Dr. Ben Crites, *ASA Commercial & Industry Operations*

**SALE REGISTRATION & PAYMENT**

Buyer numbers will only be issued with a valid ID. Payment is due on sale day. OSA accepts major credit cards, check, ACH, or cash. All purchases must be paid in full on sale day unless prior arrangements have been made. Cattle will not be transferred until payment is received in full. Checks to be made to the OH Simmentals Assn. Purchases made through internet bidding are subject to the same terms. Online purchases must be paid on sale day by credit card or ACH.

**HERD HEALTH**

All cattle will have interstate health charts required for shipping into other sections of the United States. All bred females will have been pregnancy examined.

**PURCHASER'S RISK**

Each animal becomes the property of, and therefore the risk of the purchaser as soon as sold. It shall be the obligation of the seller to see that animals are fed and cared for (free of charge) until loaded for shipment or until the expiration of 24 hours after the sale, whichever occurs first.

**GUARANTEE**

All cattle sell fully guaranteed under the Suggested Terms and Conditions of the American Simmental Association. All animals sell clean or free on their genetic status with the ASA.

**ANNOUNCEMENTS**

Announcements made form the auction block by the owners or the auctioneer will take precedence over statements in the sale catalog. We reserve the right to withdraw any sale lots not meeting our specifications prior to sale time.

MARCH 19-22, 2026 / COLUMBUS, OHIO

**Welcome to the 55th Annual Eastern Spring Simmental Sale  
at the Ohio Beef Expo!**

On behalf of the Ohio Simmental Association, we are proud to welcome you to the 55th Annual Eastern Spring Sale, held in conjunction with the Ohio Beef Expo Simmental Sale on Saturday, March 15. This long-standing event has become a cornerstone of the breed's success in our region, bringing together progressive breeders, high-quality cattle, and buyers focused on advancing their operations.

This year's offering showcases an outstanding lineup of Simmental genetics, including bulls, females, cow-calf pairs, and embryos. Each lot has been carefully selected to highlight the breed's proven performance, maternal excellence, and long-term longevity. Whether you are expanding an established program or making your first investment in Simmental genetics, we are confident you will find opportunities that align with your goals.

The Ohio Beef Expo continues to be a premier destination for cattlemen and cattlemen seeking quality, innovation, and connection within the beef industry. We extend our sincere appreciation to the consignors who have brought their very best to this milestone 55th Annual Eastern Spring Sale, as well as to the buyers and bidders whose continued support drives our breed and industry forward.

We hope you enjoy the sale and take advantage of all the shows, sales, and exhibits the Ohio Beef Expo has to offer. The Ohio Cattlemen's Association does an outstanding job representing our industry and placing it at the forefront of the beef business. Should you have any questions or need assistance during the sale, please feel free to reach out to DP Sales, officers of the Ohio Simmental Association, or the consignors.

Best regards,

DP Sales Management

BFJV Rose N167 (Lollipop) is a blazed faced female that offers a look of quality and style about her front one third that is simply unmatched. She is long bodied, square hiped, and massive pinned. She is backed by Tecumseh, the popular sire that commanded \$620,000. Her dam BFJV MS Bankroll G36 has produced multiple high-quality calves. It's hard to deny the sheer quality and substance that Lollipop brings to the equation.

6.6	4.0	82.1	125.1	4.1	23.2	69.0	10.6	7.0	0.00	0.81	90.4	68.7

Attention Boots enthusiasts! Here's a 24 Karat egg we purchased from Schaefer's donor cow on their full sib to Boots, and we couldn't be any more impressed. This female exhibits the distinct body characteristics of the Boots line, coupled with a sharp build reminiscent of 24 Karat calves. Pair that with a docile nature that money can't buy. Show heifer or not, her future is bright with some fun pieces to build on in the donor pen.

There is no denying that red is hot right now, And when you get a red baldy calf it makes the ride that much sweeter. This 2025 heifer is out of the bred cow we have in this sale, CWL Priss and SJF SMJ Payroll - one of Griswold Cattle's hottest bulls, and she has been a standout from day 1. Ultra feminine with plenty of bone and substance along with an incredible top and hip in her. She stood Reserve Champion Simmental at the Preston County Buckwheat Festival and first in class. Has a great disposition and would be suitable for a younger showman as well.

