

Cedar Ridge Angus
and Guests
F E M A L E S A L E

SATURDAY • **APRIL 4, 2026** • NOON

GILES COUNTY AG PARK
PULASKI, TN

Welcome

Angus Friends and Cattlemen,

On behalf of our families, welcome to this year's Cedar Ridge Angus and Guests production sale. Each season in Giles has brought its own set of challenges and encouragements - shifting weather patterns, input costs that never seem to sit still, but the cattle market continues to reward quality and disciplined management. Through it all, we remain grateful for the opportunity to raise Angus cattle and to work alongside customers and friends.

This year's offering is centered on what we believe is the backbone of any successful program: productive, problem-free females. The 48 cataloged lots include spring open heifers ready to breed on your schedule, solid-bred cows with proven earning potential, stout weaned calves that represent the next generation, and a strong set of bred heifers that make up the heart of the sale. These females come from the core of our herds - pedigrees that we believe in that thrive in the conditions that they find themselves in.

Our goal each year is simple: offer cattle that can go to work immediately and add long-term value to your operation, whether you're building from the ground up or tightening the screws on an established cow herd. We believe this set of females represents the most consistent and complete group we've assembled to date.

We are thankful for the Lord's continued blessings and for the trust you place in our program. We invite you to join us on sale day for good cattle, good food, and fellowship. If we can answer questions or help you evaluate the offering, please don't hesitate to reach out.

• Opportunity knocks once again to purchase a direct daughter of our leading donor Powell Erica 8363, who continues to produce offspring that meet the industry demand for numerical excellence and powerful phenotype. A maternal sister to Lots 1A and 1B includes the \$220,000 valued Pollard CRA Erica 0853, who sold to Express Ranches in the 2022 Pollard Farms Sale. Erica 0853 produced a \$50,000 one-half interest daughter by Prolific and a \$32,000 daughter by Statesman in the 2024 Big Event Sale. One month later, three half-sisters from Erica 0853 sold for \$65,000, \$50,000 and \$50,000 in the 2024 Pollard Farms Female Sale. Sons from 0853 sold by Pollard Farms include a \$25,000 two-thirds interest selection of Circle F and JB Farms, a \$21,000 selection of Alta from the 2025 National Angus Bull Sale, and \$18,750 selection of Flag Ranch and Tate Cattle. Erica 0853 also produced CRA Erica 2318, the \$12,000 high-selling female in our 2024 sale going Barnett Angus Ranches in Georgia. A full sister Cedar Ridge Erica 4071 to Lots 1A and 1B headlined our 2025 sale going to Pollard Farms for \$14,000.

• A super-attractive daughter of LAR Man In Black produced by one of the most visually-impressive daughters of Powell Erica 8363. Lot 2 matches the body volume and squareness of her dam Cedar Ridge Erica 2660, who is sired by the popular Select Sires member HPCA Veracious. Like all 8363 descendants, Lot 2 offers breed-leading growth numbers, yet this one is better than breed average for CED EPD. Two maternal sisters to the dam of Lot 2 have averaged \$27,000 through our sale. We think this one is big time!

• **Bred AI on 11/14/25 to FHCC Majority 1551. Pasture exposed from 12/22/25 to 2/16/26 to Cedar Ridge Craftsman 446. Safe AI.**

Friends and Fellow Cattlemen,

On behalf of the Jordan, Wisener and Terrell families it is a pleasure to welcome you to the annual Cedar Ridge Angus & Guests Sale on April 4, 2026, in Pulaski, TN. It is an honor to assist in the marketing of their programs, and I want to thank them for giving me the opportunity.

This sale is stacked with elite Angus genetics from beginning to end. Right out of the gate Cedar Ridge is once again giving you the chance to buy into one of the most prominent cow families in the business, Erica 8363. The winning bidder will have the opportunity to pick between Lot 1A and 1B, both are ET daughters of the famous Erica 8363 donor and sired by the very popular \$600,000 Basin Jameson 1076. Another sale highlight, and possibly my favorite is the Lot 2 female sired by LAR Man In Black and produced by a daughter of 8363.

From there more than 35 fall calving bred heifers will be offered, the majority of which are safe AI due in the fall to some of the breeds top sires including Majority, Cast Iron, Keystone, True Grit, and Republic. A handful of fall pair splits, fall bred cows and spring open heifers will be offered as well. Altogether, it is a young set of cattle with a lot of life left!

This year the sale will be broadcast on CCI.Live. We hope you can make plans to join us, but if you are unable to feel free to contact the sale staff, owners or join us on the internet. As always, if I can be of any assistance feel free to reach out via phone, text or email.

Sincerely,

Mark C. Sims
