FOREWORD

It is our pleasure to welcome you to the 64th Red Bluff Gelding Sale and the 48th Stock Dog Sale! Once again, our continued success stems directly from our amazing sponsors. **Rolling Hills Casino** is continuing to be our corporate sponsor for the Gelding Sale. Rolling Hills is a great place to stay and play and great choice of restaurants, Rock and Brew, Six to Eight, Double Down Café and Paskenta Brewery and Distillery. We would also like to thank **Shasta Farm and Equipment** for their generous sponsorship of the Top Cow Horse Award. Our class sponsors that we would like to thank are **Fay Ranches, Cattlemens Livestock Market, Lassen Ranch, Crown Metals, Andrew Opsital, the Herman Daughtery Family, the Wolverton/Leninger Family and Turlock Livestock Market.**

Merck Animal Health is also once again the corporate sponsor for our Stock Dog Sale. If you enjoy watching the dogs, please stop by their booth in the trade show and thank them for sponsoring this event. Thank you to the Stock Dog Award money sponsors **Martinez Ranch Management and Plumas Bank.**

Once again, we will be offering mares this year and have 13 select mares in our offering. The mares are some of the most elite offered for sale in the west! These mares will go through the same sift process and compete right along with the geldings.

A buyer at the Red Bluff can be assured that the stock they bid on is held to a standard that most others cannot demand. The sift is designed to give a buyer the confidence that they are not alone in evaluating these geldings. Each gelding is put through a strict sift of eyes, teeth, wind, conformation and lameness, to ensure only the best will sell on Friday evening. **Still, it is very important to talk to the consignors of any lots that you may bid on. Look at each horse yourself.**

Dogs in the sale are between 12 to 48 months and compete in one class. The sale committee will sift dogs that are unable to perform on a high level or are unsound. Buyers will take ownership of the dog immediately upon checking out unless arrangements are made for seller to hold the dog until Saturday Morning.

If you cannot attend our event, the Geldings working, and Dog trials will be streamed on our website at www.redbluffbullsale.com. CCI Live will be providing online bidding for those who cannot attend in person. CCI Live makes it possible for you to preregister and bid online from anywhere in the world. You can also call the office and make arrangements to bid over the phone with one of our professional sale staff. Typically, several lots are sold to buyers not in attendance. California sales tax applies to all buyers. Buyers are responsible for all delivery costs. All sales are “as is, where is”.

FOREWORD CONTINUED

As a 501c Non-Profit, proceeds are donated back to support cattle and horse industry related causes and ag related youth events. Last years donations exceeded \$50,000! The members of the Red Bluff Bull Sale Committee all serve as volunteers and are non-paid members of the Board of Directors. Directors have never received any compensation. We look forward to sharing the excitement of this year's events.

TERMS & CONDITIONS OF SALE-PLEASE READ CAREFULLY

Buyers at this sale are bound by the terms and conditions set forth herein and are requested to please read these terms and conditions of sale. Each transaction in this sale is governed and controlled by these terms and conditions. **All horses are sold in this sale "As Is" without warranty.** Prospective Buyers are strongly encouraged to inspect each horse to determine its condition and to speak with the consignor/seller about any concerns. Neither the Red Bluff Bull Sale Committee, Inc., nor its directors, officers, or representatives nor the Auctioneers assume any liability, legal or otherwise, in connection with any sale or transaction conducted under the terms and conditions herein.

1. Every effort has been made to assure the correctness of the catalog; however, neither the Red Bluff Bull Sale Committee, Inc., its directors, officers or representatives, nor the Auctioneers are responsible for any errors or omissions in the catalog and assume no liability whatsoever. Any statements made in the catalog about a horse are made solely by the consignor/seller. All horses are offered for sale according to the laws of the State of California. No representations or warranties, express or implied, as to the soundness or fitness for any purpose of any horse offered in this sale is made by the Red Bluff Bull Sale Committee, Inc., or the Auctioneers.

