Foundations for the FUTURE

32 YEARS OF ANGUS LEGACY

SATURDAY
JANUARY 31, 2026
12:30 PM EST

Sale Location:

Tokeena Angus, 3058 Pine Grove Rd.
Seneca, SC 29678

Contact:

Neil and Gwen McPhail,
864-247-0000
Email: tokeenaangus@gmail.com
Website: www.tokeenaangus.com

Sale Day Contacts:

Neil: 864-247-7843
Daniel: 864-903-5833
Meghan: 864-903-1730
Jared: 864-985-2811

Auctioneer:

Carroll Cannon
Ty Ty, Georgia
229-881-0721

Transporting Cattle:

We encourage you to bring trailers and take advantage of our discount. Transportation is available at \$4 per loaded mile. We'll help arrange deliveries as efficiently as possible. Please call Neil 864-247-0000 for any special needs you may have. For customers needing to transport animals across state lines, a veterinarian is available on sale day to provide Health Papers that are valid for 30 days from sale date.

Herd Health:

Routine herd health and vaccination is a very important part of our management program for both bulls and females. Each bull has completed a breeding soundness exam and is guaranteed to be a breeder for a period of six months following sale day. Any bull failing to breed may be returned to the seller if in good condition. We will provide you with a replacement bull or issue you a credit equal to the bull's purchase price. Please contact Neil with questions. All females sell pasture exposed with pregnancy information current two weeks prior to sale. They do not sell guaranteed pregnant.

EPD's:

EPD's of all registered bulls and registered females are current. We're happy to show you cattle by appointment anytime prior to sale day and try our best to answer any questions you might have.

Accommodations:

There are several local hotels we would recommend that are within 20 miles of the farm. Contact us if you need assistance securing hotels in the area. The farm is also located 12 miles from the Oconee Regional Airport and we will be happy to arrange pick up if you need accommodations.

- Holiday Inn Express, I-85 Anderson, SC
- Hampton Inn, Seneca, SC

Moss Livestock Services
Adam Moss
317-709-7632

Sale Book Creation and Publishing:

Meghan Ketterman, Angus Media,
& The Journal Media Company

**Online Bidding:**

Visit CCILIVE for live online bidding. Contact Brooklyn Graham for questions at 812-530-0748.

Absentee Bidding:

If you cannot make accommodations to attend in person or be available for call in, we can take your bid confidentially and professionally just as if it were our own money. Prior to sale day, please call the auctioneer and give him your parameters and price range. On sale day, please call Daniel or Jared.

Supplemental Information:

A supplemental sheet will be available sale day with pregnancy information and updates. Announcements from auction block will take precedence over printed material. Current EPD and genetic recessive information is available online.

Lunch:

We invite you to join us for lunch starting at 11:00 am the day of the sale.

From The McPhail Family

Welcome to our 32nd Annual Bull and Female Sale, and thank you for taking the time to look over this year's lineup. To those who have supported us for many years—and in many cases, across generations—please know how deeply grateful we are for your continued trust. Your loyalty is the foundation of this sale and the reason we strive every year to be better stewards of the cattle and the relationships entrusted to us.

Please note the sale will begin at **12:30 p.m.** We hope this schedule allows adequate time for cattle viewing, smooth load-out, and gives everyone a few extra minutes to get home safely.

Our philosophy remains unchanged. We believe in growing cattle on **forages**, raising profit through **carcass merit**, and relying on the **mama cow's ability to wean as big a calf** as possible for as long as she can. Year after year, our goal is to produce cattle that work in real-world environments—not ideal conditions. There is **no creep feed**. Prior to weaning, all cattle run on **fescue pastures**, mirroring the environments of our customers. All young cattle are developed on a high-forage ration of silage and wheat-barley haylage, with concentrates at approximately 20%. We target **3 lbs./day gain on bulls and 2.5 lbs./day on heifers**, and we are proud that our cattle have long been recognized for transitioning well and holding condition in their new homes.

We remain the Southeast home of “**The Payweights**,” supported by other proven, high-performance sires including **Basin Deposit**, **Ankonian Drive**, **44 Maverick**, and **Sitz Resilient**. Our Hereford bulls come from **Holden Herefords in Montana**, producing an elite group of Baldy genetics that will be available on sale day.

This year's offering is a very select group of bulls and females, including registered and commercial heifers, all serviced by some of the best calving-ease and profit-oriented sires we can afford. We hope these cattle will fit into your program and encourage you to consider participating in our customer buy-back program as part of a long-term partnership.

Thank you for your interest, and please feel free to contact us with any questions.

Sincerely,

The Families of Tokeena Angus

Neil and Gwen McPhail

Daniel and Paige McPhail (Watson, Gus, Callum & Addie)

Jared and Meghan Ketterman

32 YEARS OF ANGUS LEGACY

Heifer Consignor Program

As part of our commitment to long-term customer partnerships, Tokeena offers a heifer consignor program designed to add value beyond sale day. If you have Tokeena-influenced calves—either out of Tokeena dams or sired by Tokeena bulls, we will purchase weaned calves at fair market value, provided they meet our health, quality, and management standards. This program allows our customers to capture added confidence and marketability while giving us the opportunity to continue building consistent, high-quality female lines. It reflects our belief that good cattle and good relationships are best grown together.
