SALE TERMS & CONDITIONS

GENERAL INFORMATION

Once the buyer has made payment, the sale staff will notify the seller to release the purchased items. Please note that it is the responsibility of the BUYER to contact the seller and make arrangements for your purchases. If you are not prepared to take possession of your purchases, then the BUYER must contact the storage facility and have the items stored under your name. With that being said, it is also the sole responsibility of the SELLER to notify the storage facility of new ownership once the items have been paid for. In some cases, the newly purchased items will be stored at the farm or ranch of the seller. In this case the BUYER will contact the seller and make pickup or shipping arrangements. All transfer of embryos/semen is between the buyer and seller.

PLEASE NOTE THAT THE BUYER IS RESPONSIBLE FOR ALL SHIPPING COSTS OR INSURANCE COSTS ON ITEMS PURCHASED.

EMBRYO GUARANTEE

All the embryos being offered on this sale are either grade 1 or 2 and are guaranteed alike. All embryos selling are either ET or IVF Direct Thaw. Furthermore, the embryos selling have all been collected by a reputable facility. Unless it is otherwise stated in this sale book, the sellers of embryo lots will guarantee (1) 60-day pregnancy if:

- 1) Transfers must take place in one calendar year of the sale date
- 2) Transfers are performed by a licensed embryologist
- 3) If you do not establish at least one 60-day pregnancy you will be given additional embryo(s) from the seller of the same mating or an agreed upon suitable replacement of similar value.

FLUSH OR IVF CYCLE

Specific terms for any right to flush or IVF cycle lots will be listed as such on those individual sale book pages.

REFERENCES TO CLONED DONORS AND CLONED SEMEN

All embryos out of a cloned donor dam or sired by semen from a cloned sire will be referred to in this catalog by the original name of the donor/sire.

Please note that the sale management acts only as an agent between the buyer and seller. Humphrey Agri Marketing Solutions, LLC and its representatives are not to be held liable, financially or otherwise for any livestock, merchandise or accidents. The sale book was prepared with information provided by the seller and is assumed to be correct. ALL warranties on cattle or merchandise sold is the sole responsibility of the seller.

comprehensive marketing & bidding tool!*

How to Bid Online...

- **As a buyer**, you do not need an account or to login to watch the sale but you must have a validated account to bid.
 - After you are logged in, you must proceed to the sale page for any and every auction and click **"Get Buyer Number."** Some auctions require a pass-code to obtain a buyer number even after you are approved by CCI.live. Pass codes generally come from the sale manager or ranch for that particular sale.
 - CCI.live will operate with ease on a **cellular device, laptop, desktop or tablet.**
- A **modern or current browser** is important and will make your experience better. You do not need to install the app on cellular devices to watch a sale. CCI.live is a browser-based application meaning it will play on most new browsers, but you can also download the CCI.live app at the Apple App Store or through Google Play.
- **For successful bidding you must have good Internet service!** It is very important to be stationary. If you are driving and bidding, expect to have some service issues. If you are stationary on a good device, with healthy Internet, expect a very successful bidding environment. If you have slow Internet watch the "asking price" on the screen - it is real time and refresh your browser if you feel like you have some lag.
- **Support line open during all sales. 405-400-9505** - Please contact the ranches for invoices and trucking.

Viewed around the world!

Wednesday, January 28

LOTS A, 1-37

Lot 1 A-B

Lot Type EMBRYOS

JBOY TAMMY 843

Sire: Mr HOC Broker Dam: JSUL Right Tamale 3365 "Tammy"

ASA# 3432639 - 1/2 Simmental

Full/maternal sib to embryos selling-LMAN JBOY Miss All In 317L by One for All

- SELLING: Lot 1 A – 1 Package of 3 embryos sired by JBOY One for All *Sexed Female*
- SELLING: Lot 1 B – 1 Package of 3 embryos sired by BBR Memphis Mafia 3E *Sexed Female*

JBOY TAMMY 843

JBOY Tammy 843 may well be the most versatile female in the offering in terms of her ability to produce high end males and females alike. Her story is so diverse and accomplished that we opted to split her matings in this sale book and offer the maternal embryos on night #1 and bring her back night #2 and feature her steer making embryos.

JBOY Tammy 843 was a multiple time champion herself for Kathy Lehman and capped on her illustrious show career by being named Reserve Grand Champion % Simmental Female at the 2020 National Western. Little did we know, this would be the beginning of something special.

A pair of JBOY One for All daughters sold through the 2023 Boyert-Core female sale and commanded \$40,500 and \$12,000 respectively. One of those females would go on to have a tremendous year for Rhylee Short being named 5th Overall Female at the 2024 Iowa State Fair and eventually Grand Champion Mainetainer Female at the 2025 National Western!

Other success stories from the 2023 Boyert-Core sale include Allison Underwood's \$33,000 Remedy X Tammy 843 daughter that was selected as Reserve Supreme Champion Breeding Heifer at the 2023 King of the Ridge Showdown. In total all the Remedy X 843 heifers that sold in that sale averaged over \$20,000!

2022 was a true breakout year for JBOY Tammy 843 as her daughter by WLE Copacetic E02 sold for \$87,000 in the Boyert-Core sale. This female was selected as the 2022 Down 4 The Cause Reserve Supreme Champion Breeding Heifer. Additionally, A JBSF Berwick 41F daughter was successfully campaigned by Kathy Lehman, being selected as the 2022 AJSA National Classic Grand Champion Bred-and-Owned Percentage Simmental Heifer in Madison, WI. Dig into these high-powered maternal genetics and don't forget to flip to night #2 and check out her steer matings!

OFFERED BY:

Lehman Show Cattle, Angie & Kathy Lehman (419) 571-9528

Full/maternal sib to embryos selling LMAN JBOY Miss All In 317L by One for All

Full sib to embryos selling \$98,000 half interest daughter by Game On

Full sib to embryos selling \$75,000 half interest daughter by Game On

Dam of embryos selling GCC Misty May 462J

• SELLING: **Lot 2** – 1 Package of 3 embryos sired by BKMT Game On 227G *Sexed Female***GCC MISTY MAY 462J ET**

The Griswold program has been the gold standard for Maine influenced females for years and this female continues the tradition! Misty May was a GCC Classic high seller herself as well as a direct daughter of the deceased matriarch of the Griswold Herd, GCC Miss Whiskey 5066. In case you're wondering, yes that makes Misty May a maternal sister to the breed legend "Boston"!

you were at the GCC Classic sale you would have noticed the sale fire up every time a new pen of Maine influenced cattle came through the ring. The Maine-Anjou breed is on fire and females like Misty May are the reason why!

The embryos being offered are full sibs to the lot 1 & 2 females from the 2024 GCC Classic. The full sisters sired by BKMT Game On 227G lit up the sale ring when they commanded \$98,000 and \$75,000 for half interest. In the 2025 GCC Classic only one Misty May daughter sold as lot 15 and she commanded \$15,000. There has been a very limited amount of Misty May calves born to date. Her legacy will only grow as her IVF production intensifies!

- SELLING: Lot **3 C** - 1 Package of 3 embryos sired by Good As It Gets *Sexed Female*

MINN LOIS LANE 305L

It is with great pleasure that we get to introduce the very first frozen offering from \$132,000 valued MINN Lois Lane 305L! This royally bred creature was the high seller from the 2023 Minnaert Show Cattle production sale where she was the selection by the Guyer family.

Throughout her career Lois Lane 305L was a force to be reckoned with as she found the backdrop at every show she attended. In her first outing Lois Lane was named Grand Champion Prospect Breeding Heifer at the 2024 NWSS. After Denver she would keep the train rolling being named Champion MaineTainer and 3rd Overall Female at the Illinois Beef Expo, 3rd Overall in both Rings at the IL Winter Warm Up and Grand Champion MaineTainer at the 2024 Illinois State Fair. Lois Lane would cap off her career on the green shavings being named Grand Champion Maine-Angus at the 2024 North American!

The cow power behind Lois Lane cannot be denied. Lois Lane is a direct daughter of MINN Katie 016H who has written her own page in the history books the last few years raising many high sellers for Minnaert Show Cattle as well as other prominent firms. Aside from the high sellers her daughters have been routinely finding the backdrop such as the recent Reserve Grand Champion Maine-Angus Female at the 2025 NAILE for Avery Seys! Dig in, this is the good stuff

\$35,000 daughter by KBSC New
DecadeMaternal sib to embryos selling
\$19,000 half interest daughter by Promise
Keeper**BA GAIG DRAMA 29K “STREIT 227”**

There is a new queen on the block at Streit Cattle, and she is coming out of the gate fast and in a hurry! BA GAIG Drama 29K “Streit 227” immediately headed to the donor pen after her show career for the Johansen family and wasted no time showing what she is capable of.

In her first calf crop “Streit 227” landed two daughters in the Streit Cattle fall bid-off. A daughter by KBSC New Decade was a \$35,000 sale feature and a second cherry red daughter by Promise Keeper sold half interest for \$19,000.

It’s no secret that the Good As It Gets females have started to surface as big time producers and Streit 227 looks to be following closely in those footsteps. Grab ahold of this great opportunity to make full sib heifers to the \$35,000 high seller or let 227 make another bull famous with the IVF cycle where you get to choose!

Terms of IVF Cycle: The buyer will receive a minimum of 6 transferrable embryos guaranteeing two 60-day pregnancies. On all embryos produced above 12, the buyer receives the odd numbered embryos, and the seller receives the even numbered embryos. The buyer pays all costs associated with the flush including the cost of semen. The seller will pay freezing cost on any embryos they collect. The donor is open and ready to flush. Please contact the seller for further details.

- › SELLING: *Lot 5 C* – 1 Package of 3 embryos sired by BSMT Call My Bluff 2555K *Sexed Female*

LAZY H BAR FOREVER LADY 7104

If for some reason you didn't know who Lazy H Bar Forever Lady 7104 was before the fall/winter of 2025-2026, you ought to now! This fall was a big one in Estherville as Brad Smith sold a pair of Maternal Made X 7104 heifers privately for \$30,000 and \$20,000 as well as an On the Brink for \$20,000. The 7104 daughters in his September pasture sale did not disappoint with a pair of Call My Bluff X 7104 sisters selling at \$26,000 and \$16,000. All in all, 6 7104 daughters averaged \$13,500! 7104 was well represented in the First-Class Female Sale as well where 4 of her daughters averaged \$11,750 through the ring. Wait! We forgot one more. Another Broker X 7104 sold at the GCC Classic for \$25,000.

In December of 2024 a daughter by Mr. HOC Broker sold for an impressive \$75,000 at the Griswold Classic in Stillwater and the year prior a full sib sold through the 2023 Classic for \$40,000. Just a few short weeks later in January of 2025 a BOE Garth X 7104 bred female just highlighted the First Class/Dakota Classic sale where she sold for \$96,000 half interest!

Spring of 2023 was full of excitement for 7104 daughters as a STAG Good Times X 7104 sold through the Boyert-Core online sale for \$15,000 going to John Griswold. Other high sellers of note before 2023 include a daughter by Mr. HOC Broker that sold for \$20,000, a daughter by Conley Express that sold for \$20,000, A BOE Garth daughter at \$15,000, and a SCC SCH 24 Karat heifer at \$10,000.

Lazy H Bar Forever Lady 7104 was a tremendous show heifer winning numerous jackpots through the years and capping her career off by being named Champion Angus and 5th Overall at the prestigious Iowa State Fair FFA Show. I encourage you, go back to the top and read the first paragraph again. It will tell you all you need to know!

