

OESTERLING —ANGUS—

21st Annual Production Sale

JANUARY 17, 2026

24053 Vote Road | Batesville, IN 47006

Welcome to our 21st Annual Bull Sale! Over the past 21 years, we've weathered the highs and lows of this industry, and we can confidently say we've never seen a stronger, more exciting time to be in the cattle business than right now. The energy, enthusiasm, and confidence we've heard from our customers over the past year has been truly inspiring. Your success drives our passion, and we're thrilled to share this momentum with you as we celebrate another outstanding year.

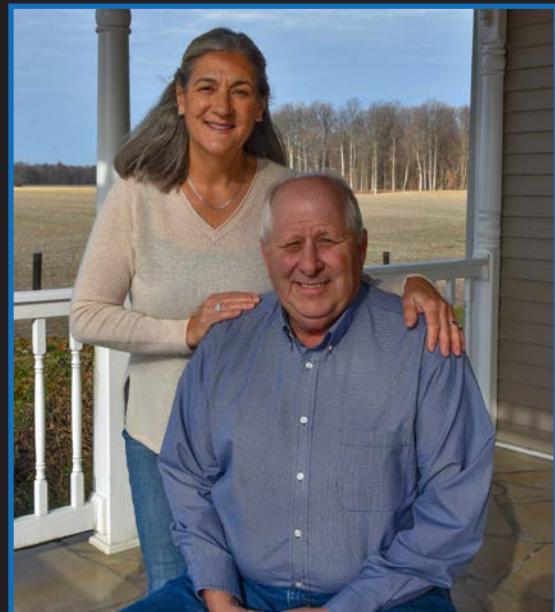

One of the most rewarding aspects of our work is the opportunity to make new friends, as well as reconnect with so many of you who have been part of our story for years. It's these connections that fuel our passion for what we do, and we couldn't be more thankful for the trust and support you've shown us.

We understand that the success of your operation is our success too. That's why the satisfaction of our customers is our highest priority. From the moment you consider purchasing from us, through every stage of the bull's life, and long into the future, we are here to support you. We believe in offering more than just top-tier genetics, but continued support years after your purchase.

Our bulls are carefully chosen for their performance, temperament, and overall quality, ensuring they serve not just as exceptional breeding stock, but also as key assets in the success of your herd. We aim to breed practical, real-world cattle for dedicated cattlemen who rely on producing quality pounds to make a living, and who strive to do so as profitably as possible. We are excited to have you evaluate our 2026 sale offering.

Thank you for considering Oesterling Angus. We look forward to the opportunity to work with you and be a part of your herd's continued success.

Warm regards,
Oesterling Family

Bill and Pam Oesterling

Length, Muscle and Power!

- An older bull with the length, muscle, and power to sire high-performing feeder calves, backed by maternal genetics that will strengthen your cow herd.
- His strong EPDs point to calving ease without giving up growth, ensuring he passes on the kind of performance that adds pounds at weaning.
- Out of one of our favorite young cows, 231 is phenotypically elite and her son displays that as well.
- We plan to use this bull here following the sale, and delivery will be available mid-March.

Pounds, Pounds, Pounds!

- Pounds, pounds, pounds! That's what this guy has done from day one. He is our Valedictorian of this group of bulls, putting up the highest weaning and yearling weights. He has caught everyone's eye since birth.
- Square-made and structurally correct, he carries a thick, powerful top with true 3-dimensional shape throughout. From shoulder to hip he expresses volume, muscle, and balance, giving him the kind of presence and mass that stand out from every angle.
- His dam is a beautiful, picture-perfect Treasure with a superb udder and length of body. She has been a consistent producer here for some time and raised the high-selling bull in our 2021 sale.
- We plan to use this bull here following the sale. Delivery will be available mid-March.

- If you like them stout, look this guy up. He is a true meat wagon. Deep bodied, thick and square in his makeup all with a herd bull feel to him.
- The Satisfaction females have just started to go to work for us, and we really love what we are seeing.
- His Benchmark mother is out of the great 1101 cow, and she looks to be just as good. Moderate and easy fleshing with a big calf come weaning time.

