3 Conventional Embryos- This mating brings together the power of a proven herd bull and the freshness and femininity of a standout female. The donor carries a division title from Louisville and was Reserve Grand Champion at the Ohio Beef Expo. The sire won Reserve Grand Champion in Denver, adding even more strength to this pedigree. A full sibling to this pairing claimed a division title in both Denver and the Miniature Hereford Junior Nationals, proving the consistency and quality behind this cross. Backed by solid, time-tested Miniature Hereford genetics that work in the field and in competition, this offering has the potential to elevate any program focused on consistency, quality, and long-term progress. Take a look at the pedigrees and follow the lineage back to the foundations of the breed. You'll see why this is a rare opportunity to invest in genetics with true depth.