2. The highest bidder, as recognized by the Auctioneer, shall be the Buyer of the horse auctioned. **Presentation of bidder number is acknowledgement of purchase.** If any dispute arises as to bids, the Auctioneer will award the horse to the person from whom the Auctioneer recognized the last bid, or in the Auctioneer's sole discretion, all bids may be declared off and the Auctioneer may resell the horse in dispute. The Auctioneer reserves the right to reject any and all bids.

3. Title to and risk of loss passes to the Buyer when the Auctioneer's gavel falls at which time the horse is considered sold.

4. Terms of sale are cash, check, Visa, or MasterCard. A four percent (4%) service charge will be assessed to all credit card purchases. Payment in full must be made immediately after the horse is sold to the Buyer. The Buyer shall sign an acknowledgment of purchase, which will include a transfer fee of Forty Dollars (\$40.00) for the AQHA or APHA and applicable sales tax for all California residents who do not have a bona fide resale permit number. Out of state Buyers, unless they employ a licensed commercial carrier to deliver the horse out of state and provide the cashier with a copy of a bill of lading, shall be charged California sales tax. All checks must be made payable to the Red Bluff Bull Sale Committee, Inc. All "returned" or "insufficient fund" checks will be subject to civil penalties and collection actions, and will be immediately turned over to the District Attorney for criminal prosecution.

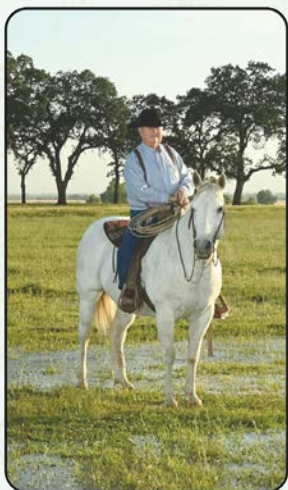

5. No part of the purchase price may be paid directly to the consignor/seller by the Buyer. Any such payment will not be applied toward the purchase price and will not be recognized to entitle the Buyer to obtain the horse.

6. Upon receiving full payment for the horse, the cashier shall issue an order to obtain delivery, plus a new halter and lead for each horse purchased. Buyers assume all expenses and risks on horses after they have been struck down. Horses must be removed from the Fairground premises before noon the Saturday following the sale. Buyers must arrange with consignor/sellers for care of their horse until it can be removed.

7. All registration transfer papers will be withheld by the sales management until all checks clear the bank, at which time they will be mailed to the AQHA or APHA.

8. Attorneys Fees: In the event any action is brought to enforce these transactions by either party, then the successful party will, in addition to such other or additional relief as may be ordered by the court, be entitled to court costs and reasonable attorneys fee in an amount to be fixed by the court.

Buyers and spectators are cautioned to be careful while on the grounds. The management and the Red Bluff Bull Sale Committee, Inc. will not be responsible for accidents. ALL PARTICIPANTS AND SPECTATORS WAIVE ALL CLAIMS FOR LIABILITY FOR INJURY AS TO MANAGEMENT AND THE RED BLUFF BULL SALE AND THEIR AGENTS AND ASSUME SOLE RISK OF INJURY WHILE ATTENDING SHOWINGS AND SALES.

In Memory of...

John Owens

This memorial is dedicated to the life and legacy of John Burton Owens (July 24, 1948 - October 6, 2025) - John came from cattle industry roots that ran deep, particularly through the Red Bluff Bull and Gelding Sale held each January. His grandfather, Roy Owens, helped found the sale, his father, Jack Owens, faithfully carried on that tradition, and John, as a teenager, stepped into his own role alongside them. What began as a family commitment became a lifelong constant woven into John's story. That thread continues

today through John's wife, Candy, his sons, Nathan and Bryan, and their families, who have carried the tradition forward.

John took the utmost pride in his cattle, dedicating himself to building a herd that reflected his remarkable eye for genetics and quality. Alongside his cattle, John had a deep affection for his horses and dogs, treating each with respect and care, as both loyal companions and essential partners in ranch life. His devotion to the land and the animals he tended was a legacy he carried with pride, and one that continues to live on through his family.

