# Welcome to the sale...

Greetings Cattlemen and Cattlewomen,

Thank you for taking the time to look through our 2026 Meadow Lawn Angus sale offering. Each year, this sale represents countless hours of work, planning, and commitment to producing cattle that can go to work and add value in real-world programs.

The cattle industry enters 2026 at an exciting time. Demand for U.S. beef is higher than ever, and market prices reflect the confidence producers and consumers have in quality genetics and proven programs. We believe this environment rewards disciplined breeding, sound management, and cattle that are built for longevity and performance.

We want to sincerely thank our past buyers for their continued trust and support, and welcome the new faces who have joined us along the way. Your confidence in our program is what drives us to keep raising the bar.

We look forward to visiting with you on sale day.

Sincerely,

The Meadow Lawn Angus Family

## Greetings from the Emmy Group

We are excited to welcome you to the 8th annual Meadow Lawn Angus / Emmy Group production sale. 2025 was yet again another year to be thankful to be in the cattle business. We have been very excited with our Symmetry calves as well as our Feat's, Blue diamond, Mainfest and C5 offspring. Several of these as well as some of our AI / ET calves will be offered in this years sale. With the great demand for beef we continue to work hard to produce quality stock for our customers.

We would like to thank Meadow Lawn Angus for the partnership we have had over the years and we would also like to thank our families, friends and customers for your support. Thank you for taking the time to check out this year's offerings and hope to see you at the sale!

• Lots 26-28 are sired by resident herd sire Byergo C5. These bulls are high-end Growth and Power bulls that are all in the top 15% of the breed for \$B. Backing these bulls up are impressive Dams including a Jilt, Prim Lassie and Blackbird cow families. At Meadow Lawn Angus, we want the calves by these bulls for our "buy back" since these bulls specifically will inject REA and Marbling with growth into their offspring. Good & Powerful Bulls = Money-Making Bulls!!!

• Ranks in the top 10% for YW, CW, RE and \$B; top 15% for WW, RADG, \$W and \$C.
