## WELCOME TO HARTMAN CATTLE COMPANY

Welcome to the 12th Annual Hartman Cattle Company Simmental Bull Sale. We are very proud of the bulls that make up this offering. Phenotypically they are the stoutest and most rugged set of bulls we have offered to date. The bulls go through a stringent selection process, where emphasis is put on structural integrity, muscularity, real-world performance, and fleshing ease. It has always remained our priority that they must start with good feet and legs, with the proper angle and flex to their joints. We firmly believe that there are individuals in this offering that have as much potential to be sires of true impact and influence within the business as we have ever offered before.

Here at Hartman Cattle Company, we have always placed strong selection pressure on the maternal aspect of our herd sire battery. Superior sire selection has been emphasized here in Tecumseh, Nebraska. We believe that every great breeding bull is backed by an even better female. As you evaluate this year's offering you will notice that several key females within the industry can be identified throughout the pedigrees. Maternal stability increases performance, fertility, and longevity. These are all essential traits of the modern-day beef production cycle. You will also notice several of the bulls selling are ET flushmate brothers to several of the highlighted females that sold in the 29th Annual Customer Appreciation Female Sale. By utilizing only the most proven sires, the nucleus of our cowherd herd has improved exponentially in terms of quality and consistency.

Each year we sort the very top end of our bull calf crop for this sale. These bulls, along with choice selections from our fellow breeders make up this deep and dynamic offering. They are all a reflection of the discipline and diligence that make up the Hartman Cattle Company breeding program. Bulls that had previously sold at Hartman Cattle Company have been selected as the Grand Champion Simmental Bull in Denver, Oklahoma City, and Louisville! We are proud of the accomplishments that our customers have experienced with their HCC genetics. In addition to the 35 elite herd sire prospects, we have sourced 14 top shelf bred heifers from our good friends and long-time customers at Freking Cattle Company and Vogler Cattle Company. This is a set of females that deserve serious consideration!

We look forward to being back in the Mile High City for the historic National Western Stock Show, an event that we will showcase 12 bulls from our sale offering that will sell on February 1, 2026. We invite you to stop by our pen in "The Yards" to visit about the cattle. We wish you a happy, healthy, and prosperous New Year, and we look forward to seeing each of you! Please call if we can be of assistance in your genetic selection process.

Respectfully,

Mike & Kay Hartman  
Dalton, Jill, Hadley, Preston, & Shaylee Hartman

## A NOTE FROM SALE MANAGEMENT

It is our pleasure to welcome you to the 12th Annual Simmental Bull Sale at Hartman Cattle Company. This event essentially kicks off the Spring 2026 "bull run," with high anticipation of what's to come and what will surface from a genetic and phenotypic standpoint across the nation. The U.S. beef industry has experienced the best of times as we know them, with more than two years of record prices for all classes of cattle. The salvage value of older herd sires and aged cows has never been higher, allowing even the tightest of operators to justify the trade for genetic advancement for the upcoming spring breeding season.

Hartman Cattle Company is a multigenerational ranching operation with over five decades of experience. The outfit has built its brand through a laser focus on phenotypic evaluation and, as a result, has produced some of the very best stock in the nation for most of that tenure. Their breeding program is simple, practical, and streamlined, enabling greater consistency and predictability across every aspect of beef production. The female base of the operation is the lifeline, just as it is for any of you in the cow/calf business who may be reading through this sale book. The core of the cow herd features many full, three-quarter, and half-sisters, with service influence limited to just a very select few herd sires—hence the consistent and true kind from one generation to the next.

Mike and Dalton spend a great deal of time in the air or chasing the white lines of America's roads, visiting clients past and present to collect the best stock for both the female and bull offerings from those who invest in the HCC program. This approach provides a broader cross-section, ensuring that the very best of the Hartman influence is represented in Tecumseh twice a year. Essentially, the family takes pride in and accountability for what they offer, and the only way to provide the best is to gather the competition. As a result, you only have to go to one location to invest with a secure mindset.

This offering will include sons of the \$700,000 FRKG Alpha 311L, the \$620,000 STCC Tecumseh 058J, the \$530,000 SO Remedy 7F, and countless other proven HCC sires. The cattle will be consistent in quality for muscle shape, build, and skeletal integrity. Females of integrity support the herd sire prospects featured in this sale book. They are production females that are fertile, impeccably uddered, and of the quality you would want standing in your front pasture. As one turns the pages of this offering, those who have been students of this visionary program will notice the cows that surface annually in one or both of these prestigious marketing events.

