(516) 366-0734 CCI.live.schedule@cci.live

SCHEDULE OF EVENTS

Friday, April 10

Cattle will be available for viewing after noon.

Saturday, April 11

11:00 am Lunch

12:00 pm Sale Begins

TERMS & CONDITIONS

All cattle are to be settled for on sale day, PRIOR to load out. All cattle sell under the terms and conditions as recommended by the American Angus Association. MasterCard and Visa will be accepted for payment with a 4% convenience fee added to the purchase price. Pregnancies are guaranteed to be heifers. All other bred females that have been fetal sexed and so noted in the sale book, updates or announced from the block are the opinion of a trained technician and in no way represent a guarantee by the seller.

LOADOUT

Loadout will begin immediately after the sale and all animals must be removed by 12:00 pm on Sunday. Contact sale management if you need assistance.

ANNOUNCEMENTS

A supplemental update sheet will be available sale day with up-to-date information, including updated pregnancy status and calf information. All supplemental information and announcements made from the sale block take precedence over printed matter in this sale book.

LIABILITY

All persons attending the sale and related functions do so at their own risk, legal or otherwise, for their safety or the behavior of the animals. The consignors, sale management, sale facility and Texas Angus Association, assume no liability for loss or damages however so caused.

- Owned by Encore Cattle and Genetics
- Talk about power. This stout bull comes from a long line of high-performing, super-rugged sires. Poss Winchester has made a name for himself as one of the go-to bulls of the breed. Look at the weaning and yearling weight EPDs. Marbling and Ribeye are pretty impressive as well. Calving ease rounds up an impressive animal.

- Owned by B4L Angus
- A very nice Utah x Gemstone son to use on heifers. He ranks in the top 1% for \$Maternal. His pedigree is lined with good cows from our herd. He's the first calf of 2858 whose dam and grandam are staple matriarchs in our herd. 4829 meets the American Angus Associations targeting the brand specs so his steer calves have of the extra value of CAB potential.
