SALE DAY CONFERENCE LINE BIDDING

We encourage you to use the online bidding service, however, if you do not have adequate internet service for bidding you may call the conference line to listen to the auction and place bids. Please call Shad or Kendall at least 1 hour prior to the sale to register to bid and obtain the conference call phone number. The conference call will open 10 minutes prior to the sale and remain open during the entire sale, as long as there are bidders on the call.

LIVESTOCK INSURANCE

All animals become property of the purchaser and will be at purchaser's risk at the time of sale. Insurance will be available should buyer wish to purchase it.

HEALTH

All cattle will have proper health certificates for shipment. If your state requires TB testing, please contact a member of the sale prior to the sale regarding testing.

GUARANTEES

All bulls have passed breeding soundness examinations. All bulls sold herein are guaranteed to be breeders. Replacement, credit, or refunds will be offered by bull seller if bulls are certified by a licensed veterinarian to be sterile. Physical damage incurred by bulls(s) subsequent to the sale are not covered. The cattle sold in the sale are guaranteed to be free of genetic defects as outlined in the Braunvieh Association of America Rules and Regulations. If any animal sold in this sale is found to have a genetic defect, it will be the responsibility of the seller of that animal to satisfy the buyer with a refund or replacement. Buyer must contact seller within 12 months of sale date to implement the guarantee.

- Hetro Black, Homo Polled. Hard to let this second calver go. She is an example of what we are trying to breed for. Ammo calves have been great and really excited to see what the first calf crop looks like out of RCB Sherman L393 (PB108839).
- Bred to RCB Sherman L393 (PB108839), due to calve before sale date.

- True 3 in 1 package. 565N is a paternal sib to the 2023 champion bred and owned heifer at junior nationals. 156J has just done it every year and puts that cool look into them.
- 156J was Al'd to Cab 12453 (GU Record) on 11/17/2025 and pasture exposed to PB110303 for 45 days, Bred 55 days on 1/10/26.

- When our customers talk we listen and this first calf 3 in 1 option proves it. As you all know the second breed back is the hardest. Well MS Ruby 360L did it. Big future for her and her heifer calf who we were planning on keeping.
- Al'd to Cab 12453 (Gu Record) on 11/17/25, pasture exposed to PB110303, Bred 45 days on 1/10/26.