Whether you're a Simmental breeder, a progressive-minded commercial cow/calf operation, or an aspiring investor, there is one or several bulls in this offering that would certainly meet the criteria to advance your production agenda or portfolio in the right direction. Mike or Dalton would love to visit with you about any of the bulls in this offering. They know their product and can answer your questions at your convenience, so do not hesitate to reach out regarding any of the bulls or bred heifers in this year's offering.

In closing, we want you to know that anyone and everyone is welcome to the state-of-the-art sale facility at Hartman Cattle Company on February 1, 2026. With the hectic lifestyles most of us lead, if sale day doesn't work with your schedule, please reach out to arrange an in-person visit with Mike or Dalton. They will be more than happy to walk you through the bulls and answer any questions you may have. If you need further assistance with sight-unseen purchasing or additional information on the bulls and females offered, please feel free to reach out to any member of the Innovation AgMarketing team, as we are happy to facilitate those needs. For those who have joined us in person on sale day at Hartman Cattle Company before, you are aware of the quality hospitality, food, and fellowship. If you have not attended previously, be sure to mark it on your calendar!

Enjoy the cattle,

Three handwritten signatures in blue ink are displayed side-by-side. From left to right, they appear to be 'Graham Egg', 'Jared Shipman', and 'Tim Anderson'.

## LOCATION

Located from the junction of Hwy 136 & 50 in Tecumseh. Go north 3 miles on Hwy 50, then 2 miles west on Hwy 41 and 1/4 mile north at the Hartman Cattle Company sign.

## TRANSPORTATION

Tecumseh is located at the junction of highways 136 & 50, just 30 minutes west of I-29. Commercial air service is available into Omaha and Kansas City. Major rental car companies serve these terminals. Please call HCC if you need assistance with your travel plans.

## TERMS & CONDITIONS

All lots sell in accordance with the suggested guidelines of the American Simmental Association or their respective breed association. For updated EPDs and additional information, please visit [www.simmental.org](http://www.simmental.org). Announcements made sale day from the block during the sale take precedence over printed material in this catalog. Payment will be accepted in the form of cash, cashier's check, or personal check. All cattle must be paid for prior to release. All funds are to be paid to Hartman Cattle Company in U.S. currency. No cattle will be transferred, delivered, or released without full payment. In the event expedited registration paper transfers are requested, please make plans to pay in full on sale day. All sales are final.

## INSPECTION

Sale cattle will be available for inspection at the sale site all day on Saturday and up until sale time on Sunday. For early inspections, please contact Mike at 402.440.6825 or Dalton at 402.440.6469 to schedule a visit.

## LOT NUMBERS

Ear tags in the sale cattle will correspond to their lot numbers in the catalog.

## LIABILITY

Hartman Cattle Company, Innovation AgMarketing, LLC, and authorized sale personnel assume NO liability for injury, accident, or damage to persons or personal property. All persons who attend the sale do so at their own risk.

## INSURANCE

**James F. Bessler, Inc.** will be on site and available at the settlement desk to insure your purchase(s). We strongly recommend the option to insure your investment - 815.762.2641.

# OUR GUARANTEE

Unless otherwise noted, all breeding-age bulls will have passed a breeding soundness exam prior to pick-up or delivery. In addition to the standard terms and conditions of the American Simmental Association, we will provide a first breeding season guarantee (the 90-day period immediately following turnout) on all yearling and older bulls.

This guarantee is not an insurance or mortality policy, but a guarantee of functional fertility. It is not a substitute for, nor a replacement of, proper management. The buyer assumes all risk for injury resulting from running bulls together or from management decisions outside genetic control.

For this guarantee to apply, we ask that you contact us as soon as a condition is observed and before the animal is sold. We will work with you to determine whether the animal is returned or sold for slaughter. We will attempt to provide a suitable replacement. If a replacement of equal or greater value cannot be provided, a sale credit for the full purchase price, less the salvage value of the animal, will be issued and may be used in a future sale.

## **SUPPLEMENT INFORMATION**

The week prior to the sale, a supplement sheet will be posted online specifying any special terms and conditions and/or retained semen interest on any of the bulls selling. HPS status, color status, scrotal measurements, adjusted yearling weights, and ultrasound data will also be available.

