SPRING FEMALE SALE

FRIDAY, FEBRUARY 13, 2026

7:00 P.M. | BAR O ARENA | STONEWALL, OK

Welcome to the D&H Cattle Spring Female Sale

We're proud to welcome you to the 2026 D&H Cattle Spring Female Sale. Each year, this event brings together an outstanding set of females backed by the kind of cow power that has helped build the D&H program for decades. The track record behind these cow families speaks for itself, time and time again, females from this offering go on to become cornerstone producers across the bucking bull industry.

At D&H Cattle Company, we take great pride in producing genetics that work. For more than 40 years, our focus has been on breeding bucking bulls with the consistency, athleticism, and toughness our customers demand, and we've learned that the foundation always starts with the cow families. This offering represents the very best of those elite maternal lines, bred to what we believe are some of our most proven and exciting sires.

We appreciate your interest in our program and the confidence you place in the D&H brand. Whether you're looking to add a future donor, a reliable production female, or the kind that can raise the next industry standout, we believe you'll find the right kind here.

We'd like to extend a sincere thank you to our friends, family, customers, and hardworking employees who give their all every day to make D&H Cattle Company what it is today.

We invite you to join us on sale day, and if you can't attend in person, you can register and bid live online at CCI.live. Take time to study the catalog, evaluate the pedigrees, and buy with confidence.

Thank you,

D&H Cattle Company