MINN MACY 015H ET

MINN Macy 015H is one of the rising stars in the highly decorated Minnaert Show Cattle donor battery. Macy 015H was a \$60,500 high seller in a past Minnaert sale that would go on to be named Calf Champion at the Cattlemen's Congress and eventually 3rd Overall Female at the National Junior Heifer Show!

Being that Macy 015H is a direct daughter of the famous MINN Katie 9B it is no shock that she has hit the ground running in terms of production. This fall a Driving 80 X Macy was a sale highlight commanding \$45,000! Just a few months earlier in the spring of 2025 a Highly Favored X Macy sold for \$18,500.

Before this year's success, the very first Macy 015H daughter to be shown was named Supreme Overall Female at the 2022 Chillicothe Winter Classic for Cole Schneider. Without a doubt MINN Macy 015H is one of the cornerstones of the Minnaert program and one of the top Maine-Angus females in the country!

- SELLING: Lot 7 C - 1 Package of 3 embryos sired by WEIS All Me 10F

SIECK MISS VADA F802

The Data Bank daughters have proven to be outstanding show heifers and even better producers, SIECK Miss Vada F802 fits that description to a "T"! Miss Vada was the Reserve Grand Maine Female at the 2019 Ohio State Fair for Hannah Schroeder as well as a top 10 Overall Female at the Ohio Beef Expo. After a successful show career Miss Vada went straight to the donor pen and got to work.

In her 2021 calf crop Miss Vada raised a \$45,500 daughter sired by Follow Me that would end up in Sara Sullivan's show string. After her show career this female was purchased by Rosebud and Nikkel and added to their donor battery. One of her very first calves this year was a \$30,000 success story sired by All Me. Last year an End Game X Miss Vada was successfully shown by the Deyoe family and ended up Champion Maine Female at the Kansas State Fair.

This year's crop proves to be the most successful yet and is being headlined by a Driving 80 daughter that is being campaigned by the Klingaman family. In a limited number of times out this female has been Reserve Division at the 2025 NAILE and most recently Grand Champion Overall Female in Ring B and Reserve Grand Overall in Ring A at the Ohio AGR Classic. Take your pick from a wide range of sire options that will flat out work!

RATLIFF HOW BOUT IT 008H ET

It is an exciting event when you gain access to females of this magnitude that have accomplished so much in such a small amount of time! Ratliff How Bout It 008H ET was the 2021 Supreme Champion Breeding Female at the North American for Sara Sullivan. In addition to the title in Louisville, How Bout It was named Supreme Champion Heifer at the Iowa Beef Expo as well as Grand Champion Limousin Female at the American Royal. How Bout It is regarded as one of the very best Riverstone Charmed 50C "Larissa" daughters in existence!

In a short four years How Bout It has had multiple daughters that have been named Grand or Reserve Female at major shows including the Grand Champion Limousin Heifer at the 2025 NAILE for Reid Utterback, The Reserve Champion Lim-Flex Heifer at the 2025 NAILE for Kennedy Lockhart, The Reserve Supreme Female at the 2025 Cattlemen's Congress for Karter Kornegay and the Champion Lim-Flex Heifer at the 2024 NAILE for the Sennett family. This is just a small sampling of the show ring success we've seen to date!

In the fall of 2025, a Dignity X How Bout It topped the Sullivan Maternal Legends Sale where she commanded \$226,500 and her full sister sold for \$26,500. A daughter sired by Forbes traded at \$15,000. Tice Show Cattle sold a Gold Buckle X 008H for \$59,500.

Before this fall there have been a slew of high sellers including a daughter by Kings Landing that commanded \$250,000 and a full sib to the embryos and pregnancy selling by Forbes that sold for \$125,000. Dig into one of the best offering yet from the tried, true and tested Ratliff How Bout It 008H ET!

\$33,000 daughter by Crown Royal

TUBB/TSSC LARISSA WHO 210K

TUBB/TSSC Larissa Who 210K will without a doubt go down as one of the best to ever sell through the pastures of Hagerstown. In the fall of 2022 Larissa 201K caused a commotion when she sold through the Schaeffer-Tice bid-off for \$187,500 to Sara Sullivan. This direct daughter of the famous Riverstone Charmed 50C would follow in her mother's footsteps and hang banners at the biggest shows in the country.

In the fall of 2023 Larissa 201K began her winning ways being selected as Grand Champion Chianina Heifer at the American Royal. Less than 30 days later this same female would be selected Grand Champion Chianina Female and eventually Reserve Supreme Overall Female at the 2023 North American. Finally, at the 2024 Cattlemen's Congress Larissa 201K would cap off her historic career by earning Grand Champion Chianina Female in both the Jr. and Open shows!

In just her first year of production we can already see a big future ahead. A Crown Royal X Larissa 201K daughter was a \$33,000 selection this past fall for the Van Vorhis family and the crew at Schaeffer Show Cattle have high hopes for her this year. The other daughter marketed was sired by Broker and was a class winner at the 2025 NAILE. Dig in and grab these fresh matings by the popular and proven sires Hits Different and New Heights!

Without a doubt, the Larissa cow family is one of the hottest in the country right now regardless of breed and females like JSZC SCC Larissa 111H are the reason why! This direct daughter of Riverstone Charmed 50C has proven that she will produce high quality females, no matter the sire!

The embryos being offered are full sibs to Ben Spencer's Reserve Grand Champion Lim-Flex Female at the 2025 Limousin Junior Nationals. This eye catching 24 Karat daughter was a favorite of many and just one example of the cow-power that the Larissa family transmits generation to generation!

This winter a pair of Larissa 111H daughters have started off strong in the show ring. Ben Spencer led his Blacklist X Larissa 111H daughter to Champion Lim-Flex and 4th Overall Female at the Badger Brawl. Brenna Bartlow claimed Reserve Commercial Female with her Excessive Force X Larissa 111H daughter at that sale show.

If you've been paying attention, then you'll know that the Lim-Flex deal has been hot with no signs of it slowing down. Having a Larissa daughter in your pasture sale won't hurt the average!

Angus AI Sire Selling-SULL Honcho 4701M

SELLING: Lot **A** – Selling 2/3 Semen Interest & Possession

*SULL Honcho 4701M has already produced over 100 units of quality frozen semen

SULL HONCHO 4701M

Over the course of the last 17 years the Donors on Ice sale has been a national stage to offer future AI sires and proven donors alike. Over this period, we can confidently say there has never been a prospective Angus AI sire offered in this sale with the kind of quality and genetic background that SULL Honcho 4701M carries. We are proud to introduce to you one of the most diverse individuals we have ever offered!

The dam of Honcho is CLAC Lucy 201J, a past Diva's & Donors high seller that was raised by Campbell Land & Livestock and member of Sara Sullivan's elite show string from the 2021-2022 show season. Lucy 201J was a highly competitive female in the show ring and was named Champion Jr. Yearling Division VI at the 2022 National Junior Angus Show.

If you dig into the bottom side of Honcho's pedigree you will quickly notice that his dam is a full sister to Nord's Lucy 8022, The 2019 American Royal Supreme Champion Female shown by the Stagemeyer family. Nord's Lucy 8022 would later be named Grand Champion Angus Female at the 2022 NWSS Junior and Open shows. We can't forget that 8022 was selected Reserve Grand Champion Female at the 2019 NJAS in Louisville.

For those that love to study pedigrees, you have probably noticed that SULL Honcho 4701M is a full sib in blood to Griswold's STAG Fortunate Son 223.

Take advantage here and invest in one of the most incredible Angus prospects being offered this spring. Honcho has the quality, the pedigree and the presence to be the next great Angus sire of influence!

Full sib to embryos selling \$185,500 daughter by Dignity

• **SELLING:** *Lot 11* – 1 Package of 3 embryos sired by BNWZ Dignity 8017 *Sexed Female***SCC SCH PHYLLIS 934**

The influence of the Phyllis cow family has been felt in the Angus breed for years coming by way of SCC SCH Phyllis 423 and her tremendous daughters that have continued her legacy of excellence. The latest daughter to surface and carry the torch is SCC SCH Phyllis 934. We are excited to exclusively offer her frozen embryos for the very first time!

In the fall of 2024, a pair of Phyllis 934 daughters sired by Dignity were featured in the Jones High Standards Female Sale. Cecilia Mursinna would select TJSC Phyllis 423M and successfully campaign her through the next year gathering several banners along the way and eventually end up being named Grand Champion Angus Female at the 2025 Ohio State Fair. The Phyllis legacy would continue to grow this December as another Dignity X Phyllis 934 female headlined the Lucky Strike Female Sale in Stillwater for Jerrod Arthur. Amidst the craziness that is "The Weekend" in Stillwater, a full sib to the embryos selling emerged as the highest selling female among hundreds that would be offered at \$185,500! For the very first time, we are proud to offer you these full sib embryos!

FOOTNOTES PF Forever Princess F10 is one of the most consistent Angus females you will find. When you study her pedigree, you quickly realize that it's by design as her dam is the prolific Lazy H Bar 5001! Proven cow power, through and through! In 2022 a 24 Karat X Miss Forever Princess F10 daughter was a many time winner for the Lemenager family that would crown her career with Supreme Overall Female honors at the very competitive Illinois State Fair!

Through the years there have been quite a few F10 daughters that have headlined the Griswold Classic including a daughter by Insight that was shown by Maggie Griswold several times before being injured. As for full sibs to the 2022 Supreme at Illinois and full sibs to the embryos selling? There has been several! In the 2023 Griswold Classic 4/B Forever A Peach 175L sold for \$19,700 and just this year in the 2025 Classic a pair of daughters commanded \$32,000 and \$15,000. We do think it is worth noting that 11 full sib bred heifers to the embryos selling have averaged \$16,000 through the sale ring! This is a no miss opportunity from 4/B!

BC II Sandy 1815 “Nicki” is a direct daughter of the prolific KNC Cabin Creek Sandy 905! Full and maternal sibs to this eye-catching donor female have won on the biggest stages and become proven producers for many firms across the country.

There were not many Nicki females that sold in the fall of 2024 but the ones that did sell were highly sought after. There was a daughter by WEIS All Me 10F and full sib to the lot B embryos that sold for \$42,000!

Nicki's 2023 calf crop grossed just shy of \$200,000. There have been several daughters that have sold high including a 24 Karat at \$100,000, an EXAR Classen at \$80,000, a 24 Karat at \$44,000 and a Good Times at \$25,000. Nicki stamps quality and the genetic predictability of Sandy 905 into each of her calves.

FANCY CHANCE LADY 62

We all know Brennan Kolega is a stockman with a sharp eye, so when we told him we wanted his best, most proven genetics he didn't hesitate to offer up embryos from Fancy Chance Lady 62. This 15-year-old matriarch of the BK Cattle Enterprises program has produced many high seller and winners across multiple breeds. Given her age and the fact that BK wants to put all the eggs in himself, this will be the last time the public has the chance to purchase embryos from "62".

Fancy Chance Lady 62 has a resume that reads like a winning lottery ticket. Look at what she's accomplished over the last few years and what her daughters have sold for.

\$27,500 by County O, \$21,000 by Ain't Bluffin, \$20,000 by Maternal Made, \$18,500 by All Me, \$16,000 by Irish Whiskey, \$15,000 by First N' Goal, \$14,500 by Primo, \$12,500 by End Game and \$10,000 by 24 Karat.

Each year the "62" offspring end up in some of the best sales in the country. Chances are, you might not have even known BK raised them, now you know! Come to the source and get the good stuff!