The 25 bulls that sold in the 2025 Hartman Cattle Company 11th Annual Simmental Bull Sale posted the following ultrasound data by the Centralized Ultrasound Processing Lab:

- We are proud to initiate the Hartman Cattle Company 12th Annual Simmental Bull Sale with a truly unique individual that ranks among the most impressive AI sire prospects we have ever offered—regardless of hide color.
- SWC Newsline 299N is a captivating red blaze-faced prospect sired by the ever-popular Next Level stud and backed by one of the most prolific maternal lineages in the history of the Simmental breed. His third-generation maternal granddam is the \$8 million+ producing Miss Werning KP 8543U, one of the most influential females the breed has ever known, responsible for countless high sellers, AI sires, and program-defining donor females.
- 299N is a son of the impressive W/C SWC Harrell Angel 99G, a daughter of CCR Abilene 6018C, and is supported by the elite W/C Miss Angel 2870Z matriarch—one of the most prolific daughters of the legendary 8543U. The maternal strength and predictability stacked behind this herd sire prospect is simply undeniable.
- Phenotypically, 299N is huge footed, sound structured, and flawless in his angles. He offers an eye-catching look of balance and quality from the side, ties his neck high at the top of his shoulder, is bold through his forerib and center body, and maintains an exceptional set to his hip and hind leg.
- An elite AI sire prospect that brings an outcross pedigree to the Hartman Cattle Company herd sire battery and cow herd, offering unlimited upside and significant revenue-generating potential for the winning bidder.

**TERMS ANNOUNCED SALE DAY.**

- GPG Nobility 5120N is a tremendous SimGenetic herd sire prospect that is supported by arguably the most impressive female to walk the pastures of RJ Cattle Company in Mitchell, South Dakota. The dam of 5120N is the \$109,000 RJ Horny 112J, a daughter of the high-income producing Hara's Miss Heartbreaker donor that has been a staple in the donor pen at RJ Cattle Company.
- RJ Horny 112J was the 2022 AJSA National Classic Grand Champion Percentage Simmental Heifer for Sara Sullivan. She then made her way to Louisville, Kentucky where she was selected as the 2022 NAILE Grand Champion Percentage Simmental Heifer on the green chips of Freedom Hall!
- The sire of GPG Nobility 5120N is the impressive RP/BCR Eminence H005, a full brother to the 2021 NAILE Grand Champion Purebred Simmental Bull, Rocking P Private Stock H010. The dam of H005 is the prolific RP/MP Built To Love A021, a very impactful female in the Simmental breed that has left behind a sensational set of daughters.
- 5120N is a truly impressive individual that is loaded with substance, quality, and true skeletal quality. The maternal side of his pedigree traces to the same cow family that produced the \$100,000 TL Revenant 35, the sire of Revelation 2K.
- A true sale highlight that is slated for heavy use at Hartman Cattle Company during the spring 2026 breeding season.
- Donor owned by RJ Cattle Company.

Maternal Sister to Sire of Lots 3 & 4

- BOWJ Single Shot 9029N is a tremendous individual that was identified early on as a "great one" in the pastures of Greencastle, Indiana at Bowling Cattle Company! 9029N is a FULL BROTHER to the trending Revelation 2K, one of the hottest young bulls in the Simmental breed!
- Revelation 2K has taken the business by storm! A truly elite breeding bull, he achieved the unimaginable during his rookie season by siring both the Supreme Champion Junior and Supreme Champion Open Breeding Heifers at the 2025 American Royal.
- JMSC Revlon 408M, one of the very first daughters of Revelation 2K to hit the scene, did so in dominant fashion. This many-times champion for Chloe Clark earned an incredible series of titles in 2025, including OYE Reserve Supreme Champion Purebred Breeding Heifer, Tulsa State Fair Supreme Champion Junior Breeding Heifer, American Royal Grand Champion Simmental Heifer and Supreme Champion Junior Breeding Heifer, and NAILE Grand Champion Purebred Simmental Heifer and Reserve Supreme Champion Junior Breeding Heifer.
- History was made at the 2025 American Royal when Breckyn Bloomberg led her heifer, BRB4 CARD Cece 463M, to the title of Grand Champion Percentage Simmental Heifer. She was later selected as the Supreme Champion Open Breeding Heifer, marking the first time ever that two heifers sired by the same bull were crowned Supreme Champion Junior and Supreme Champion Open Breeding Heifer in Hale Arena.
- A massive featured, bold ribbed, big topped stud that has a look of quality from the side that is mesmerizing. Invest with confidence in a truly incredible individual – **it only takes one!**

- We are proud to introduce GPG Nirvana 4143N, a full brother to the sensational Revelation 2K, a sire that has seen record-setting use and remains in extremely high demand. This is a results-driven pedigree anchored by a powerful and proven maternal foundation.
- Revelation 2K progeny have enjoyed a remarkable run over the past year. In his rookie season, Revelation 2K accomplished the nearly unimaginable by siring both the Supreme Champion Junior and Supreme Champion Open Breeding Heifers at the 2025 American Royal, solidifying his status as one of the truly elite breeding bulls in the business.
- GPG Nirvana 4143N is a tremendous built herd sire prospect that is flawless at the surface, sound structured, square based, and robust in the shape of his rib cage. 4143N is also big topped, stout hipped, and square pinned. We love the look of quality and style that he offers through his front third as he transitions seamlessly from end to end.
- The dam of GPG Nirvana 4143N is a pivotal member of the donor pen that calls home to Bowling Cattle Company, a firm that has a deep appreciation for quality livestock. Take advantage of the opportunity to turn out a full brother to one of the hottest AI sires in the business!
- Donor owned by Bowling Cattle Company.

