SELLING 30+ AGE ADVANTAGED ANGUS BULLS & 35 REGISTERED FEMALES

welcome

On behalf of all of us here at BoPat Farms we welcome you to our 31st Annual "Bulls & More" Sale here in Bradford, TN. We hope your new year is off to a prosperous and hopefully profitable start. We're continuing to live in some of the greatest times ever for the U.S. cattleman. Input costs continue to force us to keep our pencils sharp, but many of us are still selling cattle for prices we could have only dreamt of.

Whew, this weather. What a mess it was here for a couple of weeks. Snow, sleet, ice, and now mud. It's made the first part of spring calving difficult. It's made prepping for a sale difficult. However, we only caught a small portion of what that winter storm brought compared to our neighbors to the south. From weeks without power and water, to down barns and trees. We continue to send our thoughts and prayers to those who were far less fortunate than us. Cattle producers are wired with perseverance, and when things get rough, we tighten up the chinch and continue forward to ensure the stock that we have been entrusted with continue to be tended too.

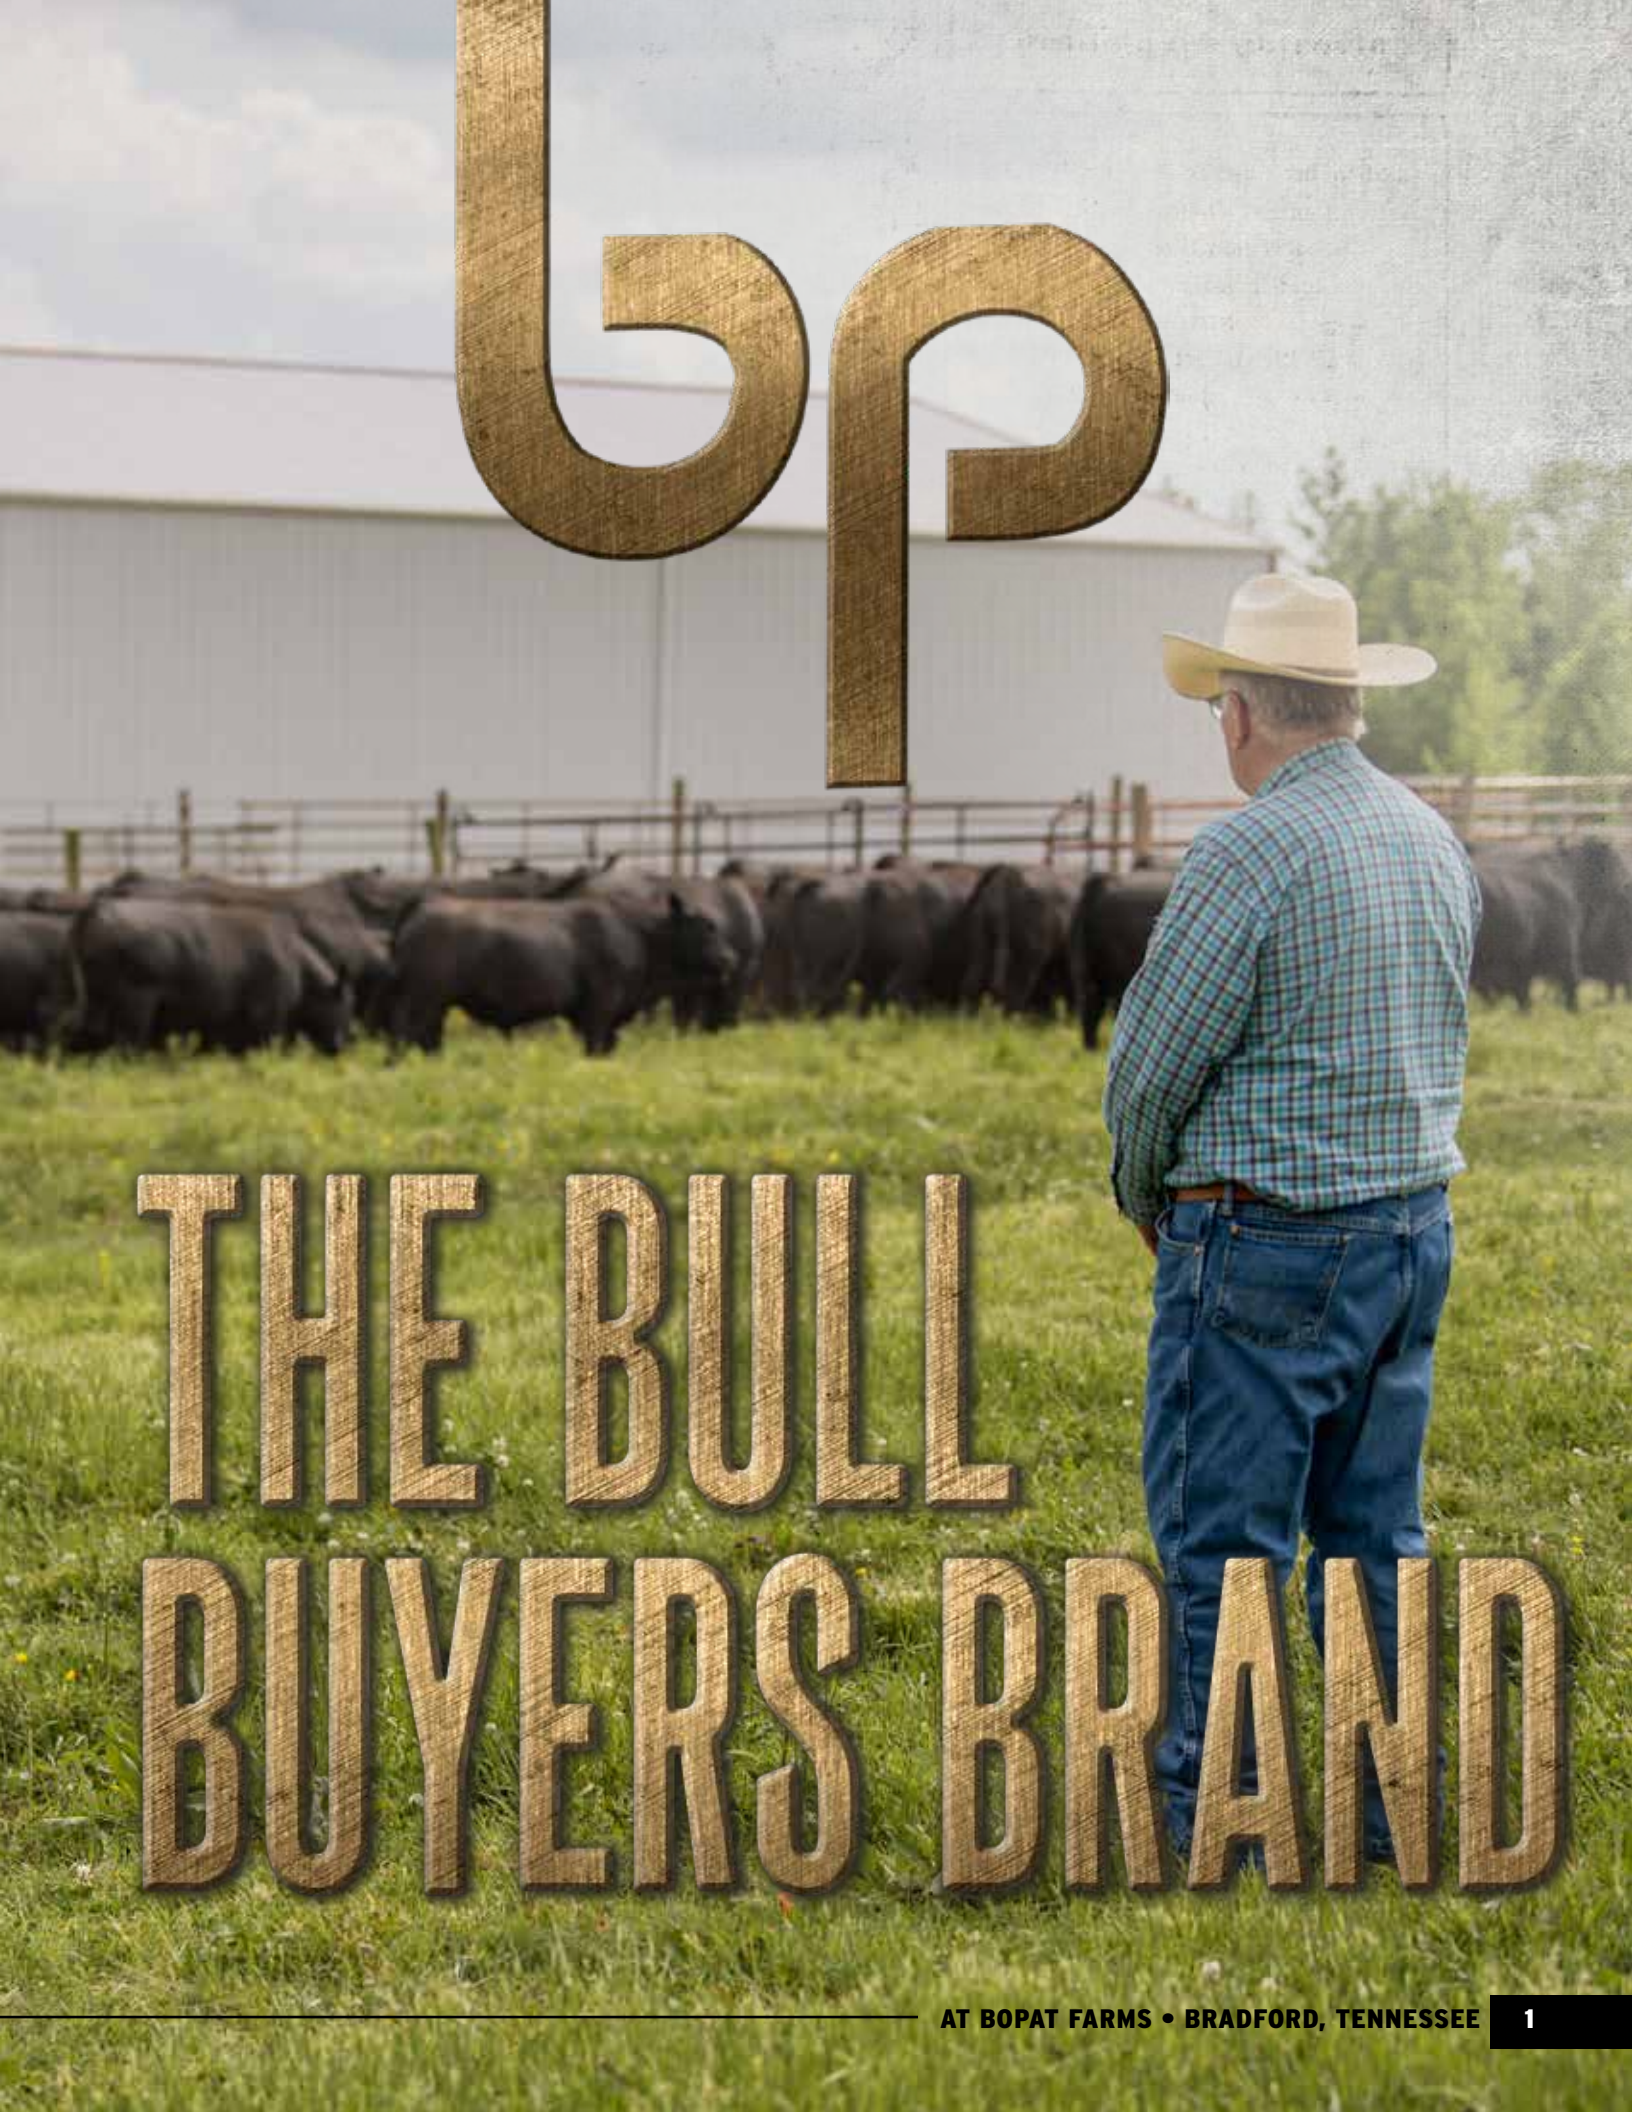

We'd like to introduce a new consignor to this years offering. North 36 Farms, owned by Chris Rudd and managed by Shawn Grey, has brought a high-quality set of Angus bulls. Chris and Shawn have been diligent in their genetic selection over the past years to ensure that they create a product that will fit the environment of the southeastern producer. We are thankful of their partnership with BoPat Farms.

As always, this lineup is deep with quality. We know these aged bulls will be in great working rig to go right to work. The female portion of the offering is stout. We're calving now and can say that there will be some neat pairs sired by some of the hottest and freshest Angus bulls in the country. Again, there will be a solid set of fall bred cows, and a small group of fall pairs.

We hope you all will take the time to study this offering. Please feel free to reach out with any questions you might have about the offering. We're determined to continue to make and offer cattle built for the real world. We often say that if you like them at BoPat, then just wait till you get them home!

- **A modern or current browser** is important and will make your experience better. You do not need to install the app on cellular devices to watch a sale.
