TERMS & CONDITIONS • Terms of sale are cash or check, payable upon conclusion of sale and before animals are removed. Each animal will be at the buyers' risk as soon as it is sold, but will be cared for by the seller, as long as arrangements are made to do so. Every precaution will be taken for the well-being of all animals sold. All bulls not picked up on the day of the sale are eligible to stay until April 1, 2026 at no cost. Buyers assume full responsibility of the bulls on sale day. Insurance will be available at the settlement desk. Buyers that do not pick up bulls on sale day are urged to purchase insurance on all animals.

HERD HEALTH • All sale animals will have proper health certificates for shipment out of state. Bulls will be scrotal measured, semen tested, vaccinated and dewormed. All veterinary work will be completed by Oregon Trail Veterinary Clinic in Hermiston, OR.

RETAINED INTEREST • Cabral Livestock and/or Kyle Fields Angus will retain 1/3 semen interest on all bulls selling unless stated otherwise. Buyers receive full possession and full salvage value on all bulls.

ONLINE BIDDING • The sale will be broadcast live on www.CCI.live with the lot videos available to view prior to the sale. Visit www.CCI.live and register to bid at least 24 hours prior to the auction.

REGISTRATION & TRANSFER • Cattle registration certificates will be transferred to Buyers upon request, at the Seller's expense.

INSPECTION OF ANIMALS • All cattle will be at the Sale Location on the day of the sale and are available for inspection at their respective ranches anytime prior to Sale Day with prior arrangements. Animals will not enter the Sale Arena.

INTERNATIONAL PURCHASES • All International Purchases are welcome. International Buyers are responsible for all extra health test expenses. All animals sell for the purchase price in U.S. Funds.

DELIVERY • Free delivery within 300 miles. Bulls selling for \$10,000 or more will be delivered to central points in the continental U.S. at no charge, and to Canadian Ports of Entry. All other animals will be delivered at cost. If you need expedited delivery, please contact us as quickly as possible. All animals must be picked up by April 1st or will incur a \$5/day feed charge.

FIRST YEAR BREEDING GUARANTEE • In addition to the standard Terms and Conditions of the appropriate Breed Associations, we provide the first breeding season (90-day period following turn out) guarantee on all bulls. This is not an insurance or mortality policy, but a functional fertility guarantee. Buyer assumes all responsibility for management decisions outside of genetic control. This guarantee is not a substitute or replacement for poor management. To take advantage of this guarantee, please contact us as soon as possible once the condition is observed and before the animal is sold or salvaged. Together, we will determine whether the animal shall be returned to us or sold for slaughter/salvage value. Cabral Livestock and/or Fields Angus will attempt to provide a suitable replacement, at the agreement of all parties. If a replacement cannot be provided of equal value, we will issue a sale credit for the full purchase price (less the salvage value, if any).

TRUE WEST
Genetics

"Combining traditional values with modern genetics"

Thank you for helping us keep the *western spirit alive*
and sourcing your breeding genetics through our programs.

Let's have a sale!

Welcome!

On behalf of Cabral Livestock, we would like to invite you all to the 2nd Annual True West Genetics Production Sale to be held at the Sherman County Fairgrounds in Moro, Oregon on Saturday, February 21st.

Coffee and doughnuts will be provided for those that come early to view the bulls, beginning at 10:00am PST. We will have vendors on-site as well, so we invite you to bring the whole family!

We will be serving a tri-tip lunch at 12:00pm and the Sale will begin at 1:00pm. All sale animals will be available at the Fairgrounds for viewing on sale day, inside the heated building so weather isn't an issue!

Our family has been involved in the commercial cattle industry in the Northwest since 1877. We know what it takes to survive in the business and we have shaped our seedstock operation on those traits that the commercial cattlemen depend on. Our cattle have two jobs; to produce offspring and profitability. Our registered herd runs in the same conditions as our commercial cows to ensure they can perform and work at your ranch, too.

We are excited to offer a group of bulls this year from the heart of our program. These bulls are out of cows that we run, allowing us to showcase the genetics that are working and performing for our operation. These calves are born right here in Sherman County, and are put to the test from the beginning, having to "earn" their living. We take pride in the way we run our cattle and look forward to seeing our genetics work for you.

Thank you to every one of you for considering our operation while making genetic selections for yours. We are proud of what we are bringing to the table and look forward to building lasting relationships and getting to share our program with you! If you have any questions about our cattle, our horses, sale location or our ranch in general, please call, text or email us at any time!

To those of you who may be unable to attend the sale in person, we have a few other options available to place your bids including online bidding through CCI.live and sale day phones.

See you in Moro!

At Cabral Livestock, our cattle are all “Raised Right....Here!”

We spend extra time studying bloodlines, genetic traits, heritability, athleticism and overall structure and soundness qualities in both cattle and horses.

Not only do we do this to make our living, but we do it for the *love of the animals* and continuously working to improve the genetics and quality of all of our livestock.

29 Branded Beef was started by our **family** with the intention of being able to provide high-quality beef from our Oregon ranch **directly** to the consumer, allowing them to know **exactly** where their beef comes from, while allowing us to tend to our cattle throughout their entire life.

Order your next shipment of Oregon ranch raised beef from the convenience of...anywhere!