- SELLING: **Lot 16 B** - 1 Package of 3 embryos sired by Revelation 2K *Sexed Female*

JBOY TAMMY 831

JBOY Tammy 831 has been a staunch producer of elite livestock for the Boyert & Sigrist program over the last several years without fail. Annually you will find 831 daughters highlighting the impressive Boyert-Core female sale and in several instances her daughters have topped the elite offering. If you study your lesson, you will notice quite quickly that Tammy 831 is a direct daughter of the prolific and now deceased JSUL Right Tamale 3365 "Tammy" female that helped put the Boyert brothers on the map!

The lot A embryos will result in full sibs to the \$140,500 2024 Boyert-Core production sale high seller. This impressive female by LLW Cardinal Crossover 236J was a highly competitive female for Oaklyn Plump and ultimately ended up as 4th Overall Supreme Female at the 2025 South Dakota State Fair!

The lot B embryos offer a new twist on a proven scenario. Tammy 831 has traditionally knocked it out of the park when mated to Simmental sires such as Bankroll that produced her \$146,000 daughter JBOY Tammy Belle 211K that was shown by Mercedes Ferree to 3rd Overall Honors at the 2022 Hoosier Beef Congress. Revelation 2K is one of the hottest Simmental sires on the market and these might her the best 831 has ever made!

Through her career Tammy 831 has produced a pile of daughters that have sold between the \$10,000-\$20,000 mark and earned top honors at major shows. In 2023 a Tammy 831 X Relentless female was Reserve Champion Breeding Heifer at the Minnesota State Fair and just this past summer a daughter by Next Level was 11th Overall at the Simmental Jr. Nationals. Write your own page of the Tammy legacy and do it with 831!

4/B MISS HONEY BUTTER 08J

The Donors on Ice sale has been a platform to feature some of the best Simmental cattle in the country over the years so it's only fitting that Honey Butter be included in this year's edition! When you consider that 4/B Miss Honey Butter 08J is a direct daughter of the prolific 4/B Miss Secret Weapon 41D and a full sister to 4/B Honey Buns 50H who was selected Grand Champion Simmental Female at the 2021 American Royal for Maggie Griswold it's not shocking that this pedigree has found tremendous success!

The \$280,000 Griswold Classic high seller and 2023 Cattlemen's Congress Supreme Champion Female 4/B Miss Honey Butter 08J had a breakout year when one of her very first daughters sired by WHF/JS/CCS Woodford J001 to sell at auction commanded \$75,000 through the 2024 Schaeffer and Tice fall bid-off.

If the 2025 sale season is any indication of the future, Honey Butter 08J will be one of the all-star Simmental females in Dunlap for years to come. In the October Pembroke Cattle Company sale JSUL PPCC Honey Butter 5308N, a daughter sired by SO Remedy 7F, topped the auction commanding \$90,000. A full sister to the lot B embryos was a \$52,000 high seller in the Fitz Genetics October sale as well. Honey Butter would continue to impress with a pair of SO Remedy 7F daughters that sold through the Sullivan Farms Maternal Legends sale for \$64,000 and \$16,000. This is a unique opportunity to drive your next calf crop to a higher tax bracket!

PLUM CREEK ANNIE LU 4472

The Annie Lu 4472 legacy is one that has continued to grow over the years and never lose steam. The fire has been stoked by a tremendous set of daughters that have not only sold high and won shows but have gone on to be prominent producers in high profile programs.

The mating by Next Level has been a no miss kind of deal. Full sibs to the embryos being offered have been Grand Champion % Simmental Female at the 2024 NAILE Jr. Show for Carly Sanders as well as Grand Champion % Simmental Female at the 2024 AJSA Classic for Kelton Arthur.

There have been several maternal sisters to the embryos selling that have left their mark. Those females include CORE Annie Lu 230K who was Supreme Champion Female at the 2023 Hoosier Beef Congress, Reserve Angus Female at the 2023 Cattlemen's Congress and 4th Overall Jr. Breeding Heifer at the North American. Another maternal sister is the \$140,000 Colburn Annie Lu 8079 who was Reserve Supreme at the 2018 Hoosier Beef Congress and now serves as the lead donor for Colburn! Let's not forget about the great Kruse/Anderson donor Plum Creek Annie Lu 9271 who is making her own headlines!

We would be doing you a non-service if we forgot to mention the popular son of Annie Lu 4472. She is the dam of the \$100,000 SSF On Point. Additionally, there are several full brothers to Annie Lu 4472 including Plum Creek Paradox, the \$125,000 Plum Creek Refresh and finally, and finally, the \$100,000 Hara Bold Leader bull.

Dam of embryos selling RJ PF Rita 8288F

RJ PF RITA 8288F

RJ PF Rita 8288F is one of the most impressive females on the hoof roaming the pastures in Dunlap. Her power packed pedigree only adds value to this incredible female! Rita was selected as the 2019 Supreme Female at the NAILE, Grand Champion % Female at the Junior National Heifer Show and Supreme Champion at the Iowa State Fair. Truly an incredible career in the ring!

Since entering production 8288F is off to a fast start with SAM daughters selling for \$29,000 and \$26,000. Josie Phillips led her SAM X 8288F daughter to Champion % Simmental and 4th Overall at the 2024 Kentucky State Fair Jr. Show.

The embryo options provide some of the most exciting to date that have been offered from RJ PF Rita 8288F. The option sired by the Triple Crown winning TJSC Coping with Destiny 9K could be a home run given the quality we have seen from this young sire so far. The SLIK Me Too option puts a cool twist on this former NAILE Supreme Champion. The Maine sired cattle out of elite Simmental females has been a cross that works time and again. What an unbelievable offering from the great Rita 8288F!

JSUL REBA 312L “GLORIA”

JSUL Reba 312L “Gloria” was a decorated champion in the show ring and is well on her way to being one of the next big names in the highly respected Griswold donor battery. The crew at GCC have high hopes for this tremendous female. Given her elite pedigree, we couldn’t agree more!

Gloria was the Grand Champion Purebred Simmental Female at the 2025 National Western in both the Junior and Open shows. In addition to her big wins at the NWSS, Gloria was named Reserve Supreme Female at the 2024 Tulsa State Fair Junior Show and Grand Champion Purebred Female at the 2024 AJSA Central Regional.

Pay close attention to the fact that Gloria is a direct daughter of Sullivan’s potent JSUL Oh Boy Reba 0267G donor who was Supreme Female at the 2021 American Royal in Kansas City. Reba has been a top producer for Sullivan’s with her daughters being sale highlights in several sales. This is an exciting frozen offering that gives the buyer several options from the best bulls in the Griswold battery!

HAPP FINAL POINT 1816 ET

It is an honor to provide access to one of the most proven and predictable Hereford cows in the business. If you've paid any attention at all then you've noticed the string of HAPP Final Point 1816 daughters that have lit the world on fire over the last few years and topped the Buck Cattle production sale. Daughters by various sires have commanded prices of \$150,000, \$145,000, \$85,000, \$34,000, \$32,000, and \$30,000, just to list a few.

The 2024 Buck Cattle fall production sale featured a pair of daughters by BK Red River H18 at \$85,000 and \$34,000. Ella Weldon claimed Grand Champion Horned Hereford Female at the 2024 OSU AGR Show with her high selling full sib to the embryos being offered! This female would go on to be named division champion at the 2024 Cattlemen's Congress and 2025 JNHE this summer in Louisville.

A maternal sister to the embryos being offered was a many time champion for Fallon Gohr. BK Keep It Simple 259K ET was crowned Grand Champion Horned Hereford Female at the 2024 Cattlemen's Congress Open Show. A week later this same female was named Grand Champion Horned Hereford Female at the National Western Junior Show. A full sister to the Gohr heifer was named Grand Champion Horned Female at the 2023 Tulsa State Fair for Taos Heck.

To say that HAPP Final Point 1816 daughters are highly sought after would be an understatement. This is a rare opportunity to raise your own and provide a huge drawing card for your next sale!

- › **SELLING:** *Lot* **22 B** – 1 Package of 3 embryos sired by PSC T/R Hired Gun 184 ET *Sexed Female*

HFR CEC T/R FREDERICA 1810 ET

The Hired Gun embryos can be made any time this spring. A full sister sold for \$32,500 for no possession and half embryo interest in the October 2025 Sale for T/R. If you prefer the Marksman embryos, they are not sexed and are already in storage – these would be full sibs to the popular Lot 14 Fall Born heifer from our April 2023 Sale, who sold to Jenkins/Hawes for \$32,000 for possession and half embryo interest. A full American Classic sister to these embryos also brought \$10,000 for one-third embryo interest.

When we first laid eyes on 1810, we knew she was something special. She is arguably the best daughter ever produced by the great Mirror Image, and a full sister to 1816 as well. If you haven't seen her in person, be sure to check out her picture above. Her look and presence speak for itself. The pedigree is loaded, and her siblings are built as uniquely and powerfully as you could ever want.

The Marksman x 1810 mating has proven to be a true powerhouse combination. Big time genetics with proven performance and eye appeal. 1810 is a direct daughter of Mirror Image and a full sib to 1816, 1813, Augustus, and El Captain, all of which have contributed significantly to this influential cow family.

Opportunities like this don't come often. These embryos are stacked with elite genetics, market demand, and the potential to make your investment back and then some.

C BAR1 CLASSY LASS 9153 “ROSIE”

C BAR1 Classy Lass 9153 “Rosie” continues to prove her worth as a major producer. The former Grand Champion Polled Hereford Female at the 2021 Cattlemen’s Congress has become a household name in the Hereford breed. Year in and year out the Rosie daughters have been sale highlights in Stillwater the Griswold Classic in December and continue to the winner’s circle.

Rosie’s first daughter GCC ML Cruella 800K was the \$70,000 selection for the Weldon family and went on to be named Champion Polled Hereford at the 2023 NAILE. Cruella’s other accolades include division champion at the Junior National Hereford Expo as well as Reserve Jr Hereford Female at Kansas City. Additionally, a pair of daughters sired by SR Dominate 308F were sale highlights at the 2023 Griswold Classic Sale!

This fall the Blankenship family campaigned their Trump X Rosie daughter to Grand Champion Hereford Female at the Maryland Hereford Show, Supreme Female at the New York State Fair and finally, Reserve Hereford Female at the 2025 NILE in Billings, MT.

In the 2025 Griswold Classic only three Rosie daughters were offered. A pair of Rosie open heifers sired by BK Red River H18 Sold for \$16,000 and \$8,500. Additionally, a bred heifer that is a full sib to the embryos selling by KLD Marksman D87 sold for \$17,000. The Rosie legacy continues to grow and now you can put these genetics to work and become a part of the story!

Terms of IVF Cycle: The buyer will receive a minimum of 6 transferrable embryos guaranteeing two 60-day pregnancies with no cap on embryos produced. The buyer pays all costs associated with the flush including the cost of semen. The donor is open and ready to flush. The flush must take place before April 1, 2026. Please contact the seller for further details.

HFC CEC T/R FAYE 1816 ET

Here is a great opportunity to hit the ground running with an exciting new mating selling as lot B. If you haven't heard of the Longest Yard bull from Bruce Everhart, take the time to look him up. He is the sire of the 2025 Reigning Reserve National Champion Polled Bull at Cattlemen's Congress, B&C Touchdown 3535L ET, a bull that combines big-time numbers, calving ease, and outstanding phenotype.

Sibs are flat burning it up in the show ring! Last year alone sibs have been Champion Junior Polled Hereford Female at the 2025 Fort Worth Stock Show and Rodeo, Reserve Champion Polled at the 2025 San Antonio Stock Show and Rodeo, Reserve Champion Junior Horned Hereford Female at the 2024 Fort Worth Stock Show and Rodeo, a Division Champion in both the Jr and Open show at the 2024 Fort Worth Stock Show, Reserve Champion Polled Female 2024 Texas Junior Hereford Association Belton, Reserve Champion Division IV Polled Female 2024 Texas Junior Hereford Association, Champion Division XV Polled Female 2024 Junior National Hereford Expo, another class winner 2024 Junior National Hereford Expo, and a Division Champion at the 2024 Ohio State Fair. In 2023 the 3 sibs won the Texas State Horned Hereford Show, Texas HOT Fair, Reserve Div I Polled JNHE, and Champion Div VII Polled at JNHE.

