven and way good but were not so sure that the eggs by BBR Made Man might not be even better!

LOT 4A - 1 IVF CYCLE - WILSON 300 DONOR

LOT 4B - 1 PACKAGE OF 3 EMBRYOS Sired BY TLAC HITS DIFFERENT 1409L *SEXED FEMALE*

You will struggle to find another cow within these pages with a more prestigious and proven track record than that of the Wilson 300 donor! 300 herself was a heavily decorated champion who would ultimately be named Grand Champion Mainetainer Female at the 2019 National Jr. Heifer Show before entering the donor pen.

When you study her resume it's clear to see that 300 works just about any way you mate her. Daughters by Memphis Mafia have sold for \$125,000 and \$45,000 through Paulsen's sale and \$18,000 and \$15,000 through Wilsons sale as well as one at \$10,500 from Brad Smith. The 300 daughters by All Me have been crowd favorites as well with high sellers of \$58,000, \$35,000, \$18,500, \$15,000 and \$12,500. Finally, Fitz sold a New Decade for \$15,000.

Steer guys better pay attention as well. 300 had a pair of Chosen 1 sons that sold for \$45,000 and \$15,000 and a Kolt 45 at \$40,000! 300 Daughters are starting to make a name for themselves in the showing as well. This past summer Ava long showed her All Me X 300 heifer to Supreme Champion Female in the FFA Show at the Iowa State Fair and Hendrix Wilson was 3rd Overall Chi Composite at Jr. Nationals with another All Me X 300!

This is an unprecedented opportunity to acquire an IVF cycle on one of the most influential females in the business or select a package of embryos sired by one of the hottest and most proven sires in the business, Hits different! Please note that 300 has averaged 14 embryos on lifetime flushes and has had flushes as large as 36, 30, 28 & 23!

TERMS OF IVF CYCLE: The buyer will receive a minimum of 6 transferrable embryos guaranteeing two 60-day pregnancies. On all embryos produced above 12, the buyer receives the odd numbered embryos, and the seller receives the even numbered embryos. The buyer pays all costs associated with the flush including the cost of semen. The seller will pay freezing cost on any embryos they collect. The donor will be available to flush immediately. You will not find a more rare, more proven, more right for the times Maine-Anjou female than BMW STCC Maya 213J. There have never been embryos offered from her and quite frankly, Jake may never let us offer these again. Saddle up!

BMW STCC Maya 213J is the dam of Kelton Arthurs 2025 Grand Champion Maine-Anjou Female at the NAILE. This same female was also Grand Champion Breeding Prospect Heifer at the 2025 NWSS and Reserve Commercial Female at the 2025 KS Beef Expo. Not a bad track record for only being shown 3 times!

This fall BMW STCC Maya 213J continued to show why she is one of the greats as four of her daughters garnered attention across the country. A daughter by One for All topped the Coor Cattle Sale at \$120,500 while the second high selling Maya daughter was an \$88,000 Apex daughter that sold through the Schelske pasture sale in South Dakota. Additionally, a pair of One for All females sold for \$45,000 and \$20,000.

The mating being offered by TLAC Hits Different 1409L could be next level good. Take what we've seen from the Hits Different cattle and cross it with Maybe and we expect greatness!

A new era of the Trixie legacy is about to begin! From greatness comes greatness and that's exactly what we are seeing unfold with Trixie 0105 M101. This female is a direct daughter of CELL Trixie 0105H, the 2022 Cattlemen's Congress Grand Champion % Simmental Female and 2021 NAILE Grand Champion % Simmental Female.

The donor dam of the embryos selling, Harker's Trixie 0105 M101 is a heavily decorated champion for the Harker family who claimed major titles across the country including Grand Champion Mainetainer Female at the 2025 American Royal, Supreme Champion Female at the 2025 World Beef Expo, Grand Champion Mainetainer Female at the 2025 Jr. National, Grand Champion Bred & Owned Mainetainer at the 2024 NAILE, 3rd Overall Female at the 2024 World Beef Expo, and 4th Overall Female at the 2024 Hoosier Beef Congress

As we mentioned earlier, the Trixie cow family stamps them out with quality. Just this past December a maternal sister to Harker's Trixie 0105 that is sired by DUEL Icon was named 5th Overall Female at the 2025 Hoosier Beef Congress. We think these very first frozen embryos from Trixie that are sired by BBR Kingston will be ridiculously good!