*Champ 1N is a very stout, powerful, big footed, and big boned heifer. She is backed by a great donor. She is the first calf out of JBoy Tammy 354L. JBoy Tammy 354L was Reserve Champion in the 2024 BEST season, she was also her division winner at the Ohio State Fair. JBoy Tammy 354L is out of JBoy Tammy 013H. 013H was shown by Carter Hoge and was top five at Illinois Beef Expo, she also won her division at Oklahoma City. When you take a look at this heifers EPD's she has an CE of 10.9 and an API of 125.1. This heifer is the easiest going heifer we have been around and has a great phenotype and genotype for any cattleman.*

Here is a heifer that is just going to make a really nice cow. Her Dam is just an easy keeping kind of cow that goes back to another one of Griswold's bulls that just produce great females in Boone Pickens. This heifer has a great set of feet and legs under her for the long haul to produce some great cattle. She will be a nice one to take home on sale day.

If you're looking for a replacement heifer that is going to perform at the highest level, Hall Country Dream N503 is the one for you. A pedigree that is outmatched when it comes to performance in reproduction. This female's cow family has also produced high sellers at the Ohio Beef Expo. This sound, functional, big bodied female is the definition of BROOD COW!!! Not to mention she has a beautiful baldy face that everyone loves to see. Get her on sale day and you won't regret your decision!!!

Here is the first opportunity to purchase embryo heifers out of the K206 donor. These are direct daughters of Mr. CCR 20-20, these genetics are hard to find and the results are great. Our 20-20 daughters have great udders and maintain that show ring look even as cows. These white faced heifers are super sound, deep bodied, and stout enough to make bull mommas or maternal ladies. We look forward to seeing these heifers progress into show heifers or front pasture cows. We are honored to offer these K206 genetics back at the Expo.

Great future brood cow prospect that has a real nice pedigree backing her that you can just take home and make nice sellable calves with. Jack her sire has had his first year covering our cows. We have been very excited with his progeny. On the bottom side his dam that comes from the Lazy H gang is just as steady as they come. Every year she produces a nice quality calf that just works. She has had many past expo calves go on to very well for customers.

*It's hard not to love a baldy show heifer, especially when they look like that and are backed by that kind of pedigree. A total package in a youthful body, 526 ties a feminine head and neck out of the front side of a bold sprung, properly proportioned body on a set of legs made to excel in the ring and on pasture. With a maternal sister fresh off of an incredible outing in Denver, finding a Reserve Division win on The Hill and being exclaimed the "best female in the whole pen show" by cattleman Kent Jaecke, there's never been a better time to get in on Sandeen Donna 1142. With Simmental Eastern Regionals near by in Lebanon Indiana, we feel 526 is in the perfect spot to gear up for a successful summer in the ring and carry that success right into production.*

It might be March, but there are still opportunities to put a good one in the show barn for this summer. This striking May born daughter of the legendary JSUL Something About Mary 8421 is sound at the ground, flat shouldered, and extended throughout her front end. Her attractive profile will get her noticed on the tanbark, but she stems from one of our favorite cow families and should have extraordinary value when her days in the show ring are complete. Be sure to stop at the stall to check her out!

Every so often, you are fortunate enough to turn out a sire that rivals the ones in stud in terms of ability to transmit quality to his progeny. That is the case with "County Line". As we deliberated on the open heifer prospects that would make the ride to Columbus, S32N continued to surface in the conversation. This summer born prospect provides a unique opportunity to navigate through a different age division in the show ring with a high quality heifer. She is functional at the surface, deep bodied, and ties high out of the top of her shoulder, with plenty of length and extension.

JCCO Raya 27N is the kind that's hard to let go. Her dam, HILB Once Upon a Time G27B, is a true cornerstone female at Johnson Cattle Co. and has already proven herself as a force in production, with progeny averaging \$17,000, multiple national-level champions, and donor-quality offspring working for customers from past sales. This is a cow family that flat works. On the sire side, Raya is by WLE Real World G39, backed by a lineup of true industry standouts including WLE Uno Mas X549, W/C United 956Y, MR NLC Upgrade U8676, and Miss Werning 956W. The deeper you dig into this pedigree, the better it gets—and the performance never lets up. JCCO Raya 27N combines proven production, elite genetics, and standout quality in one complete package.

The Woodford cattle have been in high demand and there's no exception here. N120 has been a farm favorite of the fall herd. She's complete in her build, square hiped, big footed/boned, and elegant in her silhouette. Her EPD's read true and her pedigree offers so much flexibility whether you're wanting to breed for Purebreds or percentages. There's nothing better than when a first calf heifer produces one of this quality on the first try.

This heifer brings together a very complete package. She is extremely functional and eye appealing with just the right amount of chrome, femininity, rib, bone and flesh. She has an awesome attitude and bright future backed by impressive bloodlines. Sired by no other than the past high-seller Knockin Boots.

