THE VALUE OF A SALE GRADUATE

VIEW EXPANDED 2027
PAYOUTS ON PAGES 93-94

More Than a Purchase — It's an Opportunity

When you invest in an Old West Sale Graduate, you're not just purchasing a horse — you're stepping into a system built around opportunity. From exclusive incentives to industry-defining bonuses, sale graduates are positioned to earn, compete, and grow in value long after the sale ring. It's not just about potential — it's about access to one of the most opportunity-driven platforms in the rope horse industry.

GUARANTEED SALE GRADUATE PAYOUTS

Compete. Qualify. Get Paid.

Old West Sale Graduates are eligible for dedicated side pot payouts at every eligible Old West Futurity, creating consistent earning opportunities beyond standard class payouts. Paid five places deep across Heading, Heeling, and Breakaway, these incentives reward qualified horses in the short round and add long-term value to every sale graduate. It's a structure designed to support competitors while increasing the earning potential of each horse.

ROAD TO THE MILLION

The Biggest Incentive in Rope Horse History

Sale Graduates are eligible to compete in Heber City, Utah for their chance to win the \$1,000,000 bonus. This incentive connects Old West events into one high-stakes opportunity, rewarding horses that are prepared to perform when it matters most. Bonus payouts are distributed based on division participation, with details and rules available online. It's a defining opportunity that places sale graduates at the center of the industry's biggest stage.

THE TRIPLE CROWN

Where Greatness Becomes Legacy

The Triple Crown is achieved by winning all three Old West Futurities within a single division — Heading, Heeling, or Breakaway. This accomplishment represents the highest level of consistency and performance across the season, with a \$1,000,000 bonus tied to the achievement. Payout structures and division details vary, with full rules available online. It's more than a title — it's a legacy-defining accomplishment.

MEET THE FACES BEHIND OLD WEST

A&C RACING & ROPING

A&C Racing and Roping, headquartered in Roosevelt, Utah, is one of the most respected multi-discipline breeding and training programs in the western performance world. Founded by Albert and Chad Richard in the 1980s, the operation was built on a simple but powerful belief: great horses begin with elite genetics, consistent hands-on development, and a deep respect for the western way of life.

Over the years, A&C has cultivated a broodmare band that includes daughters of First Down Dash, Corona Cartel, Dual Rey, and other iconic sires—producing horses with speed, heart, and remarkable versatility. Their program reached national acclaim when homebred filly Running Brook Gal made history by winning the 2009 All American Futurity, a milestone that showcased the caliber of horses A&C is known for.

Today, the next generation leads the charge. Chad's sons, Kaden and Rhen Richard, personally start, develop, and campaign A&C horses from their early training years to elite competitions such as the NFR, The American, and the ARHFA. Their combined experience as horsemen, competitors, and trainers continues to elevate the program's reputation on both the racing and roping sides.

In 2024, Chad and Rhen played a pivotal role in launching the Old West Futurity, solidifying their family's long-standing commitment to advancing the rope horse industry. A&C Racing and Roping remains a cornerstone of excellence—blending decades of proven breeding with modern training insight to shape the next generation of champions.

3 STRING CATTLE CO.

Founded in 2004, 3 String Cattle Co. is a premier performance horse and cattle operation based in Wallsburg, Utah, with an additional ranch in Poolville, Texas. Owned by Redgie and Robyn Probst, the program is built on faith, family, and a deep respect for the Western way of life.

Over the past two decades, the program has grown into a respected breeding and training operation focused on producing elite performance horses and quality cattle. Under the leadership of Redgie and Robyn, and alongside their children—Quincy, Quealy, Paisley, and Parley—every part of the operation remains hands-on, ensuring that every horse carrying the 3 String brand reflects the program's commitment to quality, integrity, and hard work.

With training facilities in both Utah and Texas, the mission is simple: raise and develop horses that are athletic, intelligent, sound, and built to perform—whether in futurity competition, rodeo arenas, or on the ranch.

Redgie Probst is also a founding visionary behind the Old West Rope Horse Futurity, driven by a belief that the rope horse industry deserved a bigger stage. His vision for Old West is to create a platform that celebrates great horses, rewards breeders and trainers, and creates opportunity for the next generation while continuing to elevate the entire performance horse industry.

From the ranch to arenas across the country, 3 String Cattle Co. is dedicated to raising great horses, producing quality cattle, and building a legacy for the next generation.