MINN Katie 016H has earned one of the top spots in the Minnaert donor battery over the last two years and her resume speaks for itself! Katie 016H was successfully shown by the Wilkens Family in 2021 where she was Reserve Grand Champion JR Maine Angus Female at the American Royal!

The fall of 2025 has been one for the record books. A Mafia x Katie 016H was recently named Reserve Grand Champion Maine Angus Female for the Seys family at the North American while an All Me X 016H was named Div. Champion for the Hendrickson family at that same show. The 2025 sale season was big for Katie 016H as daughters by Safety First sold for \$52,500 and \$23,500, a pair of Bankroll daughters sold for \$35,000 and \$11,500. Additionally, a daughter by Dare 2 Compare sold for \$27,000 and a Mafia daughter sold for \$11,000!

Katie 016H found success early in her first two calf crops as a \$66,000 half interest daughter by Safety First sold to the Guyer family and went on quite the run. This female was named Grand Champion Prospect Heifer at the NWSS, 3rd Overall both rings at the IL Winter Warm Up, Grand Champion Mainelainer at the 2024 Illinois State Fair along with several other top 5 jackpot finishes. This female capped off her show career by being named Grand Champion Maine Angus Female at the 2024 North American! Let's not forget her first natural calf MINN Sure Thing who is a popular calving ease sire!

In the fall of 2024 016H daughters continued to be in high demand as a pair of daughters by Bankroll sold for \$28,500 and \$16,000 and one by Dare 2 Compare at \$28,500. This is as close to "no miss" as you will find!

This is a BIG TIME offering straight from the heart of the DUNK herd! When I asked Ryan what he had for the Maine Exchange sale this year he simply sent me a few matings and didn't say much else. As I began to dig into what we had it became very clear that he wasn't playing around and that he was bringing a whale of an opportunity to the city!

BBR Junebug 125J was Wyatt's 2022 show heifer that now has secured herself atop the DUNK Cattle Maine-Anjou donor pen. Junebug is an own daughter of the prolific BPF Eva 517Y which adds an extra layer of maternal potency!

This season was a "breakout" year for Junebug as several daughters headlined some of the biggest sales in the country. A pair of daughters by Driving 80 commanded \$105,000 and \$29,000 through the Winegardner Harvest of Excellence sale in early November. Fitz Genetics sold a Made Man X Junebug for \$40,000 and a Good As It Gets X Junebug for \$16,000.

The opportunity to flush this proven, young donor female is a pivotal transaction that could very well change the landscape of your programs future!

TERMS OF IVF CYCLE: The buyer will receive a minimum of 6 transferrable embryos guaranteeing two 60-day pregnancies. On all embryos produced above 12, the buyer receives the odd numbered embryos, and the seller receives the even numbered embryos. Buckle up and hold on! This is one of the most exciting offerings in the whole book and as right for the times as any! Brent Lowry has assembled a set of donor females that have lit the world on fire this fall and Cherry Knoll Wendy 1761 surely headlines that group!

The embryos being offered will produce full sibs to the \$127,000 sale topper from the Tice Show Cattle Fall sale. This female has already hung a couple banners this winter for Piper Seiss being named 4th Overall and 5th Overall Female at the 2025 Battle at Berkeley show.

A second full sib to the embryos selling was a private treaty purchase by the Steck family that has gotten off to a hot start as well. This female was recently named Reserve Champion Breeding Heifer at the 2025 Nebraska AGR!

We are excited to offer fresh, new genetics out of the \$104,000 high seller from last year's Maine Exchange sale, JABR Miss Data 982G! This young donor female has only scratched the surface in her first couple of calf crops, and we believe she will be a household name very soon since she will see heavy use in the ET programs for Buck & Moore.

