## *Give Aways*

### **A+ Heifer**

We truly enjoy encouraging youth involvement in agriculture and inspiring the next generation of cattlemen and cattlemen. To help a youth begin or grow their herd, we will be hosting a drawing for a bred A+ heifer! Eligibility requirements include being between 5 and 18 years of age, **present at the sale**, and able to provide a home and transportation for the heifer if drawn. We will draw for the heifer before we start selling the commercial heifers.

This A+ Red Carrier heifer is sired by Duff On Cue 2220, AI'd to Duff Rizz 22271, PE to Duff Pronto 22185 and due to calve in early March.

**Must be present to win.**

### **Custom Engraved Rifle**

To show a small portion of our gratitude to buyers everyone that makes a purchase in our sale will be entered to win this custom engraved Henry Golden Boy 17 HMR rifle! The winner will be drawn at the end of the auction. Do not need to be present to win.

Those that know me well, know there are only three things in my life that rate higher than my love for good cattle.

In order those three things are Jesus, my family and friends!

As I set down and begin to write this sale note my heart swells with joy! Jesus has blessed Todd and I with beautiful family and an abundant amount of good friends! I can't thank our entire crew and family enough for all they do 365 days a year to help make P+ what it is today, we are truly grateful!

If you have any questions please contact us. We sincerely hope you will make plans to be with us sale day!

- Kirk Duff

Largest sale offering to date, combining the Power Plus Bull Sale and Production Sale to bring their very best on one date! The Power Plus brand is making massive strides to deliver what is needed to add value to today's demands: more muscle, spine length, and real performance growth with extreme efficiency built in genetically. Not to mention true maternal traits and fertility with foot quality and phenotype infused. Basically, the Power Plus program aims for optimal gains with less feed in the pasture and the feed yard to get to the finish line at weaning and the kill plant efficiently. This year's sale offering is the largest and best set of bulls they have produced and the most efficient, powerful, and performance-driven set of bulls yet! Powerful is the keyword, along with a super-impressive selection of low birth, calving-ease bulls. There is a select group of significantly proven herd bulls and high-end promotional sires to highlight the sale offering. The opportunity is definitely here to buy into top-end genetics and move to the next level. This year's superb Red and Black Angus & Hereford bulls are deep! I can't thank you enough for your continued support of this program.

As you browse the catalog, if you have any questions about the offering, please call me or anyone at Duff Cattle Company.

We look forward to seeing you in Hobart, Oklahoma!

- Mike Marlow

## PREMIUM NATURAL BEEF

PURE BEEF & PREMIUM BEEF are industry leading, vertically integrated beef programs specifically designed to help you capture more value on your P+ calves. Both brands are source and age verified beef produced with no antibiotics, artificial hormones or beta agonists.

All of Premium Natural Bred cattle are finished with the highest quality, locally grown grains right here in our facilities in Kiowa County, OK. Over the last eight years PNB has come to be recognized as one of the highest quality, naturally produced brands in the country.

We also strive to offer the highest quality grass finished beef which is the Pure Beef Brand. Pure Beef was developed to supply the quickly growing demand for grass finished beef.

To learn more about this unique opportunity:

CR Freeman - 580.471.0294

Kirk Duff - 580.530.1720

Todd Duff - 580.530.0454

## CAVINESS BEEF PACKERS

The success of a vertically-integrated business depends on every link in the chain functioning properly. We are proud to say that all PNB & PB cattle are harvested at Caviness Beef Packers in Hereford, TX. A family owned business, Caviness has the capacity for larger scaled operations but offer the service you would expect from a local butcher.

Allow me to introduce you to RF Lit Up 357, one of the most intriguing creatures we have encountered. From the very start, I knew this animal was one of a kind and special. His body capacity, size, shape, and dimension will definitely grab your attention. Perhaps his most impressive features are his athleticism on the move and picture-perfect structure. His first calf crop is the blow-you-away kind- exactly what we were looking for when we set out to find a unique, out cross sire that would add value here at P+. Genetically, Lit Up is beyond impressive. His sire, Emerald, has proven himself all across the globe. His dam, 29J, is a powerfully constructed female who is quickly earning elite status. Lit Up is a 6.5-frame beef bull that has added pounds of body mass, muscle, and frame size to his offspring. Make no mistake we believe Lit Up is destined for success all over North America. We definitely feel like Lit Up has just barely cracked the door to what he is capable of in the Angus breed. If you are in search of a one-of-a-kind, proven herd sire with big time semen sales potential, we would love to have you as a partner. It is truly worth the trip to Hobart, Oklahoma to lay eyes on this big-time changer that will add valuable pounds in one generation.  
**Selling full possession and ½ American semen rights.**

This impressive herd sire prospect is a proven calving ease specialist. It would be difficult to draw a low birth herd bull out any better. From nose to tail, Harmony is truly hard to fault. Flawless in his structure, ideal in his hoof shape, and sound. His \$160,000 dam Donna 9309 is becoming a household name in the Angus breed. Donna 9309 is as picturesque as you will find. She is loaded with maternal greatness and proven fertility. There's no doubt Duff Harmony will prove to be a positive investment. Live calf plus stack up replacement females. His full brother, Duff Bitcoin, sold as a feature lot in our 2025 Power Plus Bull Sale to Barnes Angus in Cody, NE. Selling full possession and ½ semen interest.