In 2022, the natural calf (sired by American Classic) sold for a \$50,000 valuation, which led T/R to flush her back that direction. That same year, the ET Classics from this mating brought \$34,500 and \$20,750 for possession and 1/2 embryo interest. In 2023 and 2024, siblings sold for \$60,000 (no possession, 1/2 embryo interest) and \$75,000 (full possession).

Track record that's a mile long. She was Reserve in her Calf Division at the 2019 NWSS and Champion Division IV Horned at the 2019 NJHE. 1810, 1813, 1816, Augustus, and El Captain are all full sibs. Mirror image is no stranger to putting cattle in the backdrop and she did just that with this flush. 1813 won the Fort Worth Jr Show, and what Augustus and El Captain bring to the table is certainly something that speaks for itself. The generating potential of this donor is unreal!

Full sib to embryos selling-\$75,000 valuation daughter by Red Kingdom

Full/maternal sib to embryos selling \$15,000 half interest daughter by Red Kingdom

EXR LEXUS 7260 ET

Special stuff here! A natural calf and full sister to the first set of embryos sold for a \$75,000 valuation in the December 2024 Sale for T/R. In 2025, two additional sisters commanded \$25,000 for the pair.

7260 is a maternal sister to the ever-popular EXR Bankroll 8130, the 2019 NWSS Reserve Grand Champion Horned Bull and the lead bull in the 2019 NWSS Grand Champion Pen of Three Hereford Bulls. This cow is long made, powerfully hiped, and extremely eye appealing. She is equipped with a gorgeous udder and excellent feet and structure.

7260 herself sold for \$30,000 through our 2019 Annual Open Heifer Sale on SC. She is sound-structured with loads of power—huge ribbed, deep-sided, wide pinned, and still reaches out of a strong hip and hind leg.

Trent showed her dam with tremendous success during his final year as a junior showman, and today she stands as the lead Hereford donor at Express Ranches, anchoring a cow family with an exceptional list of accomplishments. A truly proven and powerful lineage.

- **SELLING:** *Lot 26 B* – 1 Package of 3 embryos sired by B&C Touchdown 3535L ET *Sexed Female*

T/R ADORA F3 ET

Trent hasn't offered many eggs on F3, making this a rare opportunity to access genetics tracing back to the great 339A. A full sister to the "A" embryos sold for \$30,000 for ½ embryo interest in the 2024 T/R October Sale, followed by another full sister bringing \$50,000 for ½ embryo interest, no possession in 2025. The "B" package is out of the 2025 Reserve National Champion Polled Bull Cattleman's Congress, B&C Touchdown 3535L ET.

When T/R purchased 339A, the vision was clear: pair her with American Classic. F3 is everything they hoped for and more. She's a maternal sister to the great Chardonnay 907E, making her a sister to Coco Crème, the female that earned the Reserve Grand Polled and Bred & Owned Heifer banners for the Jenson family at the 2017 JNHE. Since then, 339A has continued to capture attention for the sheer quality and consistency of her progeny.

This horned female embodies exactly what T/R Cattle Company strives to produce – unique in her look, complete in her design, and versatile enough to thrive in both the purebred and commercial sectors. Her first natural calf sold for \$15,000, and her last three ET daughters by Dominate averaged \$7,500.

You'll be hearing much more about this cow family in the future – because the cattle are, quite simply, very, very good.

Embryos available Spring 2026.

FWSS Jr Show• **SELLING:** *Lot 27* – 1 Package of 3 embryos sired by PSC T/R Hired Gun 184 ET *Sexed Female***SULL TCC DIANA 4064B ET**

4064 doesn't have much left in the tank so take advantage! A maternal sibling to these embryos was Reserve Champion Horned Female at the 2024 NJHE. Two full sisters to these embryos sold last fall for \$35,000 and \$22,000 (half embryo interest, no possession), while another trio commanded \$33,000 in the fall of 2025. Additionally, a maternal sibling sired by Red Kingdom brought \$22,500 at the 2023 GKB and Barber Ranch Female Event and went on to win her class at the 2024 NJHE—notably, she was also an embryo purchase.

The production potential here is immense. These embryos give you the chance to create your own donor cow from a line of proven champions. The Two-Time National Champion Female stems from three legendary donors: TCC MS Diana 01, TCC Miss Shelby 82, and Harley.

4064 herself is a high-producing powerhouse. A recent daughter achieved an exceptional show career, earning Reserve Champion Horned Hereford at the 2022 Fort Worth Livestock Show, Champion Horned Hereford at the 2022 Houston Livestock Show, Division IV Champion Horned at the 2022 JNHE, and Champion Horned at the 2022 Heart of Texas Show for Jarrett Worrell and family.

These embryos are from a line that has consistently commanded top dollar: \$30,000 and \$45,000 in 2017, a \$36,000 valuation in 2021, \$13,500 in 2022, and \$24,000 for an Aventus daughter in 2023. The list continues to grow, but more importantly, 4064B is widely regarded as one of the best cows to ever step foot on our ranch, and this offering represents elite, proven genetics stacked with highly successful cow families.

› **SELLING:** *Lot* **28** – 1 Package of 3 embryos sired by T/R GKB AC Red Kingdom J16 ET *Sexed Female***GKB 22C POKERFACE 8680 ET**

A full sister to this mating commanded \$29,500 for ½ embryo interest, no possession, in the December 2025 T/R and Hensley Female Sale. This cow will flat stop you in your tracks. She was Trent & Leslie's \$47,000 selection out of GKB's herd at the 2023 Female Event Sale, combining elite phenotype with a pedigree built to stand the test of time.

We believe the combination of Red Kingdom × 8680 will be nothing short of exceptional, and her versatility as a donor is off the charts—we fully intend to utilize her heavily moving forward. A direct daughter of Poker Face, she offers a massive upper hip, tremendous rib shape, a flawless look, and big, functional running gears.

She has already enjoyed success in the show ring with multiple division wins, and her influence is only just beginning. Expect many outstanding siblings to follow in the years ahead.

T/R THUNDERBIRD WINE ET

A full sister to the first package brought \$31,500 for half embryo in the October 2025 sale for T/R. A maternal sib to these embryos commanded \$24,500 for half embryo interest in their May 2024 sale, and these embryos are also sibs to the 2023 HYFA heifer, who sold for \$30,000 for half embryo interest and no possession. A sister to these eggs (sired by Marksman) just produced a \$36,000 Black Hereford as a first calf heifer in the December 2025 T/R and Hensley Female Sale.

Her progeny are unreal – the kind that makes you stop and stare. The offspring are wild made, unique in their build, and flat-out elite. If there's ever been a mating capable of producing next-level cattle, this is it.

The donor cow behind this set is incredible in person – a true standout in the Hereford breed and one we believe could make a lasting impact across multiple breeds. It's hard to imagine a female more "out there" in terms of design, power, and presence. She's bold in her look, exceptional in her maternal quality, and her pedigree screams generating potential.

Prior to 2023, 8424 had averaged \$25,000 on every natural heifer calf ever sold – and she did it again recently with the full sib to these embryos. The average continues to climb in progeny sales. She stands as the most dominant offspring out of Strawberry Wine, and she continues to define what elite Hereford genetics should look like.

MLF MS MONTELLA 116E ET

MLF MS Montella 116E ET has transitioned nicely from elite show heifer to elite producer. This direct daughter of TR MS Montella 1572Y has a royally bred pedigree and is a full sister to the standout at Thomas Ranch TR MS Berkly 4711B ET. Her accomplishments in the show ring have now been overshadowed by her ability to produce high end livestock!

The embryos contained within the lot A offering will produce full sibs to the 2023 Supreme Champion NAILE Jr Heifer that was shown by Sara Sullivan, LMAN Ms. Shelley 251K. This \$130,000 Milestone daughter also hung major banners at the 2024 Cattlemen's Congress Jr and Open shows and at National Western. Further proving the genetic potency of this cow family, the first set of LMAN Ms. Shelley daughter that sold this fall averaged near \$11,000 with a top of \$28,500 via the Boyert-Core Female Sale.

There were only a handful of Montella 116E ET daughters offered in the fall of 2025 with one selling privately through the Stertzbach pasture sale for a chunk of money and another sold for \$12,000 through the Boyert-Core female sale.

The large offering of embryos from MLF MS Montella 116E ET are sired by the top Charolais bulls in the business. Pick your favorite and you won't be wrong as they are all champions, record sellers and proven sires of champions!

BOY HL DANIKA 200K PLD "200R"

We welcome the opportunity to roll out and introduce one of the up-and-coming stars in the Boyert Charolais donor battery, BOY HL Danika 200K PLD "200R". This young donor was a highly competitive show heifer for Carter Hoge as she was named Grand Champion Bred & Owned Female at the 2023 North American and Grand Champion Bred & Owned Female at the 2023 Char Spangled Banner AIJCA Junior National Show.

Since entering production Danika has only two head to her credit. Her natural calf was a bull and her first heifer calf sired by Odyssey was offered through the Boyert-Core sale. Jared and Bailey made it very clear that they intend to use Danika heavily in the future of their ET program. Their faith in this young female is all we need to know to be all in!

The embryos being offered are a homerun in the making. The sire of the embryos is none other than the \$430,000 valued BOY AALB White Snake 400M. This sensational sire is owned in partnership with Bowling Cattle Company. It's worth noting that Boyert Cattle IVF'd or bred most of their white cows to this sire. Enjoy!

SULL MONA LISA REWARD ET

SULL Mona Lisa Reward ET once again provided several sale highlights for this year's sale season and several of those females have been off to a hot start. This only serves as further evidence that SULL Mona Lisa Reward is one of the most consistent, proven and profitable females in the breed!

SULL Mona Lisa Reward has had tremendous success raising National Champions in both the Purebred ring and the Plus ring alike. In fact, she has raised 8 National Champions to date! Daughters and sons of this prolific female have won shows such as Denver, Louisville, Junior Nationals, Keystone, and the American Royal to name a few!

The 2025 Star Search sale once again featured Mona Lisa Reward daughters in a big way! A daughter by Omaha was the \$70,000 selection for Knox Neumayr that has been named Reserve Grand Champion at the American Royal as well as numerous other division championships. A Shorthorn Plus daughter by 24 Karat rang the bell at \$55,000. We can't forget Alyssa Meier's division Champion in both the Jr and Open shows at the North American!

Last fall at the Cates Star Search Sale a sister to this embryo mating was the \$105,000 high seller who would eventually go on to win her division at the North American for Skyler Ward. Let's not forget about the Popular Mona Lisa Reward ET son that won the Jack C. Ragsdale Shorthorn Show in Louisville, CF Logic X. The winning bidder will get CHOICE of the matings listed. This may be the hardest decision of the day!

SULL Crystal's Swan ET has worked her way to the top as one of the most prolific Shorthorn donor females in production today. She herself was a decorated champion claiming the title of 4th Overall Shorthorn Female at the 2015 National Jr. Shorthorn Show for David Smith.

Since entering production, SULL Crystal's Swan ET has produced some of the best females the breed has seen in recent years including the \$90,000 Evolution daughter that was campaigned by Ferree-Fitzgerald to Grand Champion Shorthorn Female at the 2020 NAILE as well as Grand Champion Female at the 2021 National Jr. Shorthorn Show.