John served as a Director of the Red Bluff Bull and Gelding Sale for many years, and went on to serve as president from 2011 to 2019, giving freely of his time, knowledge, opinions, and leadership. He believed deeply in the importance of the sale - not just as an annual event, but as a cornerstone of the cattle community and standard for quality livestock on the West Coast. His involvement was never about recognition, but about doing his part to support an institution he believed in.

Though he will be deeply missed, the love he shared and the values he lived by, including his guiding principle that "My word is my reputation," will continue to guide and inspire all who were fortunate enough to know him.

Over the years, John was the volume bull buyer at the RBBGS on many occasions demonstrating his belief in the sale through action, investment, and steady presence year after year. In recognition of John's lifelong commitment to the Red Bluff Bull and Gelding Sale, his unwavering support of its consignors, and his deep belief in the quality the sale represents, the Volume Bull Buyer Award will now be known as the John Owens Memorial Volume Bull Buyer. This honor reflects not only the number of bulls purchased, but the spirit in which John approached the sale - with loyalty, integrity, and unwavering commitment to the cattle industry.

"Jack" is a solid 10 year old bay gelding with a great mind and a proven ranch resume. He's been used for all aspects of ranch work; branding, sorting, doctoring and rode miles outside in the mountains and the desert. Lightly started in calf roping and used as a PRCA heel horse. Anyone can ride him. Hauls easy, shoes good, gets along with other horses and has zero bad habits. Jack is the kind of dependable, all-around gelding you'll be proud to have in your string. "Scooter" has spent the last year being used for daily ranch work. He has gathered cattle in steep, rough country and rides out alone with confidence. He's been used to sort in corrals, load trucks and been used in the branding pen. Scooter has a big motor, big stop and a sharp turnaround. He's handy, confident and easy on the eyes. He is eligible for the Rope Horse Futurities. For more information call 503-779-9201.

LONGRANGE® (epinormectin)

5% Sterile Solution Extended-Release Injectable
For Subcutaneous Use
Parasiticide for Cattle on Pasture

For the Treatment and Control of Internal and External
Parasites of Cattle on Pasture with Persistent Effectiveness

Not for use in female dairy cattle 20 months of age or older, including dry dairy cows. Not for use in calves to be processed for veal.

Not for use in breeding bulls, or in calves less than 3 months of age.

Not for use in cattle managed in feedlots or under intensive rotational grazing.

Caution: Federal law restricts this drug to use by or on the order of a licensed veterinarian.

INDICATIONS FOR USE

LONGRANGE, when administered at the recommended dose volume of 1 mL per 110 lb (50 kg) body weight, is effective in the treatment and control of the following internal and external parasites of cattle:

Gastrointestinal Roundworms	Lungworms
<i>Bunostomum phlebotomum</i> – Adults and L ₃	<i>Dictyocaulus viviparus</i> – Adults
<i>Cyathostomum</i> spp. – Adults and L ₃	
<i>Cyathostomum</i> spp. – Adults and L ₃	
<i>Hemonchus placei</i> – Adults	
<i>Oesophagostomum radiatum</i> – Adults	
<i>Ostertagia circumcincta</i> – Adults	
<i>Ostertagia circumcincta</i> – Adults, L ₃ and inhibited L ₄	
<i>Teladorsagia circumcincta</i> – Adults and L ₃	
<i>Trichostrongylus axei</i> – Adults	

Dose Weight (lb)	Dose Volume (mL)
110	1
220	2
330	3
440	4
550	5
660	6
770	7
880	8
990	9
1100	10

Do not underdose. Ensure each animal receives a complete dose based on a current body weight. Underdosing may result in ineffective treatment, and encourage the development of parasite resistance.

WARNINGS AND PRECAUTIONS

Withdrawal Periods and Residue Warnings

Animals intended for human consumption must not be slaughtered within 48 days of the last treatment. This drug product is not approved for use in female dairy cattle 20 months of age or older, including dry dairy cows. Use in these cattle may cause drug residues in milk and/or in calves born to these cows. A withdrawal period has not been established for pre-slaughtering calves. Do not use in calves to be processed for veal.

