Dear Valued Customers,

We are delighted to welcome you to our annual production sale at Shady Brook Angus Farm. Your continued support and enthusiasm for our Angus cattle mean the world to us, and we are grateful for the trust you place in our farm and our livestock.

At Shady Brook Angus Farm, we take immense pride in the quality and diversity of our cattle. We believe that we have something for everyone, whether you're looking to expand your herd, seeking top-notch genetics, or simply wanting to experience the excellence of Angus cattle. Our selection includes a variety of cattle that are suitable for different needs and preferences, ensuring that you will find the perfect addition to your farm.

We stand behind our cattle with confidence, knowing that they embody the highest standards of health, genetics, and performance. We are here to answer any questions you may have and to provide any assistance you need during the sale.

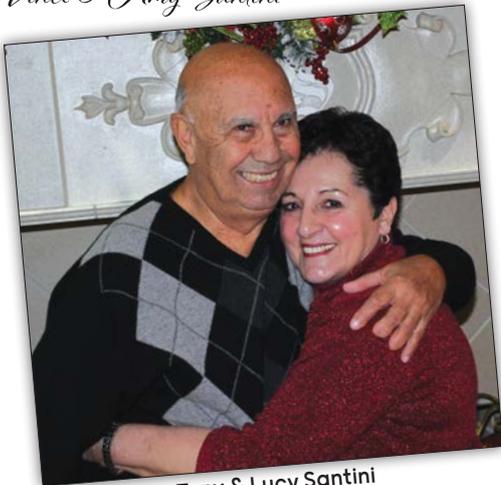

We are excited to welcome you to our farm and to see familiar faces as well as new ones. The camaraderie and shared passion for Angus cattle create a vibrant and enjoyable atmosphere that we look forward to every year. Your presence at our cattle sale is more than just a transaction; it's an opportunity to build lasting relationships and to share in the joy of our mutual interests.

As you explore our offerings, know that we are here to support you in making informed decisions and to ensure that your experience is both enjoyable and rewarding. Our goal is to provide you with cattle that will thrive in your environment and contribute positively to your farming endeavors.

Thank you once again for your support and for being a part of the Shady Brook Angus Farm family. We look forward to seeing you sale day and sharing this special event with you. Your presence is a testament to the strength and unity of our farming community, and we are honored to have you with us.

Sincerely,

Vince & Amy Santini

SHADY BROOK ANGUS – DEDICATED TO THE FUNDAMENTALS

Shady Brook Angus is very diligent about breeding cattle that will become the most profitable for our customers. Over the last 53 years of selecting for genetics, our family has used the most stringent culling process as any in the country. Our focus is to concentrate on the basic fundamentals in breeding cattle.

We start at the ground and work up here at Shady Brook Angus. Cattle have been monitored from a young age and, as they continue to mature for feet structure, all cattle in this sale have been evaluated by our team for heal depth, claw structure, and angle. Anything we thought was suspect, we didn't put in the sale.

Fleshing ability is also key to a profitable program. We expect these cattle to convert forage into pounds. Our cattle are on free choice grass and, if ever fed, are on a high-roughage diet.

Structure is very important to us at Shady Brook Angus. We feel that we have to select cattle with the correct skeletal makeup to cover terrain in all areas for both seedstock and commercial cattlemen. Along with structure comes overall phenotype. These are beef cattle, and we believe in them still looking like Angus beef cattle with the proper Aberdeen head and tons of capacity in a stout, heavy-muscled package.

We are very, very cautious about what we sell in our Annual Production Sale each and every year. We understand this is an investment, and we try to select the very best product for our customers. We take this very seriously and hope that you find what you are looking for. If you ever want to discuss our selection process, we would be more than happy to talk with you at any time. We expect these cattle to go work for you and feel confident they will with our process for selecting our sale offering.

SWEETGUM ANGUS FARMS

Mickey Allen (256) 710-8090
335 County Rd 492 // Lexington, AL 35648
mallen23@aol.com
LOTS 25-30

It is a privilege once again this year to be a part of the Shady Brook Angus Spring Sale hosted by Vince, Amy, and Nate Santini. The cattle market is booming and now is the time to capitalize on the great set of cattle put before you by the Shady Brook, Upchurch Brothers, and Sweetgum programs.

Wheeler and I have dug deep in our "keeper pen" to what we believe is one of the best sets of open and bred heifers to bring you what we desire to produce for commercial cattlemen, astute seedstock producers, and what we want to propagate within our own herd. We did not bring a lot of numbers to the sale this year, but we brought you the top cut of the open heifers. Pay attention to the phenotype and genotype of the open heifers as we feel these could move the needle for some operations. Also, be sure to check out the Shady Brook offering carrying the service of one of our resident herd sires, KDS Magnified J2. There is a reason that you have not seen us provide females out of him, because to date, we have retained them all!

Again, I would like to thank my wife April, daughter Emma, and son Wheeler for their help throughout the year and for supporting my dream. Thanks to Jason Stewart, Tom Stewart, and Randy Chance who help us routinely on the farm, at shows and when things are just not going well, your assistance is appreciated. Also, a big thank you to Blake Darnell who works tirelessly at Shady Brook and assists us with part of our AI service. Wheeler and I look forward to seeing you at a sale or show in the coming months.

Sincerely,
Mickey Allen

LOTS 31-39

The Upchurch Brothers crew considers it a privilege to participate in our fifth Shady Brook Angus Sale. We would like to thank Vince, Amy, Nate, and Sophia for the opportunity to participate.

2026 has brought a great cattle market and the sky seems to be the limit. Cattle numbers are as low as they have ever been and no change can be seen for the herd to grow in size. That makes investing into quality genetics a great choice for your hard-earned dollars. We have dug deep for this year's offering. Bence and Aiden both have bred heifers in this sale, to make this a true Upchurch Brothers' offering.

Thank you to the Santini's, Blake & Koty Darnell, the Sweetgum Crew, and Angus Live for all of the hard work. Please let us know if we can assist you in any way.

*Sincerely,
Randall, Tiffany, Bence, Aiden, and Cager Upchurch