The fall of 2025 was a big year for Crystal's Swan as a pair of daughters headlined the Cornerstone Farms production sale where a daughter by Dream Weaver commanded \$40,500 and has already found the backdrop in Oklahoma. A second daughter by Evolution sold for an impressive \$25,000. Not to be forgotten, the lot 4 female by Dream Weaver sold for \$15,250 when the hammer fell. Fast forward to the Cornerstone Farms October online sale and a Red Knight X Crystal's Swan sold for \$13,000. No matter the sire, she just works!

A truly unique opportunity that we are proud to offer for the first time! You can't go wrong when you mate the proven, breed superstar Crystal's Swan ET to the sensational new sire SULL RGLC The Goat 420M! The upside here is out of this world!

This special female had an awesome run for Kolten Greenhorn as she was named Grand Champion Shorthorn Female at the 2023 National Western in BOTH the Jr. and Open Shows! We ought to mention that her sister GCC Diva The Roo won those same honors at last year's NWSS! MFS Knighted Pinky the Roo 2142 was also 5th Overall Female at the National Junior Heifer Show, Grand Champion Shorthorn Female at the Ohio State Fair.

The very first two ET calves of MFS Knighted Pinky the Roo 2142 have averaged \$32,000 through the 2024 Greenhorn Fall production sale including the \$50,000 GCC Evolving Pinky the Roo 42 ET who would go on to be Reserve Grand Champion Bred & Owned Female at the 2025 National Jr. Heifer Show for Kolten Greenhorn and Legacy Ranch.

MFS Knighted Pinky the Roo 2142 stems from an impressive cow family that injects power with an attractive profile into their progeny. This mating to SULL RGLC The Goat 420M ET should reap big dividends!

SULL BLOODED RUBY 3278

SULL Blooded Ruby 3278 is one of the premier Shorthorn donors within the historic Sullivan Farms program. For years Blooded Ruby has consistently landed her daughters in the Maternal Legends sale where they have been sale highlights and went on to have storied careers in the show ring.

This season a very popular Blooded Ruby daughter by Dream Maker has been a multiple time Champion for Maddie Berg including Reserve Champion Shorthorn Female at the 2025 Iowa State Fair and most recently Grand Champion Shorthorn Female at the 2025 American Royal Junior Show!

Like we mentioned before, Blooded Ruby daughters have traditionally been sale highlights at Sullivan Farms. In the 2024 edition of the Maternal Legends sale a Dream Weaver X Blooded Ruby commanded \$49,500, a daughter by Dream Maker sold for \$32,500 and a daughter by Red Knight sold for \$31,000. In this year's 2025 sale there were 5 Blooded Ruby daughters featured that averaged over \$10,000. Take your pick of these proven and potent Blooded Ruby matings!

JSUL WHO DAT FETTY 6322D

Year after year, JSUL Who Dat Fetty 6322D maintains her dominance as one of the top Chi influenced donor females in the game! After "Fetty's" heavily decorated show career for Sara Sullivan this unique creature was purchased for \$80,000 in partnership by Holmes Livestock, Jared Werning Cattle and MPJ Cattle. Fetty has proved to be a sound investment.

Last December at the 2024 Hoosier Beef Congress Coldar Cunningham led his 24 Karat X Fetty to Reserve Chi in the Junior Show. This was just the beginning of a storied show career that would end with this female being named Grand Champion Chi Female at the 2025 Indiana State Fair and ultimately 5th Overall Female in the Junior Show. She is sure to be a key player in the very deep BC II donor battery.

In 2021 a Style X Fetty was Reserve Grand Champion at the 2021 NAILE for Bailey Robbins. This female rang the bell at \$49,000 for half embryo interest selling for Tolle. In 2022 a \$59,000 Fetty daughter was 3rd Overall Chi Female at Jr. Nationals for Sara Sullivan. Fast forward to the 2022 American Royal where a \$127,500 24 Karat X Fetty was selected as Reserve Champion Chi Female. As time marched on this same female would eventually be slapped Champion Chi Female at the 2023 Cattlemen's Congress Jr. Show.

Fetty's long list of high sellers continue to grow and include a A Style daughter at \$73,000 on the Bonham/Martin New Era Sale, a \$40,000 daughter on the MPJ fall sale, a \$31,000 daughter at the Schaeffer & Tice bid-off, a \$25,000 Primo daughter and finally a \$26,000 daughter sold by Holmes Livestock.

Who's Playing 6973D**TSSC WHO'S GONNA PLAY 4015M ET**

We are excited to introduce the next generation of the Who's Playing dynasty and if this one doesn't get you excited, we can't help you! This direct daughter of the prolific JSUL Who's Playing 6973D is an elite level female with all the bells and whistles you'd come to expect from one with this pedigree!

TSSC Who's Gonna Play 4015M was the \$201,000 selection by the Hendrickson family from the 2024 Schaeffer-Tice bid-off. This female would go on to claim Supreme Champion Junior Breeding Heifer at the 2024 Keystone International Livestock Expo. Just a few weeks later, Hadley Hendrickson would lead Who's Gonna Play 4015M to Grand Champion honors at the 2024 American Royal Chianina Show in Kansas City.

TSSC Who's Gonna Play 4015M comes from a long line of winners with maternal sisters such as the 2020 NAILE Champion Chi TSSC Who's Lizzo 907G, the 2021 NAILE Champion Chi TSSC I'm Gonna Be 048H and the 2022 NAILE Champion Chi Preston's Ethel. The embryo options boast some of the hottest sires of the year with the proven Revelation 2K and Hits Different. We are pumped to offer a 3rd and brand new sire, BMW On Cue 119N, the new high Chi option from Winegardner, Coor and Schaeffer that was debuted at Cattlemen's Congress!

JSUL Who Dat Darling 902G continues to turn out high sellers and champions like clockwork. Her track record speaks for itself!

The fall/winter of 2025 has been a strong showing with 902G daughters topping multiple sales. Most recently a SAM X 902G traded at \$75,500 in the Tice online sale with 2 other full sibs bringing \$33,500 and \$18,500 in the Sullivan Farms Maternal Legends Sale. The Tecumseh mating has turned heads this fall as well with a pair selling for \$35,500 and \$21,500. Just last month a full sib to the embryos by Coping with Destiny was a \$55,000 sale feature at the Fitz & Weis sale in Oklahoma!

Last fall the Bloomberg family selected a \$133,500 W/C Bankroll 811D daughter through the Recknor sale that would go on to be named Supreme Champion Breeding Heifer at the Illinois State Fair, both Reserve and 3rd Overall at the Illinois Beef Expo, Champion Chi Composite at the 2025 Cattlemen's Congress and lastly, Supreme and 3rd Overall Female at the Badger Brawl. We can't forget to mention the Berwick sired Supreme Champion Female from the 2025 Oklahoma Youth Expo shown by Bentlee Lester!

Looking back to the summer of 2024 a pair of JBSF Berwick daughters saw much success when the Dorsey family was named Reserve Grand Champion % Female at the AJSA Classic and the Pembroke family was selected 7th Overall in that same show! Take the proven % Simmental mating or step out and make some wild looking Shorthorn Plus heifers!

NMR GCC KELLI 850K ET

The Immortal "Kelli" has set the standard over the years in terms of producing highly sought after progeny, both male and female alike. Her legacy has been etched in the history books by her offspring that have topped sales, won majors and continued the tradition she has started many years ago!

The Irish Whiskey X Kelli mating has been extremely potent creating legends such as NMR REIM 26, Rodgers 1244, Brian Martin C75 and LDSC Miss Whiskey 30Z "2/75". In 2021 Reimann Ranch sold a Whiskey X Kelli for an impressive \$91,500 while a full sister headlined the First-Class Female sale that same year at \$40,000. We can't forget the Maternal Made X Kelli daughter RCC1!

In 2019 a full sister to the embryos selling commanded \$60,000 through the Boyert-Core sale and in 2020 a Daddy's Money X Kelli sold for \$45,000. The list is long but other high sellers include a \$78,000 Irish Whiskey X Kelli that sold in the 2016 First Class Female Sale and Monopoly bred heifer at \$43,000.

Kelli daughters have found their fair share of success in the winner's circle including wins at Denver, Kansas City and Reserve Supreme at the Illinois State Fair. Sons have been Reserve at Ohio State Fair and Tulsa, just to name a few. Honestly, Kelli's resume is too long to fully list but were guessing anyone who has interest in this lot knows exactly what were selling here!

Maternal sib to embryos selling-JSUL Who Dat Fetty 6322D

, SELLING: *Lot 43* – 1 Package of 3 embryos sired by Conley Bristow 2317 *Sexed Female***JSUL TOTAL GIRL 41**

In today's world it is very hard to find females that produce elite quality livestock but also carry enough Chi % to make those highly sought after high Chi show heifers. Not only does JSUL Total Girl 41 check both those boxes, but she does it with ease. The resulting offspring from the embryos selling will register 12.86% Chi and that female's offspring will then register a minimum of 6.43% Chi giving you two generations of flexibility!

This is an unprecedented opportunity to purchase maternal sib embryos to the popular JSUL Who Dat Fetty 6322D! "Fetty" was the \$80,000 selection for Holmes Livestock, Jared Werning Cattle and MPJ Cattle just a few short years ago that has since developed her own legacy!

Fetty isn't the only rock star daughter of JSUL Total Girl 41. A daughter by ASHW Who Da Man and full sister to Fetty just entered the donor pen for Sullivan, Sweeney and Campbellco. This female is a wild example of the kind of quality this cow family repeatedly produces. Let's not forget all the high sellers and champions for the Pembroke family such as the Reserve Champion Chi Female at the 2023 NJHS!

The embryos selling by Conley Bristow 2317 come direct from the Sullivan Farms personal stash. Bristow semen isn't available on the open market and has sold recently as high as \$4,000 per unit. Considering some of the very first Bristow daughters have commanded \$190,000, \$150,000, \$140,000, \$90,000, \$83,000 and \$70,000, it's easy to see why we had to beg to get these embryos in the sale! Last but surely not least, Jess Recknor sold a maternal sib to these embryos this fall for \$80,000. This cow just works!

JSUL WHO'S PLAYING 6973D ET

JSUL Who's Playing 6973D ET has emerged as one of the premier Chianina females in the country and even furthermore, one of the very best JSUL Sultry 6640 daughters to walk. JSUL Who's Playing 6973D has produced daughters that have hung banners at national shows every year since 2020. The list of daughters between \$20,000 - \$200,000 is staggering. That is an incredible feat in our opinion!

A ROSE MC Encore X JSUL Who's Playing 6973D daughter was the highlight of the 2024 Schaeffer-Tice pasture sale where she commanded \$201,000 to the Hendrickson family. This female would go on to be named Supreme Champion Junior Breeding Heifer at the 2024 KILE as well as Grand Champion Chianina Heifer at the 2024 American Royal Open Show.

The 2025 show season continued to prove the value of JSUL Who's Playing 6973D daughters as Amalia King led her 24 Karat sired heifer to Supreme Champion Heifer at the KY Beef Expo and Breckyn Bloomberg was selected Reserve Grand Champion Chi Female at the American Royal with her Primo sired daughter.

JSUL Who's Playing 6973D has produced her share of North American champion females evidenced by the 2020 NAILE Champion TSSC Who's Lizzo 907G shown by the Guyer family and TSSC I'm Gonna Be 048H owned by Jones Show Cattle. Tim is offering some fresh, new matings that will be the right kind. These will surely add to her storied legacy of champion and high sellers!

