DINNER

Complimentary dinner will be served at 4:00 pm prior to the sale.

ONLINE BIDDING

Sale broadcast on WVM/CCI

More details on page 25.

BIDDING

Each animal will be sold to the highest bidder. The auctioneer will settle any disputes as to bids and his decision on such matters shall be final.

HEALTH

All cattle are officially calfhood vaccinated or tested for brucellosis. All bulls will be semen and trich tested. Cattle will be sifted for soundness and quality.

TRUCKING AND FEEDING

We want to deliver your bull. Leave your trailers home. All bulls will be returned to Gillman's Feedlot following the sale and fed at no expense to the buyer through April 1. Any bulls retained beyond April 1 will be fed at the buyer's expense. After April 1, we will contact buyers to arrange delivery. Free delivery is included within the Western United States. For destinations outside this region, we will make every reasonable accommodation to deliver your bull as close to his new home as possible.

TERMS AND CONDITIONS

Cattle will sell under the suggested Terms and Conditions of the American Angus Association or their respective breed associations. Terms of sale are cash unless satisfactory credit arrangements have been made with sale management before the sale.

BREEDING GUARANTEE

Every bull sold through the Intermountain Genetic Alliance is 100% guaranteed for fertility and structural soundness. This guarantee covers the first breeding season. The first breeding season is defined as 90 days following the date of turn-out. The guarantee does not cover mismanagement, neglect, or death. If a bull is proven to be a non-breeder or incapable of servicing cattle, we will issue a full sale credit to a future sale after the following criteria have been met.

- A signed statement from a licensed veterinarian, stating the bull is not a capable breeder.
- Bull has been returned to the seller. All claims must be issued in writing by September 1, 2026.

LIABILITY

We shall not be liable for any accidents that may occur, but will make every effort to provide for the safety and comfort of those attending. Accidents at cattle sales are rare, but all attending must do so at their own risk. The sale management was retained for specific tasks, promotional and clerical, and has nothing to do with handling of the cattle or the condition of the premises. Neither the sale, Intermountain Genetic Alliance sale management, nor other persons connected with management of the sale assume any liability, legal or otherwise.

LOCATION OF THE BULLS

Heber bulls are on test in Myton, UT.
Brent Gillman 435-724-1230

WELCOME TO THE SALE

Welcome to the 22nd Annual Intermountain Genetic Alliance Sale and the 4th edition of our Heber Valley Bull Sale. There has rarely been a more exciting or important time to be in the cattle industry. Recent years have tested us with drought, market volatility, and rising input costs, but those challenges have sharpened our focus on efficiency and long-term decision making. 2025 proved to be an exceptional year, with historic calf prices and strong momentum across the industry. With cattle inventories at historic lows and market signals pointing toward continued profitability, now is the time to invest in the future of your operation. There is real value in genetics developed in the same environment where your cattle work. These bulls were developed by Brent Gillman at his feedlot near Myton, Utah, and are presented in excellent breeding condition. This is one of the deepest offerings we have assembled, featuring numerous full- and half-sibling bulls. Whether you're looking for added pounds, calving ease you can trust, or moderate, maternal cow-makers, this sale offers the genetics to fit your program.

Buy with confidence. We look forward to seeing you and rekindling friendships on March 6, 2026, in Heber City, Utah.

Sincerely,
IGA Bull Sale Producers

A NOTE FROM THE SALE MANAGER

Welcome to the Intermountain Genetic Alliance Heber City Bull Sale. The sale is again located in beautiful Heber City, Utah and has many breeding options for your purebred or commercial programs. Angus, Hereford, Red Angus, Red SimAngus and Black SimAngus bulls will be available from some of the leading seedstock producers in this region. High-Altitude proven, performance tested studs that have the look, quality and value to bring in top calf crops year after year. These bulls have the cow power and maternal lineage behind them to enhance and improve any cowherd. I have seen and evaluated every bull. Please reach out to me if you want a candid opinion about this impactful set of prospects!