It was a toss-up for what Reno sired bull to start with. These Reno-sired bulls are consistently good to say the least; exactly what we were hoping for! That being said, Okie is next-level powerful, extremely stout featured, with muscle that bulges down his topline, and carries through his hip and down his lower stifle. He has a huge center body and carries the mass with ease. Gaugler Angus Ranch purchased a maternal brother to Okie in the 2024 Power Plus Bull Sale.

Deep ribbed, powerfully constructed with a CED of +13 and a BW -.9, herd sires like Hedge are few and far between. The amount of center rib shape and length Hedge combines is extremely hard to come across! His overall mass and muscle, along with his level topline, and square hip are sure to capture your attention. The elite genetics backing this stud are stellar, combining Duff Dixie Erica 2624 and Coleman Donna 714 cow families, you can't miss! Ranking in the top 3% for \$EN and top 5% for \$M, lot 4 recorded a weaning ratio of 113 and a yearling ratio of 111. He is a true outlier who has real potential for a significant amount of semen sales.  
Selling full possession and 1/2 semen interest.

Double-bred heifer bulls, with this kind of mass and performance aren't on every street corner. Take it Easy is sired by Duff Natural Lite, the very consistent low birth sire who is a maternal brother to Duff Honcho. The proven calving-ease sire of Take it Easy's dam is the highly maternal sire McCumber Tribute. The genetics backing this 69 lbs. at birth beef bull are stacked deep with foundation genetics that will propel any progressive program in the right direction. It is worth noting his weaning ratio of 105 and yearling ratio of 107! Checks all the boxes with an impressive EPD profile as well!

**Selling full possession and ½ semen interest.**

Duff Heaven Sent 2365 is the Duff Red Wood son we always hoped for; one who would carry his torch proudly. Heaven Sent got his name from our dear friend Dale Newman. He walked into the pen, and at first sight, Dale said, "Kirk, this bull is sent from Heaven!" Heaven Sent moves so flawlessly, is packed full of red meat that carries over his topline all the way to his lower quarter. He is deep ribbed and his neck comes out of the top of his shoulders ever so proudly. He is a maternal brother to Duff Territory that sold to Trademark Genetics in the 2024 Power Plus Bull Sale. Rusty Cooper purchased a full sister in the 2023 Power Plus Holiday Highlights Sale. An elite herd sire always has a solid foundation backing him. Heaven Sent has just that- Juanada 927K and the Dixie Erica cow families lineage in a Red Angus bull, is unheard of!!! Promo sire deluxe here, folks! **Selling full possession and 1/2 semen interest.**

Here at Power Plus Genetics, it's a tough but trending decision to offer proven, highly promotable herd sires. Selling PIE Power Plus is a largely untapped source of pure red meat and real performance. Power Plus is far from the norm in the Red Angus breed, with so much added bone, length, massive hip and topline, along with added frame size, and a most impressive, long front one-third. Truly a one-of-a-kind breed-changer. When you see him, it will literally make your eyes pop—recording a weaning ratio of 107 and a yearling ratio of 109! His first calf crop has exceeded our expectations. His sons and daughters verify his ability to sire muscle, performance, length, and depth, in an eye-appealing package. It is evident in every single one! We feel like the sky is the limit for semen sales. Power Plus definitely sires maternal/performance/phenotype in his progeny. **Selling full possession and 1/2 semen interest.**

Comanche is an easy one to put on the very top of your list! Weaning off at 809 lbs. with a yearling ratio of 105, lot 90 checks all the boxes if you're hunting a new herd bull! He is as stout as they come, with extra stretch, a smooth, clean front one-third, and is basically a younger version of his elite sire, PIE Power Plus 2166. Every good, legit herd bull has a stellar foundation and Duff Honcho's dam, the great 1017 donor, powers this stud. Ranking in the top 8% for weaning, and top 5% yearling weight in the Red Angus breed. **Selling full possession and 1/2 semen interest.**

