## February Frozen Genetics Sale

6 PM (CDT) LiveONLINE

**AUCTIONEER:**

Jared Shipman  
(806) 983-7226

**MARKETING AGENT:**

Parker Friedrich  
(254) 413-2420

**MARKETING AGENT:**

Matt White  
(530) 552-0650

**SALE DAY PHONES:**

254-413-2420 - Parker Friedrich  
530-552-0650 - Matt White  
530-200-4054 - Ty Byrd  
336-736-6340 - Zach Moffitt  
417-224-6296 - Jordan Hunter  
405-315-7258 - Matt Myers

**SALE BOOK PREPARED BY:**

Parker Friedrich Marketing & Consulting  
566 Hillcrest Dr., Stephenville, TX 76401  
254-413-2420 mob • 254-968-8162 fax/home  
parkerfriedrich@earthlink.net

**TERMS AND CONDITIONS:**

The cattle will sell under the standard terms and conditions of the American Angus Association ([http://www.angus.org/Pub/suggested\\_sale\\_terms.pdf](http://www.angus.org/Pub/suggested_sale_terms.pdf)). All announcements from the auction block take precedence over printed materials.

**SHIPPING:**

Buyer is responsible for the cost of shipping embryos. Embryos are at Trans Ova, IA and are ready for immediate release upon payment. On embryo purchases exceeding \$20,000, BCC will pay for shipping.

**EMBRYO GUARANTEE:**

BCC will guarantee one pregnancy per three embryos if paid for within 30 days and put in by a certified technician.

**BYRD CATTLE COMPANY, LLC**

Dan Byrd: (530) 736-8470 | Ty Byrd: (530) 200-4054  
P.O. Box 713 · Red Bluff, CA 96080  
byrdcattleco@hotmail.com | [www.byrdcattleco.com](http://www.byrdcattleco.com)

Welcome to the Byrd Cattle Company February Frozen Genetics Sale! This will be our largest embryo offering of the year, and where we “break out” new donors we’ve never offered before. The cattle business in general is better than it’s ever been - but the demand for ultra elite “hard to make” cattle that combine phenotype and genotype in a complete package is astronomically high!

Something that makes us “Distinctly Different” is the tremendous opportunity in this sale. We allow the buying public access to our very best donors with absolutely nothing held back. You have the opportunity in this sale to buy full sib embryos to cattle we — and other Angus breeders - have marketed or will market in the near future for a substantial amount of money. The potential ROI in these embryos is simply unmatched — **Every mating in this sale has the potential to produce sale toppers and Lot 1 features!** In the fall 2024 Big Event, Express & Spruce Mountain sold an \$85,000 ½ interest female that was the result of an embryo purchase in one of our sales. The Lot 1 female in the inaugural Circle F Sale last October was the result of an embryo purchase made in one of our sales, as was the dam of an \$80,000 sale feature at Smith Valley in the fall of 2025. This is your chance to create full & maternal sibs to highly valuable cattle — and put your own prefix on them!

As always, these are the same matings we are putting in ourselves at BCC and they are designed with the future in mind — we don’t make breeding decisions based on where this business is today; we focus on where it will be in the future when calves from these embryos are ready to be marketed. With a one pregnancy guarantee per embryo package, the downside is practically non-existent, while the upside is monumental!

While many of these embryos were made using semen reverse sorted for females (about 90-95% accurate), there are some that are unsexed. We would be happy to work with you to market any bull calves that result from your embryo purchases — just reach out to us and we’ll be happy to discuss the details. As always, we’ll guarantee one pregnancy per three embryos if paid for in 30 days and put in by a certified technician. We realize you may want to get these embryos in quickly; therefore all embryos are ready for immediate release from Trans Ova, IA upon payment.

Thank you for your interest and please call with questions-

The Byrds

**The Byrd Family**

EPDs contained in the hard copy of this sale book were current as of print date. Digital versions of this sale book can be viewed online at [www.angus.org](http://www.angus.org) and will have EPDs updated every Friday with the exception of EPD references in footnotes and photos. Any PDF downloads from the website will contain EPDs current as of the date downloaded. References: American Angus Association®, AHIR®, AngusLink®, CAB®, Pathfinder®.

