## COMMENTS BY THE SALE MANAGER

### The 70th Annual Kentucky Angus Sweepstakes Show & Sale:

On behalf of the American Angus Hall of Fame, we are excited to invite you to join us in celebrating the 70th Anniversary of the Kentucky Angus Sweepstakes Show & Sale. The event will take place at 12:00 PM (Noon) on March 7, 2026, at the Kentucky Exposition Center in Louisville, Kentucky. Additionally, we will be celebrating the 40th Anniversary of the Kentucky Farm Beef Expo. With so many significant milestones to acknowledge, it is an honor for us to serve as the sale managers for the Kentucky Angus Sweepstakes Show & Sale in 2026.

The Kentucky Angus Sweepstakes Show and Sale is the most prestigious and longest-running Angus consignment sale in Kentucky. Over the past 70 years, countless Angus females and bull genetics have been purchased at the Sweepstakes Sale, significantly enhancing the value and performance of numerous seedstock operations nationwide. The Kentucky Angus Sweepstakes Show and Sale has become a vital platform for Angus breeders to showcase and market their genetics while promoting the Angus breed.

As you review the sale book and evaluate the sale offerings, we are confident you will be impressed by the quality of genetics in the females and bulls consigned by dedicated breeders. Whether you are looking for a herd bull, a replacement foundation breeding female, or a future champion show heifer prospect, there is something for everyone in this sale. The quality of the Angus genetics available is exceptional, and you won't be disappointed!

Times have never been more exciting for the cattle business than they are today! We see this as a great opportunity to expand your Angus seedstock operation. We are honored to be part of such a prestigious Angus showcase event and to celebrate 70 years of the Kentucky Angus Sweepstakes Show and Sale.

If you need assistance with selecting potential purchases, please don't hesitate to reach out to any of us at the American Angus Hall of Fame. We look forward to seeing you in Louisville on Friday and Saturday, March 6th and 7th.

As always, the American Angus Hall of Fame is here to serve you!

- This is a cool combination of two of the most popular and proven cow families in the Angus breed.
- She is long fronted, smooth in her lines, and extremely attractive from the side.
- Her dam is 13 years old, flushes exceptionally well, and bred up early to her AI date this fall to calve nearly 40 days earlier than this year.
- This one has the look to make a nice show heifer, and the pedigree to make a productive female for many years to come.

- A daughter of PVF Blacklist 7077, which also stems all the way back to SAV Net Worth 4200.
- One of the most well-renowned and heavily used sires in the Schaff Angus Valley Program from St. Anthony, North Dakota.
- She is a natural calf from the 2021 donor that we are extremely excited about.
- 2025 was an awesome year for our customers, and this heifer has the look and presence to blaze her own trail to the backdrops.
- Up-headed, big-barreled, cool-legged, and good-looking from the side profile, this one offers a world of possibilities.
- I believe this donor will play a big role in our program over the next few years as any.
- Owning the first daughter she has ever produced could prove to be a valuable asset.

- Just a fall-born baby with an extensive pedigree on the top and bottom sides, to ensure brood cow productivity!
- Tracing all the way back to SAV Blackcap May 4136, the world record income-producing cow in the Angus breed from Schaff Angus Valley.
- This also contributes to her being a maternal granddaughter to SAV Raindance 6848, one of the most proven sires bred and raised from the SAV program.
- There is power in the blood on this one!

- SAF Hyalite 5109 is an eye-appealing female with presence, balance, and elite style.
- Her dam, SAF Hyalite 9197, is a powerful, deep-bodied, soft-made female with sound structure.
- 5109 is sired by ELLINGSON PROSPER, the leading sire at GENEX, known for his length of body, depth of side, structural soundness, and impressive look.
- Ellingson Prosper's profile is equally impressive, ranking in the top 4% for WW, top 20% for YW, top 10% for CLAW, top 3% for ANGLE, and top 15% for MARB in the breed.
- SAF Hyalite 5109 pairs phenotype and genotype to make a lasting impact in any program.

- We have raised some really special females in the last couple of years, and we believe this one follows in the footsteps of some of those heifers. Not only does she have that show ring presence, but she has one of the most maternal looks of the Angus breed that we are all trying to raise.
- The granddam to this heifer, Champion Hill Emblynette 8785, was a sale feature at Champion Hill Angus, and is now one of our top donors.
- We have retained multiple sibs for cows in our herd.
- They are pasture favorites for visitors for their beautiful profiles and picture-perfect udders.
- Buy with confidence here.
- Show project for 2 years.

- A big-time show/donor heifer prospect here!
- We really struggled with letting this one go.
- This September heifer has an abundance of style and tremendous structure.
- She has plenty of rib shape and eye appeal.
- This heifer is very good fronted and highly maternal in her appearance.
- She has huge feet and legs, while being as sound as you can make one.
- She is sired by one of the hottest bulls in the breed, SAV RAINFALL 6846.
- This heifer's dam is a Classen out of the famous Georgina cow family.
- This heifer will definitely be a great show prospect for two years, then will make a wonderful cow.
- Bid with confidence!
- We are retaining one-half embryo interest.