This one right here is the GOLDEN TICKET if you want to take a massive step in a positive direction! Full Throttle in our eyes is easily one of the very best bulls in this year's sale. This stud gets us excited about lot 82, his sire, PIE Power Plus 2166, and what he has contributed in such a short period. Full Throttle may be the most powerful, complete, bold ribbed, sound bull that checks all of the boxes in this year's sale. He is built like a brickhouse on wheels, recording an 823 lb. weaning weight with a yearling ratio of 103. Duff Potency, a maternal brother, sold in the 2023 Power Plus Bull Sale. And just two years later, in our annual bull sale, John Ransom purchased a maternal brother. The sky is truly the limit for this elite Black/Red Carrier in the Black or Red Angus breed. His incredible sire sells as lot 82, and his highlighted donor dam sells as lot 231. **Selling full possession and ½ semen interest.**

**CONLEY C-4 REBEL YELL 402M, LOT 149**

Lot 149 has herd-changing credentials and is exceptional in every aspect, phenotypically and genetically. A direct son of the industry-famous Conley Sheza Star D3. The \$120,000 high-selling female from the 2023 Conley Cattle Simmental Dispersal, selling to Aces Wild Ranch & Lindskov's LT Ranch. Rebel Yell 402M is a maternal brother to both the \$100,000 Conley High Rise F3, a member of the bull battery at Hartman Cattle Company, and Conley Loud & Heavy 410J, the \$25,000 selection of Volk Livestock. Being sired by the \$200,000 EC Rebel 156F adds just another layer of genetic merit to the equation here. The dam of EC Rebel 156F, DSPF Countess 357D, has built a powerful reputation of excellence as she is also responsible for the \$120,000 Renegade and the \$20,000 EC Noble 283J. Daughters include the \$50,000 EC Reba 6H and the \$35,000 EC Countess 283F. This Purebred Simmental powerhouse is untapped, ready to be promoted and/or turned out to make a positive impact!

To start with, you had better have a big-time stud bull if you're going to name one WALK THE LINE. Duff Walk The Line backs up his name, Johnny Cash style, no smoke, no lights, just a flat good one! He is a full brother to Blair's External Law and a Maternal Brother to Blair's Martial Law. There has been a plethora of progeny by his legendary dam, Bar-E-L Erica 74A, that we could talk about for hours. That's what makes us so excited about this young gun. Walk The Line has the phenotype that is second to none, moves across the pen like he's floating on a cloud, and has an extra-muscular build that carries across his top and flows down, flaring in his lower quarter. Recording a weaning weight of 820 lbs., you will not sacrifice growth. The Duff Napoleon 232 by Bar-E-L Erica combination is proven, as you will find anywhere, Walk The Line offers frame size, rib shape, and dominating eye appeal. Full brothers sell as lots 153 and 154. **Selling full possession and 1/2 semen interest.**

What an excellent way to kick off the female division! Lot 200 is one of the very last own daughters of the extremely powerful Power Plus donor Duff Juanada 927K 235. The Juanada cow family has been a strong foundation here at Power Plus due to the prepotency, udder quality, structure, efficiency, and second-to-none phenotype. And this Brooking Firebrand daughter has all those major traits in an eye-appealing package. A son was a feature lot selling to Wayne Grandstaff in the 2025 Power Plus Bull Sale. **Sells bred to RF Lit Up- Due in January.**

Big time proven Power Plus donor! We feel like this female has as much ability to produce breed leading Angus or Red Angus offspring as any female selling (WIDE OPEN POTENTIAL). From 2023 to date, lot 231 has produced an elite herd sire in every Power Plus Bull Sale. In the 2023 Power Plus Bull Sale, Duff Potency highlighted the sale, in 2024 Ron Myers selected a powerful Duff Red Wood son, and in 2025 John Ransom purchased another phenomenal Duff Red Wood Son. This year is no exception 1942 has a son selling as lot 112. We named him Full Throttle, he is her best son to date. We believe the sky is the limit for this young herd bull prospect. He is no doubt one of the top bulls in this year's offering. Letting lot 231 go in the sale was a tough decision, knowing she has only just begun to show what she's truly capable of! Sells with another Red Angus herd bull prospect at her side sired by Duff Heaven Sent born on 12/18/2025.

Selling choice on lots 238A and 238B. No doubt these two elite heifers are donor females in the making. Their dam, Coleman Donna 9309, checks all the boxes with added performance, unmatched maternal quality, claw and angle superiority, and she stamps her offspring with good looks-every time ! 9309 is a full sister to Coleman Night Watch and Coleman Banker, both proven calving ease masters. Lots 238A and 238B are both breed leading females with all the credentials to be big time donors.  
**Sell open.**