JABR Miss Data 982G gained immediate notoriety when her natural calf JABR All Mighty 250K was purchased by Buck Cattle and Rodgers Cattle Company three seasons ago. In the fall of 2024 two of the first All Mighty daughters to sell topped the Jones High Standards Sale at \$130,000 and \$15,000 with the more expensive of the two being named 5th Overall Supreme Female at the 2025 NAILE and 5th Overall Female at the 2025 Maine Jr. Nationals!

Power in the pedigree runs deep as the dam of Miss Data 982G is none other that JABR Celeste 181C, a top producer for the Brower/Craft firm that has produced multiple show winners through the years including Reserve Champion Maine-Anjou at the Oklahoma Youth Expo! This is without a doubt one of the most exciting young donor females in the Maine breed. Make a special note that the sires of the "B" lot embryos BKMT Members Only 12M is not available for purchase making these embryos one of the only ways to get in!

MTF Goosebumps 901G has been a pillar of success for the Carter & Buck programs the last few years and has proven that she can produce elite Maine-Anjou cattle on both sides of the ring. The Goose Bumps legacy is just getting started in terms of her production, but she was a heavily decorated champion herself for the Morton family. Goose Bumps was Grand Champion Maine-Anjou at the 2020 American Royal, the 2021 Cattlemen's Congress, Ft. Worth Stock Show and OYE. This outstanding female also claimed Reserve Champion honors at the 202 AJMAA National Heifer Show.

The embryos selling will be full sibs to the 2025 Maine Exchange high selling feature sire BKMT Maine Street 901M. This impressive creature sold for \$67,500 to DT Farms and Griswold Cattle and would eventually go on to be named Supreme bull at the Tulsa State Fair and Grand Champion Maine-Anjou Bull at the 2025 American Royal. Without a doubt, Maine Street is one of the most exciting Maine sires in quite some time!

We would be remiss if we didn't mention the maternal sister to the embryos selling, BKMT Lucky Stars 318L! This Unlimited Power X Goose Bumps daughter was a many time champion for the Curtin family and most notably claimed the prestigious title of Supreme Champion Jr. Heifer at the 2024 NAILE. Here is a true sale highlight coming to you straight from the heart of the G- herd! Steel Garth was a past tag 101 at the Classic. Anyone who knows, knows! This female headlined their bred division in the sale but was so high quality that they pulled her into the show barn after the sale, worked her a few weeks then drug her to town where she would ultimately win her division at the National Western and win Grand Champion at the 2024 Ft Worth Stock Show. To cap it all off, Steel Garth was awarded the AMAA Bronze Show Heifer of the Year!

Since hitting the donor pen in Stillwater, she has been an automatic favorite! This year's Classic featured several daughters by various sires in the open heifer division. One of the highlights sold as lot 3. This Mafia sired female commanded \$27,000. We are thrilled to offer full sib embryos to GCC Steel Yo Girl 5410N!

The Minnaert program has been a hotbed for elite Maine cattle for years, but they have recently kicked it into overdrive. We are thrilled to feature one of their hottest young donor females, MINN Katie 100J!

MINN Katie 100J stepped on the stage in the fall of 2023 when one of her very first daughters by GOET Driving 80 topped the Coor Cattle fall female sale at \$105,000.

This December another GOET Driving 80 X MINN Katie 100J was the talk of the industry and even referred to by some as a "Unicorn". This incredible female went on to command \$85,000 in one of Minnaert's online sales. Earlier in the fall of 2025 a Mafia X 100J was lot 1 and topped the Josh Streitmatter Cattle Fall Bid-off Sale!

There is no doubt that the Katie line of cattle are dominant and consistent. This is a quick way to have them standing at your gates waiting on them to swing open!

BCII Annie 01J has proven over the last two years that she is a consistent and proven donor female that pumps out crowd favorites and high sellers no matter how you mate her!

BCII Annie 01J claimed top honors at the 2022 North American in the Jr Show, was Champion in the Owned show at the AJSA Eastern Regional and earned several top 5 jackpot finishes.

In her first ET calf crop, BC II Annie 01J had a popular daughter by Remedy that commanded \$81,000 in the Campbellco online sale and another daughter by Double Down sell for \$15,000.