- This thick, deep-flanked bull combines power and docility. He posted 4.02 lbs/day of gain on test and scanned an outstanding 18.5-inch ribeye, making him a performance standout.
- The 1101 cow needs no introduction. She has had many high-selling bulls in the past, and is moderately sized but weans off a massive calf every year. She is the definition of performance.

Thick, Deep-Flanked Bull!

- This Prolific son is as impressive on paper as he is in the pen. Thick-topped, stout-rumped, and long with plenty of muscle, he has the look of a true beef bull.
- His long-bodied, massive Bronc mother is easy fleshing and moderately framed. She had the top-selling bull in our 2023 sale.
- Lots 12 and 14 are flush brothers.

- If you are looking for carcass traits, this guy does not disappoint. With a 173 IMF ratio, he was our highest-scanning bull this year. Tons of value can be added to your calves come harvest time.
- He also looks the part. A real tank in the pen with an abundance of depth of body and rear flank with a super-wide top, he can't be missed.
- His high-producing Foundation mother has a great udder and milks extremely well. Her calves always stick out come weaning time.
- He is an ET brother to Lots 31, 37, and 40.

- This bull puts it all together—an impressively level top, a bold, big barrel packed with capacity, and a small, attractive head that gives him a clean, stylish look. Add in the thickness he carries throughout, and he proves to be a standout in both power and design.
- His Fair-N-Square mother did a wonderful job on him weaning him off with a 105 weaning ratio. All our Fair-N-Square females are working really well, and we're excited to see what the future holds for them.

- Another no-hassle, sleep-all-night calving son who still delivered an impressive 3.8 lbs. per day on test this summer. He offers a fancy, eye-appealing profile with added base width and plenty of muscle, making him a powerful blend of calving ease and performance.
- His Big Money mother stems from the super-productive Escapade cow family. She is moderate in her build and has an excellent temperament.

- This Justice son delivers exceptional growth, posting the highest ADG of all bulls at 4.29 lbs per day. He carries the classic herd bull look, with a level, wide top, excellent muscle shape, and impressive depth and capacity throughout his body.
- 1810 is a Cowboy Up female that is known for yearling growth, and it really shined in this bull. If you feed your calves all the way, make sure and put him on your short list.

- Built with moderate bone and a small, clean head, this Justice son exemplifies superior calving ease. Despite his calving-ease design, he didn't sacrifice performance—coming in strong with a yearling weight exceeding 1,200 pounds.
- Super feminine-looking Emerald mother with moderate frame and sure-fire calving ease genetics.

RL Justice - Sire of Lots 43, 45, 46, 48, and 50.

- Moderate in frame yet bold in dimension, this Architect bull displays great body depth and thickness with a tight sheath.
- His mother is a powerful Shamrock female out of the great Encrita cow family. Bold in her dimension and solid on her feet and legs.

How to Bid Online...

- As a buyer, you do not need an account or to login to watch the sale but you must have a validated account to bid.

- After you are logged in, you must proceed to the sale page for any and every auction and click "Get Buyer Number." Some auctions require a pass-code to obtain a buyer number even after you are approved by CCI.live. Pass codes generally come from the sale manager or ranch for that particular sale.

- CCI.live will operate with ease on a cellular device, laptop, desktop or tablet.

- A modern or current browser is important and will make your experience better. You do not need to install the app on cellular devices to watch a sale. CCI.live is a browser-based application meaning it will play on most new browsers, but you can also download the CCI.live app at the Apple App Store or through Google Play.

- For successful bidding you must have good Internet service! It is very important to be stationary. If you are driving and bidding, expect to have some service issues. If you are stationary on a good device, with healthy Internet, expect a very successful bidding environment. If you have slow Internet watch the "asking price" on the screen - it is real time and refresh your browser if you feel like you have some lag.

- Support line open during all sales. 405-400-9505 - Please contact the ranches for invoices and trucking.
