Bull Sale

FEBRUARY 3, 2026

LiveOnline™
6 PM CST

Fellow cattlemen,

First off, I want to thank you all for your interest in our program.

For the first time we are excited to offer an elite group of herd sire prospects. These bulls are backed by some of our most powerful donor cows.

As in our program, these bulls combine phenotype with elite EPDs.

This offering of 10 bulls is sure not large in quantity, but we believe the quality of the offering is extremely high. We will be using some of these bulls in our program as we believe they will help us continue to better our product.

We invite you to take a look at these bulls and let us know if we can assist you in any way.

Watch the Sale on CCI.live!

*The best, the fastest and most
comprehensive marketing & bidding tool!*

How to Bid Online...

- **As a buyer**, you do not need an account or to login to watch the sale but you must have a validated account to bid.
 - After you are logged in, you must proceed to the sale page for any and every auction and click **"Get Buyer Number."** Some auctions require a pass-code to obtain a buyer number even after you are approved by CCI.live. Pass codes generally come from the sale manager or ranch for that particular sale.
 - CCI.live will operate with ease on a **cellular device, laptop, desktop or tablet.**
- A **modern or current browser** is important and will make your experience better. You do not need to install the app on cellular devices to watch a sale. CCI.live is a browser-based application meaning it will play on most new browsers, but you can also download the CCI.live app at the Apple App Store or through Google Play.
- **For successful bidding you must have good Internet service!** It is very important to be stationary. If you are driving and bidding, expect to have some service issues. If you are stationary on a good device, with healthy Internet, expect a very successful bidding environment. If you have slow Internet watch the "asking price" on the screen - it is real time and refresh your browser if you feel like you have some lag.
- **Support line open during all sales. 405-400-9505** - Please contact the ranches for invoices and trucking.