Al'd to TL On The Run 106K (ASA# 4325400) on 1/24/26. This Moderate, Stout and Powerfully made Red Female out of Entourage is sure to catch some looks on sale day. This one became a quick pasture favorite of the fall group, and I knew she would make a splash in Columbus. Bred to the old standby calving ease sire Loverboy for a calf that is sure to bring back dividends.

Al'd to WHF/JS/CCS Double Up G365 (ASA# 3658592) on 11/8/25. Here is an awesome looking fall yearling with an intriguing pedigree. Her head shape and neck set is super attractive, her center body and rib looks like a cow should, and her feet and legs are impeccable. Her dam is a Relentless out of the Z338 donor that is a full sister to Quantum Leap. To top it off, this blaze faced beauty is due to WHF/JS/CCS DOUBLE UP on 8/17. Front pasture kind.

This cherry redhead is out of our Proud Mary daughter and GCC Bold Move. Our Proud Mary daughter has produced countless winners and champions across the United States. There is no denying that the Proud Mary daughters and grand-daughters are hot right now, both in production and the show ring. Her grand-dam, JBSF Proud Mary is one of the highest dollar generating females in the Simmental breed. This heifer has been the barn favorite hands down from day 1 for her exceptional attitude and calm demeanor. A very easy keeper that thrives on air. She was shown twice as a calf, winning her class both times out. I love how she is correct in structure and sound in movement while being big middled with great capacity. She is puppy dog broke and ready for a junior to take her out and show her.

Sired by WHF Point Proven H45 (ASA# 3780742)  
"Cupcake" is the first natural calf of the great K206 donor that we purchased as a highlight of the 2024 Ohio Beef Expo. She was shown successfully on the side of K205 and is extremely docile and has the same power and look that her mother has. She is out of the ever popular OMF Epic that has proven to be a can't miss bull in the breed. Did I mention the best part yet? She has a January heifer calf out of WHF Point Proven and it also has white on its face!! Cupcake has a great udder and look and the calf will provide with an immediate return of investment or keep her in the replacement pen. A can't miss opportunity here.

 Sired by THSF Lover Boy B33 (ASA # 2983443)

Lucky number 7 is this heifer's nickname at home because of the iconic large white 7 on her face. She is an embryo calf out of our Vixon donor, and we certainly feel like Vixon 16G hit the jackpot with this Broker daughter. Females that are so progressive in their body shape, bulky in their build, and dead level in their lines, yet still move with the right kind of running gears, are hard to replicate. Whether you're thinking purebred to clubby with her future calves, the possibilities for this girl are limitless.

PE to STRA Roll With It K216 (ASA# 4114314) from 11/20/25 to 3/20/26 for a fall calf. Jan Brady was in a group of heifers the Hearthstone/ Strausbaugh purchased at Tubmill Creek in PA. This four year old cow is in the prime of her life. She will calve this fall. She weaned off a stout, stylish bull calf this past fall, which is in the show string for 2026. Buy with confidence. Highly productive.

AI'd to W/C Righteous 2302K (ASA# 4122781) on 7/14/25.  
 Confirmed safe to AI date, due 4/25/26.

After the strong interest in the bred female we offered last year, we felt it was the right time to bring another high-quality female from the heart of our program. JCCO Miss Daisy 403M is sired by WHF/JS/CCS Woodford J001, making her a direct granddaughter of the influential WHF Summer 365C. On the bottom side, she's backed by a powerful SimAngus female built by the champion himself, SC Pay The Price C11. It's a pedigree built on cow families we trust and genetics we believe in. Miss Daisy is the kind of female that checks every box—long-spined, bold-ribbed, and square-built, with the kind of front end that gives her a striking presence. She balances that phenotype with a strong data profile, highlighted by a 130 API. She's bred to W/C Righteous, the \$32,000 Right Now son from the 2022 Werning Sale, and we're genuinely excited about the potential of this mating. The combination of proven cow families, balanced numbers, and structural quality makes this one worth a close look. Opportunities to acquire females with this blend of pedigree, phenotype, and genetic value don't come around often. Study her before sale day.