JSUL WHO DAT 1602

JSUL Who Dat 1602 herself was a many time winner including the highly coveted Supreme Junior Female title at the 2012 North American. This unique female has positioned herself among the top Chianina donors in the elite Sullivan battery through the success of her many daughters!

JSUL Who Dat 1602 has been nothing short of automatic. In 2021 a popular 1602 daughter named Who Dat Whitney 091H sired by Primo was the Junior Show Grand Champion Chianina Female at Cattlemen's Congress for Sara Sullivan. Come open show day the Sullivan crew opted to rest this female and in her absence a pair of full sisters were named Grand (JSUL Mo Who Dat 9022G) and Reserve Grand (JSUL Who Dat Colburn 0197H) Champion Chianina Females in the Cattlemen's Congress Open show!

At the 2022 Cattlemen's Congress Open Chianina Show JSUL Who Dat Whitney 091H took a second victory lap and again claimed Grand Champion honors! Aside from the three sisters listed above, other Primo X Who Dat 1602 daughters have respectively sold for \$38,000, \$35,000 and \$30,000.

The embryos by Crossover will produce offspring that will register as 15.5% Chi and the mating by Bristow will produce offspring that will register 6.54% Chi. Please note that Bristow semen is not available on the open market and has commanded near \$4,000 per unit recently!

WINSLOW'S MARY JANE 13G

Dr. Josh Winslow has been hand selecting some of the best show heifers and donor females in the country over the last 10 years and the fruits of his labor are starting to show through females such as Winslow's Mary Jane 13G.

In her young career Mary Jane has already produced the Supreme Champion Female at the 2024 Kentucky State Fair as well as Supreme Female at the WVU Block & Bridle, Supreme Female Muskingum Fall Classic, Reserve Supreme Female West Virginia State Fair, Reserve Chi Pennsylvania Farm Show and 3rd Overall at the OSU AGR.

Mary Jane is a dual registered beauty so the embryos by Crossover will register 9.2% Chi and the embryos by ROSE Apex will register as MaineTainers. Not only are the Mary Jane calves extra good but there is added value in each of these matings in how they can be registered!

JSUL KEMO SABE 4199M

We are proud to welcome JSUL Kemo Sabe 4199M back to the Donors on Ice sale, where we featured his initial semen offering in January of 2025. Since that initial offering you will rarely find his semen for sale unless it is being resold. Even then, you don't see it often. Furthermore, this is the very first, and possibly last time, that you will see sexed female Kemo Sabe for sale. This is a true sale feature!

The dam of Kemo Sabe SSUL Who Dat Darling 4303B has raised 3 Jr. National Champions, 1 Reserve Jr. National Champion, 1 NAILE Supreme Champion Female, Multiple Champion Chi Females at Ft. Worth and 5 Grand or Reserve Chi Females in Louisville.

In the fall of 2024, a full sister to Kemo Sabe sold through Jess Recknor's sale for \$130,000 and has found success being named Grand Champion Breeding Female at the PA Youth Livestock Expo! Full and maternal sisters to Kemo Sabe have been sale highlights fetching huge prices over the last few years. When we inquired about selling a set of 4303B embryos it was a hard NO!

Donor Selling-Smith/Boyert 870

› SELLING: *Lot* **LIVE LOT B** – Offering 100% interest & possession. Sells open & Ready to flush› SELLING: *Lot* **BB** – 1 Package of 3 embryos sired by How Great Thou Art *Sexed Male*Full sib to embryos selling
\$65,000 son by How Great Thou Art**SMITH 870**

Each year we try to headline our club calf division with a proven female that has excelled for a major program. We search for females that consistently put their offspring in high profile sales and have a track record of success. Smith/Boyert 870 checks those boxes.

Smith/Boyert 870 is an absolute outlier. Bailey Boyert described 870 best when she texted me "Anyone who sees her can't believe it. She looks like a Clydesdale with huge feet, wild looking in her head and neck and super stout". 870 has all the traits that it takes to push the envelope, yet she maintains incredible structure and the ability to motor around the pasture. She has the "wow" factor.

We have just started to see exactly what 870 is capable of and it looks like the sky is the limit. Laramie Priest traded a red and white How Great Thou Art X 870 for \$65,000 in February of 2024. Brad Smith has sold a pair of How Great Thou Art steers and they commanded \$29,000 and \$20,000 respectively. Blaine Rodgers highlighted one of his recent online sales with an In God We Trust X 870 ringing the bell at \$24,000 that originally came from Tim Holm. All in all, 11 calves by In God We Trust have averaged just over \$12,000 per head.

870 walks the walk and talks the talk. The best part is, she is generous, too. 870 is averaging approximately 11 embryos per flush. We can't wait to see who the new ownership will be and how 870 will leave her mark on their program.

• SELLING: Lot 48 – 1 Package of 3 embryos sired by TLAC Hits Different 1409L Sexed Female

RCC 1

There has never been another one like her. RCC 1 is arguably the top show steer producing female in the country. Her male sons have won majors, state fairs and countless jackpots and now, produced AI sire prospects. This is the first time (that we are aware of) that female embryos have been offered from RCC 1. We have all seen the popularity of the Hits Different females this fall. Simply put, this mating could produce the next generation of elite donor female. What a wild opportunity!

RCC 1 Over last 4 years:

Dam of embryos selling-Smith/Carroll 707

› **SELLING:** *Lot* **49** – 1 Package of 3 embryos sired by Golden Ticket *Sexed Male***SMITH/CARROLL 707**

There is no question that Smith/Carroll 707 has been gaining steam over the last few years but this fall, she removed all doubt! This intriguing blonde bombshell is a former First Class/Dakota Classic high seller that is valued at \$230,000. In a deep, deep club calf donor battery, 707 sits right at the top in Estherville!

707 has produced the high selling calf in the Smith Cattle Company fall sale on more than one occasion – 2022, 2023 & 2025. This in and of itself is wild to think about!

Several 707 sons have sold so high, they refuse to disclose the amount. There are however plenty of 707 offspring that we can account for, and they include a \$110,500 heifer by Golden Ticket that sold this fall as well as a \$94,000 steer by In God We Trust. The In God We Trust X 707 mating is averaging over \$40,000 to date. Let's not forget about the \$38,000 daughter by Here I Am!

Simply put, these embryos are rarely offered because they flat out work! The success that has been accounted for by both Smith and Carroll is unprecedented and to think that all this has transpired in a short amount of time which leads us to believe we are just starting to see what 707 is capable of. Pick your favorite, they both work well!

As we have said before, there are certain females in this business that can be referred to as a single name or number, and everyone instantly knows who they are and what they have accomplished. Whitey has earned that recognition as her legacy continues to build.

The embryos being offered will be a full sib to Croix Reimann's 2024 NWSS Grand Champion Market Steer! What a tremendous evening that was as Croix received the trophy that was named in memory of his dad, Nick Reimann! Prior to securing victory in the mile high city, this calf was named Champion Market Animal at the 2024 South Dakota Summer Spotlight Show. As many great cowboys have said, that calf was one of the best ones to ever win Denver!

This fall a In God We Trust X Whitey steer headlined the Boyert-Core September sale as their lot 1 selling for \$25,000. If the rumors are true, this calf ended up in Searsboro so we will bet you hear from him again. Fun fact, this calf was a result of embryos purchased through this very sale by the Boyert brothers two years ago!

2024 was a monumental year for Whitey offspring fall. Her steer calves by In God We Trust sold extremely well. A pair of calves topped the Hoyden Livestock Spring online sale at \$39,500 and \$20,000. Fast forward to the fall where Brad Smith marketed A pair of In God We Trust X Whitey steers for \$184,000 and \$40,000. An unbelievable feat by and unbelievable cow.

In her early years, Pryor sold 3 steers by In God We Trust for an impressive \$33,500, \$21,000, and \$16,500 while Joe Herr sold an In God We Trust for \$27,000 and a Here I Am for \$24,000. Buy with confidence because Whitey gets it done!

• SELLING: Lot 51 – 1 Package of 3 embryos sired by How Great Thou Art

MISS MADDIE 418E

What an exciting offering from our west coast friends at Kerlee Cattle Company in California! The embryos selling are full sibs to what we would estimate as the best steer to show over the last year. We know, that's a tall statement.

The embryos offered will result in full sibs to Cannon Reimann's Grand Champion Steer at the 2025 South Dakota State Fair. This impressive beast was also named Grand Champion Steer at the 2025 AkSarBen, Grand Champion Prospect at the 2025 NWSS as well as champion at a handful of jackpot shows. We need to also mention that a maternal sib to the Reimann steer was the Supreme Champion Steer at the 2024 Western Bonanza for the Heywood family, and a second maternal sib was just named 3rd Overall Prospect Calf at the Arizona National for Meghan Renfro!

The popularity of Miss Maddie's sons continued through the fall as her sons highlighted the Kerlee online sale where a How Great Thou Art traded at \$45,000, a Here I Am sold for \$24,500 and a Next Man Up sold for \$10,500. This is a rare opportunity to access the very best in club calf genetics and arguably some of the most sought after in the country!

TSS/STREIT 79B-1

You could write a literal book on the accomplishments of the \$2+ Million producing 79B and her clone TSS/Streit 79B-1. This "no miss" donor female has been a prolific producer of high sellers, countless champions and proven donor females. The legacy continues with her clone.

This fall in the Thompson Show Steers pasture sale a Here I Am X 79B was a crowd favorite commanding \$42,250.

In recent years the 79B X HIA steers have hung banners at some of the country's biggest shows. The list includes Grand Champion Market Steer at the 2025 Nebraska State Fair, Reserve Grand Steer at the 2025 Wisconsin State Fair, Grand Champion Chi Steer at the 2025 Iowa State Fair, Grand Champion Market Steer at the 2024 Indiana State Fair, Reserve Div. 3 Market Steer at the 2023 American Royal and Grand Champion Market Steer at the 2022 Michigan Livestock Expo.

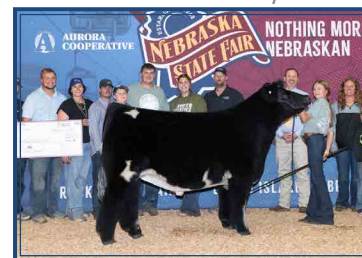

In the 2023 Thompson Show Steers pasture sale a daughter of 79B caused a stir when she commanded \$76,000 for 50% interest once the gavel fell. Much like a fine wine or a rare diamond, 79B genetics only grow in value!

REIMANN RANCH/HECKMAN 1-300

In last year's edition of the Donors on Ice sale, we introduced a new, up and coming female from Reimann, Heckman and Rodgers and we told you to buy in early because she was the next big deal. We weren't wrong!

Reimann/Heckman/Rodgers 1-300 was the wildly popular Grand Champion Market Heifer at the 2022 Ohio State Fair for the Fulton Family. This female even placed in the top 5 market animal drive only adding to her legacy! Once her show career was complete, she headed west to begin a legacy that we have only just began to realize!

The 2025 fall sale season was a breakout year for 1-300 with her second calf crop garnering attention from the best families and traders in the country. Her best sons sold by way of the Reimann and Boyert-Core pasture sales and they didn't disappoint. A pair of sons by Here I Am highlighted the Boyert-Core sale with one topping it at \$85,500 and another selling for \$25,000. Reimann Ranch added another high seller with a third son commanding \$30,000 through their Ree Heights based pasture sale.

Barry, Tim and Wade have unlocked the vault and brought you two options from one of the hottest young donors in the business. Lock these frozen gens up now. I have a feeling in another 1-2 years they won't be available!