User Safety Warnings

Not for Use in Humans. Keep this and all drugs out of the reach of children. Reproductive and developmental toxicities have been reported in laboratory animals following high, repeated exposures to 1-methyl-3-pyrrolidone (NMP). Pregnant women should wear gloves and exercise caution or avoid handling this product. The Safety Data Sheet (SDS) contains more detailed occupational safety information.

To report adverse effects, to obtain an SDS, or for assistance, contact Boehringer Ingelheim Animal Health USA Inc. at 1-800-437-4251. For additional information about adverse drug experience reporting for animal drugs, contact FDA at 1-888-FDA-VEITS or www.fda.gov/reportanimalad.

Animal Safety Warnings and Precautions

The product is likely to cause tissue damage at the site of injection, including possible granulomas and necrosis. These reactions have disappeared without treatment. Local tissue reaction may result in trim loss of edible tissue at slaughter.

Observe cattle for injection site reactions. If injection site reactions are suspected, consult your veterinarian. This product is not for intravenous or intramuscular use. Protect product from light. LONGRANGE® (epinormectin) has been developed specifically for use in cattle only. This product should not be used in other animal species.

When to Treat Cattle with Grubs

LONGRANGE effectively controls all stages of cattle grubs. However, proper timing of treatment is important. Consult your veterinarian concerning the proper time for treatment.

Environmental Hazards

Not for use in cattle managed in feedlots or under intensive rotational grazing because the environmental impact has not been evaluated for use in these systems.

Other animals: Parasite resistance may develop to any dewormer, and has been reported for most classes of dewormers.

Fecal examinations or other diagnostic tests and parasite management history should be used to determine if the product is appropriate for the herd/flock, prior to the use of any dewormer. Following the use of any dewormer, effectiveness of treatment should be monitored. For example, with the use of a fecal egg count reduction test or another appropriate method.

A decrease in a drug's effectiveness over time as calculated by fecal egg count reduction tests may indicate the development of resistance to the dewormer administered. Your parasite management plan should be adjusted accordingly based on regular monitoring.

Macrocyclic lactones provide prolonged drug exposure that may increase selection pressure for resistant parasites. This effect may be more pronounced in extended-release formulations.

TARGET ANIMAL SAFETY

Not for use in bulls, as reproductive safety testing has not been conducted in males intended for breeding or actively breeding. Not for use in calves less than 3 months of age because safety testing has not been conducted in calves less than 3 months of age.

STORAGE

Store at 77°F (25°C) with excursions between 59° and 86°F (15° and 30°C). Protect from light. This information is not comprehensive. Consult your veterinarian for more information. Visit: <http://fb-animalhealth.com/cattle/products/longrange> for the FDA approved product label.

Approved by FDA under NDMA 141-127

"Tom Cat" is a 9 year old classy looking horse. Tommy stands approximately 15 hands and 1100 lbs. This horse has it all, you won't miss one in the corral or through the gate! Big stopper and great to rope on outside. He has performed all aspects of ranch work, branding, gate work and sorting. He will run barrels and poles in the rodeo arena with agility. This horse has been ridden by a 14 year old girl and has won trophy's and an all around saddle. Any questions call Wayne 760-920-0202.

"Allen" will be a great addition to anyone's program. With a reined cowhorse foundation, he has a big stop and quick turn-around. He's been used on the ranch gathering and shipping. He rides out quiet, and is not the lonely type. He's strong and sure footed in the hills and he spent this fall and winter in the branding pen. He tracks and rates a cow well. Aside from being used on the ranch, and shown in the cowhorse, he's been lightly started out of the box on the heel side and would make a standout breakaway or heel horse. Allen is a kind, talented, good minded, young gelding with a bright future! Call 315-212-1926 for more information.