- Ladies and gentlemen, it is with great excitement that we present FRKG True Grit 948N, a direct son of the \$3 million+ producing HCCO Countess 174F, more commonly known as "948" across the industry. FRKG True Grit 948N is supported by one of the most incredible females that the Simmental breed has ever known! The sire of 948N is the \$530,000 SO Remedy 7F, one of the most consistent sires that we have ever utilized at Hartman Cattle Company.
- "948" is the dam of the \$700,000 world record selling FRKG Alpha 311L, the \$640,000 FRKG Marvel 271M, and the \$210,000 FRKG Classic 948K. She is also the dam of FRKG Countess of 948 11K, the 2024 NWSS Grand Champion Purebred Simmental Heifer that was campaigned by Kenidey Effling of South Dakota. In December of 2025, a trio of "948" daughters sold for a \$58,333 average in the 29th Anniversary Customer Appreciation Sale at Hartman Cattle Company!
- Progeny of "948" have commanded prices of \$700,000, \$640,000, \$210,000, \$110,000, \$65,000, \$50,000, and countless others ranging from \$10,000 to \$45,000. Her 33 recorded progeny boast an astounding average of \$106,000+ per head, firmly cementing her status as one of the most lucrative and influential females not only in the Simmental breed, but across the entire beef cattle industry.
- FRKG True Grit 948N is an extremely eye appealing herd sire prospect that is supported by a pedigree that you can hang your hat on!

LOT 6 | GPG NEXUS 1230N

- GPG Nexus 1230N is an extremely eye-appealing son of SO Remedy 7F that is supported by the incredible PAW/Black Gold Ms Princess "Eva" donor, owned by GKB Cattle and Preston Hartman. "Eva" was a dominant champion throughout her show career, with her most notable accomplishment coming in 2023, when she was selected as the NAILE Reserve Grand Champion Percentage Simmental Heifer.
- The maternal granddam of 1230N is the \$190,000 Haras Miss Princess 100Z, the 2012 NWSS Grand Champion Percentage Simmental Heifer, who has since evolved into the cornerstone female of the SimGenetic division at Udell Cattle Company.
- Backed by a pedigree with a proven, time-tested track record of success.
- Donor owned by GKB Cattle and Preston Hartman.

LOT 8 | BAILEY'S COMMANDER 599N

- Bailey's Commander 599N is a standout from the STCC Tecumseh 058J sire group. His dam, Bailey's Madonna 720E, is a dynamic and proven female that was featured as a Live Lot in the 2022 Embryos on Snow sale, where 50% embryo interest commanded \$40,000 and was purchased by Price/Les Cattle Company of Missouri.
- 599N is a maternal brother to countless high sellers and individuals of influence within the Simmental breed. A maternal sister, Bailey's Miss Liberty 10H, sold for \$37,000 to Kearns Cattle Company and is now a member of their proven and profitable donor pen.
- One of the most unique individuals in this year's offering, don't miss out!

## TERMS ANNOUNCED SALE DAY.

**TERMS ANNOUNCED SALE DAY.**

- Undoubtedly one of the true standouts in this year's offering. We are proud to present the very first sons of the \$700,000 world record-selling FRKG Alpha 311L, a sire poised to make a revolutionary impact on the industry. BOWJ Stagecoach 3633N is as phenotypically impressive as any in the sale, combining elite eye appeal with unmatched shape, dimension, and real-world substance.
- The dam of FRKG Alpha 311L is the \$3 million+ producing HCCO Countess 174F "948" donor that has solidified her position as one of the most prolific females in the history of the Simmental breed.
- BOWJ Stagecoach 3633N is a son of the \$105,000 FRKG Countess Of 924 013L donor dam. 013L is a full sister to the \$160,000 FRKG New Fashion 75J and the \$225,000 FRKG Countess 924J. The influence of the iconic HCCO Countess 924G is nothing short of incredible.
- Out of a productive first calf heifer dam that is well on her way to becoming one of the cornerstone donors in the illustrious donor pen that calls home to Bowling Cattle Company.
- Fresh, cutting-edge genetics that will fast-track your program and keep you ahead of the curve!