RIVERSIDE COMMODORE 516 - Lot 12

Herd Bull prospect here! Maternal brother to lot 11 sired by the great Baldrige Gibson G859. Elite number profile, including double-digit CED and negative BW with top 10% growth. Top 15% \$M and \$B adding up to a top 10% +342 \$C. Even more impressive is how this powerful, attractive herd bull prospect blends those elite numbers with an exceptional structural build, bold rib-shape and powerful hind-end. Cattle that look this good and number up that well are hard to make and even harder to find, don't miss out!

If you like them rugged, powerful and perfect in their angles, then check out this double-digit CED son of Riverside Weighmaker 329! As much phenotype as you will find and has a number profile that should sire calves that grow quick and still leave you with ideally sized females. Can't go wrong with one that combines carcass and maternal traits while looking this good.

A half-blood son of LCDR Reserve 210J. When you combine heterosis with a bull that is a breed leader (top 3%) for growth traits, you will get a set of calves that pack on the pounds and get you paid. Not to mention he is correct in his build, well balanced with that added power you would expect from the Simmentals influence.

Elite number package from this standout son of the \$600,000 Basin Jameson 1076. The Jameson sons have been one of the most sought after sire groups recently and for good reason. They consistently have this bulls length of body and added power with top 1% WW, YW and CW. Pounds still pay, and these are the kind of genetics that will add them.

The flushmate to lots 23 and 31 and and perhaps the most potent of the flush on paper. Huge growth numbers, big MARB and top of the charts across all \$Value indexes. A great opportunity to put together a set of full brothers and create a uniform calf crop with performance to burn.

MAKE YOUR CATTLE STAND OUT

You've made a significant investment in your genetics, but does the market recognize that? Stand out by differentiating your cattle with AngusLinkSM programs: AngusVerifiedSM and the Genetic Merit ScorecardSM. AngusVerified validates your calves are sired by registered Angus bulls and make your cattle stand apart from other black hides on sale day. The Genetic Merit Scorecard gives buyers the confidence they need to pay more for your quality calves.

Users of the AngusLink programs earn **\$13-15/CWT PREMIUMS** on average. Give us a call, and learn how to claim your competitive edge with AngusLink value-added programs.

AngusVerified and the Genetic Merit Scorecard are administered by IMI Global.

HEREFORD \$CHB ADVANTAGE

An industry-changing program from the American Hereford Association and IMI Global to verify and add value to Hereford-influenced feeder cattle

Hereford Association and IMI Global to verify with superior genetics, health and management.

REQUIREMENTS

Source and age verification | Genetic merit: *Minimum of 50% Hereford genetics and bull battery ranking in the top 50% of breed for \$CHB index (bull battery average)* | Two rounds of vaccinations prior to shipping: *2 doses of 7-way, 8-way or 9-way clostridial, 2 doses respiratory modified live* | BQA certification

BENEFITS

Genetic improvement tool | *Sire EPD and profit index summary* | Added market exposure | *Free listing at HerefordMarketplace.com* | Enrollment cost \$3.25/head (verification + eID tag)

VISIT HEREFORDADVANTAGE.COM TO GET STARTED TODAY

Find this logo next to sires meeting the genetic requirements for the Hereford Advantage program in catalogs this sale season!

CONTACT YOUR REGIONAL AHA OR IMI GLOBAL REPRESENTATIVE TO ENROLL NOW!

T/D DOC RYAN 049 - Sire of Lot 86

Lots 84 and 85 are flush sisters and do not ask me to pick a favorite. The T/D Doc Ryan 049 cattle have been extremely sought after and for good reason. This female is long and feminine fronted, level topped with a great sweep to her rib.

Same quality and kind as her full sister with a touch better rankings on her \$Value indexes.

Here is another T/D Doc Ryan 049 out of the good Spring Ridge Erica W42. Elite genomic profile here. Calving ease, top 10% WW,YY. Top 15% MARB and negative PAP. Top 10% \$B and top 4% \$C of +373! She checks all the boxes.
