## **Lot 49 Buyer's Choice Terms**

The winning bidder will have choice of three heifer calves: Windemere Snowflake, Windemere Shimmer and Windemere Starlight.

Registration of the calves has been submitted. The calves will be parent verified by DNA and tested for BVD-pi by the seller. Seller will complete health testing required for import by the state of residence of the buyer and provide a certificate of veterinary inspection for interstate travel. Calves will be halter-broken prior to leaving the farm.

Calves will be raised by the recip cows and weaned between 5.5 and 6 months of age.

Buyer will have between July 1, 2026 and July 31, 2026 to select and transport his/her calf.

Buyer is responsible for transportation of the calf from Windemere Farm, Junction City, WI.

Ownership and liability will transfer from the seller to the buyer when the calf leaves Windemere Farm.

In the event that only one calf survives to weaning, the buyer may choose the surviving calf or a refund of the full purchase price. In the event that none of the calves survive to weaning, a refund of the full purchase price will be provided to the seller.

The 2026 Reserve National Champion Bull, from influential Sunset Rebel Yell and impressive Ledyards Cardhu, comes TC Murdach. His show achievements (12-time breed champion, 1 state fair supreme, 1 state fair reserve supreme and top 5 international supreme) are testament to decades of quality breeding and potential to sire exceptional progeny. Murdach is backed by maternal strength and combines correct skeletal structure, growth, beautiful breed character and easy-going disposition. With a robust rib, big hip and great body balance, plus an extra dose of style and refinement, he is certain to place offspring as breed leaders at shows and pasture.

Neanderthal of Crocus Hill is a powerful, rugged bull with sturdy bone structure and an impressive growth rate. His birth weight was 78 pounds, and his actual 205-day weaning weight was 575 pounds. Neanderthal boasts a productive hip, deepness throughout, and correctness in his feet and leg structure; he exudes highland character. He is a fresh combination of proven American genetics and productive Canadian import lines. His sire, Grey Owl's Borg boasts three impact dam daughters and sound udders in his female progeny. His dam is reliably built, with an emphasis on productivity and capacity. Neanderthal has the crop ear trait; he is nt821 negative by parentage.