LOT 12 | VCL AWR SMOKESTACK 1990N

- Incredible from the side with an abundance of power, shape, and dimension! We are excited to introduce you to VCL AWR Smokestack 1990N, a son of the \$700,000 world record—selling FRKG Alpha 311L that is backed by the \$100,000 full sister to the legendary VCL Foresight!
- VCL Foresight is the sire of the \$620,000 STCC Tecumseh 058J, a dynamic sire that has made a lasting impression on the Simmental breed.
- We love the high tying neck attachment, smooth shoulder design, and picture-perfect look of balance from the side that VCL AWR Smokestack 1990N possesses.
- One of the most unique herd sire prospects in this year's sale!

VCL COUNTESS 255F "MILLIE"

- Pedigree, pedigree, pedigree!
- It is with great excitement that we introduce SWSN Speak Easy 173N, a maternal brother to the \$400,000 Profit, one of the most influential individuals to ever work within the Hartman Cattle Company breeding program. Profit is, without a doubt, one of the greatest breeding bulls the Simmental breed has ever seen in terms of his ability to consistently generate results year after year. The proof continues to roll in, as Profit has experienced record-setting use across the industry for more than a decade.
- The dam of SWSN Speak Easy 173N is arguably one of the most impactful females in the history of the Simmental breed. WAGR Panarama 204Z is the dam of countless high sellers, champions, AI sires, and individuals of significant influence.
- 204Z is a direct daughter of the immortal 3C Melody M668 BZ donor, a female that has recorded more than 200 progeny in the American Simmental Association database. Her influence has been widespread across the industry for over two decades.
- SWSN Speak Easy 173N is a long-bodied, extremely shapely Purebred herd sire prospect that offers a tremendous look of quality and balance from the side. His sire is the \$700,000 world record—selling FRKG Alpha 311L, a son of the \$3 million-plus producing HCCO Countess 174F "948" donor. There is no question that he is supported by the highest dollar-generating females in the breed!

LOT 21 | HCCO STRONG SIDE 104N

- The first sons of the \$700,000 world-record selling FRKG Alpha 311L have arrived—and they are making a powerful statement. Here is a tremendous SimAngus herd sire prospect that is supported by the everlasting maternal influence of the iconic WAGR Driver 706T.
- The Hartman Cattle Company breeding program was built on elite half-blood Simmental females sired by WAGR Driver 706T. The dam of HCCO Strong Side 104N traces directly back to one of the original foundation females that helped establish the Simmental division at Hartman Cattle Company more than 14 years ago.
- Longevity, structural integrity, fertility, and fleshing ease are hallmarks of this powerful herd sire prospect, all anchored by the proven productivity of the impressive 104Y matron.

FRKG ALPHA 311L  
\$700,000 Sire of Lots 20-23

LOT 22 | VCL RUGER 256N

- VCL Ruger 256N is a sharp featured son of FRKG Alpha 311L that is also supported by the strong maternal influence of the "Countess" cow family. The maternal grandsire of 256N is the \$400,000 Profit, one of the most influential sires in the history of the Simmental breed.
- 256N is a big footed, bold ribbed, big topped, stout hipped Purebred herd sire prospect that offers tremendous spread from birth to weaning.
- Maternal sister to 256N are working for Bill Bayer of Iowa, Star Gate Cattle of Idaho, and Schmidt Family Farms of Oklahoma.
- Proven, time-tested genetics that unite the most productive and influential cow families in the business!

LOT 23 | SJF KINGDOM 25N

- The next bull comes from our good friend in Illinois, Shannon Frankenreider. Shannon and his family run one of the most impressive working cowherds in the nation, putting extreme selection pressure on foot quality, fleshing ease, eye appeal, and overall longevity. When we began our venture into the Simmental breed, we worked hand in hand with Frankenreider Cattle Company to create an elite set of half-blood Simmental females sired by the iconic WAGR Driver 706T. Those females served as the foundation of Hartman Cattle Company's Simmental breeding program.
- The dam of SJF Kingdom 25N is a maternal sister to the widely popular red baldy AI sire known as SJF SMJ Payroll.
- A full sister to SJF Kingdom 25N, SJF Charlie Jo, sold for \$15,000 in the 29th Anniversary Customer Appreciation Female Sale this past December.
- A uniquely stout, powerfully designed herd sire prospect that is backed by generations of profitable cow families!