The 2025 sale season proved to be another big year for BCII Annie 01J as her daughter by WEIS All Me was admired by many as she sold for a staggering \$91,000 in the annual Campbellco online sale. LYND Jalyann Bliss 0120H "Sunny" has sorted her way to the top of the BC II donor pen in short fashion. When you study her credentials it's easy to see why. Jake hasn't been shy in telling us that he believes this is one of the best females on his place.

This fall was another standout year for Sunny as a pair of Mafia daughters sold for \$40,000 and \$15,000 through the pastures in Darlington. Later this winter you will also see a full brother that will be promoted by England Show Stock that will turn a lot of heads! A full sister to the Made Man embryos selling was just named Champion Chi female in both rings at the Down 4 The Cause show in Iowa! All in all, the 2025 Sunny calf crop averaged \$20,000!

Last fall Sunny only had 2 ET calves to her credit sired by 24 Karat, and they sold for an impressive \$60,000 and \$50,000 respectively.

Sunny herself was never left out of a top 5 when she was shown and it looks like she's passing that strong trait down to her daughters. This one will be fun to watch for years to come!

WCC Penelope 80L is one of the most decorated champions to ever be featured in the Maine Exchange and that's not something that we say lightly! Her resume includes Supreme Champion Female at the 2024 Illinois State Fair, Grand Champion Maine-Anjou Female at the 2024 American Royal, Reserve Champion Maine-Anjou Female at the 2024 Maine Junior Nationals and Reserve Chi Composite at the 2024 North American. Penelope had huge success at the winter jackpots as well including Grand Champion Female 2023 Down 4 The Cause (both rings), Grand Champion Female 2023 Chillicothe Winter Preview (both rings), Reserve Champion Female 2023 Badger Brawl (both rings), Reserve Champion Female 2023 Illinois Beef Expo (both rings) and Grand Champion Female 2023 WIU Heart of Illinois Show (all 3 rings).

This fall was the very first offering of a Penelope daughter and she was well received, to say the least! The daughter of One for All was featured in the Paulsen Diva's and Donors sale and traded at \$25,000. Without a doubt, that female has us excited to see what's coming next year with a little bigger calf crop!

This lot offers the best of both worlds. You get the option to pick the female pregnancy and reap the rewards much sooner or go the traditional route and purchase the eggs and raise your own! Either way, the Penelope genetics are good real estate to own!

Katy's Baby is one of the most impressive Maine-Anjou females that you will find in Dunlap! This incredible Garth daughter is the 2024 Cattlemen's Congress Champion Maine Angus Female and former \$199,000 high seller from the Fitz Genetics bid-off! Katy's Baby is a direct daughter of Adam Pryor's \$300,000+ producing female, MF Katy 108Y.

This fall was the first initial offering of Katy's Baby offspring. Simmental sired daughters were features in the Sullivan Farms Maternal Legends Sale as well as at Recknor's annual sale. Those few females that were offered were very good, but we'd be lying if we didn't tell you the Maine sired babies coming this spring have us even more excited!

The two matings being offered have an undeniable upside. WEIS All Me 10F has proven himself as a sire of elite level cattle and ROSE Apex 3204L is starting to make some head turners. Both of these matings could deliver a big ROI!

We cannot think of a better stage to debut one of the hottest young females in the Maine-Anjou breed than right here in OKC at the Maine Exchange!

BK MBSB Lucky Break 310L was a sale feature in the Buck Cattle sale and quickly lived up to the expectations that many had for this tremendous female. Lucky Break was the heifer calf champion at the 2024 Cattlemen's Congress but her "luck" wouldn't stop there. In the winter of 2025 Lucky Break would on to be named Grand Champion Maine-Anjou Female at the Fort Worth Stock Show. This was an extra special win being that Ft Worth was the National Maine Show in 2025!

There is no doubt that BBR Kingston has gained steam over the last few years and for good reason with several sons and daughters headlining the Blind Bager sale offerings. Just this fall Kingston sired the Champion Maine heifer at the American Royal. The resulting offspring will make those highly sought after high Maine's. BBR Suga Suga 1027G ET has inserted herself in the discussion of prominent producers over the last two years by producing high selling daughters that have gone on to grab major titles and multiple midwest banners!

