# BANG *for you* BUCK

*Bucking Heifer Sale*

MARCH 13, 2026 | ABILENE, TX

# Welcome

Welcome to the 5th Annual Bang for Your Buck Bucking Heifer Sale. This year marks five years since we started bucking our heifers. We noticed a shift in our industry all those years ago and felt that there would be a strong market for high end, competitive, and well bred bucking heifers. The past four years of sales have gotten better with each offering and we feel that this year's offerings are continuing that trend. In 2024 our sale heifers raked in over \$160,000 in ABBI winnings with BS 86M Jessie's Girl purchased by Jeffery Begay, also winning the title of 2025 ABBI Yearling Reserve World Champion! This year's sale will follow suit with previous year's and have a \$10,000 added sale incentive futurity the day following the sale! This incentive futurity allows our buyers a chance to pay for their investment the very next day. We pride ourselves in offering quality females that can compete and go on to make an impact for years to come in the breeding pasture. We would like to extend a special thank you to all of our buyers past and present and everyone that has a part in our sales each year.

Thank you,  
Brandon, Kenzie & Tilden

## Sale Day Contacts

Brandon Stewart (254) 592-1246  
Kenzie Stewart (541) 786-8763

## Sale Location

Expo Center of Taylor County  
1700 Hwy 36 Abilene, TX 79602

# Sale Terms

---

- Incentive Entry Fee: \$1,000.00 (100% Payback)
- View and bid online at [www.cci.live](http://www.cci.live)
- Incentive Entry Fee to be paid prior to Incentive Futurity, Incentive Entry Fee is to be paid to Brandon or Kenzie Stewart.
- Entering incentive futurity is not mandatory.
- Insurance can be purchased at time of sale and prior to Incentive Futurity. Insurance coverage will be effective immediately.
- All buyers must register prior to bidding.
- Each buyer will be issued a buyer's number. Supplement sheets and sale order sheets will be available on sale day, All announcements sale day override catalog information.
- All heifers are sold as is where is with no guarantees unless otherwise noted.
- All sale heifers have had their bangs vaccination.
- Health certificates will be available for cattle traveling out of state.
- All heifers participating in the incentive are to be paid for in full and incentive entry fees paid prior to the incentive event.
- BS Cattle Company is not responsible for any accidents.

## Half Interest Terms

- 2026 B4YB Half Interest lots are: Lot 1, Lot 2, Lot 4, Lot 21, Lot 31, and Lot 33.
- All half interest buyers will sign a buy/sell half interest agreement.
- The buy/sell half interest agreement can be sent to potential buyers by request prior to the sale. Contact Brandon Stewart with any questions.
- Half interest heifers will be sold on a buy/sell agreement. This agreement means that the purchaser is agreeing to enter into a partnership with a pre determined end date. All half interest heifers will be sold and the partnership will dissolve at the B4YB Bucking Heifer Sale the year following the end of their competition career. All net sale proceeds will be split equally between both parties.
- Half interest buyer will pay all event entry fees. In return BS Cattle Company will remain in possession of the heifer and will cover all feed, training, and hauling costs.
- Any event winnings will be split 50/50 between both buyer and BS Cattle Company.
- Insurance is not required as a half interest partner, but it is highly recommended.

# Special Offerings

These heifers are half interest heifers that were sold in our 2025 Bang for Your Buck Bucking Heifer Sale. All of our half interest heifer partnerships are to be dissolved the following year and that is why these heifer's are consigned. These heifer's are bred extremely well with industry leading genetics top and bottom, they've proved themselves as bucking heifers with almost \$40,000 in LTE between them. They are now two years old and are selling OPEN and ready to breed to the bull of your choice. Buy with confidence, these heifers are bred well and have the performance to go with it, they're the kind to shape your program around.

D-17 Suns Up

BS 784

BSDK M62 is the type of female that you can take and build a program around. This silver, star headed heifer is built like a dream and she had the perfect disposition as a competitor all season long. As a competition heifer she had a career high marking of 91.10 points and cashed 11 different checks to rack up over \$19,000 in ABBI earnings! M62's genetics speak for themselves. Her sire, 612 Ridin Solo is a 2X PBR Bucking Bull of the Year, an ABBI Futurity World Champion, and a multi time PBR Finals and NFR bucking bull! Ridin Solo's dam is also a daughter of ABBI Classic World Champion 10-5 Crosswired! Ridin Solo as a sire has sired numerous money earners and has offspring LTE of over \$351,000! 87J Voodoo Woman is also a superstar! Voodoo Woman was the 2022 ABBI Yearling World Champion with over \$70,000 in ABBI LTE and ten 90+ point markings! Voodoo Woman is sired by Voodoo Warrior, a money winning son of J75 Bubba back out of a daughter of 3X PBR BBOTY Bushwacker! Voodoo Woman's dam is a daughter of futurity star D-17 Suns Up who is by PRCA BBOTY Shepherd Hills Tested! There are more world titles stacked in this special heifer's pedigree than just about any other pedigree out there! She is selling open and ready to breed to the bull of your choice! The opportunities with this female are endless, her dam flushes well and her granddam flushes well. If history repeats itself, this heifer should do the same!