SJF CHARLIE JO

\$15,000 Full Sister to Lot 23

LOT 24 | BOWJ FAST HAND 107N

- BOWJ Fast Hand 107N is a dynamic Purebred herd sire prospect and the lone son of FBFS Longmire 16L to sell this year. The sire of 107N, FBFS Longmire 16L, was a feature of the 2024 Hartman Cattle Company Simmental Bull Sale, where he sold to Bowling Cattle Company of Indiana. 16L traces to the everlasting influence of the immortal ALL PVF Blackbird 645 donor.
- The maternal side of his pedigree is supported by the influence of the \$530,000 SO Remedy 7F, the \$400,000 Profit, and the iconic WAGR Driver 706T. This elite genetic combination is a recipe for success.
- 107N is a big footed, stout featured herd bull prospect that blends seamlessly from end to end and offers a look of balance that is hard to deny!

LOT 25 | EVERHARTS EVOLUTION

- It is our pleasure to introduce Everharts Evolution 5N, a FULL BROTHER to Morgan Jackson's dominant champion that concluded her decorated show career as the 2024–2025 PTP Ring of Champions Purebred Simmental Show Heifer of the Year.
- The dam of Everharts Evolution, Everharts Brandy, is one of the truly consistent generators of elite Simmental seedstock in the entire breed annually.
- This past December, Everharts Vixen, a maternal sister to Everharts Evolution sired by the \$700,000 FRKG Alpha 311L commanded a \$120,000 hammer price and will reside at Diamond J Simmentals of Texas.
- A truly unique breeding bull that is flawless built, bold ribbed, thick topped, big hipped, and loaded with quality from end to end!

# 12TH ANNUAL SIMMENTAL BULL SALE

LOT 27 | GKB MAINSTAY 2N

- GKB Mainstay 2N is one of the first sons of the \$510,000 GPG Cornerstone 1K to hit the market. This blaze-faced herd sire prospect is loaded with quality and eye appeal from every angle. His dam is sired by the \$400,000 Profit and out of the iconic Bailey's Madonna 720E—a proven genetic combination responsible for countless high sellers and influential individuals within the breed.
- 2N is a long-fronted, smooth-shouldered herd sire prospect that transitions seamlessly into a bold fore rib and massive center body. He operates off a flawless hip and hind-leg design while maintaining tremendous width and thickness throughout.
- A definite sale highlight that deserves serious consideration on sale day.

GPG CORNERSTONE 1K  
\$510,000 Sire of Lot 27

LOT 28 | FRKG PROTOTYPE 1314N

- Here is a bigger outlined, stout featured son of the \$210,000 FRKG Classic 948K that is supported by a productive young female that traces to the legendary BF Miss Crysteel Tango matron. The dam of FRKG Prototype 1314N is a full sister to the dam of the \$105,000 FRKG DGDC Duchess 18N, one of the featured females in the 29th Anniversary Customer Appreciation Female Sale at Hartman Cattle Company.
- 1314N is a heavy weaning bull that is destined to add payweight and profitability to any operation that employs his service.
- Raised by a first calf heifer.

LOT 29 | FRKG REVOLT 1343N

- FRKG Revolt 1343N is backed by one of the most reliable and proven matings in the Simmental breed. The influence of the iconic HCCO Countess 924G has been nothing short of remarkable. Sired by the \$200,000 EC Rebel 156F, 1343N is a FULL BROTHER to the \$225,000 FRKG Countess 924J, the \$160,000 FRKG New Fashion 75J, and the \$105,000 FRKG Countess of 924 013L—a tried-and-true genetic combination that continues to deliver at the highest level.
- 1343N is a bigger framed, blaze-faced herd sire prospect that offers tremendous power, muscle, and length of body. His dam ranks among the highest dollar-generating females in the Freking Cattle Company donor pen.

FRKG NEW FASHION 75J  
\$160,000 Full Brother to Lot 29

LOT 30 | FRKG RECOIL 1124N

- FRKG Recoil 1124N is another standout from the EC Rebel 156F sire group that deserves a hard look on sale day. He is a direct son of the prolific DSFF Countess 611F female, more commonly known across the business as "943."
- A FULL SISTER to 1124N, FRKG Countess of 943 10N, recently sold in the Hartman Cattle Company 29th Anniversary Customer Appreciation Female Sale to Bowling Cattle Company of Indiana—further validating the consistency and demand for this cow family.
- 1124N is an extremely long-bodied, eye-appealing, and shapely herd sire prospect, further strengthened by the influence of the \$400,000 TJ High Calibre 556B on the maternal side of his pedigree.

---

The female offering is saturated with quality, cow family significance, and overall generating potential. We have sourced an incredible set of females from Freking Cattle Company and Vogler Cattle Company. Both programs carry a strong reputation for breeding, raising, and marketing superior Simmental seedstock built with maternal strength and long-term productivity in mind.