"Ned" is a beautiful bay roan gelding by a stallion who has earned 77k+ LTE in heeling. Out of my favorite mare who has won several horse shows and ranch rodeos. This is my fourth foal out of her and he's very smart and easily trained. So far they've all had great minds, a lot of size, huge stops and cow. Bottom line this will be a *GOOD ONE!* For more information call 541-219-1838.

"Red" is by the great stallion Hashtags. With earnings of nearly a half million dollars, Hashtags has now sired offsprings with over 5 million dollars in earnings. Red is out of LR Miss Bluemetal, an athletic and wonderfully sweet and kind broodmare, trained by Clayton Edsall. LR Miss Bluemetal is by LR Blue Mate by Mecham Blue and out of OK Mate by Smart Mate. Red has had full x-rays available upon request at Cottonwood Vet Clinic 530-347-3711. Red has had 60 days training with Michael Vipham and is clearly a legitimate cowhorse or cutting prospect. Red comes with the Lassen Ranch 30 day net money back disposition guarantee subject to soundness exam.

"Cinco" carries great family genetics and is definitely the type of gelding that you want to make part of the family. His momma came out of Texas and is a cow eating machine. His daddy, owned by Matt & Colleen Withers, is making a name for himself as a true all-around athlete. Physically, Cinco should mature to a solid 15 hands. He has a quiet and willing disposition. He is conformationally sound with enough chrome to turn heads wherever he goes. His left eye is half blue, surrounded by dark pigment which is very striking. I am proud to offer him for your consideration. 541-231-2778.

"Lyft" is a classy, well bred bay roan colt that has it all. He is foundation bred and has the bone and feet we all look for. He is as sturdy as they come and will be able to stand up to a hard day's work as well as take you to the pay window and look good doing it. He takes everything in stride and is very trainable. He trims, ties, bathes and trailers excellent (even backs out of a slant load like he has been doing it for years). His dam proved herself to be an all around horse prior to going into our breeding program. She competed as a heel horse in rodeos from California to Texas as well as competing in barrels, poles, etc in her off season. More info call 530-510-7831.

"Deuce" is the sweetest colt and easy to get along with. If you're looking for a cow horse prospect to also show at the team roping futurities, take a look at this one! He's a pretty moving horse with a big stride and a lot of style. He comes from a strong maternal family of cutting and cow horses, and everything out of his mom has been loaded with cow sense. Deuce should mature 14.2 to 14.3. He sells up to date on vaccinations, farrier, de-worming and dental. Clean radiographs on file. Deuce is eligible/paid into Riata Buckle, Royal Crown Roping, Gold Buckle Stallion and Elite Breeders and NRCHA. Watch his video <https://youtu.be/ITRkg-SpHWs>

TERMS & CONDITIONS OF SALE

Buyers at this sale are bound by the terms and conditions set forth herein and you are requested to please read these terms and conditions of sale. Each transaction in this sale is governed and controlled by these terms and conditions. All dogs are sold in this sale "As Is" without warranty. Prospective Buyers are strongly encouraged to inspect each dog to determine its condition and to speak with the consignor/seller about any concerns. Neither the Red Bluff Bull Sale Committee, Inc., nor its directors, officers, or representatives nor the Auctioneers assume any liability, legal or otherwise, in connection with any sale or transaction conducted under the terms and conditions herein.

