We would like to take this opportunity to welcome you to the 55th year of Circle G in the Angus business. We did not hold anything back, and this set represents the very top of our leading cow families here at Circle G.

We hope you can find something in this offering that works for you and your program. It's an exciting time to be in the cattle business, but most of all, an exciting time to be in the Angus business. It remains the breed leading the cattle industry.

We hope you can join us at the ranch on Friday, April 3. If you have any questions or would like to view the cattle prior to sale day, please feel free to give me a call anytime.

*On behalf of the entire team at Live Oak Plantation and Circle G Ranches, we welcome you to our 48th Production Sale and to the celebration of 55 years of owning Angus cattle and participating in the American Angus Association. This milestone represents decades of hard work, dedication, and passion for the Angus breed. Calling the journey exciting and rewarding hardly does it justice.*

*During these 55 years, we have certainly made our share of mistakes, yet we've also had a great many things go right. Through it all, one constant has remained: the Angus cow continues to be the superior beef animal. With today's market, she will no doubt continue to lead the pack for years to come.*

*We have been fortunate to work with many outstanding people along the way-far too many to thank individually. As a group, we extend our sincere appreciation to all who have contributed to our program over the years. We especially want to recognize Jason Johns, the current General Manager of Circle G Ranches. Jason and his crew have done an exceptional job moving our program forward, and their dedication shows in every aspect of this year's offering.*

*We are extremely proud of the cattle presented today. We believe you will find a balance of performance, phenotype, and EPDs that will stand the test of time and deliver long-term value to your operation.*

*Thank you very much for taking the time to be part of our celebration and for joining us on this special occasion.*

Welcome Angus Breeders,

The 2026 Female Sale at Circle G Ranches will highlight the more than 55 year vision of this historic program. Jim and Gail Gresham have truly built one of the most recognizable brands in the Angus breed and it is a true pleasure of ours to be working with this great family.

Maintaining a program for this many years takes determination. The cattle bred in this program have had a huge impact throughout our breed. Great females are the start of any program and this year's sale will highlight some of the best ever produced.

The 2026 sale is unique, Lot 1 will feature a tremendous herd bull prospect. Circle G Absolute 5062 is a young son of EWA Captain out of an elite young donor in the program, EPF Rita J115. His presence is impressive. Absolute has the balanced look, backed by a strong cow family and elite EPD package. One-half interest sells. Maternal female sibs also sell, making this lot one of the most unique lots ever at Circle G.

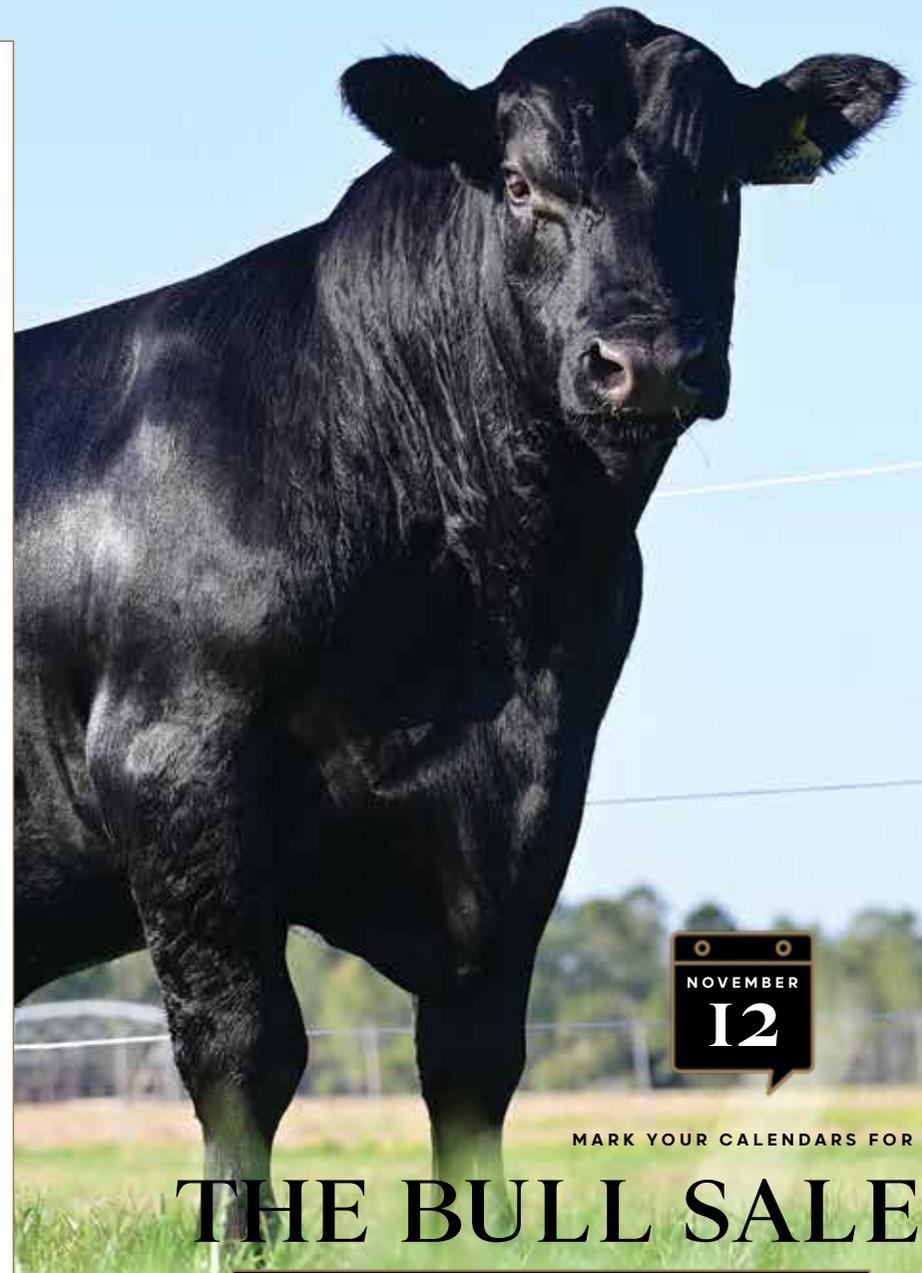

The females are the heart of this sale. Lot 2, Circle G Linda 5025 is a descendent of the great Chair Rock Sure Fire 6095. This BNWZ Nobility 1202 daughter is bred to be elite with tremendous phenotype and numbers. She sells one-half interest. Donor cows, ET females, bred heifers, and cow calf pairs are all going to be sold giving breeders a great opportunity to buy into the Circle G brand.

Jim and Gail Gresham have built an amazing program with many years of dedication. It's their passion that has made this program successful. However, it takes great people behind a program to make it successful and manger Jason Johns has truly done an outstanding job. He is dedicated to making Circle G the best it can be and we have been proud to work with him and his crew for many years.

Being in business for more than 50 years takes a love for the cattle and at Circle G Ranch you will find that. We value our friendship with the Gresham family and we hope you can join us for this year's sale.

If we can be of any assistance, please feel free to reach out to any of us at Cotton and Associates, we would be glad to visit with you. We look forward to seeing you on their new date Friday, April 3, 2026 in Adel Georgia.