The opportunity to tap directly into the maternal source that has played — and continues to play — an instrumental role in the evolution of the Hartman Cattle Company Simmental cowherd presents itself again in 2026. This set of females represents the kind of depth, consistency, and generating potential that has helped shape the Hartman program over time and is well worth the trip to Tecumseh, Nebraska to see for yourself.

EST. DUE 2/26/26 TO KCC1 3BCC BLACK LABEL 4016M (ASA: 4444386)

- VCL Countess 10M leads off a powerful and dynamic offering of bred heifers that are supported by some of the highest dollar generating and most productive cow families in the Simmental breed!
- VCL Countess 255F "Millie" is the dam of VCL Countess 10M. "Millie" is the leading lady in the donor pen at Vogler Cattle Company and Aces Wild Ranch! This dynamic female commanded a \$100,000 hammer price in the Legends of the Flint Hills sale in December of 2024. This stunning female is a FULL SISTER to the iconic VCL Foresight, the sire of the \$620,000 STCC Tecumseh 058J. "Millie" was shown successfully by the Sinclair family of Indiana to countless wins. Her most notable victory was when she was selected as the 2019 IN State Fair 4th Overall Junior Breeding Heifer for Colby Sinclair.
- A maternal sister to 10M, VCL Countess of 255 17K, is the \$80,000 heifer that was selected by Morgan Jackson of Texas. She was competitively campaigned with countless wins during her tenure on the show road. 17K was a class winner at the 2023 AJSA National Classic in Des Moines, Iowa.
- VCL AWR Smokestack 1990N is a maternal brother to 10M that is one of the featured herd sire prospects in this year's sale offering that sells as Lot 12.
- An incredible future donor prospect that is flawless in her structural build, bold-ribbed, and offers an easy-fleshing look of quality from every angle. Sired by the outcross Simmental AI sire LLSF Favored One H98, she offers optimum mating flexibility once in production. This is truly a bid-to-own opportunity!

LOT 102 | FRKG COUNTESS OF 948 207M

HCCO COUNTESS 174F "948"  
Dam of Lots 102 & 103

FRKG MARVEL 271M  
\$640,000 Full Brother to Lot 102

- A direct daughter of the legendary "948" donor, whose progeny sales exceed \$3 million and include some of the most influential Simmental genetics in the business.
- FRKG Countess Of 948 207M is full sister to the \$640,000 FRKG Marvel 271M and the \$210,000 FRKG Classic 948K. Another full brother to 207M, FRKG True Grit 948N, is one of the featured herd sire prospects in this year's sale offering that sells as Lot 5. 207M is also a full sister to the \$60,000 FRKG Countess Of 948 11K, the 2024 NWSS Grand Champion Purebred Simmental Heifer for Kenidey Effling.
- The influence of the iconic "948" remains timeless, offering a proven foundation to invest with confidence!

LOT 103 | FRKG COUNTESS OF 948 25M

FRKG COUNTESS OF 948 1N  
\$110,000 Full Sister to Lot 103

FRKG ALPHA 311L  
\$700,000 Full Brother to Lot 103

- FRKG Countess Of 948 25M is another direct daughter of the immortal HCCO Countess 174F "948" donor dam that has exceeded the \$3 million mark in progeny sales!
- 25M is sired by the \$620,000 STCC Tecumseh 058J, making her a full sister to the \$700,000, world-record-selling FRKG Alpha 311L.
- This past December a trio of full sisters to FRKG Countess Of 948 25M sold in the 29th Anniversary Customer Appreciation Female Sale at Hartman Cattle Company for \$110,000, \$50,000, and \$15,000 to average an astonishing \$58,333 per head!

EST. DUE 2/18/26 TO KCC1 3BCC BLACK LABEL 4016M (ASA: 4444386)

- FRKG Countess Of 923 239M is a sharp featured daughter of the \$620,000 STCC Tecumseh 058J, backed by the tried-and-true producer HCCO Countess 923G. Her dam is a direct daughter of the \$400,000 Profit and traces to the dynamic 176Y donor developed in the Kearns Cattle Company breeding program.
- 239M is an elegant fronted female that ties high at the top of her neatly laid in shoulder design, is bold in her rib cage, big hip, and sets to the surface with a textbook set to her hip and hind leg. We love her length of body and the overall dimension that she offers.
- 239M is a full sister to a trio of brothers that sold in last year's Hartman Cattle Company Simmental Bull Sale for \$16,000, \$11,000, and \$11,000. FRKG Melbourne 189M was purchased by Early Sunset Ranch of Saskatchewan, FRKG Montreal 308M sold to Kersten Cattle Company of Nebraska, and FRKG Madrid 10M sold to M&E Cattle Company of North Dakota.
- There is no doubt that 239M is backed by one of most consistent bull producing females in the donor pen at Freking Cattle Company. Consistency is the key to success and 923G never misses!
- She sells safe in calf to the \$100,000 KCC1 3BCC Black Label 4016M stud that works in the Roller Ranch breeding program of Hewitt, Minnesota.