- A daughter of KR Casino 6243 traces back to the Phyllis donor cow, which originated in the Champion Hill Angus organization.
- This donor cow was one of the strongest female foundations that Paul Hill and Marshall Reynolds ever raised in their entire years of operation.
- This female is no exception to that same quality of reputation!
- Her mother, BCR Phyllis 092J, is a multiple-time winning champion female from Fort Worth all the way to Louisville.
- This is a special gem with show-ring potential and brood-cow productivity written all over her.
- The production opportunities are endless in this female.
- She can definitely make someone a lot of money down the road over the years of her production!

*Thank you for attending the sale!*

Dear Friends,

Welcome to the 40th Annual Kentucky Farm Bureau Beef Expo! As the largest beef cattle state east of the Mississippi River, Kentucky is blessed to have this event as a staple on our agriculture calendar each year.

Every year at the Beef Expo, Kentucky cattle producers show and sell some of the best cattle in the country to buyers looking to upgrade their genetics or take home a show project. This event is truly the place to be for the beef industry on the first weekend of March.

Over the years, we've seen ups and downs in the beef cattle industry. But 2025 saw a rebounding of the market. Cattle prices were up more than 25 percent for much of the year offsetting the fact that there were fewer animals on the market. Cattle and calves brought in more than \$1.5 billion in cash receipts, making it one of Kentucky's top commodities

The cattle industry's strong showing for 2025 helped contribute to the overall agricultural sales for the state, which economists at the University of Kentucky anticipate will be near the \$8.3 billion record mark.

These numbers show how important agriculture is to the state of Kentucky and cattle producers are a large reason for that. The nearly one million head of beef cattle in the Commonwealth and the more than 31,000 farms with beef cattle, solidifies cattle among Kentucky's top commodities.

As a cattle farmer myself, I know firsthand the hard work that goes into the beef industry from bottle-feeding calves to fighting the weather. It is that experience that forms my deep appreciation for the farmers across Kentucky who make this their passion year after year. Without their continued efforts Kentucky would not have the great agricultural community that makes it stand out amongst other states. Farming is integral for our state and cattle farmers are a large part of the equation.

Lastly, a lot of work goes into making this event possible every year. As always, I wish to thank Kentucky Venues CEO David Beck and his team for the many hours that went into hosting this event.

Again, welcome, and best wishes on an enjoyable and successful Kentucky Farm Bureau Beef Expo. If my staff or I can be of service to you, please don't hesitate to ask.

Sincerely,

Jonathan Shell  
Commissioner of Agriculture  
Commonwealth of Kentucky

Welcome to the 2026 Kentucky Farm Bureau Beef Expo

Cattle have historically been an important part of Kentucky's agriculture industry for generations dating back to its earliest settlers. Through the years, our farm families have seen the sector grow from one used mainly for sustenance in the beginning to one with a substantial economic impact as the state has become the largest beef cattle producer east of the Mississippi.

This growth can be attributed to the hard work of our cattle producers, to incredible investments made in this and other agriculture sectors thanks to the Kentucky Agricultural Development Fund, and to years of continual research by our universities across the state.

Working in conjunction with the Kentucky Department of Agriculture, and with continual support by valued sponsors, the Kentucky Farm Bureau (KFB) Beef Expo has become a staple in Kentucky's storied cattle industry as one of the top events to exhibit, sell, and buy the best cattle in the region.

Dating back to 1947 the KFB Beef Expo has brought producers from the surrounding area together to showcase their cattle and highlight an industry so important to farm families across the commonwealth with multiple breeds showcased during the three-day event.

It takes many dedicated workers and volunteers to make this annual event held at Kentucky Fair and Expo Center run smoothly and I can't thank each one enough.

I would also like to acknowledge the many young people who participate each year and point out that often they represent past generations of their families who have made the Beef Expo a part of their farming experience.

I hope you have a successful Expo and we look forward to a great year on the farm.

Sincerely,

Eddie Melton, President  
Kentucky Farm Bureau

Dear Angus Friends,

I am delighted to welcome you to the 70th Annual Kentucky Angus Sweepstakes Show and Sale. This 2026 event will be held at the Kentucky Fair and Expo Center in Louisville, Kentucky. You will find a mixture of genetics and future breeding tools for your herd. Plan to come to the Show, Friday, March 6, and the Sale, Saturday, March 7.

Ask our American Angus Hall of Fame Sale Management team, or our Board of Directors /Sale Committee members for more details. Directors are Neal Branscum, Eddie Burks, Adam Chungalo, Brian Jackson, Larry Jagers, Josh Jasper, Leslie Jeffries, Danny Lynn, Jim Shaw, Charles Toll, Amy White and Wes Womack. Our sincere appreciation to Wes and Jessica Womack, sale chairs, for coordinating this 70th Sweepstakes. Thank you to each of the consignors for offering cattle to you at this year's event.

We look forward to seeing you at the 70th Kentucky Angus Sweepstakes.

The Angus calendar of events is also highlighted by the National Jr. Angus show in July and the American Angus Assn. Annual Meeting in November in Louisville. Thank you for your Angus Enthusiasm!

Sincerely,

Anne Patton Schubert