RJ/MOGCK DONOR 400

The 2025 sale season was Donor 400's biggest yet. The RJ Cattle Co. fall sale boasted more than 10 sons of 400 from various sires. The highlight of the bunch and full sib to the lot A embryos was a \$61,500 How Great Thou Art that was selected by the Gensini family and has already been named 3rd & 4th Overall at the 2025 Badger Brawl. A full sib to the lot B embryos was selected Grand Champion Steer at the 2025 Nebraska State Fair for the Prinz family. The 400 offspring were a deep group with another HGTA X 400 selling at \$52,500 and several other 400 steers selling for \$30,000, \$20,500, \$15,000 and \$13,000, just to name a few! Justin Mogck traded a pair of IGWT X 400 steers at \$16,000 and \$10,000. What a year for 400!

The fall of 2024 was a continued parade of high caliber steers from the potent 400 donor. A steer by In God We Trust commanded \$50,000 in Nolan Ferguson's online sale while RJ Cattle Co. had a pair of IGWT X 400 brothers sell at \$30,500 and \$18,000. In September of 2024 the Werning family claimed Reserve Chi Steer honors at the South Dakota State Fair with their 400 son.

2023 was a big year for Donor 400 as a son by In God We Trust was selected Grand Champion Steer at Rodeo Austin, and another one was Third Overall Market Steer at AkSarBen. Additional winners of note include Reserve Grand Champion Steer at the Michigan Livestock Expo.

Before the 2025 sale season Donor 400 by the numbers: \$50,000, \$45,500, \$42,000, \$34,000, \$33,500, \$32,000, \$31,500, \$30,000, \$27,000, \$26,000, \$26,000 and a whole slug of them in the middle to upper teens! RJ & Mogck have opened the flood gates and are allowing you to gain access to their very best!

Full sib to embryos selling son by How Great Thou Art

• **SELLING:** *Lot 55* – 1 Package of 3 embryos sired by How Great Thou Art *Sexed Male***MFC ELLEN 102G**

Every year there will be a calf that gets on a roll and just doesn't slow down. It may be early in the season, but my money is on the full sib to the embryos that are being offered here.

This past fall the Ellsworth family posted a picture of a calf on Facebook that was the result of a bred female they had purchased last December. As interest poured in the decision was made to bid off the calf. Webster, England, Daake & Dorn placed this elite individual in the capable hands of the Van Genderen family and the rest is history!

In his first outing the full sib to the embryos being offered was named Grand Champion Market Animal in both rings at the 2025 Badger Brawl. Less than two weeks later this calf made the trip south and was named Grand Champion Market Animal Ring A and Reserve Grand Champion Market Animal Ring B at the Highly competitive 2025 Kansas Beef Expo.

We are excited to offer the very first frozen genetics from MFC Ellen 102G to the public. There is no doubt that the resulting offspring from this mating will have all the big boys lining up at your gates!

*Embryos available approximately April 1, 2026

Full sib to embryos selling-3rd Overall Steer 2023 IN State Fair

• SELLING: Lot 56 – 1 Package of 3 embryos sired by Here I Am Sexed Male

JBOY TAMMY 843

JBOY Tammy 843 may well be the most versatile female in the offering in terms of her ability to produce high end males and females alike. Her story is so diverse and accomplished that we opted to split her matings in this sale book and offer the maternal embryos on night #1 and bring her back night #2 and feature her steer making embryos.

JBOY Tammy 843 was a multiple time champion herself for Kathy Lehman and capped on her illustrious show career by being named Reserve Grand Champion % Simmental Female at the 2020 National Western. Little did we know, this would be the beginning of something special.

In the fall of 2025, the Tammy 843 steers were a sale highlight in the Boyert-Core September sale. There were four full brothers sired by Here I Am that gathered great interest from the best homes in the country. These four brothers sold for \$77,501, \$25,000, \$15,000 and \$10,500. You will hear more about these steers in the months to come!

Before this fall there was a \$34,000 full brother to the steers that we mentioned above that was the 2022 Hoosier Beef Congress Reserve Supreme Champion Prospect Steer. This impressive individual would go on to be the 3rd Overall Champion Market Steer at the 2023 Indiana State Fair for the Brumbaugh family. The odds are in your favor here as we've taken out all the guess work!

MCFARLAND 2025

If you haven't heard of 2025 yet, you will soon! This impeccable female was the lot 2 highlight in the 2023 Shar the Brands sale for Laramie Priest. Rawley & Megan McFarland tied in and bought the 50% interest that was offered in the sale but it didn't take long to realize they were on to something special, and they began down the road to acquire 2025 in full.

With only a handful of offspring to her name, 2025 has already put herself on the map. This summer the internet lit up when Griswold Cattle posted that they acquired part of a "clubby" bull named Ready for War. John made it clear that he isn't usually into the clubby stuff, but this young sire was so good he couldn't help himself!

The 2nd 2025 calf of note was the \$100,000 How Great Thou Art son that sold in the spring to Jett James in Texas. This incredible creature was raised by McFarland Show Cattle and sold by Priest Genetics in their February 2025 sale. This calf has been on a hot streak being named Grand Champion Overall Steer at the Texas Youth Expo as well as Grand Champion Prospect Steer in ring A and B at the Pursuit of Purple Show. We look for this calf to make a run at a major this winter/spring. We also need to mention the gold How Great Thou Art X 2025 steer calf that commanded \$27,500 in Priests February sale that was also raised by McFarland Show Cattle. This mating to HGTA is as close to automatic as you can get!

2025 is without a doubt one of the elite young stars in the club calf world. This female is going to catch another gear this spring when her calves come up for public appraisal.

ENGLAND 423

England 423 has claimed her spot as one of the most productive and lucrative donor females in the deep England Show Stock donor battery. In just a few short years 423 has generated well over \$500,000 in sales from her offspring. The 423 females and males have been equally sought after making her even more valuable.

It is a shame that there will not be a picture in time for the catalog of what Nelson deems her best calf ever born but you'll have the opportunity to see the \$100,000 valued Perfect Storm on display in Denver. Full sibs to Perfect Storm include a \$36,000 steer, a \$58,000 valued heifer, and 3 additional heifers by Perfection that sold for \$25,000, \$13,500 and \$12,500.

423 doesn't just click with Perfection. This incredible female had a \$63,000 son by New World Order this fall and two sons by Here I Am bring \$30,000 a piece.

Like we said before, 423 is unique in her ability to produce those highly sought after males and female alike but the value of the females as donor cows down the road is monumental! As a note, Nelson told us that he has sold every calf ever born out of 423 and none of them have been below \$7,500! Additionally, 2 females resulting from embryo purchases sold for \$46,000 and \$40,000 by Perfection! No matter the outcome, you'll be in the driver's seat!

The pastures of Ree Heights are a hotbed of club calf greatness and none carry more of a legacy than Reimann Ranch. Each year the pasture sale at Reimann Ranch introduces us to the next generation of greatness and this year's newest candidate is "Miss Texas".

Miss Texas had a phenomenal year as her litter of offspring sired by King of Kings were sought after by some of the biggest names in the business. The KOK X Miss Texas steers sold very well with highs of \$30,000, \$15,500 & \$7,500. A knock knock sired steer commanded \$16,500 and a heifer by FSF Perfection sold for \$15,500.

The show season started off with a bang for Miss Texas offspring! Raynee Schacher led her King of Kings X Miss Texas calf to 3rd Overall Steer honors at the 2025 Kansas Beef Expo! You'll see plenty more out of the Miss Texas cattle that sold this fall. Pile on and come along for the ride!

SIMON DONOR 829

The 829 donor of Simons has knocked it out of the park the last few years and raised some real heaters! We are excited to bring her biggest embryo offering ever to the public here at the Donors on Ice sale!

The lot A embryos are full sibs to the Tlach family's many time champion that included Grand Champion Market Steer at the 2024 AkSarBen, Grand Champion Steer at the 2024 Iowa Beef Expo, Grand Champion BOTH rings at the 2024 Steers & Stripes and Reserve/4th Overall at the Down 4 The Cause show.

Last fall there was only one 829 calf offered that commanded \$22,000 but this fall they had reloaded, and the 2025 sale season was a big one. A pair of How Great Thou Art steers headlined the Simon Cattle fall sale and commanded \$39,000 and \$33,500 and one heifer bred the same way sold for a \$31,000 valuation. The lone Here I Am X 829 traded for an impressive \$18,500. In the fall of 2023, a Here I Am X 829 heifer rang the bell at \$54,000 and the Tlach steer mentioned above sold for \$38,000.

The opportunity that lies ahead in this lot gives the buyer the option to make those highly competitive male cattle or turn the tables and produce your next elite level show heifer or donor prospect! It is worth noting that the mating by Maternal Made will result in offspring that register ¼ Maine and 7% Chi and the mating by Simon Says will result in 8.7% Chi offspring.

LOWRY ANNIE DONOR

Lowry Annie has quickly gathered the attention of some of the best cowboys in the country. In a very short period, her calves have made their way to some of the premier pasture sales and homes in the country.

This fall a full sib to the embryos selling sired by How Great Thou Art was a \$36,000 sale feature in Searsboro for Rodgers Cattle Company. There is a Here I Am X Annie steer that has yet to sell but you'll hear more about him down the road, we're sure of it.

In the fall of 2024 her painted up son by Here I Am was a \$40,000+ sale feature in the MK Livestock sale where he went to the Sells family in Nebraska. This unique steer started off hot winning both rings at the Oklahoma State AGR Show, sweeping both rings at the Cardinal Classic, Grand Champion at the Nebraska Cattlemen's Classic Fall Show and Grand Champion at the New Years Beef Bash. Fast forward to early spring 2025 and this steer was named Reserve Grand Champion at the 2025 Nebraska Cattlemen's Classic Winter Edition.

We forgot to mention that Annie is a direct daughter of the famous Thompson 79B donor that has raised tons of high dollar steers and bull and just as many winners. When Brent Lowry opens the tanks you better look in!

There may not be a phrase more recognizable in the club calf business than “Maternal Made X Kelli”. When you hear that pedigree you think high sellers, you think major show champions, you think greatness!

Mrs. Maternally Kelly G200 ET was recently the \$23,500 half interest high seller of the M Lazy Heart Ranch December bred female sale and is now owned in partnership with Chamberlain Cattle Company.

You’ve probably put two and two together by now and figured out that Mrs. Maternally Kelly G200 ET is a full sib to the world famous RCC 1 that stands at Rodgers Cattle Company in Iowa. With that said, the embryos being offered by the immortal Here I Am are full sibs in blood to quite a few major stock show and Midwest state fair champions!

Mrs. Maternally Kelly G200 ET herself is just getting started in production and her first 5 head are a great indicator of what’s to come. The 5 head of Here I Am sired calves sold by Hurst grossed \$70,000 to average right around \$14,000 per head. No fancy pictures and vides. Just sold out of the pasture!

OFFERED BY:

Full sib to embryos selling-\$83,000 daughter by In God We Trust

, SELLING: *Lot* **63** – 1 Package of 3 embryos sired by In God We Trust**SCHROEDER/POTHAST ESTHER DONOR**

It's a story you've all heard before. We all have that one cow that we know is dang nice, but we never get around to flushing her and she's not utilized to her full potential. Well, the cat is out of the bag and you're going to be hearing a lot more out of Schroeder/Pothast Esther.

The embryos being offered are full sibs to the \$83,000 high selling bred female on Charlie Wilson's December online bred sale. This smoke-colored beast garnered the attention of all the good cowboys and is headed to a premier program in Iowa.

There are no fancy footnotes here or long-winded stories. This may be the only time you'll see these frozen genetics offered. Be prepared to buy and set yourself up for success.