77M One Hot Toddy was a great one for us this past competition season! She racked in over \$19,000 in ABBI LTE and had a career high score of 92.00 points! One Hot Toddy embodies everything we look for in a brood cow. Her competition statistics speak for themselves and her pedigree is stacked full of the best cow families I think this industry has to offer. Her sire, 821F Maker's Mark has offspring earnings of over \$258,000 with only 62 registered offspring and he himself was an ABBI money winner! Maker's Mark's pedigree is special, he is sired by \$1.6M sire 29A Magic Maker, a son of ABBI World Champion and PRCA BBOTY 20U Shepherd Hills Tested and back out of a daughter of 2X ABBI World Champion S5 Stray Kitty. Maker's Mark's dam is a daughter of \$100,000 winner 6A Test Fire, also a son of Shepherd Hills Tested and out of Page 016, a FULL SISTER to ABBI World Champion Crosswired! The dam side of that Test Fire female is none other than Page 201-170, the dam to: 53 Surefire, 61W Fire Show, 33S Crosswalk, 133X High Tensile, and more. One Hot Toddy's dam, Page H79 is sired by 61W Fire Show, a \$1M+ sire that is by the legendary Showtime and out of the Page 201-170 female mentioned above, a double shot of 201-170 is worth making note of! Beyond that, there is a shot of 329 Houdini through the Page T24 female as well, Page T24 is the granddam to ABBI World Champion 705E Manaba and super sire 95A All Aboard! These genetics speak for themselves and theres \$19,000 worth of money tied directly to this female's name through her own earnings. I have a really good feeling that her offspring LTE will extend far beyond what she herself was able to win!

BS 685

Ace 291

BS 91M is a fancy looking heifer with a pedigree to match! BS 91M is sired by the high selling breed bull in the recent D&H Breed Bull Sale, 77G Nervous Nate. Nervous Nate was a superstar futurity bull with multiple 90+ point markings and \$50,000 in ABBI LTE. His genetics are highly sought after as he is a son of the great 05C Lolly Pop who was a money winner of \$275,000! Lolly Pop genetics are a rarity, but the little bit of it that is out there... has changed the game. Nervous Nate's dam side is equally as special, going back to the superstar buck and sire, 86Y Finger Roll as well as Z26 Fire Hazard, who is a full brother to ABBI World Champion Crosswired. Nervous Nate not only has a phenomenal pedigree and a bucking resume behind him, he has also proven his worth as a sire with numerous 90+ point offspring and over \$135,000 in offspring LTE! The dam to BS 91M is a big stand up Flyin Train daughter. This Nervous Nate X Flyin Train cross turned out the way we had hoped in terms of her stature, this heifer is leggy for a Nervous Nate and that comes from the maternal side here. BS 93H is a paternal sister to ABBI World Champion and current futurity world record holder, 922 Flyin Wired as well as PRCA BBOTY R62 Smokestack, American Heritage Champion 918 Down Payment, and more! BS 93H's dam is a daughter of the great sire, 602 Wild Child, this makes the 93H female a 3/4 sister to American Heritage Champion and multi time PBR Finals bull 918 Down Payment. This heifer bucked hard early on, we have some great video of her, but we never got her to show her full potential when she was entered. Watch her buck, and focus on her confirmation and her pedigree, this heifer will fit right into anyone's herd!

This heifer embodies every trait we look for in a replacement heifer and a bucking heifer. She is built extremely well and has a great temperament. Her biggest characteristic in her bucking ability is how easy it is for her to break loose of the ground and really leap, something bred into her from both sides! Genetically speaking, this is the best that we have to offer, her sire is 922 Flyin Wired, the 2023 ABBI Classic World Champion, and her dam is the dam to 2022 ABBI Yearling World Champion 87J Voodoo Woman. This heifer is the total package!

