ELITE CATTLE SALE

— 2026 —

APRIL 11, 2026 | SATURDAY, 1PM CST

SEARCY, ARKANSAS

WELCOME

Thank you for taking the time to view the offering for the 2nd Annual Top of the Mountain Elite Sale on April 11, 2026. This event would not be possible without the incredible support of our farm team and everyone who helps make sale day a success. It truly takes a village, and we are deeply grateful for each person who contributes their time and effort.

Hosting this sale is a dream come true. The goal has never been simply to make a sale—it's about offering exceptional cattle and watching customers achieve success with them. There is no greater reward than seeing others thrive with animals that came from this program. The satisfaction of seeing those cattle perform well and help others reach their goals is what drives this effort every year.

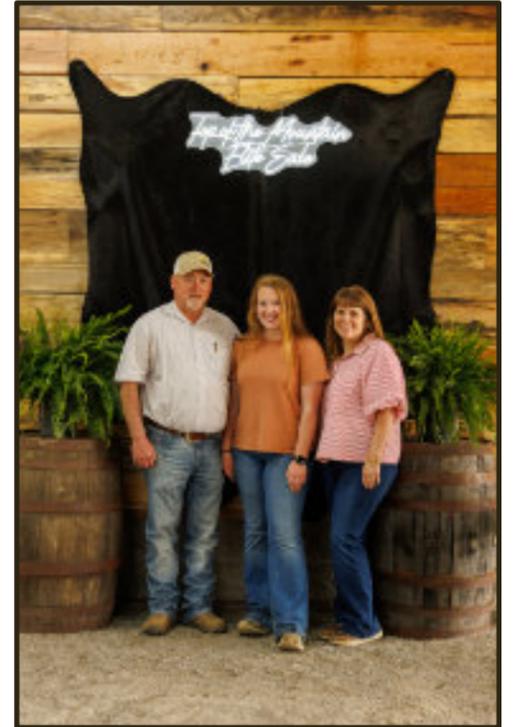

Each animal in this offering has been carefully selected with the goal of helping buyers succeed. If these cattle are not contributing to your success, then we have not succeeded either. The passion for this industry runs deep, and the lessons learned and relationships built through it are truly invaluable.

Everyone is encouraged to come view the cattle in person, but please don't hesitate to reach out before the sale with any questions. Every lot has been handpicked to represent the very best of what we have to offer. The hope is that these cattle will not only meet expectations but exceed them—becoming valuable assets to your herd and your program.

We are proud to present this offering and look forward to seeing the success these cattle bring to their new homes.

Sincerely,

TOP OF THE MOUNTAIN CREW

SFF FIREPOWER
SIRE OF LOT 3 & 4

Homo Black, Homo Polled full sibs! Firepower stems from the WW Gypsy Rose 813F flush, continuing the WW Cornerstone line. He posted a 205-day weight of 759 lbs, ranking top 10% WW and top 5% YW. If not a half-sibling to our top herdsire, Firepower would be a leading R&D Farms sire. Tomahawk, a flush mate, blends Angus-black color with balance and structure. He offers calving ease with a 12.9 CED and -0.3 BW EPD, ideal for performance and easy births.

Homo Black Homo Polled - Patriot is another product of a 1st calf heifer that has calving ease and good carcass data built in this bull. 1478 ranks in the top 10% for BW at -1.1, with an actual BW of 68lbs. 1478 has an actual REA of 15.83 that ratio 106 and an actual IMF of 2.67 with an outstanding ratio of 137.

An awesome halfblood bull – and like I said before, the Braunvieh/Angus cross is absolutely on fire right now! Here's another incredible opportunity to get in on it. I've always said Braunvieh pairs exceptionally well with Angus, and this bull proves it in every way. He's got the look, the performance, and the numbers to back it up. Top 2% in the breed for TM, top 3% for Milk, YW, CW, top 10% for WW and MARB. This bull brings the power, growth, and maternal strength you want, a true example of what the Braunvieh/Angus cross can deliver.

The best part? He's dual registered – Braunvieh and Simmental. You can decide how you'd like to register his calves, or simply turn him out with a commercial herd. He's built to excel in both worlds and he is ready to work for you.

One impressive cow right here. I know I sound like a broken record, but I can't get enough of the Simmental x Braunvieh cross, and this halfblood cow is a prime example of why. Her calf was too young to photograph, but she's already showing signs of turning into a standout female herself. Just look at the udder on this big girl, she's built to produce and built to last. The kind of cow you keep in the herd for years and never want to part with.

This smokin' redhead is sure to turn heads in the show ring this fall. Her dam was the 2018 Ft. Worth Reserve Grand Champion Percentage Braunvieh, a cow we purchased from the Seals that has produced a standout calf every year since—each one packed with power, depth, and quality.

This heifer carries those same traits with a bold middle, stout build, and sound feet and legs. She has the look, pedigree, and potential to make an impact in the ring and later in the donor pen, with the versatility to be mated a variety of ways and still produce the kind that rises to the top.

Jaw-dropping from day one, this heifer has been a standout since she hit the ground. Everyone who sees her falls in love, and she just keeps getting better every day. She'll be a blast to show. Like several of her siblings in this sale, Tiva proves again that she knows how to raise the good ones – and this may be one of my all-time favorites she's produced. If you're looking to raise show steers, this girl can do it. She's got big feet that cover the ground, sound structure, and a deep belly that nearly drags.

LOT 72 | IVF CYCLE ON MISS JMS DIOR L374 BRAUNVIEH BAA: BC107666

An exciting way to close the sale catalog: a flush opportunity from one of our best cows. This cow family consistently produces winners—she's been named Show Heifer of the Year twice, and her sisters continue to dominate in the ring. The buyer chooses the bull, creating a custom, high-potential mating. So far, she has only produced SAM heifer calves, all exceptional. **IVF cycle terms:** Buyer receives a minimum of six transferable embryos with no cap. Flush must be completed in April 2026, and the buyer covers all flush-related costs.

GUARANTEE OF EMBRYO PURCHASES: Embryo lots are guaranteed one 60-day pregnancy if transfers are completed in the year of 2026 and transferred by a licensed embryologist. If failed to get at least one pregnancy, then an additional egg from the same mating will be given or credit can be given for next year's sale. The buyer is responsible for shipping costs.
