The background of the entire page is a scenic landscape of a mountainous region. In the foreground, a herd of black Angus cattle is grazing on a hillside covered with sparse green and brown vegetation. The middle ground shows rolling hills and valleys, some with denser evergreen forests. The sky is filled with soft, grey clouds, suggesting an overcast day. The overall tone is natural and rugged.

LEADORE

Angus Ranch

Thursday March 12th, 2026
Dillon Livestock - Dillon, MT

Selling 200 PAP tested Yearling Bulls
Bulls raised at 6,000 - 9,000 ft of Elevation

WELCOME

Welcome, and thank you for your interest in our bull sale.

We sincerely appreciate you taking the time to review this year's offering. Whether you are a long-time customer or considering our program for the first time, we value the opportunity to earn your business and your trust.

The bulls presented in this catalog represent years of careful planning, selection, and commitment to producing cattle that are sound, functional, and built to perform in real-world conditions. Our breeding philosophy has always focused on fertility, structural integrity, disposition, and maternal performance traits that we believe contribute directly to long-term profitability and sustainability in your operation.

We stand behind every bull we sell and are confident they will go to work and add value to your herd. If you have questions about the cattle, pedigrees, or performance data, please don't hesitate to contact us. We welcome the opportunity to visit with you and help in any way we can.

Thank you again for your interest and support. We look forward to seeing you on sale day and to visiting with you then.

Sincerely,

Leadore Angus

Friday March 6th, 2026 - 1pm

Kristine Tyler – 406-360-2431

AUCTIONEER:

Emily Kroul

MANAGEMENT PROGRAM

Our program is built around running cows that are truly working cows. We focus on females that fit our environment and earn their place by doing their job year after year. Our registered cows run just like commercial cattle, on BLM and USFS rangeland. Fertility is a priority, because a cow's first responsibility is to conceive and raise a calf on schedule. We place strong emphasis on disposition. Cattle that are quiet and easy to handle are safer, more efficient, and less stressful to manage. Structural soundness matters. We pay close attention to feet and leg structure to ensure longevity and mobility, allowing cows to travel, graze, and remain productive as they age. Udder quality is critical; we select for clean udders with properly sized teats to support calf health and ease of management. Cows that fail to meet these standards are culled. The result is a functional, dependable cow herd that works for us—and is designed to work for you.

GENETIC PLAN

Our focus at Leadore Angus is to develop cattle that are the Cowboy Kind. Our cows run in dry, rough country and if they don't hold up and perform in those conditions, they go down the road. Since 1941, we have built our program around strong maternal traits, calving ease and growth. We want more, heavier calves walking on the truck in the fall. We select bulls that we feel have these qualities and the pedigrees to back it up.

BREEDING GUARANTEE

50% Coverage of Purchase Price for 60-Day Breeding Season
All bulls selling \$3,000 or more will be given 50% of the value of the injured bull, minus any salvage value, IN A FUTURE SALE OR TOWARD A REPLACEMENT BULL IF ONE IS AVAILABLE. All injured bulls must be diagnosed by a veterinarian. Please contact us as soon as possible should an injury occur and prior to the injured bull being sold for salvage. Those injuries include broken penis (ruptured penis), broken legs, stifle and disposition. Leadore Angus does not cover cuts, illness and items out of our control. All claims must be made by September 1, 2026. This does not include death, mismanagement or neglect. Nor does it include injuries that occurred prior to breeding season if your bull is turned out with other bulls.
A copy of the sales receipt must be received by Leadore Angus to receive proper credit.

BREEDING SOUNDNESS EXAM

Lemhi Large Animal, Todd Tibbits, will examine each bull prior to the sale. Any bull not meeting the Society for Theriogenology standards will be culled. A copy of the Breeding Soundness exam will accompany the registration papers on each bull.

HEALTH PROGRAM

Our health program is aimed at prevention. We vaccinate at branding with 8-way Clostridium and modified live IBR-BVD-PI3-BRSV. We give the same vaccinations plus Pasturella a couple of weeks prior to weaning. The heifers get Bangs vaccinated after weaning. About a month before breeding, the yearling heifers get another shot of IBR-BVD-PI3-BRSV. On the day the bulls are examined for breeding soundness, they get 8-way Clostridium and IBR-BVD-PI3-BRSV. We also give a wart vaccine to the bulls to reduce the number of penile warts. This herd has been on a modified live BVD vaccination program for many years, that it is pointless to test for persistently infected BVD individuals. We tested a couple of times and have never found even one in the herd.

PATHFINDER COWS

Pathfinder Cows are the cows in the herd that always calve on time and raise a calf at least 5% heavier than the herd average. A cow has to raise three calves to qualify. Since this program started, we have bred more Pathfinder Cows and proven more Pathfinder Sires than any breeder in Idaho. In the Angus breed, less than 1% of cows are Pathfinders. In these herds, about 10% are Pathfinders. All Pathfinders will be marked with the pound (#) sign in their pedigrees in this sale book. You can be sure that if a bull makes it to the sale he is fertile, healthy, functionally sound, and his performance data and EPDs are as accurate as we can make them.

BULL DELIVERY

Leadore Sale only: Bulls are delivered free of charge within the state of Idaho and adjoining states. Bulls picked up on day of sale will receive \$100 credit towards day of sale invoice.

Dillon, MT sale: Bulls must be picked up from Saleyard within 48 hours of sale.

Watch the Sale on CCI.live!

The best, the fastest and most comprehensive marketing & bidding tool!

How to Bid Online...

- As a buyer, you do not need an account or to login to watch the sale but you must have a validated account to bid.
- After you are logged in, you must proceed to the sale page for any and every auction and click **"Get Buyer Number."** Some auctions require a pass-code to obtain a buyer number even after you are approved by CCI.live. Pass codes generally come from the sale manager or ranch for that particular sale.
- CCI.live will operate with ease on a **cellular device, laptop, desktop or tablet.**
- A **modern or current browser** is important and will make your experience better. You do not need to install the app on cellular devices to watch a sale. CCI.live is a browser-based application meaning it will play on most new browsers, but you can also download the CCI.live app at the Apple App Store or through Google Play.
- **For successful bidding you must have good Internet service!** It is very important to be stationary. If you are driving and bidding, expect to have some service issues. If you are stationary on a good device, with healthy Internet, expect a very successful bidding environment. If you have slow Internet watch the "asking price" on the screen - it is real time and refresh your browser if you feel like you have some lag.
- Support line open during all sales. **405-400-9505** - Please contact the ranches for invoices and trucking.

Viewed around the world!

Dillon, MT 03/12/2026

A herd of black Angus cattle is grazing in a field of tall, golden-brown grass. In the background, there are rolling hills and a range of dark, rugged mountains under a blue sky with some light clouds. The overall scene is a rural, agricultural landscape.

Thank you

**TO ALL OF OUR PAST AND
PRESENT BUYERS.**