FEBRUARY FROZEN GENETICS SALE

FEBRUARY 24, 2026 · [WWW.BYRDCATTLECO.COM](http://WWW.BYRDCATTLECO.COM)

A photograph of three black cows standing in a grassy field, facing right. The cows are arranged in a vertical line, with the top cow being the largest, the middle one slightly smaller, and the bottom one the smallest. The background is a soft-focus field of tall grass under a bright sky.

*Genetics specifically*

*designed for your future*

*...and ours too!!*

Take advantage of the opportunity to acquire front pasture genetics from two of the hottest young sires in the business, out of one of the newest additions to the Byrd Cattle Company donor arsenal, Barbara 0169. 0169 recently produced the \$150,000 selection of Circle F Farm and Moon Creek in the 2025 Henke Fall Sale. In the 2024 Henke Fall Sale 0169 produced the \$130,000 Henke High Ground – a bull that is seeing use industry wide due to his ability to blend convenience traits, carcass quality and maternal value in a low birth, eye-appealing package. We think 0169 is the most complete Growth Fund daughter in the business when selecting for traits of economic importance. With Diligent selling ½ interest for \$370,000 and Grand Slam leading off the April GAR sale, you have the opportunity to “front run” the industry and have some of the very first of these elite genetics! As a side note, the first 500 units of Grand Slam semen offered by Select Sires sold out in less than four hours in mid-January – think about the demand!

# RSA Forever Lady 9204 Embryos

The opportunity to put your prefix on full sibs to breed icons simply doesn't come along every day. The Lot 2A embryos are full sisters to the \$350,000 valued True Balance, the go to bull in the breed today for creating eye appealing cattle with big data and unmatched demand. The Lot 2B embryos are full sisters to Anticipation, the \$400,000 ½ interest highlight of last fall's Big Event at Express where he sold to Circle F & Edisto Pines. The 2C embryos are Gridmaker's, and we all know the impact he's had on the Angus breed over the past year. 9204 topped our sale last fall at \$215,000 for ½ interest to 4 Sons and she had a daughter sell that day to Express and Callahan Cattle Co for \$140,000. In the 2025 National Finals Angus sale in Las Vegas, 4 Sons sold a \$57,500 pregnancy to Katie Colin. 9204 embryos aren't available very often – if you're serious about this business this is a "can't miss" opportunity!

# BA7 Oaks Erica J04 Embryos

**BA7 Oaks Erica J04** - Dam of Lots 3A-3C Embryos

You'll have to look long and hard to find a more visually stunning female than J04 – and her pedigree couldn't be more “right for the times” being out of the recently deceased T220. J04 is a full sister to Bold Ruler at Alta and a maternal sister to Grindstone, War Cry and Sharpie. A Wallace X J04 pregnancy was a \$25,000 highlight of our recent September sale going to Kern Cattle, and her embryos topped both the embryo division of our September sale and our 2025 April Opportunity online sale. A full sister to J04 recently produced the \$120,000 top selling bull at Galaxy Beef. Even though J04 wasn't on display at the September sale, plenty of folks went and found her and came back raving about how good she was. We are as excited about J04's potential as we've been about any female in a long time, and she will likely highlight our fall 2026 sale. If your goal is to make big numbered cattle that have an exquisite look, these matings demand your full attention.

**Erica of Ellston T220** - Granddam of Lots 3A-3C Embryos

# Wilks Princess 3266 Embryos

**Wilks Princess 3266** - Dam of Lots 4A-4E Embryos

If you're a fan of data, it doesn't take long to realize 3266 is one of the most unique females in the Angus breed. She is a low birth, high CED female that is simply a "way out there" outlier as she ranks in the top 2% of the breed for \$M, \$G and \$C, while ranking in the best 5% of the breed for \$EN at +10. When you run a very basic sort with her levels of Marb, RE, \$M, \$C and \$EN, she's the only animal in the breed. 3266 was a \$60,000 ½ interest feature of our recent September sale, going to Betts Angus and Loose Arrow Ranch, while a daughter sold to Bear Hill Cattle Company for \$32,500. Three embryos out of 3266 by Ambitious were highlights of our February 2025 embryo sale, commanding \$12,000 each to the Hay Ranch. In the 2026 National Western Foundation Female Sale, 3266 produced the \$18,000 high-selling pregnancy - a sister to the Lot 4A embryos. These 3266 matings could well be set up for a genomic explosion!