In just last year's calf crop 1027G had high selling daughters at Circle F Cattle Company, Competitive Edge Genetics, and Will Coor's to set the stage. These females went on to grab banners at American Royal, King of the Ridge, and most notably the Reserve Champion High Maine Heifer at the 2025 Jr National for the Pettigrew Family!

This year the crew at Circle F has continued to keep the momentum rolling in one of the hottest breeds out right now with an All me daughter commanding \$70,000 at Divas and Donors. Not to mention, the recent Champion High Maine heifer for the Pettigrew Family sired by One For All!

No doubt, that the All Me daughters have proven themselves to be elite at any level but it is easy to see that Jason has got it figured out when it comes to mating this cow and he is confident that the High Road option is the next big thing! FULL SIB TO EMBRYOS SELLING - RESERVE GRAND CHAMPION MAINE ANGUS

LOT 29 - 1 PACKAGE OF 3 EMBRYOS Sired BY WEIS ALL ME 10F **SEXED FEMALE**

Cardi B has generated near \$500,000 in sales to date and we feel like she's just getting started! This summer was a highlight reel of her Maine Angus progeny as her \$47,000 daughter by All Me was Reserve Grand Champion Maine Angus at Jr. Nationals. Fast forward to the fall and a full sister to the Jr. National Champion was a top seller in the Campbellco sale at \$45,000!

In 2024 a SO Remedy 7F X Cardi B daughter was named Grand Champion % Simmental Female in BOTH the Jr and Open shows at the 2024 Cattlemen's Congress for the Collum family of Oklahoma as well as Champion at the 2022 Oklahoma AGR and Reserve Div. 2 at the NAILE.

A Dignity X Cardi was named Grand Champion in Ring A at the 2023 Michigan Winter Classic. The Guyer family campaigned a \$61,000 Relentless daughter to several top 5 finishes including Reserve Overall Female at the Heart of Illinois Show and 4th Overall Female at the prestigious Illinois Beef Expo.

Maternal sisters by various sires have sold for an impressive \$45,000, \$38,000, \$23,500 and \$16,000.

JSC So Sweet 158B has been an absolute standout for the Y Not program for years. Her daughters and sons have topped sales, won shows and went on to be top producers for other firms across the country.

The Data Bank X 158B mating has been the most potent to say the least. It has produced the 2021 Reserve Champion Maine-Anjou Female at the North American and a second sister by Data Bank that went on to be named Grand Champion Bred & Owned Female at the North American. The Cross family from Oklahoma has successfully campaigned two different Data Bank X 158B daughters to multiple division and breed champion titles at multiple shows throughout the state of Oklahoma. Let's not forget Jolly Rancher 20J who has been gaining in popularity.

The Topmiller family has brought two standout matings to the Maine Exchange. Take your pick between the tested and proven Data Bank eggs or select the eggs sired by the widely popular JBOY One for All!

During her time in the showing BPF Princess 999C "Miley" was campaigned by Parker Lockhart and gathered up 14 Supreme or Reserve Supreme Honors and claimed the Oklahoma Club Calf Association High Point Heifer award. Since her impressive days on the tan bark 999C has asserted herself as a top producer in the Lockhart donor pen leaving behind generations of champions and producers to her credit.

The fall of 2025 brought another year of high sellers as we saw her click to yet another sire. There were a pair of full sibs to the pregnancy selling sired by TLAC Hits Different 1409L that sold for \$30,000 and \$20,000 off the ranch. Without a doubt this is one of her strongest matings yet!

In the fall of 2024, a Style X Princess 999C daughter was Calf Champion in Kansas City and has since been a multiple time Grand or Reserve Supreme in Oklahoma!

The years leading up to 2024 have been equally as good. Miley has been extremely potent when mated to a wide range of sires including a \$30,000 Primo daughter that was campaigned by Sara Sullivan and a \$20,000 Primo that sold as lot 18 in the 2022 Griswold Classic! Let us not forget the \$25,000 Primo Miley that sold to the state of Michigan last fall!

Miley has averaged nearly \$20,000 on 16 head of progeny by multiple sires and these females have received division champion honors at the American Royal, Junior Nationals and Cattlemen's Congress. Miley has even produced the promotional grandson, Players Only. This high Maine pregnancy will be an investment that will catapult your program to the next level!