**Sells open and ready to flush. Selling full possession and half interest in this donor. CLAC ANNA MARIE 437E, known as Annie. If you want to talk about proven genetics that offer a turnkey opportunity to enhance your operation, then look no farther. She has a proven track record of producing high-selling females. Her daughters by Next Level have sold for \$40K, \$30K, and \$15K. Her SAM daughters have been high sellers that have gone on to compete at the highest level. BCII Annie 01J is her most accomplished progeny, notching wins during the jackpot season as a calf and winning the Owned Show at Eastern Regionals and the Junior Show at Louisville. 01J has now entered production and is producing elite cattle of her own, proving that elite cow families are the backbone of producing cattle that compete at the highest level. We've built up an egg bank on this cow and feel it is time to offer the opportunity to invest in this proven donor. We are offering full possession and half interest in this maternal sister to Boots. She sells open and ready to flush and averages 10 frozen eggs per IVF cycle.**

Selling 3 Reverse Sort Female IVF Embryos by SO REMEDY 7F (ASA# 3419044). Embryos available sale day, stored by Koverman Show Cattle. BCII Annie 01J has proven over the last two years that she is a consistent donor female that produces crowd favorites and high sellers, no matter how you mate her. 01J claimed top honors at the 2022 North American in the Jr show, was Champion of the Owned Show at the AJSA Eastern Regional, and earned several Top Five jackpot finishes. BCII Annie 01J had a popular daughter by Remedy that commanded \$81,000 in the 2024 CampbellCo Cattle Online Sale, which will be full sibs to the embryos selling, and another daughter by Double Down that sold for \$15,000. The 2025 season proved to be another big year for 01J, as her daughter by Weis All Me was admired by many and sold for a staggering \$91,000 in the annual CampbellCo Sale. A Bankroll daughter commanded \$10,500 in the Ohio Beef Expo Sale last year. "Megan" is starting to cement herself as one of the most consistent Donor Cows in the breed. One 90 day pregnancy is guaranteed if implanted by a certified embryo technician within a year of purchase.**

A direct son of the legendary WINC All Right—the \$147,500 Simmental sire whose influence is defined by power, muscle, and elite genotype & phenotype—Bar None 20N is backed by one of Johnson Cattle Co.'s most proven and profitable donor females, HILB Once Upon a Time G27B. This mating was designed with intention, stacking proven genetic power with maternal excellence, and the result is a true outlier for the pedigree. A standout from birth, Bar None 20N is massive in his shape yet athletic in his movement, combining width, muscle, and genuine dimension with the ability to get out and go on a sound, functional structure. He offers the kind of presence and authority that defines a true cattleman's bull—adding shape and power without compromise. Further validating the strength of this genetic combination, Johnson Cattle Co. has retained an up-and-coming full sibling to Bar None 20N to add to their donor battery, underscoring the confidence in this mating and the future it represents. An elite individual that will have cattlemen talking.

If it's not broke, don't fix it. The dam of this impressive herd sire prospect has easily produced some of our favorite replacements and sale topping bulls year in and year out - she simply never misses. Therefore, we couldn't help but go back to one of the most tried and true and influential sires in the Simmental breed when trying to determine how she could continue to one-up herself. He's got the look and power we know and love from Broker and the practicality and functionality we can't get enough of from his dam. Acquisition represents the caliber of livestock we're proud to bring to the Ohio Beef Expo, and we can't wait for you to see him in person!

We are excited to offer our first bull up for sale at the expo this year. Luke comes from the great County O bull and bears a stark resemblance, crossed with our Grace cow that goes back to Winegardeners Rockn Ace cow. A true matriarch in the Chi breed. Luke is stout, big muscled with a sweeping belly and the kind of front end not often found in purebreds. He's already hung a banner of his own and we are excited to see what he produces for your operation.

Whether you study the pedigree or the bull himself, we think he's pretty special. He's out of the great Double Up of JS Simmentals and backed by the Gemstone Tribe at Ferguson Cattle Company. We purchased this bulls dam at The Rare Vintage Sale last fall, and she knocked it out of the park on her first try. She herself was a class winner at Junior Nationals. With an actual birthweight of 72lbs, Allegiance is impressive from every angle. Flexible, big ribbed, dense made, and refined throughout his front third. We can't wait to see the quality he will bring to his future progeny.

This man of a breeding peice is impressive with his overall mass, striking profile, square build, and sound base. A bull that has the growth and performance that any cattlemen can appreciate. One that is attractive in his front one third and carries plenty of base width. Make sure to evaluate this youthful guy as he is the kind that can make calves to be proud of.

