Fairview Sale Barn, Fairview, IL

HOBBS ANGUS - RUTLEDGE FARMS - FLACK FARMS

HOBBS ANGUS

Dear Cattlemen and Friends,

On behalf of the Hobbs family, we would like to welcome you to our Annual Hobbs and Eathington Bull & Female Sale. Raising Angus cattle is something I have built from the ground up, and we take pride in the program we have developed. The bulls selected for this year's offering are high-quality and designed to complement and improve any herd.

All bulls have been blood-tested and genomically tested to increase the accuracy of their EPDs. Our herd is kept current on all vaccinations, and each bull has passed a semen test with 100% guaranteed fertility—ready to go to work for you.

Additionally, we are pleased to offer four open heifers from outstanding dams, along with three bred cows that are due to calve prior to the sale. Don't let these females pass you by.

Updated EPDs and all relevant information will be available on the day of the sale.

This year, we once again relied heavily on family involvement to manage the herd. While my rehabilitation continues with twice-daily physical therapy, the family and Marci have done an excellent job caring for the cattle and have exceeded my expectations.

We look forward to your attendance and invite you to join us for lunch on sale day.

Yours for Quality Beef,

Bud and Deb Hobbs

Eathington Angus

Dear Friends and Cattlemen,

It is with great pride that we present this tremendous lineup of bulls, bred heifers, open heifers, and elite genetics for your appraisal. At Eathington Angus, our focus has always been on producing genetics that work for the commercial cattleman. As a result of our embryo program, you will notice several sets of full brothers in this offering. If your goal is to create a more consistent feeder calf crop, purchasing full brothers is certainly worth considering.

The cattle on our operation work for a living and are not pampered. All bulls are raised on fescue pastures with very little creep feed. To be sold as a breeding bull off this farm, they must perform at a high level under real-world conditions. You can buy with confidence knowing these bulls will go home ready to work and meet the demands of your operation.

New this year, we are proud to welcome our daughter and son-in-law, Emma and Mason Flack, to the sale. Their farm, located in Rio, Illinois, is contributing three outstanding purebred Simmental bulls and one half-blood Simmental bull that we are excited to include in this offering.

We are also pleased to once again have Rutledge Farms joining us. They bring a unique set of Angus genetics, along with Simmental genetics, providing our customers with even more quality options to choose from.

In addition, we are offering flushing rights on select top donor cows, along with several excellent embryo packages. One highlight includes full and maternal sibling embryos to the 2025 Reserve Champion Purebred Female at the Simmental Junior Nationals. These donor cows have proven themselves not only in the show ring, but—more importantly—in production within our herd.

Eathington Angus offers many advantages, including cattle whose offspring are consistently well received at the Fairview Sale Barn and continue to bring top dollar at feeder calf sales.

As always, we welcome the opportunity for you to visit the farm or visit with us by phone prior to the sale. We would be glad to discuss what you are looking for in your next herd sire or female, and help you find the right fit for your program.

We look forward to seeing you on sale day!

Kevin & Patty Eathington and Family

AUCTIONEER: Brian Curless (217) 242-1665

RINGMAN: Roger Holmstrom (309) 635-5190 | Jared Ruter 815-238-7530

SALE SITE: Fairview Sale Barn, 1120 Carter St, Fairview IL 61432

TERMS & CONDITIONS: Cattle will sell under the suggested Terms & Conditions of the American Angus Association (http://www.angus.org/Pub/suggested_sale_terms.pdf). Visit the Angus Journal® Web site, www.angus.org, and view this sale book online.

Bulls can be kept at our place for a reasonable amount of time. Please talk to us to make arrangements. We will not be liable for death or injury of your purchase. We recommend that buyers obtain insurance.

All Eathington Angus bulls are genomic Angus GS tested and will be semen tested prior to the sale. All bulls have been de-wormed, have magnets put in them and follow vaccination recommendations of Huston Vet Clinic and Dr. Logan Douglas.

All Hobbs Bulls that bring \$5,500 or more will be kept free of charge until May 1st. Any other bulls, we will keep until May 1 for \$12/day. Any bull kept after May 1st will be charged \$14/day. We will not be liable for death or injury, we strongly encourage insuring your bull purchases through Laura Fidler.

Dameron Sidekick is doing a great job in our program producing lower birth weight progeny with a superior growth curve. Our fall sale offered some of the first Sidekick bred heifers who ended up being our top selling sire group in that division. First reports from customers report the Sidekick's have very nice udders on them.

Rise Above is a new sire group to this sale but one we like quite a bit. These three bulls came lower on birth weight with a very good look. These are early shedding bulls who are maternal in their design and still offer a very useful EPD package across all traits including carcass quality.

46 HOBBS HOMELAND 17K-7N

Birth Date: 02-19-2025

Bull

Tattoo: 34N

- This bull had a BW of 71#, and weaning Wt. of 820, and Yearling wt. of 1285. Look at the low birth weight and high yearling weight. This bull would be a great addition to someone's production herd. Bull's sire is Registration #20438548.