LOT 105 | HCCO COUNTESS 90M

- 90M is a tremendous daughter of the \$530,000 SO Remedy 7F, the 2021 Cattlemen's Congress Grand Champion Purebred Simmental Bull. There is no question that SO Remedy 7F has cemented his place as one of the greatest maternal sires the Simmental breed has ever seen. His first calf crop emerged in 2022 and has since produced National Champion females year after year
- The maternal side of her pedigree traces to the influence of the \$400,000 TJ High Calibre 556B and the \$400,000 Profit, two sires that have made lasting impressions on the business.
- She is safe in calf to a son of WHF/JS/CCS Woodford J001 that is backed by a daughter of W/C Relentless 32C that Freking Cattle Company selected from the Schick family of Illinois.

VCL HCCO BOWL COUNTESS 991K  
Maternal Sister to Lot 105

LOT 106 | FRKG COUNTESS 916M

- FRKG Countess 916M is another stunning daughter of SO Remedy 7F that is captivating from the profile. She is so elegant and refined about her front third, bold in the shape of her rib cage, and sound on her feet and legs.
- The maternal side of her pedigree is influenced by the \$100,000 MR CCF 20-20 and the \$400,000 Profit, two sires that have left behind an incredible set of daughters across the country.
- She is safe in calf to the calving-ease specialist Ruby NFF Sriracha K247, a true slam-dunk heifer-safe option that does not sacrifice performance or quality!

MR CCF 20-20  
Maternal Grandsire of Lot 106

LOT 107 | FRKG ROXANN 312M

- FRKG Roxann 312M is a stunning blaze-faced daughter of the \$150,000 Insurrection, an own son of the legendary SHCO Foxy 385F donor dam known across the industry as "Roxi."
- The maternal side of her pedigree is supported by Everharts Roxann, a full sister to the \$130,000 Everharts Candace, a leading donor in the Bowling Cattle Company breeding program of Indiana.
- We love the angularity and femininity this dynamic female offers through her front third. She transitions into a bold fore rib and expressive center body, all complemented by a stout pin set and a textbook set to her hip and hind leg!

EVERHARTS CANDACE

\$130,000 Full Sister to Dam of Lots 107 &amp; 108

LOT 108 | FRKG ROXANN 115M

- Here is another ET flushmate sister from the productive Everharts Roxann donor, sired by the \$150,000 Insurrection. FRKG Roxann 115M is a big-footed, stout-constructed female that is bold through her rib cage, wide based, and square on all four corners.
- It's hard to deny the sheer quality and style she exhibits through her front third; however, it is her natural dimension and power that truly solidify her brood cow credentials.
- The dam of 312M and 115M is the impressive Everharts Roxann donor, a multiple-time champion for Kenidey Effling that was selected as a Reserve Division Champion at the 2020 American Royal. A very high-quality pair of ET flushmate sisters, supported by a truly royal pedigree!

LOT 109 | FRKG MIA 416M ET

- FRKG Mia 416M ET is backed by a truly royal pedigree. She is the first of two ET flushmate sisters sired by the \$530,000 SO Remedy 7F and supported by the everlasting influence of the iconic J6RA Bada Bing 1602B donor dam—known across the business as “Bobbi.”
- This proven mating has produced countless champions, high sellers, and individuals of influence within the Simmental breed. The dam of this duo was selected as the 2015 NAILE Grand Champion Percentage Simmental Heifer for Chesney Effling. With 1602B now deceased, this represents one of the final opportunities to invest in a direct daughter of the legendary “Bobbi” herself.
- 416M was a member of the 2025 NWSS Grand Champion Pen of Three Percentage Simmental Heifers.

LOT 110 | FRKG MIA 413M ET

- 413M is the second daughter of the late J6RA Bada Bing 1602B, a truly influential donor that has left a lasting impression on the Simmental breed for nearly a decade.
- FRKG Mia 413M ET is so sleek and refined about her front third yet offers the signature “Bobbi” mass and dimension that she was praised for during her campaign of the 2014-2015 show season. A trio of full sisters were selected as the 2023 NWSS Grand Champion Pen of Three Percentage Simmental Heifers for Freking Cattle Company. The lead off member of that winning pen, FRKG Karat 221K ET, was selected by Bowling Cattle Company of Indiana for \$64,000!
- 413M was a member of the 2025 NWSS Grand Champion Pen of Three Percentage Simmental Heifers.
