

The background of the poster is a vibrant, painterly scene of a field of bluebonnets in bloom. The flowers are in various stages of development, with some showing bright blue petals and others with white or yellow centers. The background is a mix of soft blues, greens, and yellows, suggesting a bright, sunny day. A large, semi-transparent green star is centered in the background, with its points extending towards the top and bottom of the frame. The text is overlaid on this star and the background.

SPRING ANGUS GALA

LIVEONLINE™

WELCOME

On behalf of the breeders in the Spring Angus Gala, we would like to thank you for having an interest in our programs.

There has never been a more exciting time to be in the Angus business. Today's cattle market is seeing some of the highest sale prices ever for cow/calf and purebred producers. Angus bulls and females have been in high demand across the country, with sales hitting records high.

This offering includes ET heifers, bred heifers, open heifers, and cow/calf pairs from the heart of each program. These females have the phenotype and pedigrees that will impact any herd in the breed.

Once again, thank you for taking the time to evaluate our genetics. We invite you to join us on the evening of March 16th on CCI Live for the Spring Angus Gala online sale. If you have any questions, don't hesitate to give us a call.

How to Bid Online...

- **As a buyer**, you do not need an account or to login to watch the sale but you must have a validated account to bid.
 - After you are logged in, you must proceed to the sale page for any and every auction and click **"Get Buyer Number."** Some auctions require a pass-code to obtain a buyer number even after you are approved by CCI.live. Pass codes generally come from the sale manager or ranch for that particular sale.
 - CCI.live will operate with ease on a **cellular device, laptop, desktop or tablet.**
 - A **modern or current browser** is important and will make your experience better. You do not need to install the app on cellular devices to watch a sale. CCI.live is a browser-based application meaning it will play on most new browsers, but you can also download the CCI.live app at the Apple App Store or through Google Play.
 - **For successful bidding you must have good Internet service!** It is very important to be stationary. If you are driving and bidding, expect to have some service issues. If you are stationary on a good device, with healthy Internet, expect a very successful bidding environment. If you have slow Internet watch the "asking price" on the screen - it is real time and refresh your browser if you feel like you have some lag.
- **Support line open during all sales. 405-400-9505** - Please contact the ranches for invoices and trucking.
