**SELLING 115 PERFORMANCE FEMALES**

# Welcome

On behalf of the entire Gabriel Ranch team, we invite you to join us at the ranch for our Annual Production Sale on March 28, 2026. We are truly excited about this year's offering and proud to present a group of cattle that reflects the heart of our program. When you evaluate the genetics, phenotype, and EPDs, we believe you will agree this set is second to none.

At Gabriel Ranch, we have always strived to build a breeding program that represents the difference between good and GREAT! Our commitment to quality, consistency, and long-term progress continues to guide every decision we make.

We are especially proud to highlight Lot 1: Gabriel Turning Point, a son out of what we consider the greatest two-year-old female in the nation, Gabriel Rita 3523, a second-generation Gabriel-bred female. In addition, you will find outstanding daughters by multiple sires. From top to bottom, we believe this is one of the strongest sets of two-year-olds we have ever assembled.

We are blessed by the friendships we have built in the cattle industry, and we sincerely look forward to welcoming each of you to the ranch.

Thank you for your continued support,

Ron Gabriel

1/2 Interest

Here is your chance to invest in the future, the present and the past. Join Gabriel Ranch in discovering the countless opportunities in Turning Point, a name you will hear on every street corner after this sale. He is the Number 5 \$C True Balance son in the breed out of one of the most productive first calf heifers in the industry, Gabriel Rita 3527, who will be another namesake in the breed after this event. She has already produced a heifer calf selected by Spruce Mountain in the 2025 Stonewall Ridge sale for \$100,000 valuation. This family gets it done on paper and on the hoof. Turning Point exhibits extra dimension down his lower leg, is massive topped, has a huge forearm, and is as sweet necked as you could make one. This dude is going to be fun.