A great opportunity to jumpstart your program for decades to come. Here's your chance to tie into the 2021 Supreme Champion Female at the Illinois State Fair PVF Missie 0304. In production 0304 has been knocking it out of the park producing bulls who have found their way to highlight this sale as well as in the female department. We offered Good Times embryos by 0304 a few years back selected by Draper & Vary that embryo purchase produced a \$60,000 heifer sold by Bloomberg and shown by Paulsen Cattle to great success. This year we are offering IVF Heifer embryos by Good Times & Udel New Heights guarantee 1 90 day pregnancy per package purchased. As well as the right to flush 0304 Buyer is guaranteed to receive a minimum of 6 transferrable embryos with a cap of 15 embryos. Buyer will be responsible to pay flush work as well as semen cost. All work to be done within 6 months of purchase. 1/2 payment due at sale time with the other 1/2 due when embryos are produced.

Here's your chance to get in on the ground floor of the famed 1232J who was named the Reserve Simmental Female at the Illinois State Fair during her show tenure. This female in her very first ET calf crop produced a red baldy daughter by Next Level who topped the Boyert Core fall production sale and went on to earn Reserve Supreme Champion Honors at the AJSA National Classic. We currently have an incredible set of the Next Level's on the ground as fall borns who look fantastic and are just starting to calve the Wallstreet mating who seems to be producing females with a bit more look than we found in the Next Level sire grouping. This year we are offering IVF Heifer embryos by Next Level & Dwyer Wallstreet guarantee 1 90 day pregnancy per package purchased. As well as the right to flush 1232J Buyer is guaranteed to receive a minimum of 6 transferrable embryos with a cap of 15 embryos. Buyer will be responsible to pay flush work as well as semen cost. All work to be done within 6 months of purchase. 1/2 payment due at sale time with the other 1/2 due when embryos are produced.

YIELDMAX

**Premier agronomic advisors offering real data
and actionable solutions for increasing yield**

- . Using the best in modern practices & products***
- . Developed season long programs & products to ensure crop health, plant protection, increased yield, and max returns (Corn & Soybeans)***
- . Ability to monitor farms throughout the season and offer beneficial insights***
- . Capable of analyzing season data to develop in-depth reports & analytics on crop performance & yield across your farm***

****Financing options with 0% interest through 2026**

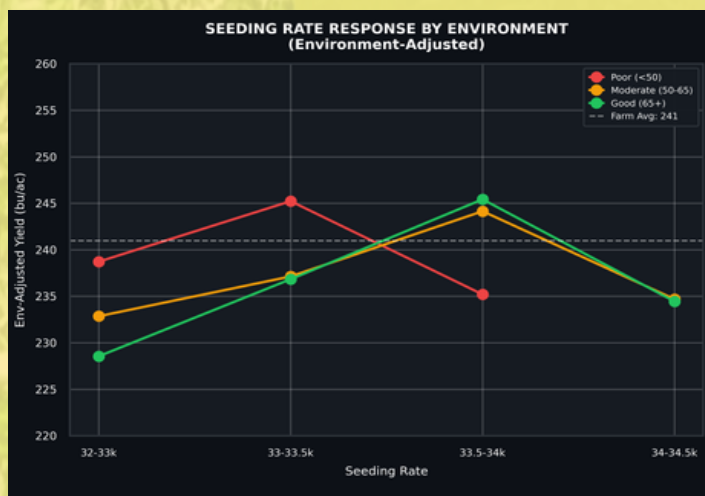

*****Insurance available for yield enhancement programs**

Monitor performance as the season progresses.

Be alerted to significant factors affecting yield during key stages of the season

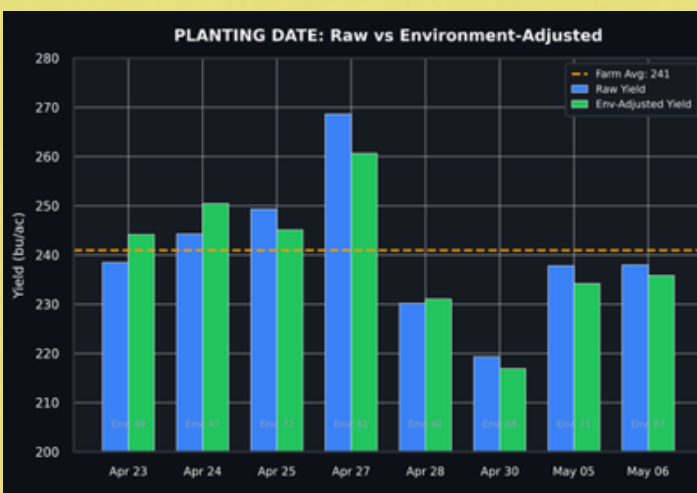

Address any issues with tried & tested programs and industry leading products developed to maximize returns

Analyze end of year data to determine most impactful factors across your farm

Generate real insights for individual fields, hybrids, and many other factors you implement during the season