*Howie a solid black bull that lines up some really nice calving ease in his well known pedigree. He was the Supreme Champion Bull at the 2025 Portage County Show. His Dam is one of the prettiest cows we have out in the pasture. She is also solid red for those that like the red ones. Style and power is what we think this bull will give to his progeny. Take a good look at sale day. This bull will be a nice one for any breeder to take home.*

An exciting young outcross backed by the best of Sandeen and Werning genetics. His paternal grandam, Sandeen Donna 8302 has made quite the name for herself in both our own and Sandeen Genetic's programs, recently surpassing \$2.5 million in lifetime earnings with notable daughters bringing \$215,000, \$200,000, and \$185,000 respectively. This blaze faced bull has been a favorite around here since weaning and for good reason. 566 combines all of the right kind of dimension, skeletal quality, and look needed to produce sought after sons and daughters. Whether you're making high quality show heifers or producing masculine herd sires, 566 provides the ability to do both when mated to a variety of pedigrees. Actual Birthweight 76lbs

For five decades, our family has placed strong emphasis on improving red genetics through elite cow families, and the S11N bull ties some incredible pieces into one package. The genetic power of breed leading donors like 8543U, Flatout Flirty 46T, Right To Love 015U, Bailey's Ms Dreamy, and Dolly's Queen 609D are just a few that build the foundation for this young sire prospect. S11N is moderate, bold ribbed, deep sided, and functional in his build. Our Volk Backdraft CC F810 cattle have excelled in production, and we expect this son to follow the same path.

*Retaining 1/3 semen interest.* Highland II Headway is a 5/8 Sim Angus bull sired by JBOY Progress 3100L. The dam of Headway is HA II Georgina 224BK, a County O daughter and was successfully shown by Hannah Millikan. 224BK was the Grand Champion Bred and Owned Simmental/Percentage heifer at the 2022 Ohio State Fair junior show as well as Junior calf Champion in the open show. Her full sister was the overall Reserve Grand Champion female at the 2023 Indiana State Fair open show. Headway's maternal sibs have been and are being shown successfully as well as making great mothers. Headway is the natural calf of 224BK and is sure to add dimension, muscle shape, soundness, and power to any purebred or commercial operation.

**Lot 92****Watch the Sale on CCI.live!**

The best, the fastest and most comprehensive marketing & bidding tool!

**How to Bid Online...**

- As a buyer, you DO NOT need to login to watch the sale but you must have a validated account to bid.

To BID ONLINE go to [www.CCI.live](http://www.CCI.live) in your Chrome, Firefox, Safari or other modern browser:

- 1) Click on the sale schedule page.
- 2) Click on the sale of interest.
- 3) Click on Bid Online- Register and then Get Buyer Number

- After you are logged in, you must proceed to the sale page for your auction and click Bid Online - Register, then "Get Buyer Number." Some auctions require valid credit card number on file to obtain a buyer number to bid.

- CCI.live will operate with ease on a modern cellular device, laptop, desktop or tablet.
- A current browser is important and will always make your experience better.

- For successful bidding you must have good Internet service! It is very important to be stationary if bidding. If you are driving and bidding, expect to have some service issues. If you are stationary on a good device, with healthy Internet, expect a very successful bidding environment. If you have slow Internet watch the "asking price" on the screen, it is real time, and refresh your browser if you feel like you have some lag.

- Support line open during all sales. TEXT 405-400-9505 - Please alert the ranch for your hauling preferences.

# Upcoming Simmental Sales

*Ohio Simmental Association sponsored  
sale opportunities for OSA members.*

**OJSA Fundraising Online Sale • March 10, 2026 • [sconlinesales.com](http://sconlinesales.com)**

**Spring Online Sale • April 7, 2026 • [dponlinesales.com](http://dponlinesales.com)**

**Fall Fiesta Online Sale • October 2026 • [dponlinesales.com](http://dponlinesales.com)**

## **JUNIOR SALE CREDIT GIVEAWAY AT THE OHIO BEEF EXPO**

The Ohio Simmental Association board will hold a drawing at the Ohio Beef Expo to win a \$250 credit towards a heifer at the 2026 sale. After getting your buyers number visit the OSA display table and sign-up to enter. If you are unable to attend the sale and will be purchasing online or through a consultant, you must contact one of the sale representatives to have your name entered in the drawing.

Giveaway Details:

- Two - \$250 winners will be drawn
- Heifer must be transferred to a junior and transfer info must be given at check out to receive credit (from any state).
- Only good on the purchase of a female. (Anything eligible for AJSA Junior Nationals)
- Winners will be drawn at the beginning of the sale (need not be present to win).

## **OHIO JUNIOR SIMMENTAL ASSOCIATION MEMORIAL DAY CLASSIC INCENTIVE PROGRAM**

The Ohio Simmental Association board would like to encourage participation in the annual OJSA Memorial Day Classic.

Any junior purchasing a female at the 2026 Ohio Beef Expo Simmental Sale who exhibits the same female at the 2026 Memorial Day Classic Show will be eligible for a cash award.

The highest placing Purebred and Percentage heifers that were purchased from the 2026 Ohio Beef Expo will each receive a \$100 cash prize from the OSA.

If you have questions about either program please contact Pam Haley – 330.353.6072 or any of the OSA board members.

*Cash for Juniors!*