NMR 0-04X has been a proven producer without exception for years. Her ability to produce both elite females and AI quality sires have propelled her to the top of some of the most prominent donor pens in the country!

Last fall a NMR 0-04X daughter by BOE Garth topped the Olson Show Cattle online sale where she rang the bell at an impressive \$75,500! In the 2023 Griswold Classic sale another daughter by BOE Garth sold for \$19,000. Through the years 0-04X has landed many females in the Griswold classic that have sold for that \$10,000 to \$20,000 mark.

The versatility that 0-04X has to make both female and males alike is extremely valuable. She has sons to her credit such as the breed legend and \$600,000 valued Maternal Made and the \$130,000 NMR New Beginnings.

This lot not only provides several high return embryo options but also the ability to cash in quick with this pregnancy sired by the famous Mafia! To our knowledge, this will be the only Mafia X 0-04X daughter in existence!

You read that right! The dam of the embryos being offered is a full sister to the wildly popular BBR Memphis Mafia 3E as well as countless other high sellers and champions from Blind Badger Ranch!

With limited use Elsa has already produced the Reserve Maine-Anjou Female at the 2024 State Fair of Texas sired by In Control as well as a \$15,000 daughter by DUEL Icon.

There is no doubt that the embryos being offered by One for All and All Me could be her most sought after yet! This female is just starting to enter an intense IVF program so we are just starting to see what she can do!

LOT 48 B - 1 PACKAGE OF 3 EMBRYOS Sired BY KMEM NO HARD FEELINGS 414L

Without a doubt, this is one of the cooler breeding pieces in the whole offering! Safer Than the Casino is a full sister to the breed legend Daddy's Money 55Z. Not only is she royally bred, but she's also proven to be a consistent producer of high-quality cattle!

The fall of 2025 included several high lights for Safer Than The Casino offspring including the Grand Champion Maine-Anjou Calf at the Nebraska State Fair as well as an intriguing female that sold for \$9,750 in the Halverson Ranch fall sale that was a result of an embryo purchase from this very sale!

A maternal sib to the embryos selling by End Game is an AI sire in Matt Lautner's lineup. Several daughters have sold well the last few years to traders and as you can imagine, it's been hard to track them down! The two options selling give you options no matter if you want to make awesome Maine Angus or those highly marketable high Maine cattle!

LOT 49 B - 1 HEIFER PREGNANCY SIRED BY JBOY ONE FOR ALL 001J **DUE 2/26**

BC II Sandy 1815 “Nicki” has been a solid producer for several years. Nicki has worked to a wide range of Angus sires as you can see from her resume. We are just starting to see what she can do when mated to Maine bulls and it looks to be extremely lucrative!

There were not many Nicki females that sold in the fall of 2024 but the one that did, turned some heads. There was a daughter by WEIS All Me 10F that rang the bell at \$42,000!

Nicki’s 2023 calf crop grossed just shy of \$200,000. There have been several daughters that have sold high including a 24 Karat at \$100,000, an EXAR Classen at \$80,000, a 24 Karat at \$44,000 and a Good Times at \$25,000. If you are a fan of wild looking Maine Angus with the far-reaching parts, put a star by these matings!

BHA Lady 300 has been a cornerstone donor for Holmes Livestock where she has produced upper-level cattle year after year. Simply put, 300 works no matter the sire and no matter the breed!

This spring a pair of 300 daughters sold through Charlie Wilson's online sale as featured Angus lots and were well received. Last November a pair of Lady 300 daughters sold through the Hunter Angus sale with a daughter by PVF Blacklist selling for \$21,000 and a daughter by KR Casino trading hands at \$15,000. Earlier that fall the Burns Angus crew marketed their fall female offering by way of private treaty where a Conley Lead the Way sold for \$20,000, a pair of Blacklist's brought \$20,000 and \$15,000, a 24 Karat daughter sold for \$17,500 and a KR Casino daughter sold for \$15,000. Now that's an impressive fall with multiple sires working well on Lady 300!

Other 300 daughters that have sold in recent years include \$45,000, \$40,000 and \$30,000 for half interest.