1. Every effort has been made to assure the correctness of the catalog; however, neither the Red Bluff Bull Sale Committee, Inc., its directors, officers or representatives, nor the Auctioneers are responsible for any errors or omissions in the catalog and assume no liability whatsoever. Any statements made in the catalog about a dog are made solely by the consignor/seller. All dogs are offered for sale according the laws of the State of California. No representations or warranties, express or implied, as to the soundness or fitness for any purpose of any dog offered in this sale is made by the Red Bluff Bull Sale Committee, Inc., or the Auctioneers.
2. The highest bidder, as recognized by the Auctioneer, shall be the Buyer of the dog auctioned. If any dispute arises as to bids, the Auctioneer will award the dog to the person from whom the Auctioneer recognized the last bid, or in the Auctioneer's sole discretion, all bids may be declared off and the Auctioneer may resell the dog in dispute. The Auctioneer reserves the right to reject any and all bids.
3. Title to and risk of loss passes to the Buyer when the Auctioneer's gavel falls at which time the dog is considered sold.
4. Terms of sale are cash, check, Visa, or MasterCard. A four percent (4%) service charge will be assessed to all credit card purchases. Payment in full must be made immediately after the dog is sold to the Buyer. The Buyer shall sign an acknowledgment of purchase, which will include applicable sales tax for all California residents who do not have a bona fide resale permit number. Out of state Buyers, unless they employ a licensed commercial carrier to deliver the dog out of state and provide the cashier with a copy of a bill of lading, shall be charged California sales tax. All checks must be made payable to the Red Bluff Bull Sale Committee, Inc. All "returned" or "insufficient fund" checks will be subject to civil penalties and collection actions, and will be immediately turned over the District Attorney for criminal prosecution.
5. No part of the purchase price may be paid directly to the consignor/seller by the Buyer. Any such payment will not be applied toward the purchase price and will not be recognized to entitle the Buyer to obtain the dog.
6. Upon receiving full payment for the dog, the cashier shall issue an order to obtain delivery
7. All registration transfer papers will be withheld by the sales management until all checks clear the bank.
8. Attorneys Fees: In the event any action is brought to enforce these transactions by either party, then the successful party will, in addition to such other or additional relief as may be ordered by the court, be entitled to court costs and reasonable attorneys fee in an amount to be fixed by the court.

Buyers and spectators are cautioned to be careful while on the grounds. The management and the Red Bluff Bull Sale Committee, Inc. will not be responsible for accidents. ALL PARTICIPANTS AND SPECTATORS WAIVE ALL CLAIMS FOR LIABILITY FOR INJURY AS TO MANAGEMENT AND THE RED BLUFF BULL SALE AND THEIR AGENTS AND ASSUME SOLE RISK OF INJURY WHILE ATTENDING SHOWINGS AND SALES.

Guidelines for Judging Stock Dogs
at the Red Bluff Bull Sale

Goal: To measure the capabilities of a dog to be a real ranch dog.

Scoring as follows:

There will be a total of 3 judges scoring dog runs. The 3 scores will be totaled and averaged.
One judge will be in charge of determining if cattle are too tough for dog entry.

Lot # _____

1. **Stop – 50 points possible**

Goes to the lead of the lead cow.

Shows sufficient power to stop and control cattle when challenged.

2. **Obedience – 25 points possible**

Obeys commands.

Tries to help the handler accomplish something.

3. **Control – 25 points possible**

Balances the cattle to the handler.

Keeps the cattle together and under control.

TOTAL

The dog should not be overly mechanical or overly dependent on the handler.

The dog should not pass between the handler and the cattle unless told to.

The dog should not single out animals from the herd just to bite them.

The dog should not yap or bark excessively, some bark is certainly fine.

The draw of the cattle will be considered. If the cattle are unstoppable, was the problem caused by the dog or tough cattle.

In all works, handler will be required to demonstrate the dog's ability to go to the lead and "stop cattle".

Points are not awarded for the completion of the course. Course is there to provide opportunity to demonstrate the dog's talents.

This tri-colored male Border Collie is out of the same mother as last year's Red Bluff Champion Stock Dog. This has been a nice line of dogs for me, Grizz is no different. He has a lot of endurance and stamina and takes commands easily. I believe he has everything he needs to develop into a really solid ranch dog that would be suitable for sheep or cattle. For more information please contact Jaime 541/591-3333.

Sara is a medium haired female with a lot of personality and a lot of go! Sara is young, talented and no Quit no matter what stock she is in front of. She has been so fun to have around the last couple years. Sara was started by Circle H Stockdogs when she was 9 months old and took early training very well with a lot of natural talent. Sara has a big gather ability to read stock and bites both ends. She has been used outside in the feedlot and on bucking bulls and is my go to dog for tough jobs.