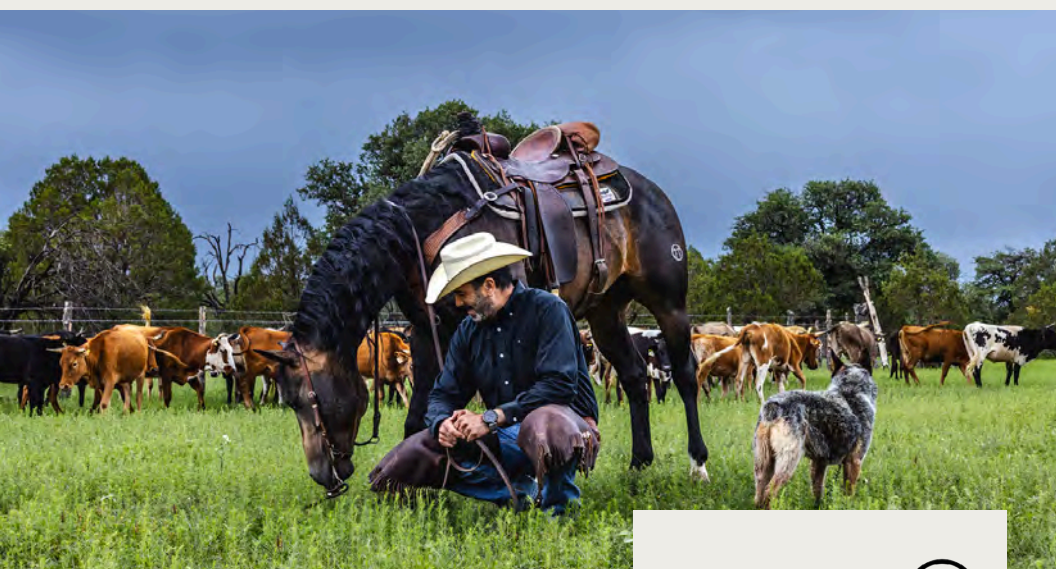

WITTWER
PERFORMANCE HORSES

WITTWER PERFORMANCE HORSES

Wittwer Performance Horses represents the next chapter of a family legacy built on grit, horsemanship, and the western way of life. Founded by Jerad and Heather Wittwer, the program is rooted in the same values that shaped Jerad's career: hard work, humility, and an unwavering commitment to excellence. While many know Jerad for building PDI Diesel into one of the most respected performance brands in the country, horses have always been the foundation of his story. From ranch work to roping, the arena has been a constant thread woven through generations of the Wittwer family.

Today, Wittwer Performance Horses focuses on raising, developing, and showcasing elite rope horse prospects—bringing together carefully selected bloodlines with trusted, high-caliber trainers who help shape each horse into its full potential.

Wittwer Performance Horses is a family-run program dedicated to honoring tradition while building for the future. Their vision extends beyond the arena gate—investing in the next generation of rope horses, elevating the sport, and contributing to the growth of western performance competition. As partners of Old West, they bring a powerful combination of business leadership, horsemanship heritage, and a deep belief in creating opportunities that will shape the industry for years to come.

LAS TUNAS 

LAS TUNAS CORRIENTE CATTLE

Rooted in generations of horsemanship, tradition, and family values, Las Tunas Ranch has built a reputation as one of the most respected breeding and performance programs in the industry. Known for producing exceptional horses with the kind of quality, intellect, and athleticism that stand the test of time, Las Tunas blends Old West heritage with modern-day excellence.

For the Guerrero family, horses aren't just a business — they are a way of life. From the ranch to the arena, their program reflects deep pride in their bloodlines, their craftsmanship, and the legacy they are building for the next generation. Their commitment to producing top-tier equine athletes and roping cattle aligns perfectly with the vision of Old West: integrity, excellence, and a shared belief in the future of the western performance world.

Old West is proud to welcome Miguel and the Guerrero family into the Old West Family! Their leadership and dedication to elevating the industry strengthen the foundation of what Old West is becoming — a premier platform where elite breeders, trainers, and competitors come together to shape the future of both rope horse and barrel racing futurities.

From their heritage to their forward-focused breeding program, Las Tunas represents everything we stand for: dedication, tradition, and a relentless pursuit of greatness.

THE HORSE THAT REDEFINED WHAT'S POSSIBLE

When Crosby Ray Von – “Bella” – sold for \$1.7 million at the Old West Rope Horse Futurity & Sale in 2025, it wasn't just a record-breaking moment. It was a shift in what the rope horse industry can be.

A reflection of what happens when the right horse, the right program, and the right opportunity come together on the biggest stage. But Bella's story is only the beginning. Inside the Old West Journal, that moment is part of a much larger story – one that connects horses, people, and opportunity across the entire industry.

THANK YOU

TO OUR 2026 ELITE PARTNERS:

2027 SALE GRADUATE SIDE POT PROJECTED PAYOUTS

The Guaranteed Sale Graduate Side Pot is a separate incentive payout available exclusively to horses purchased through an official Old West Horse Sale that compete in the 4 and Under Division of an Old West Futurity. This Sale Graduate Side Pot is paid in addition to the Main Pot. Payouts are awarded independently in Heading, Heeling, and Breakaway. Payout tables shown apply per event and are discipline-specific.

Beginning in 2027: Old West Futurities will expand the Guaranteed Sale Graduate Side Pot to include a combined 5–6 Year Old Sale Graduate Division across Heading, Heeling, and Breakaway. This expansion allows eligible Sale Graduate horses to compete for Guaranteed Side Pot payouts not only during their 4-year-old season, but also during their 5- and 6-year-old competition years.

Expanded Payout Structure (2027): In 2027, Guaranteed Sale Graduate Side Pot payouts will continue to be offered in the Open Futurity class and will now also include Intermediate and Limited divisions. Each division will pay 5 positions deep, per discipline, per event.

Eligibility: All eligibility requirements for the Guaranteed Sale Graduate Side Pot remain unchanged. Learn more online at OldWest.com