# Gabriel Blackcap 3581 Embryos

**Gabriel Blackcap 3581** - Dam of Lots 5A-5C Embryos

This will be the first public offering of embryos from the \$84,000 highlight of the 2024 Gabriel sale that we own with Kern Cattle Company. If you're intrigued by cattle that are unique and hard to make - both genotypically & phenotypically - pay special attention here, as 3581's data profile is unmatched, and her look is stunning! In the next year, we will look to maximize the breed changing potential we believe 3581 possesses. Get in early on these "money making" genetics and ride along with us!

# PAR Barbara 2135 Embryos

**PAR Barbara 2135** - Dam of Lots 6A & 6B Embryos

2135 is a "hidden gem" with her first embryo offering available in this sale. We purchased her and her heifer calf as the \$42,500 high selling pair of the 2024 Percy sale. A year later, in our fall sale, that heifer calf sold as the #1 \$C Heat Seeker daughter in the breed for \$70,000 to Three Trees Land & Cattle and is now working as a donor in the Peak Genetics program as well. You don't often find cattle that look like 2135 with a data package like hers!! 2135 likely has a high profile spot in the fall 2026 sale here – take advantage of the chance to get out in front of the pack!

# RMRK Rita 0237 Embryos

**RMRK Rita 0237 - Dam of Lots 7A-7C Embryos**

Rita 0237 is the dam of both FF Rito Ambitious & FF Rito Hustler, and was the \$230,000 valued, high selling ½ interest female from the 2024 Fall Byrd Sale selected by 909 Ranch in NC and Bullington Bros in TN. In that same sale she produced the \$30,000 high selling pregnancy to 4 Sons. Her first son to sell at public auction, FF Rito Hustler 1B69, topped the Friendship Farms Dispersal at \$84,000, then 16 days later sold 10% interest for \$100,000 to top the 2023 Byrd Fall Frozen Genetic Event. Her second son, FF Rito Ambitious, topped the 2023 Friendship Farms Bull Sale at \$235,000 to Express, Pollard, Riverbend, Spruce Mountain and Nowatzke. Less than 60 days later he sold over \$500,000 worth of semen at Bases Loaded in OKC. 0237's daughter, BYRD Rita Prov 0237-2B43, was the \$250,000 valued highlight of the 2024 National Finals Angus Sale in Las Vegas going to Circle F Farms in GA - exactly one year after she produced the \$35,000 top selling pregnancy of the 2023 Vegas sale to Double Barrel. The 2025 BYRD Fall Sale was highlighted by a 0237 daughter that was the #1 SC Congress daughter in the breed who sold to Smith Valley Angus for \$60,000, and four 0237 weaned heifers that sold to Double Barrel, 6X, Ingram and Circle F. With the initial progeny of her sons garnering tremendous attention, and daughters landing in prominent herds, the book is just starting to be written on 0237 - and with seven of the top nine heifer calves for SC in the 2025 fall born group at Byrd Cattle Company being out of 0237 or her daughters, the future looks super bright! What's the value on having a maternal sib to Ambitious & Hustler roaming your field with your prefix?

# BYRD Rita Prov 0237-2B43 Embryos

These embryos are out of the \$250,000 valued selection of Circle F in the 2024 National Finals Sale. 2B43 is the most numerically advantageous of the full sisters to two of the hottest sires in the breed today, the \$1 million valued FF Rito Hustler and the record setting FF Rito Ambitious owned by Express, Pollard, Spruce Mountain and Riverbend. Want embryos that'll "pop" to the top of the charts for \$C? The highest \$C heifer calf in the 2025 fall borns at BCC is a full sister to the Lot 8C embryos (21343662), and six out of 12 of 2B43's progeny currently exceed +400 \$C. Circle F sold a \$40,000 pregnancy to Express in their October sale – don't miss your chance to tie in to a special cow with built in marketability and ride the path to profitability!

