- **A - MATED TO CONLEY POWER PLAY 4136** - 3 Sexed Female IVF Embryos

- The very **FIRST** opportunity to acquire embryos from Cambria Cook's dominant champion, Conley DT Miss Lucy 3701!
- 3701 was the \$170,000 high selling heifer from the 2024 Conley Cattle Spring Production Sale that is one of the most decorated females to ever carry the Conley prefix. She was the 2024 American Royal Reserve Grand Champion Junior Angus Heifer and the 2024 NAILE Grand Champion Junior Angus Heifer. She concluded her time in Louisville, Kentucky when she was selected as the 5th Overall Junior Breeding Heifer!
- Unrivaled mass, power, substance and dimension are the best ways to describe this elite female. Her uniqueness is certain to enable her ability to generate elite show cattle in the production phase of her life.
- The embryos selling are sired by the incredible Conley Power Play 4136, one of the most unique individuals to EVER carry the Conley prefix. This mating is destined to create truly elite Angus show cattle!
- This is a bid to own scenario, as this may be the first and last opportunity to ever purchase frozen genetics from the sensational Conley DT Miss Lucy 3701!
- **Guaranteeing 1 60-day pregnancy per package of 3 embryos in transferred by a certified embryologist.**

- **A - MATED TO CONLEY POWER PLAY 4136** - 3 Sexed Female IVF Embryos
- **B - MATED TO CONLEY BRISTOW 2317** - 3 Sexed Female IVF Embryos
- **C - MATED TO CONLEY A 1** - 3 Sexed Female IVF Embryos

- Another trio of elite embryo packages from the prolific G&J Erica 914 donor dam. Three daughters of 914 were featured in the 2025 Conley Cattle Fall Production Sale where they commanded an incredible average of \$77,333! Conley Erica 5195 was most recently selected as the 2026 Cattleman's Congress Division II Junior Heifer Calf Champion for Cambria Cook!
- There is no denying the impact of the highest dollar generating cow families that call home to Conley Cattle, however we firmly believe that G&J Erica 914 is quickly securing her spot as one of the premier donors in the program when it comes to producing elite phenotype Angus show cattle. A pair of maternal sisters to the embryos selling commanded \$24,000 and \$16,000 this past March in the Spring Production Sale.
- The Lot 302A embryos are sired by the incredible Conley Power Play 4136, the featured AI sire prospect that will sell as Lot 33 in this year's sale offering. This is a cutting-edge mating that will put any program at the forefront of the industry!
- The Lot 302B embryos are sired by the impressive Conley Bristow 2317, the \$150,000 stud that sired the \$150,000 and \$70,000 high selling heifers in the Conley Cattle Fall Production Sale to Cambria Cook and Helen Orr. This is one of the most proven matings that we are proud to offer from the heart of the donor battery!
- The Lot 302C embryos selling are sired by the \$100,000 Conley A 1, therefore making them full sisters to Conley Erica 5089! 5089 is an incredible show heifer prospect that offers unparalleled skeletal quality and style.
- This mating represents the hottest and freshest genetics from the heart of the Conley Cattle breeding program!
- **Guaranteeing 1 60-day pregnancy per package of 3 embryos in transferred by a certified embryologist.**

- **A - MATED TO CONLEY A 1** - 3 Sexed Female IVF Embryos
- **B - MATED TO CONLEY A 1** - 3 Sexed Female IVF Embryos
- **C - MATED TO WALSH ON THE BRINK** - 3 Sexed Female IVF Embryos
- Dieckmann Lady 1117 is the Conley No Limit daughter that is backed by the iconic Chapman Lady 4128 donor that has produced countless champions and high sellers!
- Dieckmann Lady 1117 was the 2022 NJAS Reserve Champion Junior Yearling Division VI Owned Heifer. She was then selected as the 2022 American Royal Reserve Grand Champion Junior Angus Heifer for the Yocham family. 1117 finished her career as the 2023 Cattlemen's Congress Reserve Champion Junior Yearling Division II Angus Heifer. Dieckmann Lady 1117 is a maternal sister to C-4 Lead Lady 2K, the 2024 OYE Supreme Champion Breeding Heifer that was campaigned by Ty Collum.
- Her many accolades will not go unnoticed, but we firmly believe that she has found her true calling in production. In September of 2024, a daughter sired by the \$150,000 Conley Bristow 2317 commanded a \$90,000 price tag in the Conley Cattle 2024 Fall Production Sale. The embryos selling will result in maternal sibs to the impressive high seller that was campaigned by Remi Gardner this past fall and winter show season.
- The Lot 303A and 303B embryos are sired by Conley A 1. The winning bidder will have the chance to purchase either 3 or 6 IVF reverse sort embryos from the prolific 1117 donor. This mating will result in full sibs to Conley SHHR Lady 5138, the featured Lot 113 heifer in this year's sale. 5138 is also the result of a savvy embryo purchase made by Sam Halverson.
- The Lot 303C embryos will create elite Maine Angus cattle sired by Wash On The Brink.
- 1117 is destined to leave her mark on the business, this is your one-way ticket to success!
- **Guaranteeing 1 60-day pregnancy per package of 3 embryos in transferred by a certified embryologist.**

• **A - MATED TO CONLEY A 1** - 3 Sexed Female IVF Embryos

- The next set of sexed female embryos by the \$100,000 Conley A 1 will result in full sisters to the impressive trio of females that were featured in last year's Fall Production sale.
- The dam of this powerful embryo mating is Conley DS Sandy 0213, a daughter of the \$400,000 Conley Express 7211 that is supported by the 2016-2017 ROV Show Heifer of the Year, Conley Sandy 5104.
- 0213 is a three-quarter sister in blood to Conley Sandy 8510, the 2019 NWSS Reserve Grand Champion Junior Angus Heifer that was shown by Kynlee Dailey. She is a maternal sister to Conley DS Clear Cut 0510, the 2021-2022 ROV Show Bull of the Year.
- 0213 is a very unique built female that is loaded with quality, eye appeal, and unmatched stoutness. The maternal side of her pedigree is saturated with maternal excellence.
- If you're looking for an embryo mating that has the potential to yield your next high seller or individual of influence within your breeding program, then focus your attention here!
- *Guaranteeing 1 60-day pregnancy per package of 3 embryos in transferred by a certified embryologist.*
