01.23.2026

Welcome to our 37th Annual Flesch Angus Production Sale. We are honored to share this offering to our customers and friends. I would like to thank you for supporting us throughout the years. Agriculture is the backbone of this great nation and an excellent way to raise kids.

The kids and I have had a great year; you will see pictures throughout the catalog highlighting these times. Preslee is a junior this year keeps busy with school and sports. She had a great trip to Europe this summer. Jagger is in 8th grade and excelling in his horsemanship and rodeo. Lennon is in 4th grade, she was able to take a pig to fair this year and really enjoyed that! We process calves during the fall run for JBC Farms in Hobson that go to Canada to be fed. We tagged a bunch of our customer's cattle and cattle from all over the state. What an exciting time to be in the cattle business!

This year's offering is packed with uniformity and quality, by utilizing some of our top cows as donors and offering groups of full brothers. FF Full Service L11 sold in our 2024 sale to Bircham Ranch and we are really impressed with his progeny. They come easy and have excellent growth and phenotype. We used him on a couple larger AI projects with very good results. We are really excited about the Prolific sons again this year, massive bulls that sire pounds. We also used a bull we sold through our 2023 sale that sold to Curry Cattle. K8 calves have growth and extra carcass merit and his heifer calves look awesome as well.

We have a really nice set of 2-year old bulls again this year. These were not the bottom of the yearlings last year, they were held over because of age. These bulls were put out to grass in June and stayed there till October, brought in and hand fed. We have 15 total this year, 6 Angus, 5 Hereford and 4 Simmental. I plan on keeping more every year to grow this part of the sale.

The Simmental bulls in the offering this year are really good, if cross breeding has ever crossed your mind, these Simmentals will add pounds, muscle and a leave you with a really nice replacement female. Check out the Simmental/Angus cross bulls, the combine the best from both breeds and they are impressive.

The Fritz family is bringing 10 1st calf heifer pairs to the sale as well. These heifers are on a modified live vaccination program in the spring and Scourgaurd before calving. The calves will be a few weeks old and will have been vaccinated for type A,C and D, overeaters, nasalgen and a probiotic paste. I will also have 10 bred hfrs in the sale, 5 will calve from end of Feb through mid-March and 5 will be end of March through mid-April.

Thanks for taking time out of your busy schedule to study our offering. If I can be any assistance in your selection process or if you have any questions or concerns about previous purchases, please call anytime. Customer service is a big part of our business and we strive for you to be satisfied with your selections. Please join us Friday, January 23 for lunch, fellowship and the sale of a darn good set of bulls.

INTERNET BIDDING

Internet bidding will be available via the cci.live website. Internet buyers must create an account and request a buyer number prior to the sale. If you choose to use this service please visit our sale at <https://cci.live/>

HERE'S HOW IT WORKS

STEP 1 - CREATE AN ACCOUNT and REQUESTING BIDDING CREDENTIALS

You can always view an auction without signing in. You must only sign in if you plan to bid on cattle. If you plan to bid on livestock, you must CREATE A NEW ACCOUNT and then request for bidding credentials at cci.live. Once you are approved the first time, you do not need to go through the process for each sale. Please DO NOT wait until sale day to request bidding credentials, some sales require approval more than one day ahead of time. Some sales also require a "bidder passcode" from the sale management for that auction. When you create an account, please use a valid email address. If in the future, if you forget your bidder's password, you can reset it immediately through the email on your account.

STEP 2 - GET A BUYER NUMBER

Once you are an approved bidder at CCI, you simply go to the SALE SCHEDULE PAGE and click on the auction name that you are interested in, then click BID ONLINE and click GET BUYER NUMBER. You will instantly be assigned a buyer number, for that auction. Some sales also require a "bidder passcode" from the sale management for that auction. When you click "get buyer number" you will be instructed to enter the passcode from the sale management for that auction.

STEP 3 - Always refresh your screen if you are going in and out of service and if you "leave" your computer or the app for over 15 minutes. The computer may log you out if you have not been active for a period of time. It's always a good idea to refresh your screen right before the sale starts. Driving and bidding is not recommended!

TERMS AND CONDITIONS

The cattle sell under the suggested terms and conditions of the American Angus Association http://www.angus.org/Pub/suggested_sale_terms.pdf

RETAINED INTEREST

We will retain 1/3 semen interest in all bulls.

TRANSPORTATION

Great Falls International Airport is approximately 90 miles South of Shelby and is served by several major airlines.

ACCOMMODATIONS

BEST WESTERN INN & SUITES.....406.424.4560