# MCC SuperMama 6276 Embryos

6276 – The “Legend,” the “never miss cow” of the Angus industry, the “Angus Unicorn” – no matter what you call her, SuperMama 6276 is simply the most unique cow in the breed today and is as dominant as any female in Angus history when it comes to genomics, proven feed efficiency, performance and phenotype. In the past three BYRD fall production sales, SuperMama 6276 has accounted for almost \$1.5 million of direct progeny sales, with 16 partial interest daughters averaging just over \$55,000 and ½ interest in 35 sons averaging just shy of \$15,000 each. Those progeny included the 2024 high selling full interest female at \$170,000 to Circle F Farms, the \$150,000 ½ interest high seller in 2023 to Katie Colin Farm, the 2023 high selling \$105,000 2/3 interest bull to the Fault Free Group, the 2025 high selling \$65,000 pair to Bar KJ, the 2024 high selling \$60,000 ½ interest yearling female to Karen Rae Combs Ranch and the 2025 high selling bred heifer to Wilks Ranches. SuperMama 6276 has sold \$465,200 of embryos and pregnancies in the last seven Byrd embryo sales, including the \$57,000 sale topper in our 2025 February Frozen Genetics Sale to Circle F. In the 2023 National Finals Angus Sale in Las Vegas, she sold a \$22,500 pregnancy to 4 Sons, while in the 2024 Vegas sale her daughter owned by Circle F Farms sold a \$50,000 pregnancy to Express. Don’t miss this opportunity to add building blocks for your future – invest in genetics from the living legend!

# Basin Lucy 8108 Embryos

**Basin Lucy 8108 - Dam of Lots 10A-10E Embryos**

8108 was our \$80,000 ½ interest selection from the 2023 Fall Basin Female Sale. In the 2024 Basin Bull Sale, she produced the \$110,000 high selling bull to Grimmus Cattle, a \$55,000 son to Krebs Ranch and a \$20,000 son to Belle Point. Not only does 8108 transmit tremendous depth of body and powerful phenotype to her progeny, she is a DNA upgrader that produced sons with the highest and second highest \$C indexes ever recorded in the Basin herd. This cow is the real deal!

\$165,000 Maternal  
Sister to Lots 11A-11E  
Embryos

First time ever offering embryos out of 0065, the dam of the \$165,000 selection of Lanas Smith in our 2024 sale and her \$145,000 valued full sister selected by 3/0 Cattle in our 2025 sale who sold that day as the #2 FL EPD female in the breed by True Balance. A True Balance flush brother was a \$25,000 highlight of our 2025 bull sale, while Pollard Farms bought an outstanding Top Cut daughter here in 2024 that was a featured donor dam in their fall 2025 embryo sale. 0065 caught our attention as a two-year-old when she raised a monster bull calf by Baldrige Alternative who was the phenotypic standout and one of the high sellers of our 2023 bull sale. Pull up these progeny – 20934432, 21059021, talk about number them up & add a classy look – from a donor dam who has earned it the hard way!

As a special, last-minute feature, we've added two sets of embryos that are maternal sibs to the 2026 Champion P & G Female at the National Western Stock Show in Denver. KC Blackcap Lady 5033 was purchased by Lanas Smith from us and Katie Colin out of the 2025 National Finals Angus Sale in Las Vegas for \$42,500 – and in her first show ring appearance she ascended to the top of the mountain! 3009, the dam of these embryos, was a \$25,000 ½ interest selection of Katie Colin Farm in our 2023 sale. 3009 is a maternal sister to the dam of both FHCC Majority & FHCC Foundation. The easiest cattle to sell are the big numbered ones that look good – throw your prefix on a sib to a major champion and have your own!!

## CRICK X 3009
