

Female Production Sale

Friday • **MARCH 20, 2026** • Noon

PLEASE JOIN US IN GLOSTER, LA!

Welcome Angus Friends

Welcome Angus Friends,

On behalf of all of us here at Dixie Farms Angus, we're pleased to invite you to join us Friday, March 20, for our Second Annual Female Production Sale. We are so grateful and humbled for the support and encouragement of all who made last year's Inaugural Female Production Sale a resounding success.

We're excited about the cattle and genetic opportunities in this year's offering and firmly believe the long-term value of cattle that possess the combination of performance, phenotype and balanced EPD's will stand the test of time. Our goal is to make available our very best cattle for sale and customer service after the sale that will exceed the expectations of our buyers and the Angus Industry.

We look forward to seeing you Friday, March 20 at the farm in Gloster, Louisiana. If you have any questions, or would like to visit us before the sale, please don't hesitate to call Kenneth Altom or myself.

Sincerely,

Bob Burford

Welcome Angus Breeders,

The Second Annual Dixie Farms Sale will again feature an outstanding set of females. This herd continues to make huge advancements and it is impressive to see what is being offered in 2026. The spring of the year in Louisiana is a great time to visit; a beautiful new facility and great cattle will be on display and we hope you can join us March 20th in Gloster, Louisiana.

Dixie Lucy 5505, the Lot 1 female is big time. Sired by Baldrige Heat Seeker H925 with a \$C at \$441 makes her truly unique. Her phenotypic makeup is excellent and one half interest sells. Lot 2 is a powerful individual. Dixie Rita L144, sired by Poss Winchester is in the top one percent for weaning weight at +111 and yearling weight at +190. The growth and carcass traits this heifer has will also make her a great donor prospect and one half interest is being offered. This sale features donors, spring pairs, bred heifers and open females, giving buyers a great cross section of the Dixie program.

Owner Bob Burford and his family are great people. Bob is committed to the Angus business. His vision of this program has become something special with cattle that have had great success within the industry. Building for many years to get to this level is impressive, and you won't find a better family to do business with. Manger Kenneth Altom has done an outstanding job. His knowledge in the business has allowed this program to grow and it is always a pleasure of ours to work with him and his crew.

We haven't seen the cattle business have this much success in a long time. Sales at places like Dixie Farms can give breeders an opportunity to make improvements in their programs and this second sale is stacked with those kind of cattle. They have bred and added donors that meet the demands of the industry so buy with confidence in this operation.

It's has been a true pleasure of ours to work with Bob, Kenneth and all of their crew as they have built this program. If you have any questions about the offering, please feel free to contact any of us at Cotton and Associates, we would be glad to hear from you.

Thank You for Joining Us!
