

Welcome to Lee Simmental Farms annual online Bull and sale. We appreciate you taking the time to review our offering. The bulls are available for viewing anytime or if you have questions, we would be glad to answer them. All the bulls have been semen tested, vaccinated and poured. Lee Simmental Farms will feed and care for your bull no charge until April 15, 2025. Once the sale is complete, the animal is the property of the new owner and we recommend purchasing insurance for the animal. Lee Simmental Farms will retain 1/3 semen interest on all individuals in the bull sale.
