HERD HEALTH

All bulls in this offering are virgin bulls and we will arrange for health and shipping anywhere in the United States or Canada.

Bulls have received two rounds of One Shot Ultra 8, BoviShield Gold 5 FP, Fusogard for footrot and have been poured with Dectomax.

GUARANTEE

Each bull selling for \$6,000 or more is backed by a first breeding season loss of use guarantee. First breeding season is defined as 90 days after initial turn out. The bulls have been screened for structural soundness, but injuries and problems do occasionally arise once they go to breeding pastures. If your bull becomes incapacitated, a suitable replacement of equal or greater value will be provided if available or a credit minus salvage value will be furnished which may be used at future Malek Angus Ranch sales. No monetary refunds. This guarantee does not apply to accidental death of the bull.

DELIVERY

Malek Angus Ranch offers **free delivery** to locations in Montana. Delivery cost outside of the state is guaranteed at the lowest possible cost. Please inform us on sale day of your delivery instructions at check out.

If you choose to take your bulls home sale day you will receive a \$100 credit per bull!

TERMS & CONDITIONS

Bulls sell under the suggested terms and conditions of the American Angus Association.

Bid Online
Sale will be broadcast live on **www.CCI.live**
See instructions for viewing on bidding on page 24.

Fellow Cattlemen and Friends,

We had a year that none of us expected. Just days after the gavel fell on the last bull through the ring at our 2025 sale, our lives took a turn that we didn't see coming. Ty left us with a giant hole to fill with grief, heartbreak, and challenges. Nothing could have prepared me for this. Nothing. His loss will be something palpable to me for the rest of my days. But what he started and we built together lives on. The crew and I are proud to carry on Ty's legacy in the best manner possible. And that, of course, includes hosting the 13th annual Malek Angus Ranch Bull Sale. This is the last set of bulls that Ty planned for, hand picked the genetics for, calved out, and was so proud to bring to you - his customers and friends.

Our industry, at long last, is experiencing unprecedented demand. The need for good quality beef is witnessing an all time high and this offering is designed to produce calves that will push down the scales at weaning and ensure added value on the rail. We are excited to present this set of bulls that are bred to be on the leading edge of genetics in the Angus breed and are ranked high among the national average for growth, carcass, and maternal traits. Everything you need to market your own calves and replacements.

We continue to feed the bulls right here at home so rations can be adjusted and they can be observed on a daily basis. We are able to pay close attention to their behavior, health and docility - making sure they are the kind of cattle we would want in our own herd. Our ultimate goal hasn't changed - providing high quality cattle that will efficiently put pounds on the scale each fall while producing and maintaining a productive, maternal cow herd.

Our high standards in producing quality cattle are matched with our customer service. We work hard to stay engrossed in your operations through providing labor, sharing our knowledge, or pointing you in the direction of the right people to grow your own program into a success.

We are grateful for all your past support and welcome any inquiries in this offering. The bulls are here at the ranch, so let us know if you would like to walk through them. So much has changed since Ty sold his very first bull in 1992, but his enthusiasm and commitment for producing top quality cattle lives on.

I personally look forward to seeing all of you on March 19th. Not only to present the set of bulls that we've put together, but to visit, and reminisce about the things that matter. There will be plenty of stories, plenty of talk about cattle, and life will go on - even if it will never quite be the same. If you can't be there in person, the sale along with videos will be up on CCI LIVE. We will start the sale with the national anthem and a prayer at 1PM sharp!

Thank you all from the bottom of my heart, for your support and love for Ty and your continued faith and confidence in Malek Angus Ranch.

Sincerely,

Tami Malek

*Sale book EPDs 2/21/25

Expected Progeny Difference (EPD), is the prediction of how future progeny of each animal are expected to perform relative to the progeny of other animals listed in the database. EPDs are expressed in units of measure for the trait.

PRODUCTION EPDs:

Calving Ease Direct (CED), is expressed as a difference in percentage of unassisted births, with a higher value indicating greater calving ease in first calf heifers. It predicts the average difference in ease with which a sire's calves will be born when he is bred to first-calf heifers.

Birth Weight EPD (BW), expressed in pounds, is a predictor of a sire's ability to transmit birth weight to his progeny compared to that of other sires.

Weaning Weight (WW) & Yearling Weight (YW), expressed in pounds, are predictors of a sire's ability to transmit weaning & yearling growth to his progeny compared to that of other sires.

MATERNAL EPD:

Milk EPD (Milk), is a predictor of a sire's genetic merit for milk and mothering ability as expressed in his daughters compared to daughters of other sires. In other words, it is that part of a calf's weaning weight attributed to milk and mothering ability.

CARCASS EPDs:

Carcass Weight EPD (CW), expressed in pounds is a predictor of the differences in hot carcass weight of a sire's progeny compared to progeny of other sires.