ADPR FIONA 216K ET

We cannot thank RJ Cattle Co. & Pryor Show Cattle enough for bringing this rockstar to the bright lights of the Donors on Ice sale! ADPR Fiona 216K ET has proven herself as a dual-purpose producer with the distinct ability to produce elite females and highly sought after male progeny jut the same. You will hear a lot more about this female in the years to come!

This December in the Fitz sale a full sib to the lot B embryos was the talk of Oklahoma when she commanded \$85,000 through the auction. ADPR RJC FTZS Fiona's Princess was the high Maine female that commanded attention from all corners of the industry. One of the first Fiona daughters to sell and she has set the bar extremely high.

As we mentioned before, Fiona has been a dual-purpose producer with her steers being just as high quality as the females. The How Great Thou Art calves have been consistent and in high demand. Full sib steers to the embryos selling in lot A have commanded prices of \$46,000, \$30,000 and \$15,000. Just this fall a How Great Thou Art X Fiona calf was crowned Grand Champion Prospect Steer at the 2025 World Beef Expo. The Fiona dynasty is just beginning, and it looks like she will be the queen!

DUELLO MATERNAL MADE 8108

The Pratt family purchased Duello Maternal Made 8108 as a feature in the 2020 Western Elite sale and they haven't looked back since! 8108 has been an absolute rockstar producer the last few years and she has the resume to back it up!

Cash Pratt has won numerous shows with his HIA X 8108 over the last year including Reserve Grand Champion Steer at the 2025 AkSarBen, 3rd Overall Steer at Aggieville, Grand in both rings at Showdown on the Plains, 5th Overall Prospect Steer 2025 NWSS, Champion Prospect Steer at the Cheyenne Livestock Expo and Reserve Champion Steer in both rings at the Cardinal Classic. We may have even missed a few, but you get the point!

The Johnson family have seen much success with their 8108 steers including Grand Champion Prospect Steer at the 2024 Christmas Classic with their Here I Am sired calf. This calf would go on to be named Grand Champion Steer at the 2025 Cheyenne Livestock Expo! The Johnson family was 3rd Overall Steer at the Christmas Classic with their 8108 X How Great Thou Art and that same calf was also 4th Overall Prospect at the Cheyenne Livestock Expo in 2024.

In the 2025 edition of the Pratt Show Cattle fall sale the Here I Am X 8108 steers were well received to say the least. The large sampling of her work resulted in calves that sold for \$50,000, \$41,000, \$22,500, \$21,000, \$20,500, \$15,000 & \$14,500 just to name a few.

Terms of IVF Cycle: The buyer will receive a minimum of 6 transferrable embryos guaranteeing two 60-day pregnancies. On all embryos produced above 12, the buyer receives the odd numbered embryos, and the seller receives the even numbered embryos. The buyer pays all costs associated with the flush including the cost of semen. The seller will pay freezing cost on any embryos they collect. The donor is open and ready to flush. Please contact the seller for further details.

High selling market heifer 2024 pasture sale by
In God We Trust**WEBSTER/MURPHY DONOR 1/708**

We are thrilled to introduce Webster donor 1/708 to this tremendous Donors on Ice lineup! This female has been a standout at Ty's place the last few years and her offspring have been true drawing cards to the pasture sale!

This fall 1/708 was well represented once again as she produced the high selling steer in the Webster pasture sale. This calf by In God We Trust was purchased by Nolan Ferguson and resold to the Kohen Family. This calf has seen early success being named Grand Champion Market Animal at the 2025 Down 4 The Cause Show. Big things are ahead for this one!

In the fall of 2024, 1/708 had a female by In God We Trust that was the high selling market heifer in the Webster pasture sale. Without a doubt, one of the premier market heifer prospects offered in the 2024 season!

It's worth mentioning that the mother of the 1/708 donor is a big-time producer as well with her IGWT and HGTA offspring averaging over \$15,000 in her lifetime. Pick the proven mating by In God We Trust or swing for the fence and opt for the eggs by the hot new sensation Golden Ticket!

Note: 1/708 is THF/PHAF/DSC

HL 8238

When they are this good you know you must bring them back for another year! HL 8238 has been a standout amongst her peers in Anson where she continues to produce the right kind year after year.

This year at the 2025 American Royal a Holy Ghost X HL 8238 was the class 9 winner in a tough steer show for Beau Ann Graves. This steer was a full sib to the calf she won the Missouri State Fair with in 2024. I guess if it's not broke, don't fix it! A full brother to the steers mentioned here sold as the lot 1 in the Horn Livestock November online sale for \$10,000.

During the summer of 2024 a full sib to the embryos selling by Holy Ghost was the Grand Champion Market Animal at the Missouri State Fair. This calf was led to the winner's circle by Beau Ann Graves and eventually sold through the Sale of Champions for an impressive \$50,000!

In the fall of 2023 HL 8238 had several popular sons that were marketed in the Horn Livestock Fall Sale on SC Online Sales in November. A trio of brothers sired by The Holy Ghost were sale highlights including one at \$26,000 and another at \$20,000! HL 8238 makes the right kind! Adding 8238 genetics to your next calf crop will be a definite drawing card. Make sure you print some extra sale sheets!

BUCKLEBACK MANDARIN 21H ET

When Nelson tells you he wants to introduce a new donor you don't disagree. When he tells you that she's phenotypically the most fun one to look at on the farm, you get excited! Buckleback Mandarin 21H made her debut this fall and if the early indicators mean anything, she will soon be a household name across the U.S.A.

In a very small sampling of calves this fall by various sires, Buckleback Mandarin 21H put the world on notice that she is here! The triple clean female landed every calf she had into a sale, and they all traded for \$10,000-\$20,000 each. Now that's what we call a great freshman year!

If your curious what kind of faith that the crew at England Show Stock have in this female, then rest assured knowing that they told us they have more calves coming out of Buckleback Mandarin 21H than any other at the farm. I'd say the story is just beginning!

Full sib to embryos selling-Grand Champion Steer 2025 Tulsa State Fair

• **SELLING:** *Lot 70* – 1 Package of 3 embryos sired by How Great Thou Art *Sexed Male***LOWRY MAYZIE DONOR**

As we have seen the last two years, the Lowry donor battery is as stout as any you will find. Brent has hand-picked some of the best females from the most proven cow families available and we are just starting to see what these incredible females can do. It is with great excitement that we get to debut this new rockstar, Mayzie!

If the pedigree here looks familiar it's because Mayzie would be a full sib in blood to females like RCC 1 and a maternal sib in blood to industry greats such as NMR REIM 26, Rodgers 1244, Brian Martin C75 and LDSC Miss Whiskey 30Z "2/75".

Mayzie is just now starting to roll and if her first three calves by How Great Thou Art are any indication, she's going to be a household name in no time. Two of her HGTA steer calves went to Newcastle for an average of \$15,000 and the 3rd one was the Grand Champion Market Steer for Denver McKay at the 2025 Tulsa State Fair.

As we actively try to source the newest, most fresh genetics available for the Donors on Ice sale, sometimes these females get offered a little too soon. We can almost guarantee you that this is the case with Mayzie. The buyer of these eggs will look very smart this time next year!

SIMON DONOR 53

Simon Donor 53 "PLAT Splash 505C" has been an absolute machine for our west coast buddies at Simon Cattle! Donor 53 has produced steers that have drawn crowds to California and promotional sires that will change the course of the business. Simply put, Donor 53 raises the right kind!

In the 2025 Simon Cattle sale the top 53 son rang the bell at \$28,000! In 2023 a Here I Am X 53 was a multiple time champion for Ben Plascencia including Supreme Market Animal at the Sierra Winter Classic and 3rd Overall Market Animal at the Western Bonanza. A steer by In God We Trust was Reserve Market Animal at the 2023 CA Youth Expo for Wyatt Neff. Wade Rodgers sold a Here I Am x 53 calf to the Pratt family that was Grand Champion Steer in both rings at the 2021 Showdown on the Plains.

Donor 53 boasts a resume that most females could only dream of with high sellers of \$80,000, \$40,000, \$37,000, \$28,000, \$25,000, \$16,000 and \$12,500. We all know that Donor 53 pumps out highly sought after steers annually but the opportunity that comes with the B lot embryos hold lots of upside. The resulting female from the Maternal Made embryos will be full sibs to Simon Says and register both as a MaineTainer and 8.82% Chi!

FSF DIME

The Farrer Stock Farm program has been a standard in the club calf and shorthorn business for years. This year they celebrated their 52nd Annual Sale of Stars club calf sale and their 30th anniversary Dynamic Dams Female Sale. Longevity like that doesn't happen by accident!

FSF Dime is a full sister to the Champion Shorthorn Plus at the 2020 Indiana State Fair, the Reserve Champion Steer at the 2022 Iowa State Fair, and most recently the popular steer for the Kober family that was Reserve Champion Steer at the 2023 Hoosier Beef Congress and Supreme Steer at the 2024 Kentucky Beef Expo.

The embryos by FSF Perfection will result in full sibs to an \$18,000 female that highlighted the Farrer 2024 sale as well as a pair of promotional sires that stand at Matt Lautner Cattle named Kool Aid and Cool Kids Club. This mating by Perfection is a no miss investment!

The mating sired by HL Back 2 Good is one of the newer ones from Dime. The first one that was marketed sold to Graham Cattle Outfit and was Shorthorn marked and sporty! The Farrer family continues to bring their very best to the Donors on Ice year after year!

JSUL SWEET IVORY 6138D

JSUL Sweet Ivory 6138D ET has set herself apart from her contemporaries with her unbelievable ability to consistently produce high end show steers, season after season. Sweet Ivory is a direct daughter of the heavily decorated TR PZC Ivory Angel 0711 and granddaughter of the famous Thomas MS Impressive 0641. It doesn't get any more proven than that.

The embryo option sired by Here I Am presents the opportunity to purchase full sibs to Mason Shalls's Grand Champion Market Steer at the 2023 Iowa State Fair. This elite creature came by way of the 2022 Doris pasture sale where he commanded \$30,000. This same calf was also named 5th Overall Prospect Steer at the Iowa Beef Expo amid some tenacious competition.

JSUL Sweet Ivory 6138D has proven herself not to be a one trick pony. Just this fall her male offspring were well received with an In God We Trust X Sweet Ivory selling for \$20,000 through the Hinners online sale, another IGWT X Sweet Ivory sold through the Ferguson online sale for \$16,500 and a pair of How Great Thou Art Steers were sold by Tice for \$14,500 and \$9,250.

The crew from Dunlap have pulled all the stops and are willing to let the winning bidder pick from these three proven and profitable options. No matter which direction you go, there is an extreme upside that could pay dividends!

2026

THE YEAR OF DISCOVERING
WHAT SETS US APART

Built For Buyers And Sellers Who Expect **MORE**

GOT EMBRYOS NEED RECIPS

AT **FRONTIER EMBRYO CENTER**, WE KNOW THE KIND OF WORK THAT GOES INTO BUILDING A COW HERD WORTH INVESTING IN AND WE BUILT OUR 60-DAY PREGNANT RECIP PROGRAM WITH THAT IN MIND.

WE SPECIALIZE IN RECIP CATTLE, EMBRYO TRANSFER, AND IVF SERVICES AND WE'RE HERE TO HELP YOU GET THE MOST OUT OF YOUR GENETICS WITHOUT BLOWING THE BUDGET.

- ✓ ONLY PAY FOR CONFIRMED PREGNANCIES
- ✓ RECIPS ARE HEALTH-TESTED, REPRODUCTIVELY SOUND, AND SELECTED FOR MATERNAL ABILITY
- ✓ SYNCED AND IMPLANTED USING THE SAME PROVEN PROTOCOLS WE USE ON OUR OWN HERD

You send the embryos, we'll handle the rest.

BOOK TODAY!