MAKE YOUR CROSSBREEDING COUNT

"The maternal strengths of Gelbvieh are a great advantage in my cowherd. These females are good mothers, have quiet dispositions, claim their calves at birth and milk well."

- MATT JARVIS, PHILLIPSBURG, KS

GELBVIEH & BALANCER®

Make Crossbreeding Easy

PERFORMANCE

Gelbvieh maternal influence in a crossbreeding system offers added fertility, increased longevity, and more pounds of calf weaned per cow exposed.

PRODUCTIVITY

The crossbred female is 30 percent more productive over her lifetime. Greater productivity equates to more money in the bank.

PROFITABILITY

Using Gelbvieh and Balancer® genetics can increase profitability through heavier weaning weights, improved feed efficiency as well as heavier, faster gaining feeder cattle.

Watch the Sale on CCI.live!

*The best, the fastest and most
comprehensive marketing & bidding tool!*

How to Bid Online...

- **As a buyer**, you do not need an account or to login to watch the sale but you must have a validated account to bid.
- After you are logged in, you must proceed to the sale page for any and every auction and click **"Get Buyer Number."** Some auctions require a pass-code to obtain a buyer number even after you are approved by CCI.live. Pass codes generally come from the sale manager or ranch for that particular sale.
- CCI.live will operate with ease on a **cellular device, laptop, desktop or tablet.**
- A **modern or current browser** is important and will make your experience better. You do not need to install the app on cellular devices to watch a sale. CCI.live is a browser-based application meaning it will play on most new browsers, but you can also download the CCI.live app at the Apple App Store or through Google Play.
- **For successful bidding you must have good Internet service!** It is very important to be stationary. If you are driving and bidding, expect to have some service issues. If you are stationary on a good device, with healthy Internet, expect a very successful bidding environment. If you have slow Internet watch the "asking price" on the screen - it is real time and refresh your browser if you feel like you have some lag.
- **Support line open during all sales. 405-400-9505** - Please contact the ranches for invoices and trucking.

Over 35 years in livestock marketing!

"It's in your *blood*. You don't think about the *long hours* or the money.

You do it because you *love* it."

Thank you

to our friends, family and neighbors that help us all year long!

Dear friends and fellow cattlemen,

It is a true pleasure to welcome you to the 2nd Annual Fields Angus & SimAngus Cattle Sale. We sincerely appreciate your interest in our program and the trust you place in our family. The relationships we've built with fellow cattlemen over the years mean a great deal to us, and we're grateful for the continued support that allows us to do what we love every day.

Raising quality cattle has been a lifelong pursuit for our family, and we're proud to share this year's offering of a strong, well-balanced selection of Angus and SimAngus bulls with you. Our program continues to evolve through intentional breeding decisions and a commitment to producing cattle that work in real-world ranch environments. The addition of the Corsair Angus Cow Herd in 2023 further strengthened our foundation and reinforced our focus on dependable, high-quality genetics.

In the summer of 2025, we relocated our operation to Heppner, Oregon, and the transition has been a positive one for both our family and our cattle. We've truly enjoyed the move and are grateful to be part of such a strong agricultural community. The country, conditions, and people here align perfectly with our philosophy of developing cattle that are rugged, functional, and built to last.

At Fields Angus & SimAngus Cattle, the three most important things to us are faith, family, and hard work. This program is built on those values. We believe our faith in Christ, our Lord and Savior, is the foundation of everything we do, and we recognize that He alone has blessed us with this program and the opportunity to make a living doing what we love. We are deeply thankful for His guidance and provision in our lives and our operation.

At Fields Angus & SimAngus, our goal remains simple: to raise cattle that deliver performance, longevity, and efficiency. We believe the most valuable genetics are those that hold up over time—sound, athletic cattle that are ready to go to work and add consistency and profitability to your herd for years to come.

We take pride in developing cattle with structural integrity and real-world functionality. Every bull offered has been developed with longevity in mind and managed with care, honesty, and attention to detail. All bulls have passed a semen evaluation and are guaranteed through their first breeding season. If an issue arises or you are unsatisfied for any reason, we encourage you to contact us right away so we can make it right.

We welcome the opportunity to visit with you—at the ranch, over the phone, or on sale day—and are always happy to help you find the right fit for your program. Thank you for your continued confidence in our cattle and our family. We look forward to seeing you at the sale and working with you in the years ahead.

Sincerely,

Kyle & Jessie Fields & family

Raising Functional, Sustainable Seedstock – From Our Family to Yours

Our registered Black Angus cattle are proven to be low-maintenance, docile, and highly fertile, with strong maternal traits that support long-term herd success. When crossed with Simmental genetics, the result is *Hybrid Vigor*—adding muscle, performance, and improved milk production.

We proudly raise registered Angus and SimAngus cattle with the goal of delivering **consistent**, reliable genetics that perform in **real-world** conditions and add value to every calf crop.

AMERICA'S COW

 **SimGenetics**
PROFIT THROUGH SCIENCE
American Simmental Association

The **Simmental** cow can handle any environment.

She's built to last in heat, fescue or high altitudes. And thanks to the breed's built-in adaptability, you can match Simmental genetics to your environment – **SimAngus™**, **SimAngus HT**, **Simbrah** or proven Simmental genetics.

Meet America's all-purpose cow – gentle and consistent, with calves that give the heterosis boost commercial cattlemen need to stay profitable.