Marbling EPD (Marb), expressed as a fraction of the difference in USDA marbling score of a sire's progeny compared to progeny of other sires.

Ribeye Area EPD (RE), expressed in square inches, is a predictor of the difference in ribeye area of a sire's progeny compared to progeny of other sires.

\$VALUE INDEXES:

Multi-trait selection indexes to assist beef Weaned Calf Value (\$W), is the expected producers by adding simplicity to genetic average difference in future progeny selection decisions. **\$Values are reported** performance for preweaning merit. **\$W in dollars per head**. The \$Value is an estimate of how future progeny of each sire are expected to perform, on average, compared to progeny of other sires in the database if the sires were randomly mated to cows and if calves were exposed to the same environment. **Beef Value (\$B)**, is the expected average difference in future progeny performance for postweaning and carcass value compared to progeny of other sires.

FASTER PROGRESS, GREATER RETURNS

Targeting the Brand™ identifies registered Angus bulls with the genetic potential to sire calves more likely to meet all 10 Certified Angus Beef® brand specifications.

Power, Performance and \$Values!

Lot 1

Promotion flush brothers that combine the elite index values of performance with an incredible Erica Rito dam that is simply a powerhouse. She brings to the table an individual WW EPD of 101 and combines that with impressive fertility and is a docile high performing young cow. These bulls will sire steer calves that are going to weight up in the fall and replacement heifers that will become cows to build a herd on.

Ty would have a lot to say about this bull! Lot 4 compounds the merits of Scotchman with a dam that is out of his favorite Miss Amy cow and his foundation herd sire SydGen Fate.

Showtime!

Lot 5

Lot 5 is a big topped, deep ribbed bull with a ton of shape. He is sired by the \$150,000 half interest top seller of the 2022 Nashville sale, 3/O Mahomes. Showtime has impeccable feet scores and backs it up with a lwa in the top 15% and Angle in the top 1%. He posts 16 EPDs in the top 15% or better. Her brings a very balanced, high performance pedigree.

About the Malek Angus Bulls:

All the bulls in this offering have been fed at the ranch on a high roughage ration with plenty of room to move and exercise. While their genetics and performance are impressive, they are backed from end to end by a phenotypically superior group of bulls.

- **Catalog pictures** were taken late January and mid February.
- Every bull has a clear **freeze brand** for easy identification in the pasture.
- An updated supplement will be available before the sale date.
- Videos of each lot are available to view online at **cci.live**.
- If you are unable to make it to Highwood on sale day, give Tami or any of our listed representatives a call and let them know what you are looking for. We will fill your order and guarantee your satisfaction of the bulls delivered.

The KEY to Herd Success

There is a reason that Keystone is showing up at the top of Seedstock Sale reports! Lots 12 & 13 are flush brothers out of a young donor Ty was really excited about. These potential herd sires are going to produce calves that pound down the scales and will be unmatched in end product data.

Look this bull up! His genomic profile came back too late to be included in his EPDs at press time, so these numbers are his interim EPDs. An exciting bull that will excel in performance, productivity and take it all the way to the rail!

Sires that are ready to work!

Watch the Sale on CCI.live!

*The best, the fastest and most
comprehensive marketing & bidding tool!*

How to Bid Online...

- **As a buyer**, you DO NOT need to login to watch the sale but you must have a validated account to bid.

To BID ONLINE go to www.CCI.live in your Chrome, Firefox, Safari or other modern browser:

- 1) Click on the sale schedule page.
- 2) Click on the sale of interest.
- 3) Click on Bid Online- Register and then Get Buyer Number

- After you are logged in, you must proceed to the sale page for your auction and click Bid Online - Register, then **"Get Buyer Number."** Some auctions require valid credit card number on file to obtain a buyer number to bid.

- CCI.live will operate with ease on a modern **cellular device, laptop, desktop or tablet.**
- A **current browser** is important and will always make your experience better.

- **For successful bidding you must have good Internet service!** It is very important to be stationary if bidding. If you are driving and bidding, expect to have some service issues. If you are stationary on a good device, with healthy Internet, expect a very successful bidding environment. If you have slow Internet watch the "asking price" on the screen, it is real time, and refresh your browser if you feel like you have some lag.

- **Support line open during all sales. TEXT 405-400-9505** - Please alert the ranch for your hauling preferences.

HEMPTANA®

FROM MONTANA FARMS TO MONTANA RANCHES

Montana-grown hemp bedding built for hard-working ranches. Superior absorbency, natural odor control, and sustainability make it the best choice for cattle, horses, and all livestock.

Proudly supporting Malek Angus Ranch and the next generation of champions. Learn more at Hemptana.com