What a cool cross here! Rip was a slight outcross that we were super excited to introduce into our program. Rip was an ABBI Youth Futurity Champion and a multi time PBR Finals bucking bull. He is a cross between a great Canadian breeding program and Magic Maker. His genetics added the intensity and that little bit extra we were hoping. The maternal side of this heifer goes back to a full sister to multi time PBRF bull 604 Coriolis Effect! BABS 85N has really come on as of late, she's got the float and leap that will treat her well in catching the eyes of the judges.

I'm pretty sure you won't find another one that kicks this hard! 82N is sired by the great 008 Rip from Hart Cattle and her dam is 64-K, a past B4YB Incentive Winner that was marked 90+ in her career. Genetically speaking this heifer has a little of it all, and it came together in a big way here. This heifer is still figuring out how to kick this hard and keep her momentum going in the same direction. She's not far from being right where I want her and I think she's got every tool to be a competitor just like her mom was. The tools are all here and the pedigree is backed with superstars left and right.

This heifer has turning on her mind every single time the gate cracks open. The MW 12 female here is a proven producer, she is a daughter of Turbo and out of a daughter of ABBI World Champion 41/5 Deja Blu. MW 12 is the dam to ABBI Youth World Champion 949 Smooth Whiskey!

This heifer is stand up and special in every way. She's got a lot of size to her for a 17-3 and she kicks hard and does it with some authority. The 17-3 offspring have collectively won over \$165,000 and we think this heifer is going to add to that number. The 603/d female is double bred Page 201-170 with the great Page 062X female thrown in the mix. Page 201-170 shows up in this heifer's pedigree three times in the form of three of her superstar sons, Surefire, High Tensile, and Fire Show!

Full sisters are fun to stumble across when bucking heifers! This heifer is a full sister to a past sale sleeper, 204 Side Chick. Side Chick was purchased by Greg Helton through this exact sale, and a week after the sale she went and posted a 90.40 score to win the event! This heifer is bred well and has the same ability her sister did. MW 560 has a unique style with a lot of suck back around the corner and intensity to follow that up. Don't sleep on her, she has what it takes.

It's always exciting to buck the first set out of any sire, and the first set of the Let's Roll offspring did not disappoint! This dark brown heifer has been fun to watch since the first trip. She's got a great mind on her and she really has a neat bucking style. She can really climb the ladder, rear and drop and she does it with some authority. Her sire Let's Roll was a money winner at every level, a PBR Finals bucking bull and a staple on the UTB truck. BABS 78K is by \$50,000 winner Mad Child, her dam is also the dam to ABBI Money Winner PBR UTB Bucking Bull 27J Yo Mamma!

This has been an exceptional heifer from the start! 74N has been intense and full of gas every time we've opened the gate on her. One notable thing that I see with her is that the further the dummy rides her the harder she kicks and stronger she gets. This heifer is sired by 026 Let's Roll, who is an absolute workhorse on the PBR UTB level, he was marked 91+ with a dummy and was a classic money earner too! This heifer here is a serious contender for everyone to make note of!

**CLICK ON THE PHOTO OF EACH LOT TO VIEW SALE VIDEO**

This is the first set of calves sired by K33 Burn Notice, a Turner Burner son out of the dam to the legendary Bruiser! We sent K33 to the H2 Ranch to go on a set of females and he did not disappoint! This black heifer is a firecracker! She has a big motor and lots of big time moves to go with it. She's the kind that once she does it on the road, she should do it every time. She has a lot of intensity and that will serve her well as the season progresses. I can definitely see this heifer being a world champion contender in the yearling standings this year, she has what it takes to take you to the winner's circle.

Hebert 245

This is a bred up little heifer with a lot of ability and as much upside as any heifer we are offering. Genetically speaking she brings the best of the best to the table from D&H Cattle including their \$1M+ sire 10G Turner Burner, 29A Magic Maker, Page T8 who is the dam to Bruiser, and the legendary Page 255-152 female. Her dam, Hebert A26 is the dam to American Heritage Futurity Champ -625 Good Whiskey, and is out of a sister to Page U83 who is the granddam to 83F Hot Rods, M9 Steel Nasty, J9 Yahoo, and more! When this heifer settles in and puts her trip together a jump closer, we're all going to be playing for second.

This heifer has a unique story. JB Mauney called me looking for a nurse cow to put a little streak faced heifer on since her dam had passed away. When she got big enough to wean I called him and he said shoot, buck her, she's bred really well. To my surprise, she was pretty dang good! She's been right every time and when we moved her over she turned back right there like she'd done it every time. This heifer has plenty of size and her attitude does not reflect that she was raised on a nurse cow!
